

With the name of Lord Allah, the Impartial, the Compassionate.

Introduction

What we call 'I', 'you' etc. are not the visible physical body! On the contrary, it is 'Nafs'- soul. Body is the vehicle. It is an Earthen 'frame or a mold' developed by the Supreme Creator by mixing the sperm and ovum of father and mother respectively. When Adam—the first man—was created; the entire soul of men till the Last Day were created from the single soul in the Paradise itself. So, the soul of all mankind is the one as told in the verses 4: 1; 7: 189 and 39: 6. Taking out their progeny which exists till the Last Day from the napes of Adam's children, the Creator made a covenant from each one: "Am I not your Lord, the Owner?" Then each of them replied: "Of course, we do witness". By doing this everybody admitted that the Authority for giving rules and regulations for entire mankind is the Lord only. Afterwards, they were made sent back to the nape of Adam as explained in the verses 7: 172-173. This is the first death of each individual mentioned in the verses 2: 28 and 40: 11.

Swearing by the apparent six facts the verses 91:1-6: "Sun and its hot light; consequent moon and resplendent light; the appearance of bright day; the darkening of night; the canopied sky; shaped Earth as an ostrich's egg" Lord says in the verses 7-10: "He evenly balanced the soul and gave its false way and good way. Then whoever purifies it (identifies himself) will prosper, while whoever neglects it will fail. I.e. to say whoever fulfills the covenant made with Lord in this world will only prosper. So, the believer will live here always declaring by the soul: "I am none" and "nothing belongs to me". The verse 76: 3 says: "Indeed We gave the man freedom to select either the way of grateful or ungrateful". In the verse 90: 10 it is told: "Then we guided the man by two ways, one to the Hell and the other to the Paradise". The Lord became Impartial by teaching man Adhikr which contains the ways of Satan (falsehood) and the way of Lord (Truth) from the Paradise itself as told in the verses 55: 1-4. As per the verse 10: 100, no one becomes a believer without 'Lord's Permission'—Adhikr. Therefore, it is the duty of each individual to confirm that he or she is grateful or ungrateful utilizing Adhikr.

The Body:

The Creator made the body of Adam from "sounding", "adhesive" and "foul smelling" black clay as a potter shaping a pot as told in the verse 15: 26. Then the 'Rooh'—Spirit (Life + soul) of the Creator was blown into the body as told in the verses 15: 29 and 38: 72. Then Eve, the mate of Adam was created from the

soul of Adam by a word from Lord: "Be", then she is. It is told in verse 4:1 that from "her", "her" mate was created. In Qur'an, the soul of both male and female, and the body of women are used in feminine gender, whereas the body of men is used in masculine gender.

Before men were created, the vicegerents of Lord on Earth were 'Jinns'—Sprites—whose bodies were created from the flame as mentioned in the verse 15: 27. Afterwards when they all became transgressors on Earth without bearing Lord's representation, Angels wiped out them completely under the leadership of Iblis. At that time, Iblis who belongs to Jinn as per the verse 18: 50 had not turned as rebel (Kafir). Then, men were created in the Paradise in order to depute them to the Earth as Lord's vicegerents. The saying in the verse 45: 13: "Everything is given to the man from their Lord" means He has taught the man Adhikr which is the constitution, ways and practices of the Impartial Lord as well as the knowledge of past, present and future. Since mankind was taught the 'Software' of the Universe which is the Balance and Trust to keep the Universe in its equilibrium, the control of everything is given to him and he is honored above all creatures. So, it is the duty of mankind to keep the Universe in its equilibrium utilizing Adhikr. But the believer, the 1 among each 1000 will only take this responsibility. When such a believer who is teaching and conveying Adhikr which is Food, Cloth and Sight of human soul to entire mankind is not present anywhere in the world, the Dooms Day will occur. Read together 22: 65 and 35: 45.

When the Spirit of the Creator was blown in Adam, Lord Allah commanded the assemblage of Angels including Iblis to make 'Sujood'—prostration—to Adam. Everybody prostrated except Iblis. He was arrogant that he who was made of flame couldn't prostrate in front of Adam who was made of clay. Following this, he was cursed and denied mercy, and finally he was expelled from the Paradise. Consequently, he requested Lord that he should be given an opportunity to tempt and deviate man from the Straightpath. Lord gave him the opportunity till a fixed date, and also gave him all the facilities needed as told in the verses 17: 62-64. See the explanation 4: 116-121 and 7: 16-17.

Then Lord told: "Oh, Adam! Reside in the Paradise yourself and your mate. Eat fruits from the Paradise as both of you wish. But neither you nor your mate should eat the fruit of the particular tree. If you do so, you will be included among wrongdoers". Then Satan betrayed them telling: "Your Lord has not prohibited you regarding this tree, except that both of you won't become Angels or immortals". Again, Satan swore to them: "Definitely, I am the one among your well-wishers" as per the verses 7: 19-21. He won over them by tempting in this

way. When both of them tried for sexual intercourse which is the 'banned fruit of Paradise', their private parts were revealed and they began to hide those parts with the leaves from the Paradise. Their Lord called them both and asked: "Didn't We prohibit you regarding that tree? Didn't We also tell you that Satan is surely the clear enemy to both of you?" See the explanation 7: 22. Adam, who felt sorry in heart, was given words from the Lord for returning into the Straightpath by repenting as told in the verse 2: 37. As per the verse 7: 23 both of them prayed: "Our Lord, we have done wrong to ourselves. If You don't forgive us and if You don't shower your Mercy upon us, we will definitely be included among the losers". Allah accepted their repentance, indeed He is the Oft-forgiving, Merciful. By this event Allah taught mankind the parable of life on Earth and the nature of the Satanic temptations.

When Allah sent men down to the Earth from the Paradise, He said: "Get you all down from here; when the Guidance comes to you from Me, anyone who follows My Guidance, there shall be no fear upon them and for them will not be grieved" as told in the verses 2: 38 and 20: 123. With the rhythmic balance of the wind, Adam carrying all the children up to the Last Day on his nape, and Eve were descended into the Earth as explained in the verse 2:164. Adam was landed in Adam's Peak located in Ceylon (today's Sri Lanka) which was earlier a part of India. Eve was landed in Jeddah of Saudi Arabia. Then they met each other at Arafa which is near Makah.

The creation of Human Body:

Allah asks in the verse 76: 1: "Hasn't a long period passed for men, when he was nothing worth mentioning". This is to say that at the time of creation of Adam itself, all men till the Last Day were created in the Paradise. Then the Creator decided the period, nation, tribe, parents and sex through which the individuals should be brought on Earth. See the explanation 2: 28.

First father and mother ate food material produced from soil which contained the elements of soil. From this blood is formed. And from its essence the Creator produced semen containing sperm and ovum (Nuthfa). The word Nuthfa is used for sperm as well as for ovum. The verses 86: 5-7 says: "So let every one observe what he has been created from? He is created by the water emitted from the fathers' 'Swulb' (testicles—early stage it was in between the ribs) and mothers' 'Thara'ib' (pelvis region of women). And in the verse 76: 2 says: "Indeed, We have created man from the mixture 'Nuthfa' of male and female". After staying 40 days in the womb of mother as 'Nuthfa' (embryo), then 40 days as 'Alaqa' (clot) and again 40 days as 'Mudhu'gha' (clinging mass of

flesh) the 'soul' situated in father's nape is carried to the fetus in mother's womb during fourth month through an Angel. Read together 22: 5; 23: 12-14 and 32: 7-9. Prophet taught as an answer to a Jew's question that, the bones and nerves are formed from the 'Nuthfa' (sperm) of father, whereas blood and flesh are formed from the 'Nuthfa'(ovum) of mother. If man is compared to a computer, his body is the hardware, life is the electricity and the soul is the software.

The seven phases of mankind:

The soul of the man has to undergo seven phases. They are: -

Phase 1: - While creating whole mankind (soul) in the Paradise, Creator Lord made a covenant from each and every one by asking: "Am I not your Lord", all of them replied: "Yes, we do witness" (7: 172-174). That is to say, each and everyone agreed that Lord is the only authority for giving rules and regulations needed for the peace and tranquil life in this world, and only to the Lord everyone has to answer about his worldly life on the Day of Judgment.

Phase 2: - Then transferred all of them into the nape of Adam and were sent down to the Earth. Duration of this phase/stage may vary from man to man which can't be calculated. The Lord asks through the verse 76: 1: "Hasn't a long period passed for man when he was nothing worth mentioning?"

Phase 3: - Lord created body of man by mingling the sperm of father and ovum of mother in order to test him. So, He blessed him with hearing and sight. When the growing embryo (sperm + ovum) having life attains four months in the womb of mother, the soul from concerned father's nape is transferred into the fetus through an Angel. Thus, the child gets the 'Rooh' (Spirit=both soul and life). This phase lasts till the 15th age of one's life. Any child that dies before attaining 15th age will return to the Paradise.

Phase 4: - This phase starts from the age of 15th and lasts up to death. This is the significant phase to identify the Lord by utilizing Adhikr—the Insight and to confirm as a believer and to prepare Paradise in order to inherit it in the 7th phase.

Phase 5: - This phase starts when death happens; i.e. when Spirit departs from the body. During sleep only the soul departs where life remains in the body. But in death Spirit departs. After death the soul alone (with no life) will be returned to the body and will taste either the Paradise (for believers) or the Hell (for disbelievers). This phase extends until the Resurrection Day.

Phase 6: - This phase is the 'Judgment Day', a day as long as 50,000 years of this worldly life as explained in the verse 70: 4. In this phase whole mankind will be gathered with soul, life and body similar to the 4th phase. They will be naked, barefooted and uncircumcised. Then all will be undergone for Trial according the computer Record fastened around his/her neck.

Phase 7: - This is the final destination and eternal phase of man. Whoever prepares the Paradise by utilizing Adhikr (the Light) in the 4th phase will inherit it in this phase. Those who didn't receive the Book will be sent to other worlds (other than the Paradise or Hell) by the Lord of the worlds. They will be drunk from the 'Kouth(s)er Lake', a drink with which no thirst will feel forever (108: 1-3). The hypocrites and their followers, since they disregard the Splendid Book Adhikr (the Ticket to the Paradise as well as the Safeguard against the Hell) after receiving It will inherit the Hell as a fine for their aimless life in the 4th phase.

Since soul is from the Lord, it will not be ruined. But It passes through different phases.

The History of mankind:

Adam and Eve continued to live on Earth by utilizing Adhikr which is taught from Paradise itself as explained in the verse 2: 213. Gradually, the children of Adam were deviated due to temptation of Satan and became those who lost the aim of life. When most among them became wrongdoers, Lord sent Prophets who convey glad tidings from Lord Allah to believers and warning to disbelievers. Ten generations from Adam to Nooh lived according to Adhikr taught from the Paradise. In due course, according to the development of society, when men were trapped by Satan, and there was nobody to represent as the vicegerent of Lord, He sent the first Messenger Nooh who is also known as 'Manu and Noah', and revealed for the first time the Book in its bodily form. Messengers are the Prophets upon whom the Lord's Book—Adhikr—is revealed as told in the verse 57: 25. As a result of Nooh's instructions with Adhikr—Reminder, only a few from his people believed. When Lord, the Knower of past, present and future understood that nobody will further believe, He inspired Nooh pray to Him for taking a decision between believers and transgressors. As a result, through a flood which was spread in all areas of human inhabitation, Lord destroyed all of them and saved Nooh and believers in an Ark. All the men today on Earth are the successors of those who escaped in the Ark. Read together 11: 48; 17: 3 and 36: 41.

A section of those who escaped were settled in Iraq. Gradually when they were seduced and became idol worshipers as well as wrongdoers, Lord sent Ibrahim as a Messenger. He insisted people about one Deity, but the people including his father decided to kill him by throwing him into burning fire. Lord saved him from it as told in the verse 21: 69. The predecessors of "Aryans" who finally arrived in India seeking pastures for grazing cattle, were from Iraq. The similarity between the worship practices of Ibrahim such as the dress style for Hajj, composite around Ka'aba keeping left etc. and the dress style and composite around temple keeping left of Brahmins is due to the above reason. According to the command of Lord, the first child Isma'el, and his mother Hajara were brought to Mecca where the Ka'ba is situated and they settled there. Afterwards Ibrahim went back to Palestine. When the reserve water was over, Hajara ran between 'Safa' and 'Marva' hills for seven times in search of water for the child. Finally, the 'Zum-zum' fountain was burst and flowed under the foot of the child. When Isma'el was fourteen years old, Lord ordered Ibrahim that his son should be sacrificed. When he was ready even for that Lord called him, and told: "Enough, you have fulfilled the command! Now sacrifice this goat instead." When he was triumphant in all these ordeals, Lord showed him the foundation of the Ka'ba, the Lord's first house on Earth, which was constructed for worshiping of Him and had been dilapidated in the flood at the time of Nooh as told in the verse 3: 96. Ibrahim and Isma'el together built up the Ka'ba. See the explanation 2: 126-127. According to the verses 14: 35-36 though Prophet Ibrahim prayed not to include himself and his children among idol worshipers, gradually the children of Isma'el had gone astray and installed upto 360 idols at the Ka'ba, which is constructed for the worship of Lord alone.

Prophet Ibrahim's second son is Prophet Ishaq who is the father of Prophet Ya'qoob also known as Israel. Prophet Yoosuf, son of Ya'qoob was thrown into the well by his brothers. He was saved by a group of traders and was sold in Egypt. In due course, Prophet Yoosuf became the ruler of Egypt and he brought his father Ya'qoob and all his family members to Egypt and were settled there. Thus, the children of Israel arrived in Egypt. Gradually, the teachings of Prophet Yoosuf were forgotten by the people including the children of Israel and they themselves immersed in cow worship and other immoral deeds. The Pharaohs from 'Qibthi' race became the Egyptian rulers and they suppressed the children of Israel and made them slaves. Then Prophet Moosa was sent by Allah to save them from Pharaohs.

Though Messenger Moosa and his half-brother Prophet Haroon conducted spiritual instructions in Egypt for years, only one among the Pharaoh's people became the believer. Finally, Lord saved Moosa and the children of Israel by

parting the sea as told in the verse 26: 63; bestowed them with so many bounties and honored more than any other people. More than half of Prophets who have been specifically mentioned in Qur'an including two Messengers Moosa and Jesus from among 'Ulul-Azm' (determined Messengers) are included in the children of Israel. Prophet Sulaiman who was given the power, dignity and majesty; Prophet Davood and the three pairs having father and son as Prophets also belong to them. Before deploying Prophet Muhammed, the leadership of world was in the hand of children of Israel. But they gradually became arrogant, and they concealed and distorted the Lord's Book, assassinated some of the Prophets and even tried to kill Jesus.

By hiding the Tora-Book from the Lord—the Jewish priests lived hypocritical life and led the people to live bodily life without considering the soul. They were addressed as 'whitewashed tombs'—beautiful on the outside but filled on the inside with dead people's bones and all sorts of impurity. Though Jesus preached against their exploitation and misguiding, the children of Israel were not ready to believe. (For details see gospel of Mathew: 23: 1-36.) Only thirteen disciples from among them were ready to follow Jesus. The Jewish priests influenced the Roman Governor to crucify Jesus and at last they decided to crucify him. But the Mighty Exalted Lord raised Jesus bodily up to the 2nd Heaven. As explained in the verses 4: 157-158 Lord raised him by whirlwind to the Heaven and transformed Surjjas' face (Judas—one of the disciple) as that of Jesus. Then the Roman soldiers captured Judas and he was crucified. The rest of the twelve disciples trembled by facing the situation i.e. the disbelief of the people, the mocking and spy work of Jewish priests, the partiality of Roman rulers etc; couldn't explain to the people the fact that Jesus was raised up by the Lord of worlds. Afterwards they couldn't work together in a place; so they disintegrated and continued preaching the Message individually in different places. Meanwhile 'Paul'—one of the Jews among the enemy of Jesus came as a self-declared 'apostle' and started to preach a new way of belief against the Message and teaching of Jesus under the support and permission of Jews and Roman rulers. Thus they became different groups and deviated from the Straightpath. Read together 3: 52-55.

After Jesus, when the world became dark and was about to be destroyed, Lord deployed Prophet Muhammed (who has been mentioned as 'Kalki' in the Hindu Scriptures and as the 'steward' or 'the soul of truth' in the Bible) as the last Prophet and Messenger of Islam. The ignorance of the morally degraded children of Isma'el became so dark that both male and female were encompassing the Ka'ba in the nude. In a situation in which it was impossible to live contacting the outer world, Muhammed started to live in Hira cave lonely. It

was then "Jibreel" (Gabriel), the Messenger from the Angels arrives with the Book—the Right Divine Message. Read together 53: 1-17 and 81: 19- 27. It was told to Prophet Muhammed to read out first five verses from the chapter 96, and when Prophet replied: "I am not the one who reads", Jibreel embraced Prophet and he became breathless. Then the soul was connected to the Paradise. Subsequently he read the verses taught from Paradise. Then in various situations, sending down of the Lord's Book was completed within 23 years, step by step.

Are all 'Religions' true?

Islam, the natural religion, is the submission of will and whole life to the Creator, or a lifestyle codified under the shadow of the whole Divine Book, satisfied by Lord for entire mankind from the beginning to the Last as explained in the verses 3: 19 and 85. Messengers were deputed from mankind in order to live according to the Book and to explain content in detail. In order to turn people's attention to Allah and to frighten them, some tests such as famine, calamities and terrifying wars were tried; and some divine miracles were shown through Prophets. Even with extreme opposition, a small group of people accepted this way of life and eventually the True religion of the Lord was established here.

Gradually, the hypocrites among prominent persons and priests themselves presented the divine miracle as the gift of Prophets; and distorted religion according to their whims and interests and thus they tried to put in force a new lifestyle. The Prophets were started to consider as incarnations of the Lord and even sons of Lord, and attributed a share in the powers and rights of the Lord. In earlier days, Book (Veda) was transferred to generations through oral statements. Later years, hypocrites began to write books distortedly interpreting certain parts without considering whole Book and adding untruths. Without trying to learn Veda's soul, they taught the common people that Heavenly reward can be attained by 'eating its body' (mere reading without trying to understand the Messages). Then they introduced the books such as Upanishads, gospels, mythologies and religious rituals written by their own hands as the basis of the life. Since man is hasty and hedonistic, they were prepared to follow the shortcuts made by the above said people. Subsequently, various kinds of thoughts and philosophies were originated which resulted into partiality and a complex of meaningless practices and rituals. As a result of this, Islam (the way of life satisfied by the Lord from Adam to the last men) became just a religion. Then, in order to show Straightpath to men Lord introduced His Scripture in another language through another Messenger. People who have been entirely detracted having false pride as the followers of

the previous Prophet are in the forefront in opposing this Scripture and the new Messenger!

All existing religious practices in the world including the traditional religion of Muslims are rejecting and denying the Lord's Book- Adhikr. Those who dedicate their lives and pray to Allah or 'Jehovah' or 'Jagadeeshwar' are believers, and those who pray, worship, chant and pay offerings to His creations such as Prophet Muhammed, Badar Martyrs, Muhyadheen Sheikh, Jesus, Saints, Moosa, Uzair, Rama, Krishna and Buddha are disbelievers, whichever may be their caste, religion, dress or nationality. Whoever invokes any creature other than the Creator Lord is invoking only the cursed Satan is mentioned in the verses 4: 116-117. The inmates of the Hellfire are those who hide and reject the Lord's verses after receiving It. Today the 'other people' who have not received the Last form of the Book—Adhikr—should not be considered as disbelievers. Adhikr is the only Book revealed from the Paradise to the Earth periodically in different languages as mentioned in the verses 16: 44; 21: 24 and 41:41-43. Adhikr is the Words and Guidance from the Creator Lord for entire mankind including Hindus, Jews, Christians, Muslims and Atheists. As all bounties, such as air, water, light and soil are meant for entire creatures, Adhikr and Prophet Muhammed are meant for whole worlds as mentioned in the verses 7: 157-158; 21: 107 and 34: 28. Adhikr is the Ultimate form of the previous Scriptures which testifies and confirms all the previous 312 Books and preserves them. Scriptures have been revised without having any change in the basic principles like the text books in schools are being revised periodically. And this revision has been made not as separate Books for Hindus, Jews, Christians, Muslims etc.

Today If anyone observes through Adhikr—the Light he can see that in the entire society natural Islam is being reflected comparatively more in Hindus, Jews, Christians and even in Atheists than Muslims. Since Prophet Muhammed is the last Messenger and the last version of the Book revealed to him is existing in the same body (language), there doesn't arise the need of a new Book or Messenger.

Prophet taught: "After 30 years of my departure, Islam will be deteriorated. Then Qur'an reading people will be of 3 groups. (1) Fajir: - The one who eats the body of the Book by that he will be darted away from True way of life as arrow darts from the bow. He is the worst creature. (2) Kafir: - He knows the contents of the Book, but hides and rejects It. He is the hypocrite and transgressor. These two groups will enter the Hell. Among them the hypocritical Kafirs will enter the Hell even without Trial as told in the verse 4: 145, while the Fujjar Kafirs will be led to

the Hell after Trial as mentioned in the verse 39: 71. (3) Believer: - He is the one who says what he does and does what he says. He is the 1 to the Paradise out of each and every 1000".

Therefore, the Muslims of entire world are not following or testifying Prophet's life among others. Instead they are following 29 pseudo-prophets and are welcoming the 30th pseudo-prophet Maseeh-A-Dajjal—Antichrist. When the world is about to be destroyed, Lord will bring Jesus again into the Earth in order to kill the Satan Antichrist and to emphasize the real Islam throughout the world. Thus, life of Paradise will come true on Earth for a period of 7 years. On that time harmony of mankind will be flourished on Earth.

The Book (Al- Kithab):

The Creator of all who created Heaven and Earth and all the things in between them from nothingness, is the Omniscient. And Adhikr being His Wise Words is the Knowledge of Three Times—present, past and future. One third of Lord's verses is concerned with past, one third with present and one third with future—the warning of the events to be happened. First of all, He documented and kept the Book—Adhikr—in a safe compact disc which is the constitution of the Universe and the ways and practices of all time. Read together 56: 77-78 and 85: 21-22.

The Soul of the Book—Adhikr—was periodically revealed from the Paradise to the Earth having the same soul with different bodies. That is to say, if the body of Bhagavat Gita is Sanskrit, the body of Tora is Hebrew, the body of Psalm is Greek, the body of Injeel is Aramaic, and the body of Qur'an is Arabic; the soul (Adhikr) is the same. So all the Scriptures revealed is Qur'an. The word 'Qur'an' in Arabic means 'the Book for repeated reading'. As per the verses 15: 90-91 it can be understood that all the previous Books revealed is Qur'an. The 'Zaboor' (Psalm) mentioned in the verses 4:163 and 21:105 is Qur'an itself. Only the difference is it was in poetical form. 'Adhikr' means Soul of the Book in one's heart's language. It is the Food, Cloth and Sight of human soul as told in the verses 6: 104; 7:26 and 11: 88. Prophet taught: "Seven repeatedly coming verses mentioned in the verse 15: 87 is 'Ummulkithab'—Fathiha". Both in the verses 13:39 and 43:4 it is mentioned that Ummulkithab—mother of the Book—is with Lord. If all Messengers were given with Qur'an only, Alkithab (The Book) which consists of both Qur'an and Ummulkithab itself is given to Prophet Muhammed.

Ar-Rooh (The spirit):

As per the verses 4: 171; 15: 29; 32: 9; 38: 72 all the men including Prophet Jesus have been given 'Rooh' from the 'Rooh' of Creator. As per the verses 16: 102; 26: 193; 78: 38 the Angel Jibreel has been mentioned as 'Rooh'. In the verses 16: 2 and 42: 52 Adhikr is mentioned as 'Rooh'. Adhikr is soul of the Book and the meaning is Its life. 'Rooh' of the Book is known as 'Kalimath' which can't be completed by writing and saying as told in the verses 18: 109 and 31: 27. The latest form of Adhikr mentioned in the verse 41: 41 contains all previous 312 Books and their explanations as told in the verse 16: 44. It explains each and everything as told in the verse 16: 89. Actually Adhikr is the food, cloth and sight of jinn comrade. Therefore, the believer by making his soulmate a believer with Adhikr, he can keep Allah in his heart. And thus he will not be affected by any accident or disaster.

How sleep differs from death?

Sleep is a minor death. During sleep only soul is departing from the body and life is not departing as explained in the verses 6: 60 and 39: 42, while in death the Rooh containing soul + life is departing. One has the soul only when the remembrance of Lord is maintained with Adhikr. Those who don't testify Adhikr and don't propagate It to others after receiving are in the state of sleeping. That is they have only life without soul. This is the reason for saying that the hypocrites who knowingly hide Adhikr are killed as told in the verses 2:99; 63: 4 and 80: 17.

What is Adhikr?

In the verse 36: 69 says: This is nothing but a 'Dhikr' (Reminder) and a manifest reading. 'Dhikr' mentioned here is 'Soul of the Book and the Arabic text is Its body. The word Qur'an means 'for repeated reading'. So not the Arabic text of the Book is for repeated reading, but Adhikr (Wise Reminder as told in the verse 3: 58) is for repeated reading. Adhikr is the Reminder of the Lord in one's heart's language. Therefore, it can be understood more for the illiterate men than for literate men. Through the verses 54: 17, 22, 32 and 40 Lord says: "Indeed We made this Reading very easy to understand with hearts; then is there anyone to accept the Admonition?" But the hypocrites—so called Ulamas of Islam—will not understand Adhikr because they are having only life without soul. But the intellectual men from among the 'other people' can grasp Adhikr easily as It is in one's own heart's language. When the servant contacts with his Master through the verse 1: 5: "Show us the Straightpath", as an answer "Lord sent down Adhikr—the Guidance as mentioned in the verse 6: 153. There are 114 'Sura' in the Book. Since a specific subject is not completely mentioned in a

particular 'Surath', it can't be called a chapter or lesson. The total verses of the Book are 6236. Each verse is highly philosophical and independent. The verse is called 'Ayath' having the meaning such as Sign, divine miracle and evidence. In other words each verse of the Book is a Sign.

Codification:

Angel Jibreel, the Messenger from Lord Allah, appeared near Prophet Muhammed at Hira cave and told to read. Muhammed told: "I am not the one who reads". Then Jibreel embraced Muhammed which made him breathless and his soul was connected with the Paradise. Thus, he became able to read the verses 96: 1-5. The last version of the Book was sent down to Muhammed time by time and completed within 23 years. Muhammed who did not know reading and writing wanted some of his literate followers to record those verses in so and so Sura, and they recorded them accordingly. In certain situations, a Surath was revealed as a whole. Every year in the month of 'Ramadhan' in which the Book was started to reveal, Angel Jibreel used to hear reading of the Book from Muhammed. Thus, during the last 'Ramadhan' of Prophet's life, he made Muhammed to read the Book twice. During the last time of the Prophet's life, religious renounce was originated under the leadership of the first pseudo prophet 'Musailimathul kadhab'. During the rule of Aboobaker—the first Khalifa—a war was led against them. In this war, a lot of Book by-hearted believers became martyrs. Due to the fear that Book of Lord may be lost unless it is codified, Qalifa Aboobaker by the encouragement of Umer decided to form the first copy of Adhikr. The Book by-hearted people were assembled together under the leadership of Zaid-Ibn-Thabith (one of the writers) and also called to bring the scripts available with them written in leather scrolls, palm leaves, bones etc. By comparing all these scripts with the reading of by-hearted persons, the first edition was formed. That edition was entrusted with the Prophet's wife Hafza in order to preserve. The manuscripts copies had with others were also compared and confirmed with this edition. Gradually, when Islam was spread into various countries, more editions of the Lord's Book became necessary. Thus, during the period of Usman eight copies were taken and were sent to various countries. Reading regulations were made for not losing congruence of ideas due to changes in the reading of the Book when the languages of the different countries varied. Through the verses 75:16-19 Allah says: "Move not your tongue concerning the Book to make haste with. It is Our duty to collect It as well as to teach the recitation of It. So when We have recited It (through Jibreel) you follow Its method of recitation. It is then We Who must explain It". The verse 20: 114 says: "Exalted is Allah, the true controller. Don't hurry while reading the Book before Its revelation has been accomplished for

you. But you pray: Oh my Lord! You increase me the Knowledge". The verse 15: 9 says: "Indeed We Ourselves have sent down the Reminder—Adhikr; and indeed, We will safeguard It". So it's clear that the Book should be read, learnt and taught according to the codified order from Surath Baqara to the last.

Names of Lord's Book:

Lord's Book Adhikr is denoted in 40 names in the Book. For those who testify each name of the Book, It will witness and argue in favor. It is the Friday speech where Adhikr is explained. The verses 7: 52, 203; 16: 64 etc end as 'Adhikr is the Guidance and Mercy for the people who believed'. The Impartial Lord will not punish anyone unless he received the Guidance. Here mentioned three words 'the clear signs, the Book and the Balance' mean Adhikr. So Adhikr is the Balance to keep the Universe in its equilibrium, but only believers will utilize It as the Balance throughout their life. The verse 39: 41 says: "We have sent down you the Book with 'Truth' for mankind. Anyone who is guided will be so for his own sake, while anyone who goes astray will only stray because of it as well, you are not a custodian over them". If Adhikr is not utilized as the Balance or Truth in this world, there will not be any weight for any deed on the Day of Judgment as explained in the verse 2: 186. If Truth—Adhikr—is not testified in this life, at the time of death Lord will tell him as per the verse 75: 31-32: "You didn't testify the Truth, so you didn't perform prayer. But you rejected and turned away". As told in the verses 54: 54-55: "Those who entered the Paradise without Trial will have seats of Swidq (the Truth) near the Almighty King—the Lord".

Insight means the instrument which shows to each soul—male or female—her seat in the hereafter whether it is in the Hell or in the Paradise. This is also an instrument which shows in advance whether one sees the ugly face of Satan or the pleasant face of the Lord at the time of death. The Light, the Permission and the Straightpath mentioned are Adhikr. The verse 7: 157 ends as: "Those who follow the Light which is sent down with the Messenger; such will be the only prosperous". "The Light We revealed" mentioned in the verse 64: 8 is Adhikr. Only by burning the Satanic habits such as pride, jealousy, arrogance, selfishness utilizing the Light—Adhikr—one can fulfill the aim of life. Read together 42: 52. Knowledge, Guidance and Enlightening Book mentioned in both verses 22: 8 and 31: 20 are also Adhikr.

Both in the verses 9: 32 and 61: 8 it is told that hypocrites try to extinguish the Light—Adhikr—blowing with their mouth; but Lord will indeed perfect His Light. Shahid (The Witness)

The name Shahid is mentioned in the verses 6: 19; 11: 17. As per the verse 6: 19 both Lord and Adhikr are mentioned as the greatest Witness. Whoever from among the different organizations of Muslims hides the Witness mentioned in the verse 11: 17, then Fire is promised to him. Life of Prophet Muhammed was Adhikr. And it is commanded to believers through the verses 2: 143 and 22: 78 to witness Prophet's life upon entire mankind. Since today there is not a group of believers anywhere in the world, the odd believer should convey Adhikr—the Witness—throughout the world irrespective of nation or religion.

that Luqman has been endowed with Wisdom in order to be grateful towards the Lord.

It is told in the verse 2: 269 that He gives Wisdom to anyone He wishes and anyone He gives Wisdom to, receives an abundant Boon. Since Adhikr is formed as a Book today, Impartial Lord will not give Wisdom to anyone, instead one can acquire wisdom by reading Adhikr with pray: "Oh my Lord! You increase me the Knowledge".

Mouidhath (The Advice)

The name Mouidath is mentioned in 7 places such as in the verses 2: 66; 3: 138; 10: 57; 16: 125. 'Mouidhath' is the similar observances and figures of the 'Hikmath' verses for todays having clear ideas and full of wisdom. The verse 10: 57 says: "Oh mankind! Advice has been come to you from your Lord as healing for whatever in your chests; and as Guidance and Mercy for believers". So in the case of believers 'Mouidhath' is best advice and in the case of mankind it's a warning. 'Mouidhath' is used as lesson in the verse 2: 66. As per the verse 3: 138 'Mouidhath' is used as best advice. In the verse 24: 34 it is told: "We have already sent down to you verses making things clear, an illustration from the history of people who passed away before you and a best advice for those who are heedful". In the verse 25: 33 the 'Mouidhath' is mentioned as the Best Explanation.

In the verse 17: 82 it is told that there are Healing and Mercy in Adhikr for believers; but for wrongdoers It causes nothing but loss over loss. If it is told in the verse 9: 124 that the Adhikr will increase the faith for believers, it is told in the verse 125 that for hypocrites It increases filth over filth. The verse 69: 50 says: "Indeed Adhikr is a cause of sorrow for disbelievers".

The name Rahmath is mentioned in 32 places such as in the verses 2: 105; 4: 113; 10: 58, whereas the name Fadhl is mentioned in 52 places such as in the verses 10: 58; 24: 21; 62: 4. Through the verse 10: 58 Lord commands Prophet to say: "Let them rejoice with the Bounty and Mercy of the Lord, that is better

than anything they are gathering". Being the explanation this, Prophet taught: "Among you the best one is who learns and teaches Adhikr". Prophet also taught: "Adhikr is the prosperity, after that there is no poverty and without It there is no prosperity. Read together 24: 10 and 20.

Imam (The Leader)

The name Imam is mentioned in 4 places such as in the verses 11: 17; 17: 71; 36: 12; 46: 12. In the verse 17: 71 it is told: "On the Day of Judgment We shall call together all mankind with their respective leaders. Those who are given their record in their right hand will read it with pleasure; and they will not be dealt with unjustly in the least". The verse 72 continues as: "Those who were blind towards the Imam—Adhikr—in this world, will be more blind in the Hereafter, and most astray from the Straightpath". Read together 25: 33-34. The verses 17: 13-14 say: "We have tied every man's fate around his neck; and We shall produce a book for him on the Day of Judgment that he will find it as an illuminated open book. It will be said to him: 'Read your own book: sufficient is yourself this Day to make out an account of you'. About this Recording-book it is also mentioned in the verses 18: 49; 23: 62-64; 36: 12; 45: 28-29; 58: 6 and 78: 27-29. Therefore, whoever hears, reads, thinks and discusses about Adhikr throughout his entire life, his Recorded book will be worth-reading and weighing. They are the people who receive the Book in the right hand. Prophet taught: "You should keep up Adhikr in forefront of you as the Leader. It is from the Lord and It leads you into Him. If you make it behind, it will push you into the Hell". The believers considering the Lord as Impartial who pray as: "Make us the leaders for the heedful who follow Adhikr" as told in the verse 25: 74, will neither follow the hypocrites nor will stand as Imam for the worthless people.

Muhaimin (The Safeguard)

The name 'Muhaimin is mentioned in the verse 5: 48 for Adhikr, and for Lord Allah in the verse 59: 23. Muhaimin means safeguard, preserve, protect, supervise, maintain and support etc. Then what we understand by saying: 'Adhikr is the Safeguard of the Book' is that all the right and straight parts of previous 312 Books are included in Adhikr as told in the verses 98: 2-3. The verse 16: 44 says: "Adhikr revealed to the Prophet includes previous 312 Books and their explanations". Read together 16: 89. The verse 15: 9 says: "Indeed We have revealed Adhikr, and indeed We will preserve It". Since Lord is Impartial, today one should holdfast Adhikr—the Safeguard—in order to prevent from all disasters, calamities, diseases as well as Hell Fire. The verse 22: 78 ends as:

"And you holdfast with Lord Allah; He is your Master, what a Best Master and what a Best Helper!" Holdfast with the Lord means holdfast Adhikr.

Hadeeth (The Speech)

The name Hadeeth is mentioned in 10 places such as in the verses 4: 78; 18 :2; 53: 59. The verse 4: 78 ends as: "What is wrong with these people that they can't understand this Speech". Both the verses 4: 87, 122 end with a question that whose speech can be truer than Lord Allah's? The verses 7: 185 and 77: 50 end with a question: "Then what Speech after this will they go to believe in?" The verse 45: 6 ends as: "What Speech will they believe after rejecting Allah and His verses?" Hadeeth specified in all verses is Lord's Speech—Adhikr. The Best speech specified in verse 39: 23 is also Adhikr. Through the verse 53: 59 Lord asks: "Are they wondering about this Speech—Adhikr?" Prophet taught: "The best Speech is the Book of Lord—Adhikr". At the same time the sayings of Prophet is Hadiya—the explanation of Adhikr which is received beyond reason. But today, the Book bearers who can't distinguish between the soul and body are considering sayings of the Prophet as Hadeeth, and thus they are falsifying both Lord's Book and the Prophet. Read together 2: 23-24.

Bayan (The Declaration)

The name Bayan is mentioned in the verses 3: 138; 55: 4 and 75: 19. The verse 3: 138 says: "Adhikr is a Declaration –Bayan—for mankind, as well as the Guidance and Instruction for the heedful". Both in the verses 6: 38 and 16: 89 it is told that Adhikr explains each and everything, and is Guidance, Mercy and Herald for those who submit everything to the Lord Allah. It is told in the verses 53: 2-3: "Prophet won't pronounce his own desire, and it is not less than a divine Message received through inspiration". So, the life and sayings of Prophet Muhammed is the explanation of Adhikr.

Bayyina (The Explanation)

The name Bayyina is mentioned in 40 places such as in the verses 11: 17, 28; 98: 2. The inmates will reply: "Yes they had". Then Angels will say: "Then you appeal, the appeal of disbelievers won't increase except astray". In another sense, Adhikr is the knowledge of the past, present and future of the Three Time Knower Lord. In the verse 17: 77 it is told: "This was Our practice with the Messengers We sent before you. You will find no changes in our ways". In the verse 33: 61 Allah says about hypocrites and their blind followers: "Cursed people, whenever and wherever they are found, they shall be seized and slain one by one". Then the verse 62 continues: "Such is Lord's practice with those who have passed on before; you will never find any change in Lord's practice". Through the verse 35: 43 Lord asks: "Are they only waiting for what happened to primitive people? Yet you will never find any change in Lord's Practice, nor will you ever find any postponement for Lord's Practice".

The verse 68: 4 says: "Indeed you have been with tremendous character". Here mentioned 'tremendous character' is the character of the Book Adhikr. The practice of Prophet also was indeed Adhikr. But today by ignoring the 'Hadeeth' and 'Sunnath' of the Lord, Muslims who made their food 'rejecting Adhikr' are following different books written by the creatures and are following Madhab Imams (gone astray from real way of life). By diverting the Great Mercy—Adhikr—into disbelief, the 29 pseudo-prophets and hypocrites made Halal (permissible) Hell—the house of bores—for their people as told in the verses 14: 28-30. If the people are not trying to implement and propagate Lord's Book, He will substitute another people in their place who are ready for it as explained in the verse 4: 133.

As per the verse 7: 62 Prophet Nooh told his people: "I delivered my Lord's Messages to you and counseled you sincerely. I know something from Lord what you don't know". As per verses 7: 68 Prophet 'Hood', as per 7: 79 Prophet Swalih and as per 7: 93 Prophet Shuhaib said: "Oh my people! I have delivered my Lord's Messages to you, and counseled you sincerely, then why should I grieve over a disbelieving people?". Without acquiring the real Knowledge from Lord (Adhikr), all other knowledges will not be in the right direction and fruitful. In the verse 3: 18 says: “Those who are having the real Knowledge (Adhikr) do witness and stand firm with Justice for ‘there is no deity other than Lord Allah—the Exalted, the Wise’. It is asked in the verse 39: 9: “Are those who are having Knowledge same as those who are not having Knowledge?” The verses 28: 57; 34: 28, 36; 40: 57 are ending as: “But most of the mankind are not having the real Knowledge”. In the verse 2: 255 Lord asks: “Who is dare to intercede near Him without His Permission—Adhikr?” Adhikr will only intercede and make others to intercede. Without Adhikr—the Permission of Lord—no Messenger can bring any Sign is told in the verses 13: 38; 14: 11 and 40: 78. And in the verse 29: 46 it is commanded: "Not to debate with the people of Book except with the Best Book—Husna". One who lives under the Light of the Best Book—Husna—is called Muhsin; and whoever doesn't follow Husna after receiving, at the time of death Lord will tell him: "Nay, you were among the disbelievers" as told in the verse 39: 59. Read together 10: 26-27; 13: 18 and 21: 101.

Ahsanu Thafseer (The Best Interpretation)

The name Ahsanu Thafseer is mentioned in the verse 25: 33. Through this verse Lord says: "They will not come to you with any question—example, unless We bring to you the Truth and the Best Interpretation, so that nobody should ask such question till the Day of Judgment". As told in the verses 15: 6 and 9 Adhikr revealed to Messenger Muhammed contains all the previous 312 Books revealed and their explanations is mentioned in the verse 16: 44.

Libasu Thaqwa (Cloth of Soul)

The name Libasu Thaqwa is mentioned in the verse 7:26.

Naba'ul Adheem (The Great News)

Swirathwal Musthaqem (The Straightpath)

The name Swirathwal Musthaqem is mentioned in 31 places such as in the verses 1: 5; 4: 68; 6: 153.

The Rizq (The Food)

The name Rizqan Hasana is mentioned in the verses 11: 88 and 20: 131.

What for Adhikr?

Adhikr is meant for identifying the inmate of Hell (losers) such as the disbelievers, wrongdoers, arrogant, Mujirims (madmen), transgressors, sinners, aimless men, heedless men, doubters, frustrated men, men who associate others in the dominion of Lord, forgers, rejecters, mischief makers, squanderers, repudiators, aggressors and trespassers; and not to include among them at any point of life. It is also meant to travel along the Straightpath (the only way to the Paradise) without falling into Hell being entrapped by Satan or 'Thagoth' – Arrogant force.

For getting response to the appeals and for accepting any deed such as Swalath, Zakat, fasting and pilgrimage two conditions are specified in the verse 2: 186: (1) Respond to the Lord's call (to follow Adhikr). (2) Believe in Lord as 6236 verses submit. Without Adhikr—the Permission of Lord—as told in the

verse 10:100 no one will become a believer. Both the verses 13: 14 and 40: 50 end as: "The prayer of disbelievers will increase nothing except astray".

Both in the verses 18:57 and 32: 22 it is told: "Who does more wrong than one who is reminded the verses of his Lord in his heart's language, then turns away from them forgetting the deeds which his hands have sent forth? Indeed We will revenge on such Mujirims". The verses 5: 51; 6: 144; 28: 50 and 46: 10 end as: "Indeed Lord Allah will not guide such wrongdoing people".

To form Faith in Lord Allah:

As per the verse 59: 23 Lord is denoted as the Believer. The Lord has become Impartial by teaching Adhikr which contains the only way to Him and different ways of Satan. Since today Adhikr is formed as a Book, only with It one can become a believer. The believer who represents Him on Earth should consider Adhikr as the Balance and Trust to keep the Universe in its equilibrium, and should help Him by propagating It throughout the world as told in the verses 47: 7 and 22: 40. Those who hide and reject Adhikr which is the Food, Cloth and Sight of the human soul are hypocrites and disbelievers. Since they are serving the Kafir Satan, they are the inmates of Hell from among mankind as mentioned in the verses 2: 39; 9: 67-68; 48: 6 and 98: 6. Therefore, in order to distinguish the way of the Lord and the ways of Satan in every moment of life, Adhikr should be utilized as the Criterion and the Insight. Kafir Satan is mentioned in 99 verses in the Book.

One can become heedful by keeping Lord in his heart with Adhikr—the Truth—and can become 'Muhsin'—one who lives seeing the Lord through the Book Husna—Adhikr. To understand character and nature of the winners such as forerunners (those who enter the Paradise without trail), virtuous, reformers, men of justice, devotees, men of patience, men of perseverance, heedful, truthful and honorable men who will enter the Paradise Adhikr is a must. The verse 16: 97 says: "Whether man or woman whoever does honorable deeds and is a believer, indeed We will give him a pure glorious life in this world, and We will give reward according to their best deeds in this world". Remember that since Adhikr is the Prosperity and there is no poverty after It, only believer will get a glorious life in this world. For those who are doing honorable deeds even without becoming a believer will get rewards according to their best deeds under the Best Book—Husna. Today the best deed is learning and propagating Adhikr. Read together 39: 34-35 and 40: 40.

Oh man! Read the following, and you meditate whether your concept about the Lord is correct or not:

The Lord of the worlds is the One Who created all seven Heavens, seven Earths and all things (including mankind) in between them within 6 days. Then He established on the Throne, you have no protectors or intercessors besides Him.

He is the Three Time Knower, He knows the past, present and future of each and everything. He is the Impartial Lord Who taught Adhikr—soul of the Book—to everyone from the Paradise itself.

He is the One Who created everything in pairs from the Earth produces, from themselves and the other things they have no knowledge.

He is the One Who created pairs of male and female from 'Nuthfa' (Sperm from male/ ovum from female) when it is emitted from the father and mother.

He is the One Who created man from water, and made blood relationships of lineage and marriage; He is capable upon everything.

He is the One Who shaped mankind in the womb as He wishes; He is capable upon everything.

He is the One Who created you from a single Soul, and made its mate from it, so he may dwell with her in love.

He is the One Who created male and female from the embryo, made love and mercy in between.

He is the One Who has not been comprehended by visions, while He comprehends all visions, He is the one who knows the inner feelings of the soul, well Acquainted.

He is the One upon Whom neither a thing on Earth nor in the Heaven is hidden; He is all Hearing all Knowing.

He is the One with Whose remembrance shall cause no disaster from whatever is on Earth or in sky; He is all Hearing, all Knowing.

He is the One who taught each and everything the mode of prayer of Him and the Glorification of Him.

He is the One to Whom whatever in Heavens and Earth glorifies, He is the Sovereign, the Sanctified, the Mightiest and the Wise.

He is the One Who is the acquainted observer of His servants.

He is the One Who knows the innermost feelings and well acquainted of His servants.

He is the One Who is enough to acquaint the offences of His servants.

He is the One Who has the best knowledge about the inner feelings of servants.

He is the One Who knows treachery of the eyes and what is hidden in the chests.

He is the One whom seize not either slumber or sleep.

He is the One Who is a Witness upon everything.

He is the One Who is the Custodian of everything.

He is the One Who is the Disposer and Authority upon everything.

Indeed He is the One Who is capable to bring anyone to his/her previous condition.

Indeed the Lord is comprehensive observing.

He is the One Who is the acquainted observer of the offences of His servants.

He is the One Who is the Best knower of all unseen things.

He is the One Who is with you wherever you are.

He is the One Who exists in between the person and the heart in believers.

He is the One Who if intends a thing, He commands to it: "Be", then it is.

He is the Omnipotent, Omniscient and Sovereign, there is no deity except Him.

Then whoever calls or invokes for help unseeingly from other than Lord Allah (the only Deity), he is serving Satan—the Kafir. Through the verse 112: 1-4 Lord commands the Prophet and today the believer to say: "He is Allah, the One and Only. Allah, the Eternal Absolute (He is not depending anyone while everyone depends upon Him). He no begets, nor is He begotten. There is none just like Him". And in the verse 42: 11 say: "There is nothing just like Him, and He is the All Hearing, All Seeing".

Oh man bestowed with intelligence! You are deputed on Earth in order to live as the vicegerent of the Lord. So don't be a vicegerent of Satan by ignoring your Creator Lord. Therefore, if anyone understands his Creator Lord as Adhikr—the Wise Reminder—reveals, he can't even think for doing any evil deed which is harmful to any creature including mankind.

To form Faith in Angels:

Angels are a peculiar creature created from the Light. They all are believers who don't disobey the Lord in anything He commands them. And they do whatever they are ordered. They are considered as the governing servants of the Universe. They are also acting as the Messengers to convey the Message from the Lord to human Messengers. To put it brief Adhikr should be utilized as Insight to fulfill the belief in Angels i.e. who are Angels? Do they know the hidden things? What is their role in the governing system of Universe? What is their connection with man? How they differ from Jinns? What is their peculiarity from other creations etc.? Angels are mentioned in 99 verses in the Book. Read together 13:13; 16:2 and 19:64.

To understand about Jinns (Sprites/Genie), Adhikr is necessary. They had been created from the flames of fire before men were created. Just like men they are also having freedom to be grateful or ungrateful. For each and every man there is a Jinn companion staying as a soul-mate in his heart as mentioned in the verse 43: 36-39. In brief, nobody can become a believer without reforming his Jinn comrade (who whispers in the chests of mankind) with Adhikr. Read together 50: 27-30; 59: 16-17 and 114: 4-6. If a man is compared to a computer, Jinn soul-mate is the virus and Adhikr is the anti-virus. Evils come from Jinn comrade. So one can annihilate all evils utilizing Adhikr—the Best Interpretation of the Book.

To form Faith in Books:

Only by understanding the contents of the Book as a whole, the belief in Book can be formed. From the Lord of the worlds, only one Book with single soul and different bodies has been sent down to Earth periodically. See the explanation 2: 2. If the Books sent down during different periods include the rules and regulations for those particular periods, the last form of the Book (Adhikr) which testifies and safeguards the previous Books is for the entire mankind to the last Day. See the explanation 5: 48; 6: 90 and 7: 157-158. Adhikr as mentioned in the verses 41: 41-43 is a Splendid Book in which no falsehood will enter before or after Its codification. Through the verses 2: 23-24 and 10: 38 Lord has challenged to produce a Sura similar to that of 114 Suras in the Book.

Subsequently Adhikr has told: "Even if men and Jinns work together it will be impossible for them to accept that challenge". The verse 21: 10 says: "We have sent down a Book for you, in which you have been remembered; then will you not utilize your intelligence?" It is the duty of every individual to see his position whether a believer or a disbeliever utilizing the Book. Prophet taught that whoever identified himself, he recognized his Lord. Then it is clear that Adhikr is meant for recognizing the Lord, oneself and the aim of life. As per the verses 8: 22 and 55 in the sight of Lord Allah, the worst creatures are those who act as deaf and dumb without using their intelligence to understand Adhikr. Read together 98: 6. In order to abstain from the forbidden matters of the Book, one should know Its contents. As per the verse 54: 17, Adhikr is made very easy to understand with heart.

To form Faith in Prophets:

All the Prophets were from human beings deputed by the Lord of the worlds to show a life way namely Islam—only life way satisfied by the Lord—as explained in the verses 2:136; 3:19, 85. Even though more than 124000 prophets have been dispatched, among them only 313 were Messengers. The first Messenger is Prophet Nooh and the last is Muhammad. Among the Prophets and Messengers only 25 are mentioned by name in the Book. As per the verse 57: 25 all the Messengers have been given 'The Message', whereas the Prophets were following the concerned Message of their time. Even some Prophets have been assassinated by the transgressing people; but none of the Messengers has been assassinated since the Message safeguarded them. When one follows, and testifies Prophets' life from Adhikr, the faith in Messengers and Prophets are formed. The quintessence of all previous Books and Prophets are assembled in Adhikr and in Prophet Muhammed. As per the verses 7: 158; 21: 107; 34: 28 etc; Prophet Muhammed is dispatched as a Messenger, Prophet as well as Mercy for entire worlds until Last Day. Today the believer who holdfasts Adhikr with his molar teeth can only lead and witness Prophet's life among mankind. Other Muslims by hiding Lord, Messengers and Prophets in the Book are actually following 29 pseudo-prophets and are welcoming 30th pseudo-prophet Maseeh-A-Ddajjal (Antichrist).

To form Faith in the Hereafter:

The believers who believe in the Hereafter are always living here with a conscious that, on the Day of Judgment both man and woman individually should have to answer about all moments of his 4th phase of life. If anybody is living here without that awareness, his own hearings, sights, hands, skins, legs,

and even Earth will be witnessing against them as per the verses 17: 36; 36: 65; 41: 19-24; 99: 4-5 etc. One third verses of the Book explain the scenes that are going to happen in the Hereafter. In the verse 2: 4 it has been told that the succeeded heedful are having steadfast belief with the Hereafter; where the Mujirims will hang their heads before their Lord, and will say: "Our Lord! We have observed and heard the scenes of the Hell, so send us back to do honorable deeds; indeed we are convinced" is warned in the verse 32: 12. As per the verses 39: 69 and 75, "On that Day the Scale of Judgment will be Adhikr—the Truth". So the believers will utilize Adhikr as the Balance and Scale in this world itself considering the verses 5: 44-45, 47; 7: 8-9 and 16: 64.

To form the Belief that Good and Bad is from the Lord:

First of all Lord—the Three Time Knower—before forming the Universe has recorded everything in a disk and kept with Him as told in the verses 85:21-22. It is told in all the verses such as 9: 51; 10: 61; 11: 6; 17: 13-14; 22: 70; 27: 75; 34: 3; 35: 11; 36: 12 and 57: 22 that all the things happening in the Heaven and Earth and in between these in living and non-living things including man have been determined and recorded in the Book. The Book mentioned in all these verses is Adhikr. Read together 16: 89 and 41:41-43.

Through the verse 36: 69, after saying what is Adhikr, the verse 70 says: "Adhikr is sent down in order to give warning to anyone who is alive, and that the charge may be proved against disbeliever who hides and rejects It". But today most of the Muslims are reading Qur'an to the dead and near the graveyard. This is just opposite to the purpose for which the Book is revealed. It is told in the verse 6: 36 that indeed only those who listen will respond to you; as to the dead, the Lord will raise them up, and then unto Him they will be returned. That means, the Prophet or anyone can't make hear the dead. The verses 30: 52-53 say: "Indeed, you can't make the dead hear; nor even make the deaf hear the appeal, if they have turned their backs against It. You can't guide the blind out of their straying; indeed, you will make hear the one who believes in Our verses and are submitted whole to Me". Today Muslims all over the world are not turning back from the body of the Book—Qur'an, but are turning back from Adhikr—soul of the Book. These original Kafirs don't consider the Lord's teaching through the Prophet: "If anyone recites Qur'an without knowing the contents even in Swalath, will be darted away from Islam as an arrow is darted away from its bow; and the recited Qur'an will witness and argue against him". See the explanation 4: 43.

Who is the Kafir –disbeliever Adhikr portrays?

Those who don't believe with the Lord as 6236 verses submit, those who don't believe 313 Messengers who have been sent with Adhikr, those who differentiate between Lord and His Messengers (who believe in the Book but not in the explanations given by the Lord through the Messengers), those who accept some verses and reject some verses as well as accept some Messengers and reject some, those who use the verses revealed in Mecca but don't use what is revealed in Medina and vice versa; such are the real Kafirs; The Lord has kept prepared for such disbelievers a heinous punishment is told in the verses 4: 150-151.

If anyone hides and rejects Adhikr after receiving, they are the real disbelievers and they are the fuel of the Fire from mankind. Read together 48: 6 and 98: 6.

The hypocrites who forge lies upon Lord by hiding and distorting Adhikr, and their followers who reject It after receiving are the most unjust; at the time of death they will witness against themselves that they were indeed disbelievers as per the verse 7: 37, as well on the Day of Judgment as per the verse 6: 130. Any Muslim who didn't testify the Adhikr—the Best Book, at the time of his death Lord will tell him: "Nay, My verses came to you, yet you rejected them and acted haughty with them, and you were among disbelievers?" is told in the verses 39: 58-59. The verse 67: 6 says: "Those Kafirs are having punishment of the Hellfire, the worst returning place" and as per the verse 10: "They will say: If we had heard Adhikr and had thought utilizing the intelligence, we wouldn't have become inmates of the Blaze". The verses 5: 67 and 16: 107 end as: "Indeed the Lord will not guide the disbelieving people who are hiding the Adhikr—Lord's Message". The verse 109: 6 commands the Prophet and the believers to say the disbelievers: "For you your way of life, and for me the True way of life i.e. Islam".

To put it brief, the hypocrites and their blind following Fajirs belong to the disbelievers mentioned in 520 verses of the Book. Their Ledger is in Sijjeen as told in the verse 87: 7.

Who are the Wrongdoers?

Those who distort the verses of the Book or reject It are the most wrongdoers as told in the verse 6: 21. And as per the verse 10: 17 it is told: "Indeed He will not lead to prosper such wrongdoers and Mujirims (madmen)". Lord asks through the verses 29: 68 and 39: 32: "Then who is more in the wrong than one who invents a lie about the Lord or rejects the Truth—Adhikr—after It has come to him, will there not be place of abode in Hell for such disbelievers?" See the explanation 2: 124. If anyone who adopts the hypocrites or Fujjar as their sponsors, they are the wrongdoers. The Kafirs who hide and reject Adhikr (the

Balance and Trust to keep the Universe in its equilibrium), at the time of death they will wail as: "Indeed we were the wrongdoers" as told in the verses 21: 14 and 97. The verse 76: 31 says: "The Lord will make enter those who holdfast Adhikr—His Mercy—into His Bliss, whereas to the wrongdoers He has kept prepared painful punishment". Today, the Muslims who are carrying Lord's Book as burden carrying donkeys are the wrongdoers, and Lord will not guide such wrongdoing people as told in the verse 62: 5. To put it brief, hypocrites and the Mushrik followers are the wrongdoers mentioned in 220 verses of the Book.

Who are the Mujirims (Madmen)?

The verse 7: 40 says: "Indeed those who reject Our verses and are arrogant towards them, the gates of Heaven will not be opened for them, nor will they enter the Paradise until a camel pass through the eye of tailor's needle; thus, We reward Mujirims". It is warned in the verse 34: 32 that the hypocritical leaders will ask on the Day of Judgment to the weakling followers: "Did we block you off from the Guidance after It came to you? Rather you yourselves were Mujirims". As per the verse 26: 99 the weaklings who lived blindly following the hypocritical leaders will say: "It was only Mujirims who have led us astray". And as per the verse 37: 33, about both the hypocritical leaders and their weaklings who become partners in torment on that Day, the Lord will tell: "Thus We deal with such Mujirims". It is warned through the verse 45: 31: to those who live here aimlessly hiding and rejecting Adhikr, on the Day of Judgment Lord will tell them: "Were not My verses recited upon you? But you showed haughtiness; and you were a Mujirim people". Through the verses 36: 59-62 the scene of Mujirim's trial is portrayed: "Step aside today, you Mujirims, didn't I pledge with you Oh children of Adam, not to serve Satan? He is an open enemy of yours, and serve Me alone—this is the Straightpath. He has led numerous mobs of you astray. Haven't you been thinking utilizing intelligence?" Therefore, the hypocrites upon whom Lord's wrath happened and their blind followers who have gone astray are the Mujirims mentioned in 50 verses in the Book.

Who are the Hypocrites—transgressors?

Hypocrites are mentioned about in 24 verses in Lord's Book such as in 4: 140, 145; 9: 67; 33: 73, 48: 6, and the transgressors are mentioned in 38 verses such as in 9: 24; 10: 33; 46: 35. And the verse 9: 67 ends as: "Indeed the hypocrites, they are the transgressors". Adhikr is the Food, Cloth and Sight of the Soul and the Instrument to identify oneself, the Creator Lord and the aim of life. It is told in the verse 2: 99 that no one will hide the verses of Lord (Adhikr) except the transgressors. And in the verse 59: 19 it is told: "Those who have forgotten their

own souls as well as the Lord are the transgressors". The hypocrites are the enemies of the Lord and the believers as told in the verse 63: 4. As per the verse 9: 80, even if Prophet seeks forgiveness for them more than 70 times, the Lord would never pardon them. That is because they disbelieved with the Lord and His Messenger. The verse 63: 6 ends as: "Indeed the Lord Allah doesn't guide such transgressing people". As per the verse 9: 95 hypocrites are filthy, so neglect them, and vide verse 9: 125 Adhikr will increase to them filth over filth and they are died while they are disbelievers. As per the verse 9: 84 the believers should not seek forgiveness or pray for the hypocrites since they are died as disbelievers and transgressors. The verses such as 9: 24, 80 and 61: 5 end as: "And Lord Allah will not guide the transgressing people". The verse 57: 16, 26 and 27 end as: "Many people of the Book are the transgressors". The verse 46: 35 ends asking: "Then would anyone be wiped out except the transgressing people?". The hypocrites and transgressors are coming only from the Muslims who hide Lord's Book Adhikr without utilizing themselves and prevent other people from it without propagating it to entire mankind. Read together 9: 53-55 and 17: 82.

Those who associate others in the Dominion of Lord—Mushriks?

Mushriks are mentioned in 55 verses in Lord's book such as in 2: 221; 6: 14; 30: 31. Those people who utter 'Allah' in Arabic form while leading a life without considering the Lord as He should be considered are the Mushriks. They are reciting the verse 2: 255 which say "Allah! There is no Deity except Him, the ever Living, the Eternal! Neither slumber nor sleep overtakes Him, and whatever in the Heavens and whatever in the Earth belongs to Him. Who is there to intercede with Him except with His permission? He knows what lies before them and what is behind them, while they embrace nothing in knowledge except whatever He intends. His seat extends far over Heaven and Earth; preserving them both doesn't overburden Him. He is the Sublime, the Almighty!" But in the practical life they are not satisfied with the Lord alone. They forge intercessors and other patrons to the Lord to bring them closer to Him as told in the verse 39: 3. The Trust—Adhikr—is revealed in order to punish the hypocritical men and women and the men and women who associate others in the Dominion of the Lord is told in the verse 33: 73. All the different groups of Muslims are the Mushriks as told in the verse 23: 51-53 and 30: 30-32. These Mushriks are mentioned as 'Kuffar' both in the verses 9: 73 and 66: 9. They are mentioned as 'rejecters' in the verses 2: 39; 5: 10, 86; 57: 19; 64: 10 etc. The 'Kuffar' mentioned in the verses 9: 123 and 48: 29 include both hypocrites and Mushriks; as well as both of them are mentioned as 'Fujjar' in the verses 82: 14 and 83:7. When the believer recites the verse 1: 7: "Not the path upon whom Your wrath happened;

and who are gone astray" should remember in mind that not in the way of the hypocrites and the Mushriks who follow the hypocrites blindly. To put it brief, there are only 2 parties, one is Believer Lord's party and the other is Kafir Satan's party. Different groups of Muslims are belonging to the Kafir Satan's party, and are the Mushriks, and they are 999 out of in each and every 1000. Read together 2: 174-176.

Who are the People of the Book (Ahlul Kithab)?

During the time of Prophet before codifying Qur'an as the Book, the Jews and Christians were considered as the people of the Book. After codifying Qur'an as a Book, Muslims who are the bearer of It are only the people of Book since they are reading It and are priding as the inheritors of It. Actually It is meant for entire mankind as per the verses 7: 158 and 25: 1. Today, 'Adhikr' mentioned in the verses 41: 41-43 is the only Book from Wise and Praiseworthy Lord for entire mankind. Then whoever leads a life against the do's and don'ts of It after receiving It are the disbelievers, wrongdoers, transgressors and the inmates of the Hell from mankind.

Why Adhikr?

Apart from other creatures, the man endowed with intelligence is deputed to Earth to act as the vicegerent of the Impartial Lord in order to keep the Universe in its equilibrium. Adhikr is considered as the Trust and Balance for that purpose. But Muslims—the bearers of the Book—are bearing It as burden carrying donkeys. They neither utilize Adhikr nor give to 'other people' for utilizing. By seeing this boar people mentioned in the verse 25: 18 who are forefront in all Satanic evil deeds; 'other people' not even try to enquire about Adhikr—Lord's Book. Actually all the mischief burden of the sins occurring in the world should be borne by the hypocrites (who are hiding Adhikr knowingly) and their followers (who reject It). Read together 6: 26 and 20: 99-100.

Everyone likes to have a peaceful life here. For this, they accept various rules and regulations except that of Lord. Such rules and regulations made by men instead of reducing unjust, selfishness, partiality, schisms, mischief, blood-shed, communalism, chauvinism, racism, envy, haughtiness, arrogance, snobbery, pretending superficiality, owing to illegally consuming money of the people through liquors, ganja, narcotics, prostitution, sodomy, fornication, murder, rape, theft, fraud, robbery, incendiary, smuggling, hoarding, black-marketing, adulteration, manipulation in weight and measure, interest, hawala, gambling, bribing and corruption; and also to deliver men from the demonic beliefs such as sorcery, black magic, astrology, horoscope and omen which are the footsteps

of Satan can be seen increasing day by day all over the world. The only solution to reduce all these mischief and evil deeds is to implement the rules and regulations of Adhikr--the Three Time Knowledge from the Three Time Knower. With It, man can identify the aim of life, can form the unity of the human harmony and can lead a life peacefully for all creatures.

Adhikr—the Speech of Lord—helps to consider the Lord of the worlds as He should be considered. It helps to live always by remembering and seeing the Lord unseeingly. Adhikr helps one to recognize that no man has the right to select era, nation, parents, sex, tribe, caste, religion, color etc. Adhikr teaches that man has the freedom to be grateful or ungrateful and also teaches that there is no compulsion in religion. Anyone who grasps Adhikr (the Book for purification/ the Unbreakable Rope from Paradise), he holdfasts the Lord and becomes upright in the Straightpath. Adhikr—the Criterion—helps one to identify the believer (vicegerent of Lord) and disbelievers (Kafir—vicegerents of Satan). Just like the Creator Lord, Adhikr is mentioned as the Safeguard which guards from all calamities, disasters, diseases, terrorism and all such satanic evils. Adhikr teaches that not only for mankind but also for whole creatures, the Spirit—Life with Soul—is from the Lord. It also teaches that Lord's presence is there in all living and nonliving things. All things are praising and glorifying Him; so, man endowed with intelligence shouldn't harm or destroy even a thing unnecessarily. Adhikr clarifies that It will argue and witness in favor of the one who testifies It, as well as argue and witness against the one who falsifies It after receiving. Adhikr—the only Ticket to the Paradise/ Safeguard against the Hell— teaches that in each and every 1000, only 1 utilizes It in order to change the fate from Hell into Paradise. The rest 999 who received Adhikr will not change their fate; they are those upon whom the word of Lord: "I will fill the Hell with Jinns and men altogether" is happened true. Adhikr teaches that if anyone reads It in the dusk and dawn, try to follow Its do's and don'ts; then the Angels will witness and protect him from all evils induced by Satan from among men and Jinns. And It provides a man the confidence to stand upright always at any critical moment in his life. Adhikr teaches about the recording software installed upon everyone's neck which will not omit any thought, word and deed. Adhikr also warns that on the Day Judgment everyone's skin, hearing, sights, hands, legs, tongues, sexual organs and even Earth will witness and reflect their records for Trial.

Jihad is the inevitable duty of an individual and group of believers. During the period of Prophet as there was a group of believers, fighting with body, weapons and wealth were included in Jihad as told in the verses 9: 111 and 61: 10. At any circumstance, killing women/ children/ old men/ handicapped/ patients,

harming the animals, destroying the cultivations etc. are not permitted in Islam. Today since there is no group of believers anywhere in the world, the odd believer should do Jihad with Adhikr—the Safeguard—against the Kafirs testifying the verse 25: 52 which says: “You should not obey the disbelievers; you strive against them the utmost strenuousness using Adhikr”.

Through both the verses 9: 73 and 66: 9 Lord orders by calling the Prophet and today the odd believer: “you do Jihad against the Kuffar and hypocrites, and behave harshly with them; their return is to the Hell”. Kuffar specified in this verse as well as anywhere in the Book such as 9: 68, 123 and 48: 29 are those who repeatedly hide or reject Adhikr after receiving It.

Today, hypocrites and ‘Kuffar’ by hiding and rejecting Adhikr are actually inviting Anti-Christ- Maseeh-A-Dajjal. By the second coming of Jesus, the false lord Dajjal will be killed. Then the cursed hypocrites and their followers who are having disease in their hearts as well as the agitators in Medina will be killed implementing the command of the verses 33: 60-61. The agitators in towns mentioned in the verse 33: 60 includes those 70,000 Jew soldiers and all other terrorists of the world who are making agitations and bloodsheds. Read together 33: 72-73

Aim of life

Addressing the mankind through the verse 4: 1 Lord says: “Oh mankind! You heed your Lord Allah Who has created you from a single soul and created its mate from it, and from them both scattered so many men and women. And you heed Lord about Whom you will be asked, and heed the wombs; Lord Allah is ever watching over you”. The verse 49: 13 says: “Oh mankind! Indeed We have created you from a single pair of male and female, and made you into different nations and tribes so that you may recognize each other; indeed, the most honored of you in the sight of Lord is the heedful, Lord Allah is Well Aware, Well Acquainted”. The soul of everyone is from the Lord itself. So no male or female has the choice to select era, nation, caste, religion, sex, color, parents, family etc. The ‘aim of life’ should be to identify the Lord, confirm oneself as a believer and to prepare Paradise in the 4th phase in order to inherit it in the 7th phase utilizing Adhikr—the Insight.

The one who identified his Lord utilizing the Insight in the 4th phase, at the time of death he will look at the Lord brightly and pleasantly as told in the verses 75: 22-23. The hypocrites and followers (the disbelievers) who didn't utilize the Insight will see Satan gloomily and sadly as told in the verse 75: 24. It is told in

the verses 69: 49-51 that the 'Assured Truth' Adhikr is a cause of sorrow for the disbelievers.

The Impartial Lord doesn't lead anyone either to the Paradise or to the Hell. If He had so wished, He would have guided everyone to the Straightpath. But He gave freedom either to be grateful or ungrateful as told in the verse 76: 3. The verse 64: 2 says: "He is the One Who has created you, and among you there is disbeliever, then among you there is believer, and Allah sees what you are doing". Therefore, male or female if utilizes Adhikr (Guidance/ Insight), it is for his own soul; and whoever strays about It, surely, he strays against the soul, and none can make anyone a believer. In the verse 2: 286 Lord says: "For each soul has what it earned; and has upon it 'what not earned'". So whoever reads this verse and is not preparing Paradise here in the 4th phase, he is earning the Hell even though he is not intending to earn it.

Today the believer utilizes all favors for propagating Lord's Message—Adhikr—to entire worlds, involves in organic farming and planting trees with the aim for the welfare of 1000 communities of creatures. Thus he will receive a portion of rewards of the prayer and glorifications of them.

Dheen (Religion) and Shariath (Practical deeds)

'Dheen' is related to the Soul whereas the 'Shariath' is related to the body. 'Dheen' is the same from the first man Adam till the Last Day as explained in the verses 3: 19, 85; whereas the 'Shariath' differs time to time. Even in the early and last period of Prophet Muhammed, 'Shariath' was different. 'Dheen' is related to the individual, whereas 'Shariath' is demanded to implement by the group of believers. Today, since there is no group of believers anywhere in the world, there is no question of implementing 'Islamic Shariath'. During this time, it is taught by the Prophet to the odd believer here-and-there to remain by holding fast Adhikr with their molar teeth. Without forming belief with Adhikr, no deed will be accepted, but will cause for punishment with Hellfire as told in the verses 2: 186, 18: 103- 106; 25: 23, 65-66 and 47: 8-9.

Community (Ummath) and People (Quom)

The difference between 'community' and 'people' can be understood with Adhikr—the Criterion. The entire mankind from the appointment of Muhammed as the Messenger till the Last Day belongs to his 'community', whereas the 'Quom' include addressees of Prophet's time and nominal Muslims up to the Last Day. The verse 16: 89 says: "And the day when We shall call a witness from every community to testify against them, and We shall call you to testify against

this people: that is why We have sent down to you a Book (Adhikr) which explains everything clearly. That is a Guidance, a Mercy and Glad news for Muslims—those who submitted everything to Lord."

Just like all other Messengers, Muhammed also will witness against 'Quom' on the Day of Judgment as told in the verse 25: 30. Qur'an reading Kafirs (hypocritical leaders) established different intercessors and protectors justifying that they will bring people close to Lord. Thus they misguided their people from the Straightpath; and thus followers became Mushriks. On the Day of Judgment, these so-called intercessors and protectors will witness against them saying: "You provided them with prosperities until they forgot Adhikr; and they became a worthless people" as mentioned in the verse 25: 18. As per the verse 11:17 whoever hides Adhikr – the utmost witness -from among different groups of Muslims, then the Fire is promised to him. Note that, it is not told in this verse 'whoever hides It from among mankind', instead told that 'from among different groups of Muslims'.

The inmates of the Hellfire are coming from Quom of concerned Messengers who hide and reject Adhikr—The Message—as specified in the verses 2: 39; 5: 67 and 39: 32. It is told in the verse 13: 11: "Indeed, Lord doesn't change the condition of a people until they change it themselves". Read together 8: 53. The hypocrites and their followers belong to Muhammed's Quom who are falsifying Muhammed and Adhikr—the Truth. At the time of their death they will witness against themselves that they were disbelievers as told in the verse 7: 37, and thus on the Day of Judgment as told in the verse 6: 130. This worst people who are serving Satan are welcoming Antichrist Maseeh-A-Dajjal—the Satan. By the second coming of Jesus, he will kill Dajjal; and all other people belonging to Muhammed's community will approve Jesus and Islam. Then the hypocrites and those who have a disease in their hearts specified in the verse 33: 60 who hide and reject Adhikr as well as falsify prophet and Islam will not find any shelter or hiding place anywhere in the world. They will be killed and thus the command of the verses 4: 91; 9: 123 and 33: 61 will be implemented.

There is no justification for Impartial Lord to punish the 'other people' belonging to the community of Prophet as there is no group of believers today who witness the complete life of Prophet. But the literates among the other people if didn't utilize Adhikr (Lord's Book in one's heart's language) as the weapon to stop the bloodshed and terrorism even after receiving It, they also would be sent to the Hell along with the Muslims (the real Kafirs mentioned in the verses 4: 150-151) who hide and reject Adhikr. But if they realized the Truth by reading Adhikr and conveyed It to others, then after the Trial they would be sent to any

other world than the Hell and the Paradise along with those who didn't receive Adhikr. Whoever wishes to return to the Paradise should utilize Adhikr as the Ticket to the Paradise and Safeguard against the Hell.

The Splendid Book—apart from the falsehood:

Not Qur'an but Adhikr mentioned in the verse 41: 41 is the Splendid Book. No falsehood will enter either before or after Its codification is told in the verse 41: 42. The disbelievers during the time of prophet had asked: "Why this Book is not revealed in any other language than Arabic?" As an answer to their question Lord Allah revealed the verse 41: 44 as: "If We had sent this as a Qur'an in a language other than Arabic, they would have asked: 'Why Its verses are not explained in detail; What! A Book not in Arabic and a Messenger as an Arab?' Say: It is a Guidance and Healing to those who believed; and for those who believed not, there is a veil in their ears, and they are blind upon It, such are like being called from a place very distant". The author of this Exalted Book is called as 'Three Time knower' in the verse 25: 59. It is ordered to Prophet and any believer to ask about the Impartial Lord—Three Time Knower—to the author of the Book Adhikr; and as per the verses 16: 43 and 21: 7 it is told: "Anyone who doesn't know the Real knowledge, he has to ask the one who possesses Adhikr—the Real Knowledge". Therefore, the Book—Adhikr— is the Three Time Knowledge from the Three Time Knower mentioned in the verse 25: 58 codified through the Three Time Knower mentioned in the verse 25: 59. Not the Safeguard of Qur'an, but that of Adhikr is undertaken by the Lord as told in the verse 15: 9. Adhikr—the Wise Reminder, the Balance and Trust to keep the world in its equilibrium- is formed in Kerala and its language is Malayalam.

Since Adhikr is the Scale and Balance on the Day of Judgment as told in the verses 39: 69, 75 and 42: 17, Adhikr-the Message of Lord for the entire mankind- should be understood by each and every one. Today, Malayalees (Keralites) who are known as the people of God's own country are present all over the world. Then anyone who wants to understand the Lord's Message, It can be get translated by Malayalees. Remember that all Muslims including the hypocrites upon whom Lord's wrath happened, and their strayed followers shall try to hide and extinguish Adhikr—the Light from the Lord—with their mouth.

Since Adhikr is Lord's Book, Its copyright is not reserved. Adhikr—the Three Time Knowledge—is formed in Three Volumes in Malayalam Language and is uploaded in the website: www.straightpathonline.com. The first volume in English and in Arabic are also uploaded in our website. Therefore, whoever likes to involve in the propagation of Lord's Message can download It from the

website, translate into different languages, convey and propagate among entire mankind.

How To Read:

Adhikr is the Best Interpretation of the Book from the Lord as told in the verse 25: 33. In this Book verses are explained with verses and with the teachings of the Prophet which are Its interpretations. Since Prophet is an illiterate, the Explanation is always from Lord. The peculiarity of Adhikr is that It contains 'Mouidhath' which means 'similarities and examples of Wise verses as explained in the verse 3: 138.

Remember:

Satan prevents you only from Adhikr, not from reading the body or meaning of the Book. So whenever you start reading, you seek refuge from him to Lord Allah—the all Hearing, all Knowing. Lord has given Satan the ability to prevent mankind by making boredom, feel sleepy, short of time and dragging other problems into the life. As well, when you begin to follow It, the human Satans will try to ridicule and isolate you. So beware of them, and also take refuge from Satan to your Lord regarding the temptation, menace and all the destructive activities.

You go on reading Adhikr praying heartily: "My Lord! Increase me in my knowledge" remembering the doubts you have. As you are involved in the conversation between your Lord and you, the answers to your doubts will be received gradually. If you don't get answers for your doubts in the first reading, you continue the reading; you will definitely get the answer before finishing your reading. Direction for reading various verses combined together and reading the explanation should be strictly followed by checking the references as and when required. In other words, if there are three verses which have been directed to read altogether with a verse, then those three together will give new idea besides the ideas in them. This is the meaning of what has been said that the explanation of the Book will never end whether It is written or told. In order to read Adhikr the best time in the dusk and dawn should be selected, and should approach It without any prejudice with the innocence of a new born baby. If there is any unclear doubt even after completing the reading of the entire contents, you should not hesitate to ask and learn from those who know Adhikr. I would like to remind you that everybody has the commitment to convey this message which is meant for the entire creatures of the Lord, without any discrimination in caste, religion, nation etc.

The Book Adhikr is not for keeping simply in your cupboard; but you should consider that It is your Lord's Speech and He caused to reach the Book to you. If you don't find time to read and understand this Book or you don't follow after reading It, on the Day of Judgment in the court of Lord, your hand that touched this Book, your eyes that saw this Book, and your skin etc will witness and argue against you. As the Prophet has taught that the Best Speech is the 'Book of Lord', reading any other book or periodicals without reading Adhikr is not suitable for a true believer.

Appendix

Coming of Imam Mahdi:

Today Muslims by forgetting Adhikr and the Lord are leading anti-natural satanic life all over the world including Saudi Arabia. That means if we compare Muslim majority places with that of other places, we can see that sodomy, rape, bloodshed, bomb blasting, hawala, terrorism, destroying the nature, drug trafficking, smuggling, human trafficking, leading extravagant life etc. are more in those places. Any place where Muslims are in majority is the place of having worst living conditions without peace and tranquility. Muslim scholars are becoming the worst creatures beneath the sky. Most of them are teaching 'the body of the Book'. Some of them even teach Its meaning which is Its life. But none of them learns or teaches Soul of the Book—Adhikr—which is the Food, Cloth and Sight of Jinn comrade. Actually, they are teaching the children 'Qur'an' same as the Jews were teaching their Book to their children during Prophet's period in Medina. As per the verses 2: 146 and 6: 20, those to whom Allah has given the Book recognize him (Prophet) as they recognize their own children. But by rejecting the Wise Reminder Adhikr, they are not following or witnessing Prophet's life among mankind. The verse 98: 6 says: "Indeed those who hide the Truth Adhikr among the people of the Book (hypocrites) and those who associate others in Lord's dominion (blind followers) will be in Hell-fire, they dwell in it forever. Such are the worst of creatures on land".

If Adhikr is used as the Insight/Balance/Criterion, one can see that there are lack of promise fulfilling people, squanderers getting dignity and honor, incapable and worthless becoming leaders, deterioration of modesty, ladies becoming naked even though wearing pardas, increasing sodomy and adulteration, increasing bastards on Earth, engagement of boys and girls in illegal sexual intercourse before puberty, flattening of Earth, Earth becoming illuminating and decorated, spontaneous destruction of crops, entering wild animals to human inhabitations, engulfing land by seas, quick passing of time, remaining the text

of Qur'an without Its soul, mosques becoming huge building without Guidance-Adhikr etc. are indicating the approach of the Pole shift. Prophet foretold: "During Last period their Qibla (concentration point) will be ladies". But today their morality has become even worse than that the daughters are being raped by the parents and grandparents. Thus, their Qibla has become vaginas rather than ladies. Muslims are only reading the verses 38: 24 which gives the warning that all mingling male and female are having thirst for illegal sexual intercourse one another except those who believe and do righteous deeds, and they are only a few. Muslims all over the world have already become wrongdoers and transgressors. As a result, 'other people' are also becoming wrongdoers. So, the true believers including male/female monks from 'other people' among whole mankind will be separated from disbelievers and will be gathered into 'Hijaz'.

Within short period at 'Hijaz' which includes two provinces Mecca and Medina, Imam Mahdi will appear as the leader for believers. First, he will make his appearance at Prophet's Masjid of Medina where he will not be accepted. Then he will reach Mecca, where too he will be denied. Then the odd believers migrated to Mecca from different countries such as Iraq, Egypt, Lebanon, Palestine, Syria will accept him by pledging. Saudi rulers will consider Mahdi as a terrorist. So, they will contact Syrian ruler and inform that their citizens have pledged with the terrorist, and will demand to seize them back. Thus, a Syrian force will start to Mecca, which will be drowned in the desert on their way. This supernatural event by the Lord will cause to approve Mahdi as a leader by the whole world including Saudi, America and Israel. Thus, Hijaz will come under the leadership of Mahdi. Then the believers among mankind all over the world irrespective of nation or religion will be gathered at Hijaz testifying the Prophet's teaching: "The believers will be gathered at Hijaz from all over the world as snake crawls to its hole". Thus the "World Triumph" will occur. The verse 32: 28 mentions about the disbelievers' mocking question to the believers: "When will this promise of Triumph be fulfilled, if you are so truthful". Then Lord commands the believer to reply through the verse 32: 29: "On the Day of Triumph, to accept the faith will not be benefited to the disbelievers (Kafirs), nor they will be allowed to wait".

Both in the verses 9: 32 and 61: 8 Lord says: "The hypocrites want to extinguish out Allah's Light (Adhikr) with their mouths, while Allah will spread throughout the world His Light, even though disbelievers are hating it. Justifying these verses Adhikr—the Light—will be translated into different languages and distributed/propagated throughout the world. After the departure of last 'Sabiq' (forerunner to the Paradise without Trial) from the world, Pole shift will occur and Antichrist will appear.

Appearance of Antichrist and Second Coming of Jesus

Prophet taught: "The children of Adam will not afflict more subversion than that of Maseeh-A-Dajjal (Antichrist). All the Prophets have warned their people about the subversion caused by Antichrist. Prophet taught: "I am the last Prophet and so Antichrist will appear on you. Therefore, teach your children about Antichrist". He will appear as a famous general of Israel army in the name of 'Mose-Dayal'(Maseeh-A-Dajjal in Arabic). Prophet taught: "30 pseudo-prophets will come forth from onwards Musailimath-al-Kaddhab (who came at the time of Prophet itself)". Among them, Antichrist will be the last and final pseudo-prophet. He will pervade all over the world and will bring the world under his ruling power except 'Hijaz'—the provinces including Mecca and Medina. Prophet taught: "3 years before the coming of Antichrist, the rainfall and agriculture will become less by one-third; it will become less by two-third in the second year. And during the third year, there will be no agriculture and rainfall. At that time, he will appear". Prophet also taught: "On that period, the believers will live by 'Thasbeeh' (Glorifying Him), 'Thahmeed' (Praising Him) 'Thahleel' (remembering His Solitary) and 'Thakbeer' (remembering His Greatness) by soul". Most probably Antichrist will be the first cloned man. He is the tallest creature among human, and the greatest abilities of Satan will be expressed through him. First, he will argue that he is a Prophet, and will cause rainfall, germinate agriculture and give food for people. Later he will argue that he is the lord. He will ask a village man: "Will you accept me as the lord, if I resurrect and bring your dead father and mother back to life?" And he will resurrect his father and mother by means of cloning or by any other method. Prophet taught: "Satan will form as his father and mother, and then the father and mother will tell their son that 'he' is your lord, so you accept him". The verse 23: 14 ends as: "So blessed be Allah the best of all creators" means that there are creators besides Allah. Satan in the form of Antichrist is given the power to create. Adhikr—the Wise reminder—is not against that argument. "Allah is the Best Creator of all creators" means that, only Allah is able to create anything out of nothingness. Anyway, Lord Allah is the One Who gives Spirit—Life + Soul.

The companions asked Prophet: "How long will Antichrist stay on Earth?" Prophet said: "40 days. The first day will be as long as a year, the second day as long as a month, the third day as long as a week, and the rest of the days will be like your ordinary days". Companions asked: "Oh Prophet! How quick will he reach all over the Earth?" Prophet replied: "Like clouds driven by the wind, he will reach all the places wherever mankind resides".

A believer from Medina will come to Dajjal for confirming about his appearance and will tell him: "Surely, you are the same Dajjal whose description was given us by Allah's Messenger". Then Dajjal will say to the people: "If I kill this man and bring him back to life again, will you approve me as the Lord?" The believer will reply: "No". Then Dajjal will split him into two equal longitudinal parts to a distance of a spear. Then by rejoining both parts he will resurrect him. The believer will say: "I was unable to see and distinguish you before in deep Insight as of today". By hearing this, Antichrist will try again to kill him but will fail.

The verse 6: 103 says: "No Visions comprehends the Lord, while He comprehends all visions, Indeed He is Knower of innermost feelings, Well Acquainted". Prophet taught: "Oh servants of Lord, you will not see your Lord from this world, you will see Him only after death. Your Lord is having two eyes. But Antichrist is having one active eye. His right eye will be like a dry-sucked grape". Even for the illiterate believer who utilizes Adhikr as the Insight can recognize him as the disbeliever. But the hypocrites who hide Adhikr will welcome and help him, and the common Muslims will be entrapped by him, because he will fulfill the ambitions of hypocrites and followers. All the hypocritical men and women who live in Hijaz will shift to other places where Antichrist rules. There will be hell and paradise with him. But his hell will be the paradise for believers; and his paradise will be paradise for hypocrites and hell for believers. Prophet taught: "This world is like a hell for the believers, and they will get Paradise only after the death; but for the hypocrites this world is like the paradise and they will get the Hell by death". Hypocrites are eagerly waiting Antichrist's paradise, so that they will get young beautiful women and handsome men for fulfilling their sexual ambitions. Today we can see that they are living for such nasty ambitions.

For the last fight against Antichrist, the believers will go to Syria and assemble at the white minaret Masjid of Damascus under the leadership of Mahdi. While readying for the prayer, they will hear a buzzing sound, and the believers will look at the sky. They will see Jesus descending by placing his hands on the wings of two Angels like sitting in an armed chair. He will be dressed with saffron color cloths as in 'Ihram' (dressing style while circulating Ka'ba/ monk's style). When he will be called to lead the prayer, he will say that the believers are leaders to one another, and hence perform prostration in the leadership of the one to whom leadership is assigned; and he will perform prostration behind the Imam Mahdi. After prostration, the doors of the Masjid will be opened as per the command of Jesus, and there will be Antichrist and his 70,000 Jew soldiers ready to fight against believers. On seeing Jesus, Antichrist will start to melt just as salt dissolves in water. Then Jesus and believers will follow him and will

catch him at the place of 'Babu-ludh' (Ben Gurion airport at Lyda). And Jesus will kill him with his spear and will show the blood to the people. Then the believers from 'Hijaz' will kill 70,000 Jews soldiers with him. The agitators in towns mentioned in the verse 33: 60 includes those 70,000 Jew soldiers and all other terrorists of the world who are making agitations and bloodsheds. The cursed terrorists will be killed by the coming of Jesus. The people other than Muslims in the entire world will recognize and approve the Islam as their way of life. Then the hypocrites and those who have a disease in their hearts specified in the verse 33: 60 who hide, reject Adhikr and thus falsify Prophet and Islam will not find any shelter or hiding place anywhere in the world. Even each tree and stone will proclaim that there is a disbeliever hiding behind it, so seize and kill them. That means all other people belonging to Prophet Muhammed's community will implement the orders of three verses 4: 91; 9: 123 and 33: 61 which is not implemented till that day. To put it brief today the Muslims (real Kafirs) who neglect the Lord and Prophet by hiding and rejecting Adhikr are expecting that they will get the ultimate Triumph. Since they are approving Dajjal—the Satan—as Lord, they will be killed by other people whom they mistook as Kafirs. In the verse 3: 83 says: "Everything on Earth and Heaven will approve Islam willingly or unwillingly". Thus THE ULTIMATE VICTORY IS FOR ISLAM... BUT NOT THROUGH MUSLIMS will come true. Lord says through the verse 48: 6 says: "The ultimate victory for believers will happen in order to punish the hypocrite men and hypocrite women, and the men and women who associate others in the dominion of Allah, whose thought about Allah was evil thought. Allah's wrath and curse will be upon them, He has kept the Hell for them. What an evil returning place". Note that 'men and women who associate others in the dominion of Allah' mentioned is about strayed people mentioned in the verse 1: 7.

Thus, the ruling power of world will come into the hands of Jesus from Antichrist, and he will rule the world centralizing Mecca—the center of the Earth—as capital. On that day, whole World will become like one country, and there will be one way of life—Islam, one Deity and one Qibla. On realizing the real faith, the Christians themselves will break their crosses and kill the swine; and Hindus will remove idols from their temples. On that day Peace and freedom will come on Earth, so that anyone (even for woman) can travel anywhere at anytime in the world without fearing others. Thus, the command of the verse 43: 60 which says: "If it were Our intention, We would have made Angels from among you as successors on Earth" will come true. That means men and women on Earth will be transformed to the characters of Angels and they will lead life here peacefully and tranquilly with no diversity of color, sex, religion, caste etc. On those days, sexual intercourse will not be here as if in the Paradise. All the

believing men and women will become brothers and sisters. Thus, life of Paradise will happen on Earth. On that day harmony of mankind will be flourished on Earth. After ruling the world for 7 years, Jesus will die at the age of 40, and will be buried in a grave near to Prophet Muhammad's which is kept vacant now.

The verse 6: 158 says: "What are they waiting except the Angels come to them, or the Day when some of your signs arrive, belief in them will not benefit for any person who has not believed in them already, nor has earned some good through his faith". Now only the 10 major signs of Last Day have to be appeared which are taught by the Prophet being the explanation of this verse. Prophet has taught that the Last Day will not come until the 10 major signs appear; they are: "Rising the sun from the west; appearance of Antichrist, second coming of Jesus, smoke which spreads throughout the Earth, coming of the beast from Earth, appearance of Gog and Magog, Earth drown into deepness in three places (one in the east, other in the west and the third in Arabian Peninsula) and the fire from Yemen which leads the people to Judgment place (*Mahshara*)".

Since the Spirit which contains Life and Soul for creatures including man belongs to the Creator Lord, killing a creature with no justice is like killing the Lord.

Be a man and not a Kafir Satan by identifying that no man has the right to select his nation, ration, sex, color, era of birth and death, parents and children utilizing the Three Time Knowledge Adhikr.

Stop bloodsheds and mischiefs. It is the duty mankind endowed with intelligence to keep the Universe in its equilibrium by utilizing Adhikr—the Balance and Trust.

999 Muslims out of each 1000 will ridicule the 1 in 1000 believer as: "He is an odd liar" is told in the verses 38: 8 and 54: 25.

The hypocrites are the liars without having soul, and they have been killed by the Lord as told in the verses 63: 1-4 and 80: 17.

The hypocrites and their followers have become the worthless people since they forgot Adhikr—the Wise Reminder—as told in the verse 25: 18. Their house is Hell—the house of bores—as told in the verse 14: 28.

There is no conversion of religion in Islam. Only forming belief with the Truth—Adhikr—and propagation of It throughout the mankind for forming Human Harmony.
