

With the name of Allah, the Impartial, the Compassionate.

(3) Ali-Imran

'Ali-Imran' means 'Imran's family'. This Surath got Its name from the verse 33 which mentions about 'Imran family'. This *Surath* contains the verses which explain about the 'Battle of Bad'r and 'Battle of Uh'd' taken place in the 2nd and 3rd year of '*Hijra*' between the believers and the disbelievers respectively. It also contains some verses mentioning about the conversation of Christian delegates from *Najran* with Prophet in the 9th year of *Hijra* at Medina. After explaining the life history of *Maryam*, *Jesus* (the son of *Maryam*), *Zakariya*, *Yahiya* etc. it invites the 'children of Israel' during prophet's period to the real way of life of their forefathers. As the Splendid Book Adhikr is the Book today for entire mankind, every verse which says about the "people of Book" is applicable only to the Muslims including the hypocrites and their blind followed disbelievers. This *Surath* teaches that the 'Battle of *Uh'd*' was made to separate the true believers and hypocrites among the Muslims. Islam is the only way of life which the Creator Lord satisfied for the entire creatures. This *Surath* also teaches that it is not possible for anyone even for prophet to bring or not to bring anyone into Islam (the True way of life).

This *Surath* contains verses explaining the character of believers. It commands the believers to be 'a single party' by hold fasting Adhikr firmly. Surath Al-Baqara and Ali-Imran together are known as 'Zahravan' which means two gardens of flowers. It contains 200 verses. Prophet used to recite the verses from 190 to 200 as soon as he woke up from sleep.

With the name of Allah, the Impartial, the Merciful

1. Alif- Laam- Meem.

The Book which is revealed from Lord Allah through the Angel *Jibreel* to the Messenger Muhammad. See the explanation 2: 1.

2. Lord Allah, there is no Deity except Him, the Ever-living, the Survivor and the Sustainer.

This verse containing the glorious name of the Lord also has come as a part of the verse 2: 255. 'The Ever-living', 'the Survivor and Sustainer' belong to the Supreme names of Lord.

3. Sent down the Book (step by step) upon you with the Truth, testifying whatever revealed before It; and He sent down Thourath and Injeel.

4. Before as a Guidance for mankind, and sent down the Criterion. Indeed, those who are hiding the verses of Lord Allah, for them have severe punishment; and Allah is the Exalted for taking revenge.

The Lord has sent down 313 Books from Messenger Noah to Messenger Muhammed in different languages (bodies) with the single soul (Adhikr). Adhikr revealed to Prophet Muhammed is testifying and safeguarding all the 312 previous Books and their upright Explanations as told in the verses 5: 48 and 16: 44. It is the Guidance and Criterion for the entire mankind. The verses 5: 95 and 14: 47 also end as: Allah is the Exalted for taking revenge. See the explanation 2: 2, 185 and 209.

5. Indeed Lord Allah, nothing is hidden from Him either in the Earth or in the Heaven.

The verse 14: 38 is also having the same Message. It is told in the verse 40: 16 that nothing of them will be hidden from the Lord, it will be asked on the Day of Judgment: To whom belongs the Kingship today?' It is to Lord Allah, the One, the Dictator. It is told in the verse 41: 40: Indeed those who are perverting Our verses are not hidden upon Us. Who is better the one to be thrown to the Hell Fire or the one who comes safely on the Day of Judgment? You do as you wish; indeed He is watching whatever you are doing. See the explanation 1: 3; 2: 29 and 107.

6. He is the One Who is shaping you in the wombs as He wishes; there is no Deity except Him, the Exalted, the Wise.

It is told in the verse 59: 24 that He is Allah, the Creator of the soul, the Maker of the body and the Synchronizer of the soul with body; to Him belongs names submitted by the Best Book Adhikr; whatever in Heavens and in Earth glorifies Him, He is the Exalted, the Wise. See explanation 2: 28 and 129.

7. He is the One Who sent down upon you the Book, the wise verses of It are the mother of the Book; while others are allegorical. Then in whose hearts have crookedness will follow whatever allegorical in It seeking sedition and seeking Its predictions. Nobody knows Its predictions except Lord Allah, and those who have versed Knowledge are saying: We believed with It, each and everything is from our Lord. But none remembers except the ones endowed with intelligence.

There are two types of verses in the Book. The Wise verses having clear meaning and are well explained. These are the foundation of the Book. The previous Scriptures

contained only such verses. The unique peculiarity of the last Book is that It contains also '*Muthashabihath*' (allegorical).

Those who are asking the explanation of allegorical verses and the occurrence of the verses' predictions are the human devil hypocrites. They are saying their followers: Since 'Alif Laam Meem', 'Khaaf Haa Yaa Ain Swaad' etc. are not explained by prophet Muhammad, you will be rewarded for reading the Qur'an even without Its contents. For this they purposefully misquote Prophet's teaching: No one recites 'Alif Lam Meem' without recording 10 virtues for each letter. But Prophet also taught: After 30 years of my departure, Islam will be deteriorated; and the Qur'an reading people will be of 3 groups: (1) Fajir who eats Qur'an or eats by using Qur'an, by which he will be darted away from Islam as an arrow darts away from its bow. (2) *Kafir* (hypocrites) who knowingly hides the contents of the Book. (3) Believer who says what he does and does what he says. Prophet also taught that the 1 in 1000 believer (Third group) will only get the reward by reciting the Book, whereas It will increase filth over filth to the above first and second group (ie. Fajir and Kafir) belonging to 999 in each and every 1000.

Before codifying Adhikr, the allegorical verses were not explained. It is told in the verse 7: 52: Surely We have brought them a Book in which We have explained upon My Knowledge, a Guidance and a Mercy for the people of believers. The 'Three Time Knower Lord Allah' mentioned in the verse 25: 58 has codified Adhikr—the Three Time knowledge—through the 'Three Time Knower' mentioned in the verses 25: 59. It explains each and everything including 'Alif Laam Meem', 'Khaaf Haa Yaa Ain Swaad', 'Thwaa Seen Meem' and 'Ain Sween Khaaf'. Without Adhikr which is the Permission of the Lord to become a believer, no one can enter the Paradise. Read together 7: 53 and 39: 23. See the explanation 2: 152, 159-161 and 166-167.

8. Our Lord! You do not deviate our hearts after You have guided us, You grant us Your own Mercy generously; indeed You are the Only Grantor of Bounties without measure.

Adhikr is the Mercy and Guidance. Since It is formed as a Book, anyone who holdfasts It, he is guided into the Straight path and is entered in Lord's Mercy. See the explanation 2: 185 and 256.

9. Our Lord! Indeed You will gather all mankind on a Day – about which there is no doubt; indeed Lord Allah will never breach the Promises.

The Day of Judgment is a Day in which each and every one will get his/her Record fastened upon the neck as an Illuminated Open Book as mentioned in the verses 17: 13-14; 18: 49; 23: 62-63; 36: 12; 45: 28-29; 58: 6 and 78: 21-30. Whoever made his

Recording Book under the Light—Adhikr—he will only triumph. Those who are unaware of this Recording Book and didn't become believer with Adhikr, they will be the losers. Both the verses 3: 194 and 13: 31 end as: Indeed Lord Allah will never breach the Promises. See the explanation 2: 254.

10. Indeed those who have disbelieved, neither their wealth nor their children will benefit them from Lord Allah; and such are only the firewood for the Fire.

The disbelievers mentioned here are the hypocrites who are knowingly hiding Lord's Book—Adhikr—as explained in the verses 2: 6-7. Both the verses 9: 55 and 85 say that neither their wealth nor their children should dazzle you; indeed Lord Allah intends to punish them with these things in this worldly life and they have been perished as disbelievers. Today, Muslims of the entire world are reading these verses. Most of them are teaching only 'reading of the Book'. Some of them are even teaching Its meaning which is only the life of It. But none of them are learning or teaching Soul of the Book—Adhikr—which is the Food, Cloth and Sight of Jinn comrade mentioned in the verses 43: 36-39; 50: 27-29 and 59: 16-17. Actually they are teaching 'the Quran' to their children just like the Jews were teaching the Book 'Thourath' to their children during Prophet's period. That is teaching just reading of the Book or the meaning of It without teaching the content- the soul. As per the verses 2: 146 and 6: 20 those to whom the Lord has given the Book will recognize Prophet just like they recognize their own sons. By rejecting the Wise Reminder Adhikr, they are not following or witnessing Prophet's life among the mankind. Instead they are blindly following 29 pseudo prophets and are hurrying to welcome the 30th pseudo prophet Maseeh-A-Dajjal (Antichrist). The Three Time Knower explained about this when Prophet was in Mecca itself: One night, Prophet awoke and asked three times: 'Oh Allah, didn't I convey?' Then Ummer awoke and replied: 'Yes, you did'. Then in the morning Prophet said: 'Islam will spread all over the world, and It will be replaced with refusals. The people of overseas (Europeans and Americans) will laugh at Islam. Then another period will come in which the people will read and teach the reading of Arabic Qur'an, and will say: We are reciting and teaching Qur'an, then who is better than us?' Prophet asked: 'Is there any goodness in them?' The followers asked: 'Oh Prophet, who are they?' Prophet replied: 'They are from among you; they themselves are the fuel of the Fire'. These worthless people who have forgotten Adhikr—the Best Interpretation of Lord's Book--- will be dragged prone on their faces into the Hell, such are in the worst place and are the most strayed as explained in the verses 2: 7. See the explanation 2: 18, 24 and 39.

11. Just like the family of Pharaoh as well as those before them; they rejected Our verses, so Lord Allah seized them on account of their offenses; and Allah is severe in torment.

The verses 8: 52 and 54 are also having the same message. Those who follow the footsteps of *Pharaoh* till the last day include in the family of Pharaoh. Like that the family of Muhammad includes the believers up to the Last Day who follow the Best book Husna. Lord Allah punished *Pharaoh* only when he became a transgressed hypocrite after realizing all the Truth. Their 5th phase "*Barsakh*"- the place after death- will be a pit from the Hell. There, the Hell will be exposed to them in its real appearance in every morning and evening. On the Day of Judgment, they will be thrown to the Hell without trial as told in the verse 40: 46. When Pharaoh was drowned in the sea he told: indeed I believed that there is no Deity except the One with whom the children of Israel have believed, and I have submitted all to Him. The hypocrites who are knowingly hiding the Truth will witness against their soul at the time of their death that they were disbelievers as explained in the verse 2: 10. See the explanation 2: 99, 174-176 and 242.

12. You say to those who disbelieved: Certainly You will be defeated and you will be summoned in to Hell; What evil cradles!

The verses 2: 206; 3: 197; 13: 18 and 38: 56 also end as: "What evil cradles!" The disbeliever mentioned in any verse in the Book includes both the human devil hypocrites and their blind followers. Through the verse 14: 30 the believer is commanded to say to them: "You enjoy here, then indeed your return is in to the Fire". In the verse 2: 175 Lord asks: What a patience they are showing for the Fire. See the explanation 1: 7; 2: 166-167.

13. Verily there was a sign for you in the two detachments met together, one was fighting in the way of Lord Allah, while the other was disbelieving; they saw them twice of them at a glance, and Lord Allah strengthens with His help whom He wishes, indeed there is a moral for those who have Insight.

The verse mentions about the first battle occurred in *Bad'r* between believers and disbelievers. Disbelievers were actually thrice in number of believers. But at the first sight believers felt that the disbelievers are only just twice of believers' number and thus Allah empowered courage and stability for the believers. At the sight of disbelievers, Lord made believers twice in number, and thereby instilled terror in the heart of disbelievers. It is told in the verses 8: 43-44 to Prophet: In your dream Lord showed to you disbelievers few in number, if I had shown to you them as many, you would surely have been discouraged and would have quarreled in your decisions, but the Lord saved you; indeed He knows what is in the chests. And remember when you met in the battle, He showed to you them as few in number in your eyes and made you appear as few in number in their eyes, so that Lord might accomplish what He had decided, for all matter will be returned to Lord Allah. Read together the verses 8: 45-47.

The disbelievers who came with great pride were well armed, more than 1000 in number and had made battle as their life style. Against them on the other side, it was a small party of Lord with only 313 members, inexpert in war and without sufficient weapons. But the Lord sent down Angels to help them against the disbelievers.

The Lord says in the verse 8: 17 to Prophet: It was not you who killed them, but it was the Lord Allah who killed them; When you threw, you didn't throw, but it was the Lord who threw, so that He might pass the believers successfully through this excellent trial. Indeed the Lord is All-hearing, All-knowing. It is told in the verse 4: 79: Any good happens to you, it is from your Lord, while any evil happens to you, it is from yourselves. That means with the remembrance of the Lord with Adhikr which is the Safeguard, no evil will affect anyone.

Today, as there is no group of believers, there is no battle with weapons. But Jihad with Adhikr against the hypocrites and Kuffar is advised as mentioned in the verses 9: 73; 25: 52 and 66: 9. See the explanation 2: 152, 243 and 251.

14. The love of passions towards women and sons are made attracted for mankind, as well as accumulated gold and silver treasures, pedigreed horses, livestock and crops; they all are entertainment of worldly life, and with Lord Allah is the finest retreat.

For the aimless hypocrites and their heedless followers Satan makes attractive the luxuries of this world. But the 1 in 1000 believer by knowing the aim of life will live here under the Light of the Best Book Adhikr. And he will prepare the Paradise here in the 4th phase in order to inherit it in the 7th phase. It is told in the verse 6: 43: Satan has made attractive for the disbelievers what they have been doing. Read together 8: 28 and 43: 32-35. See the explanation 2: 102, 261 and 266.

15. You say: Shall I give you news of something even better than that? Those who are heedful will have Paradise near their Lord Allah beneath which rivers are flowing to live therein forever, and with purified spouses and good pleasure of Allah; and Allah is Observant of His servants.

In the verse 64: 15 Lord says: Indeed, your wealth and your children are a sedition; whereas the Lord, with Him is the greatest reward. So believer will holdfast Lord today by holding fast Adhikr—the Unbreakable Rope— mentioned in the verses 2: 256 and 31: 22. See the explanation 2: 25, 121 and 213.

16. They are those who are praying: Oh our Lord, indeed we believed; so you forgive us our offenses and shield us the punishment of the Fire!

17. They are the patient ones, testifiers of the Truth, devotees, spenders and seekers of forgiveness in the early hours of the morning.

Believers are having the aim of life that they are deputed into the 4th phase in order to prepare Paradise for the 7th phase. So they will give preference to the eternal Hereafter than the temporary worldly life. In this Last Days, they will read Adhikr especially in the dusk and dawn, and will do the single 'Prostration of Recitation'. They will help the Lord by propagating Adhikr and will do and encourage others to do organic farming as well as planting trees. Thus they will remember their Lord in all their standing, sitting and lying by praising and glorifying Him. It is told in the verse 39: 33 that the one who received the Truth and testifies It, such are the heedful. See the explanation 2: 152-153 and 245.

18. Lord Allah witnesses that Indeed there is no Deity except Him, and the Angels and those who are endowed with Knowledge standing with Justice also witness that there is no Deity except Him, the Exalted, the Wise.

Adhikr is mentioned as 'Justice' in 15 verses such as 4: 135; 5: 8; 57: 25 and as 'Witness' in 4 verses such as 6: 19 and 11: 17. So whoever holdfasts Adhikr, he is holding fast the Lord—the Witness. Adhikr is the Knowledge revealed to 313 Messengers from Nooh to Muhammed as told in the verses 16: 43-44; 21: 24 and 41: 43. In the verse 17: 107 the characters of those who were given the Knowledge before is mentioned as: If the Knowledge is explained upon them, they will fall down on their faces in humble prostration. Knowledge which is one of the 40 names of Adhikr is mentioned in the verses such as 7: 52; 22: 3, 8. Anyone who talks about the Lord without having the Knowledge Adhikr, he is a repudiating disbeliever and wrongdoer as told in the verses 29: 47-49. See the explanation 2: 140-144 and 220.

19. Indeed, the only 'Dheen' (way of life) with Lord Allah is Islam, and those who were given the Book have not disagreed except after receiving the Knowledge out of envy towards one another; and whoever hides the verses of Allah, then indeed Allah is prompt in Reckoning.

The way of life submitted by Adhikr—the Three Time Knowledge—is the only way of life satisfied by the Three Time Knower Lord to the entire mankind from Adam to the last Day. The verses 9: 33; 48: 28 and 61: 9 say that He is the One who sent His Messenger with the Guidance and the True way of life in order to be it supreme upon all other ways of life even though it is hateful for the Mushriks (Muslims differentiated in to groups) as explained in the verses 4: 150-151. When the people of all previous Messengers deviated from Adhikr (the Straightpath), the Lord appointed Muhammed as the last Prophet and Messenger with the ultimate form of Adhikr mentioned in the verses 15: 9; 16: 44 and 41: 41-42. Then after 30 years of Muhammed's departure, people deviated

from the Book and thus Islam was deteriorated. Then the Qur'an reading people became in three groups as explained in the verse 3: 7.

Today, the Lord's Book is codified as a Book in the name 'Adhikr' through the Three Time Knower mentioned in the verse 25: 59. Its preservation is undertaken by the Lord of the universe as told in the verse 15: 9. It explains each and everything as told in the verse 16: 89. It is revealed in order to punish the hypocritical men and women as well as the Mushrik men and women among Muslims as told in the verses 33: 72-73; 48: 6 and 98: 6. Adhikr is the only Ticket to the Paradise as mentioned in the verses 20: 3; 73: 19 and 74: 49 and the only Safeguard against all disasters, calamities, diseases and Hell as told in the verses 5: 48. See the explanation 2: 208-210 and 213.

20. Then if they argue with you, then you say: I have submitted my face completely to Lord Allah and so whoever follows me. Then you ask to those who have been given the Book and the illiterates: Are you also submitting yourselves? If they submit, verily they are guided; and if they turn back, then indeed the responsibility upon you is conveying the Message; and Allah is Observant of His servants.

During Prophet's time, the Book given people were the Jews and Christians, and the illiterates were the Meccan pagans. If we are taking Adhikr as the Balance and Insight, today the Knowledge given people are the hypocritical leaders of different Muslim groups, while the illiterates are the common Muslims who are reading body of the Book. Both these people by forgetting the Lord and the aim of life have become Mujirims mentioned in 50 places such as 7: 40; 32: 12 and 22. They are serving the Satan instead of Lord Allah as told in the verses 36: 59-62. They have not submitted their will and power to the Lord. So at the time of their death Lord will tell every one of them: "You were among the Kafir" as told in the verse 39: 59. At the time of death they will witness against their soul that indeed they were Kafirs as told in the verses 7: 37 as well as on the Day of Judgment as told in the verse 6: 130.

It is told in the verse 12: 108: You declare: 'This is my way, I am inviting you to Lord; upon an Insight are whoever follows me and myself, Glory be to the Lord, and I am not among the Mushriks'. See the explanation 2: 212, 254 and 3: 7.

21. Indeed those who are hiding the verses of Lord Allah, slaying the Prophets without any Truth and killing those who are commanding with Justice among the mankind; then you announce them about the glad tidings of painful punishment.

22. Such are those who made futile their deeds in this world as well as in the Hereafter, and for them will have none from the helpers.

The human devil hypocrites have been killed by the Lord as told in the verses 63: 4 and 80: 17. They perverted the Mercy Adhikr into disbelief and permitted their followers the Hell—house of worthless—as told in the verses 14: 28-29. The wrath and curse of the Lord are affected upon them and the Hell is kept prepared for them as told in the verse 48: 6. They are the worst creatures among 400 communities of creatures in the land as told in the verse 98: 6; they are also mentioned as the worst creatures among all the 1000 communities of creatures both in the land and in the water since they are deaf from hearing Adhikr and dumb from speaking It as told in the verse 8: 22. They are the fuels of the Fire as told in the verses 2: 39; 3: 10; 18: 101, etc. They will be roasted in the great Fire as told in the verses 87: 9-12 and 89: 23. Without being a believer with Lord's Permission—Adhikr—mentioned in the verses 10: 99-100, they will get hell as fine for all their deeds as explained in the verse 2: 186. See the explanation 1: 7 and 2: 61-62.

23. Have you not turned your visions into those who were given a portion of the Book, they are invited to Lord Allah's Book in order to judge among them; then a group among them are turning away and they are the neglectors.

24. That is because they are saying: "The fire will never touch us except for numbered days". They have been deceived by the self-invented forgeries in their religions.

The character of Jews and Christians during the time of Prophet in Medina can be seen today among the hypocritical transgressors and their blind followers- Mushriks of different Muslim organizations. If they are called to Lord's Book Adhikr, they will not accept It. They do not say about any of the 40 names of Lord's Book to the mankind. Instead they only utter 'Qur'an' which means 'for repeated reading'. The Jinn soul-mate mentioned in the verses 43: 36-39 and 59: 16-17 have deceived them. They are attributing different intercessors and patrons for the Lord of the universe. They are arrogantly arguing that they are the people of the Book and are the followers of the Prophet, while they are the worthless people as told in the verse 25: 18 and the worst among all creatures as told in the verse 8: 22 who do not hear the Book Dhikree or tell about It to others. They are the inmates of the hellfire as explained in the verses 2: 39 and 3: 10. They are calling the mankind to the Satan's house—the Hellfire. See the explanation 2: 80, 94-95 and 158-159.

25. Then, how their condition will be when We gather them on the Day about which there is no doubt, and each soul will be given for what it has earned and they will not be wronged.

This verse also teaches that Impartial Lord Allah is not guiding anyone either to Paradise or to Hell. So male or female by utilizing Adhikr—the Light—should prepare Paradise in this world in order to inherit it in the Hereafter. Today, 999 out of 1000 Muslims are

earning Hell without utilizing the Three Time Knowledge Adhikr. All their deeds are futile as explained in the verse 2: 186. See the explanation 1:3; 2: 281 and 286.

26. You pray: Oh Allah! The King of Kings, You give kingship to anyone You wish and take out kingship from anyone You wish; You make exalt anyone You wish and disgrace anyone You wish; goodness is within Your hand, indeed You are capable upon each and everything!

27. You cause the night to embed in the day and You cause the day to embed in the night; You bring the living from the dead, You bring the dead from the living and You provide sustenance to anyone You wish without any measure.

The Prophet used to pray these two verses as well as the verse 3: 18 as “*Vird*” for testifying the Oneness of Lord. Therefore, today the believers after their single Prostration of Recitation in the dusk and dawn should pray as: Oh Allah! The King of the kings, You give kingship to anyone You wish and take out kingship from anyone You wish; You make exalt anyone You wish and disgrace anyone You wish; goodness is within Your hand; indeed You are capable upon each and everything! You cause the night to embed in the day and You cause the day to embed in the night; You bring the living from the dead, You bring the dead from the living and You provide sustenance to anyone You wish without any measure.

So when the believer prays this with his soul without uttering with tongue, he prays to the Lord for bringing the rulers who judge with Justice among the mankind and who are doing goodness to all subjects irrespective of religion, sex, caste, color, etc. Since only 1 in 1000 returns to the Paradise by utilizing Adhikr as the Ticket and the rest 999 will go to the Hell by hiding and rejecting Adhikr—the Safeguard—after receiving, the believer won’t compel anyone to become a believer. The impartial Lord or any person can’t make others a believer. But male or female by utilizing Adhikr can become a believer. So he will try to convey the Lord’s Message throughout the world irrespective of sex, nation, caste, color, etc. aiming the peace and the tranquil life by forming harmony of the mankind and to utilize It as the Balance and Trust to keep the universe in its equilibrium. He will be always against the communal and religious unity which is against the teachings of Lord’s Book. He will do Jihad with Adhikr against the hypocrites and Kuffar (those who are hiding repeatedly Lord’s verses) with Adhikr—the Strongest Weapon—as told in the verses 9: 73; 25: 52 and 66: 9. The believer is always in the conscious that no one has the freedom to select his nation, religion, era of birth, sex, color, parents, children etc. So he will wish to have leaders and rulers who are showing mercy and kindness towards the entire mankind as well as to all the creatures of the Lord in the Universe. See the explanation 2: 62 and 256-258.

28. The believers will not select the disbelievers as their protectors besides the believers, and whoever does so, he will have nothing to do with Lord Allah, except co-operating with them heeding Allah; Allah is cautioning you about Himself, and to Lord Allah will all of you return.

Different groups among the Muslims are the true disbelievers as told in the verses 4: 150-151 and 11: 17. So the 1 in 1000 believer will not select or elect the disbelievers as his leaders or rulers. He will only co-operate with the disbelievers in unavoidable circumstances under the Light of Adhikr. He will be always in the conscious that Lord Allah is with him wherever and whenever he is. It is told in the verse 9: 23 by calling the believers: You shouldn't select your parents and your siblings as your protectors if they are preferring disbelief over belief; and whoever from you is selecting them, then such are the wrongdoers. Believer belongs to 'the Lord Allah's party' where as the disbelievers, wrongdoers, transgressors, hypocrites, repudiators, arrogant ones, mischief makers etc. who hide and reject Adhikr belong to 'the Satan's party' as told in the verses 58: 22 and 58: 19 respectively.

To put it briefly, the relations in the Light of Adhikr only will be benefited in the Hereafter. All other relations will end in enmity and blaming each other as told in the verse 43: 67. Read together 4: 144. See the explanation 2: 99, 165-167 and 254.

29. You Say: Whatever you conceal in your chest or disclose it, Lord Allah knows it; and He knows whatever is in the Heaven and whatever is on Earth; and Allah is capable upon each and everything.

Muslims by rejecting Adhikr from the Three Time Knower Lord are keeping Satan in their chests and are following satanic footsteps. They are thinking that by accepting and giving prophet's and saint people's names for individuals, and uttering by mouth: The Lord is great, no Deity except the Lord can succeed in the Hereafter. They are falsely teaching people that whoever says, 'there is no Deity except Lord Allah', he can enter the Paradise'. They are deviated from the Truth than any other people belonging to Messenger's community. The condition of wailing these wrongdoers on the Hereafter is told in the verses 25: 27-29 as: Woe to me! If I hadn't taken so-and-so as my intimate friend, verily he obstructed me from Adhikr after It had reached to me; Satan was a traitor to mankind. As told in the verses 25: 30 Messenger Muhammed will say on the Day of Judgment against his people: Oh my Lord! Indeed my people of this flew away from this reading. See the explanation 2: 121, 234 and 284.

30. On the Day when every soul will find presented whatever from good he has done as well as from whatever bad he has done; He will wish if there were a long distance

between him and that, Lord Allah is cautioning you about Himself; and Allah is full of kindness towards His servants.

Every male and female has to face the Day of Judgment on which he/she will find what it has earned whether good or evil. This verse also teaches that the Paradise or Hell is to be earned by oneself, and the Impartial Lord doesn't make anyone guided or misguided. "Between him and that" means "between the evil soul and its futile deeds" as well as "between him and the Day of Judgment". See how Lord is cautioning about the Day of Judgment through the verse 78: 40: On the Day when each person sees what it has earned, the disbeliever will wail: 'Oh, woe to me! If I were only dust'. See the explanation 2: 200-202 and 281-282.

31. You Say: If you are liking Lord Allah, then you follow me, Allah will like you and He will forgive you your offenses; Allah is the Oft-forgiving, the Merciful.

32. You Say: You obey Lord Allah and the Messenger, then if they turn away indeed Lord Allah doesn't like the disbelievers.

Today, obeying the Lord and following Messenger is only possible by following the Best Book Adhikr. Whoever among the Muslims hides and rejects Adhikr—the Best Interpretation of Lord's Book—he will be dragged prone on his face into the Hell, he is in the worst place and the most strayed as told in the verses 25: 33-34. The hypocrites and their blind followers are the inmates of the Hell. The hypocrites will enter the Hell even without Trial as told in the verse 4: 145, whereas their weaklings will be led into the Hell after Trial as told in the verse 39: 71. Today, Muslims are not obeying Lord Allah or following Prophet Muhammed, instead they are following 29 pseudo-prophets and are welcoming the 30th pseudo-prophet Antichrist. See the explanation 2: 15, 146 and 170-171.

33. Indeed Lord Allah has chosen Adam, Nooh, the family of Ibrahim and the family of Imran above all the men of the worlds.

34. Some of them are offspring of others; and Lord Allah is All-hearing, All-knowing.

Here mentioned "Imran's family" is the paternal family of Maryam (mother of Jesus). Imran's family is the descendant of Messenger Ibrahim. In the verses 42: 13-14 it is told: "Lord has ordained for you the same way of life which He ordained to you, Nooh, Ibrahim, Moosa and Jesus; you steadfast the way of life and don't differ in It; it is a great burden upon the Mushriks the way of life you are calling them. And they haven't differed except after receiving the Knowledge due the envy among themselves". After reminding about the Prophets like Zakariya, Yahya, Jesus, Ibrahim, Ishaq, Ya'qoob, Moosa, Haroon, Ismael and Idrees, Lord says in the verse 19: 58: "Such are the Prophets

upon whom Lord has bestowed His Mercy from the descendants of Adam, and those who carried with Nooh, and the descendants of Ibrahim and Israel; and among them there are those Lord has guided and He has chosen. When the verses of the Impartial Lord are explained upon them, they will fall down by crying in prostration". All Prophets like Nooh, Ibrahim, Ismael, Ishaq and Jesus were in Straightpath as told in the verses 6: 83-87. The Guidance Adhikr is mentioned as the Straightpath to the Lord in the verses such as 1: 5; 2: 142; 4: 68, 175; 6: 39, 126, 153; 36: 61; and whoever is differing in It, all their deeds will be futile. And in the verses 6: 89-90 it is told: "If these people (today the Muslims) hide and reject the Reminder which is for the entire worlds, verily Lord will entrust It to a people who will not hide It". See the explanation 2: 136, 213 and 3: 19.

35. Remember when the woman of Imran prayed: Oh my Lord! Indeed I have dedicated for Your service what is in my womb, so You accept from me; indeed You alone is the All-hearing, All-knowing.

36. When she delivered her she said: Oh my Lord! Indeed I have delivered a female. And Lord Allah is the Best Knower of what she has delivered; and a male is not equal to a female. And I have named her Maryam; and indeed I seek refuge to You about her and her offspring from Satan- the outcast.

Prophet taught: The temptation of Satan will affect each and every child of Adam. But due to this prayer Satan will not approach Maryam and Jesus. Therefore, Jesus is not crucified, instead he was raised up into the 2nd Heaven as explained in the verses 4: 157-159. Jesus will be sent down again to the Earth for killing the Satan Antichrist. By seeing Jesus, Antichrist will start to melt such as salt melts in the water. By affecting his breath, the disbelievers will fall down to death. The meaning of "A male is not like a female" is that a male can travel and stay alone anywhere even at midnight, but a female needs presence of a guardian. See the explanation 2: 112 and 252.

37. Then her Lord accepted her with a best manner and caused her to grow in the best manner, and Zakariya was assigned as her guardianship. Whenever Zakariya entered her shrine, he found food supplied near her; he asked: Oh Maryam! From where did you get it? She replied: "It is from Lord Allah"; indeed Allah is giving sustenance without measure to whom He wishes.

It was for the first time a female was appointed for the service of Lord in the Masjid. At that time, a dispute was occurred about her guardianship, and they drew lots with arrows. Thus Prophet *Zakariya*, the old man having no children, got the sponsorship of Maryam as told in the verse 3: 44. This verse teaches that before sending the 'Maeda'—food tray from Paradise—as a reply to the prayer of Jesus as per the verse 5: 114, Lord Allah had sent heavenly sustenance to his mother Maryam in a supernatural way. This

verse also teaches that Lord is able to give sustenance to whom He wishes without any measures and reasons. See the explanation 2: 260 and 3: 26-27.

38. Then on seeing this Zakariya prayed to his Lord; he said: My Lord! You grant me a pure offspring as Your bounty, indeed You are the One Who responds for the prayer.

“As Your bounty” means, beyond any reasons and senses. Today for getting response for any prayer and accepting any deed 2 conditions are explained in the verse 2:186. Thus believer will utilize the Best Book Adhikr to fulfill all his desires in this world as well as in the Hereafter as explained in the verses 2: 147-148. The verse 14: 39 ends as ‘indeed my Lord is the One Who responds for the prayer’.

39. Then the Angels called him while he was standing in prayer in his shrine: Indeed, Lord Allah is heralding you with Yahiya testifying with a word from Allah, and as a leader, pious and Prophet from among the honorable.

40. He asked: My Lord! How can I have a boy while old age has verily affected me, and my woman is barren? He replied: Just like that Lord Allah does as He wishes.

“Testifying with a word from Allah” mentioned in the verse 39 is about the body of Jesus. Allah says through the verse 4: 171 that Maseeh Jesus (the son of Maryam) is only a Messenger of Lord and ‘His word’ which He bestowed into Maryam and a spirit from Him. That means the body of Jesus was the word “Be”, then it is. Not only for Prophet Jesus, but also for all the creatures the spirit containing ‘Life+ soul’ is from Lord’s spirit. So miraculous birth of Prophet Yahiya testifies the miraculous birth of Prophet Jesus (without father). The word ‘Haswoor (pious)’ means without having any passion towards ladies, unmarried, chaste, having self-control, heedful, etc. Read together 19: 7-15. See the explanation 1: 6 and 2: 28.

41. He asked: “My Lord! You grant me a sign”. He said: “Your sign is that you will not speak to people for 3 days except through gestures; you should remember your Lord very much and glorify Him during the dusks and dawns”.

It should be noticed in this verse that Prophet *Zakariya* is asking to Lord Allah directly, but the reply is given through the Angels. It is told in the verse 42: 51: “Lord will not speak to any man directly except through revelation or from behind a veil, or by sending a Messenger (Angel)”. This teaches that believers should ask for anything directly to their Owner Lord. At the same time the disbelieving Mushriks always place mediators and intercedes in between them and the Lord.

At the Hell, such disbelieving Mujirims will call the guard of Hell and will say: “Oh *Malik!* Let your Lord put an end to us”; Angel will reply: “You must stay there! We had brought

you the Truth, but most among you were hating the Truth” as told in the verses 43: 74-78. And as per the verses 40: 49-50, the hypocrites and their blind followers will say in the Hell to the guards of it: You Pray to your Lord to lighten for us the punishment at least for a day. The Angels will ask: Hadn’t Messengers from among you come to you with Explanations? They will say: Of course! They had. Angels will say: Then you appeal yourselves! The disbelievers’ appeal will increase nothing except astray. Read together the verses 32: 4 and 39: 3. See the explanation 1: 7 and 2: 166-167.

42. And when the Angels told: Oh Maryam! Indeed Lord Allah has chosen you, purified you and has chosen you above all the women of the worlds.

43. Oh Maryam! Be devoted to your Lord; and you prostrate to Me and be obedient to Me with those who are obedient.

Prophet taught: There are 4 women preferred above all the women of the worlds (1) Maryam—the daughter of Imran (2) Khadeeja—the daughter of Khuvailid (3) Fathima—the daughter of Muhammad (4) Asya—the woman of Pharaoh. In the verses 66: 11-12, Lord has chosen ‘the woman of Pharaoh’ and ‘Maryam’ as role-model for the believing men and believing women. It is told in the verse 33: 35: Indeed for the men and women submitted everything to the Lord, believing men and women, devoted men and women, Truth testifying men and women, patient men and women, men and women fearing the Lord, charity giving men and women, fasting men and women, chastity guarding men and women, men and women much remembering the Lord, Allah has kept prepared forgiveness and great reward. See the explanation 2: 43 and 152.

44. That are from the Unseen Divine Information We are revealing into you; and you were not there with them when they drew lots with arrows to decide who among them will sponsor Maryam, and you were not there with them while they were disputing.

Since it was for the first time a female appointed for the Lord’s service, there aroused a dispute among them for sponsoring Maryam. Thus they drew lot and Zakariya got chance for it. It is told in the verse 12: 102: That are from the Unseen ‘Divine Information’ We are revealing into you; and you were not there with them while they gathered for plotting. In the verse 7: 101 after explaining the history of Prophets Noah, Hood, Swalih, Shuaib, Looth, etc, the Lord says: Such were the towns whose histories are explained to you one by one; certainly their Messengers had come to them with Explanations, but they persisted in their disbelief, thus the Lord is sealing up the hearts of disbelievers. Read together the verses 29: 47-49 and 42: 52. See the explanation 2: 3 and 251-252.

45. When the Angels said: Oh Maryam! Indeed Lord Allah is giving you the glad tidings with a word from Him whose name is Maseeh Jesus—the son of Maryam. He will be honorable in this world as well as in the Hereafter, and among the nearest to Allah.

About this event it is told in the verses 19: 16-20 as: Angel Jibreel appeared in front of Maryam as a human when she was alone far away from the people. Then she told: I seek refuge to Impartial Lord from you, if you were heedful. Jibreel told: I am a Messenger from your Lord in order to grant you a pure son.

The word “Al-Maseeh” means the ‘one who wipe out’. This surname is suitable for Antichrist (Maseeh-A-Dajjal) as well as for Jesus. In the case Antichrist, he will appear on the day when the sun rises in the west. He will travel like clouds all over the world except ‘Hijaz’ (provinces including Mecca and Medina of K.S.A) in order to wipe out Islam and to implement ‘kufr’-the disbelief. In the case of Jesus, he will descend from the 2nd Heaven into the Earth in order to kill Antichrist for wiping out the ‘disbelief’ and implementing Islam as explained in the verses 4: 158-159. See the explanation 2: 258.

46. And he will speak to mankind in the cradle and in maturity, and he is among honorable men.

47. She asked: My Lord! How can I have a child while no human has ever touched me? He said: It is like that, Lord Allah is creating anything He wishes. When He decides a thing; He says to it ‘Be’, and then it is.

It is told in the verses 19: 29-33: Maryam merely pointed towards the baby to respond for the questions from the people. They asked: ‘How can we talk to a baby in the cradle?’ Baby Jesus spoke: ‘I am indeed a servant of Lord Allah, I have been given the Book and He made me a Prophet. His blessing is with me wherever I am, and He has advised me with prayer and charity as long as I live. And I should be virtuous with my mother and He has not made me a dictator or an unlucky. ‘Peace be upon me the day I was born, the day I will die and the Day I will be raised to life again’. See the explanation 3: 36.

It is told in the verse 36: 82: Indeed whenever He intends a thing, He needs only to say: ‘Be’, then it is. It is told in the verse 16: 40: Indeed Our word for anything when We intend a thing is to say: ‘Be’, then it is. Read together the verses 19: 20-21. In the verse 54: 50 Lord says: Even the time of eye’s blinking is not needed to happen Our commands.

A man from the courtiers of Sulaiman who possessed Knowledge from the Book brought queen Sheeba’s throne from Yemen to Palestine within a time of twinkling of an eye as

told in the verses 27: 38-40. That means, with the Splendid Book Adhikr the believer is able to do Supernatural acts as he wishes.

48. And He will teach him the Book, Wisdom, the Thourath and the Injeel.

49. And as a Messenger into the children of Israel. Indeed I have come to you with a Sign from your Lord; indeed I make for you the shape of a bird from clay; then I will blow into it, then it will become a living bird with the Permission of Lord Allah. And I will heal the blind and vitiligo, and I will bring the dead back to life with Allah's Permission; and I will tell you what you have eaten and what you are storing in your houses; and indeed in this there is a sign for you if you are believers.

Today since Adhikr is formed as the Book, It is the Permission of Lord Allah to become a believer as told in the verses 10: 100. 'Permission', one of the 40 names of Adhikr, is mentioned about in 27 places such as 14: 1; 22: 65 and 33: 46. The verses 13: 38; 14: 11 and 40: 78 are the 3 verses which teach that no Messenger can bring a Sign (miracle) without Allah's Permission. See explanation 2: 186 and 213.

Those who believed all these miracles as the ability of Prophet Jesus and those who say that these are clear sorcery without believing in Lord's miracles are the disbelievers. Read together the verse 5: 110. The true believers believe that Allah is the One Who destines and implements it; and will live only for Him entrusting upon Lord as His vicegerents witnessing the Book of Witness. See explanation 2: 213, 255 and 3: 7.

50. And as who testifies with what is there before me from Thourath and to make permissible to you something which is forbidden upon you; and I have brought to you with a Sign from your Lord, then you heed Lord Allah and you obey me.

"To make permissible to you something which is forbidden upon you" is not about the things which Lord has forbidden; instead it is about the things which were forbidden by the Jewish hypocrites according to their own whims. "The Book and Wisdom" mentioned in the verse 48 is the Wise Reminder Adhikr as told in the verse 3: 58; and Thourath is the Book given to Messenger Moosa; and Injeel is the Book given to Jesus. So Jesus is taught the Three Time Knowledge Adhikr. When he comes for the second time he will follow and command to follow the Splendid Book Adhikr mentioned in the verses 41: 41-43. See the explanation 2: 136, 286; 3: 4. Read together 6: 146 and 16: 118.

51. Indeed, Allah is my Lord and your Lord, so you serve Him, this is the Straight path.

The verses 19: 36 and 43: 64 also have the same message. Today "Serve Allah" means to convey His Message Adhikr throughout the world in order to have mankind true

concept about the Lord of the worlds. Adhikr is the Straightpath mentioned in 31 places such as in 1: 5; 4: 68 and 6: 153 as explained in the verses 2: 141 and 92; and whoever hides or rejects It after receiving, he will be dragged prone on his face into the Hell, and he is in the worst place and the most strayed as told in the verses 25: 33-34. The hypocrites and their blind followers are the Mujirims as explained in the verse 2: 162; and they are serving Satan without utilizing their intelligence as told in the verses 36: 59-62. See the explanation 1: 4; 2: 157 and 3: 20

52. When Jesus sensed disbelief among them, he asked: Who will be my helpers into Lord Allah? The disciples said: We are Allah's helpers, we believe with Allah and you bear witness that indeed we are those who submitted whole to Lord.

When the children of Israel were not ready to believe, the disciples came forward to help the Lord by conveying the Lord's Message to the mankind. They were only 13 in number and 1 of them named Sarjas (Judas) was even ready to be crucified instead of Prophet Jesus. The Almighty Lord raised up Jesus bodily into the 2nd Heaven. It is told in the verse 61: 14: Oh you who believed! Be the helpers of Lord just like Jesus, the son of *Maryam*, said to his disciples: 'Who is my helper into Lord?' And the disciples responded: 'We are the helpers of Lord'. Then a group from the children of Israel believed and others disbelieved; We helped the believers against their enemies, so that they became victorious".

From this verse, we can understand that Islam was the way of life of Jesus and the disciples with him. It is told in the verse 22: 78: "Lord has named you 'Muslim' in prior Scriptures as well as in This so that the Messenger may witness upon you and you may witness yourselves upon the mankind". See the explanation 2: 132-133 and 3: 19.

53. Our Lord! Indeed we believed with what You have sent down and we have followed the Messenger, so you enroll us with the witnesses.

"The Messenger" mentioned is about Prophet Jesus in the case of disciples of Jesus. But this verse is also a declaration of a Christian gang who came to *Medina* from *Najran* under the leadership of *Adiyy-ibnu-hathim* to see Prophet Muhammad. So, in that case "the Messenger" mentioned is applicable to Prophet Muhammad also. It is told in the verse 5: 83: "When they (monks and priests) listen to that which is revealed to the Messenger, you can see their eyes filled with tears because of what they recognize from the Truth. They say: 'Our Lord! We believed. Therefore, You enroll us among the witnesses of Truth'". It is told the verse 57: 19: "Those who believed with Lord and His Messenger are the truthful and witnesses with their Lord; they have their reward and their Light, those who disbelieved and rejected Our verses, they will be the inmates of Hades". Anyone from any group of Muslims, if hides or rejects the Witness and Guide

(Adhikr), then Fire is promised to him as told in the verse 11: 17. See the explanation 2: 38-39, 140 and 3: 10.

54. And they plotted and Lord Allah also plotted; and Allah is the Best among the plotters.

This verse mentions about the conspiracy of Jewish disbelievers to crucify Messenger Jesus. Just like that, the Jews in Medina also plotted to kill Prophet Muhammad. As per the verse 14: 46, it is told that the hypocrites of every time have plotted against the Messengers; and even if their plotting were enough to move the mountains, they couldn't harm the Messengers and believers who entrust upon the Lord. It is told in the verse 40: 51: "Indeed the Lord will help His Messengers and the believers in this world as well as on the Day where the witnesses will stand forth". Hypocritical liars are the enemies of Lord Allah, Messengers and believers as told in the verses 25: 31; 41: 28 and 63: 4. Since Adhikr—the Safeguard—is formed as the Splendid Book today, the odd believer does Jihad with It against the hypocrites and Kuffar from Muslims as explained in the verse 2: 154.

In the verses 27: 45-49 it is told about the people of 'Thamood' that "We sent their brother Swalih; but they were not ready to accept him. And they said that we are considering you and your companions as a bad omen. Prophet Swalih said: 'Your omen is with Lord. You are a people undergoing for Trial'". There were 9 tribes who created mischief in the land and were not reforming. They decided to kill Swalih and his family by night and to say his guardian by swearing with Lord that they didn't witness the slaughter of his family. In the verses 27: 50-51 says: "They plotted, We too plotted, while they did not perceive it; then see how was the consequence of their plotting?" Through the verse 27: 69 Lord is demanding the Mujirims to see how the consequence of them was". It is told in the verse 35: 10: "As for those who plot for evil deeds, they shall have severe punishment; and they will be destructed themselves with their plotting". Read together the verses 6: 123-124; 8: 30; 10: 21 and 12: 102. See the explanation 2: 234-235 and 3: 29-30.

55. When Lord Allah said: Oh Jesus! Indeed I will take back you and will raise you into Me and I will purify you from those who disbelieved, and I will make those who follow you above those who disbelieved until the Day of Judgment. Then to Me all of you will be returned, then I will judge between you in what you have been differing about It.

56. Then those who disbelieved, I will punish them with severe punishment in this world as well as in the Hereafter; and they will not have any from helpers.

By the influence of the priests of disbelieving Jews the Governor of Roman Emperor became ready to crucify and kill Prophet Jesus. But Lord inspired to Jesus that He will take him back and will raise him up to Him. In three different occasions Jesus told his disciples about this matter and asked: "Whoever is ready to be crucified instead of me, he will be in the Paradise with me". In each occasion, Sarjas (Judas) who was one of the disciples replied that he is ready. When the Roman army came to catch Prophet Jesus, the Lord transformed the face of Sarjas as that of Jesus and raised up Jesus to the 2nd Heaven bodily by a whirl wind. It is told in the verse 76: 28: "We have created them, and have made their frame strong; and if We had intended, We would have transformed them completely". In the verses 4: 157-158 it is told: "Surely, they never killed him nor crucified him, but it was seemed so to them, Lord raised him up to Himself; Allah is the Exalted, the Wise". If Jesus' soul alone was raised up without body, the pronoun 'Ki' is used instead of 'Ka', and 'Ha' instead of 'Hu'. So Jesus was raised and taken back up to the Lord bodily. He will be brought to this world again to kill Antichrist. Then after 7 years of ruling the world, he will die and will be buried in the graveyard next to Prophet Muhammed which is kept vacant now.

By saying: "I will make those who follow you above those who disbelieved till the Day of Judgment" doesn't mean that he will place Christians above Jews. Instead by this Lord announces that He will make the True believers—who follow all the Prophets including Jesus and Muhammed—above the disbelievers in this world. Today the hypocrites who hide the Three Time Knowledge Adhikr which explains all these things and their blind followers who reject It are the true disbelievers as explained in the verse 4: 150-151. These worthless people are experiencing disgrace and ignorance all over the world. They are not following Prophet Muhammed, instead they are following 29 pseudo-prophets and are welcoming 30th pseudo-prophet Antichrist. And on the 2nd coming of Jesus these hypocrites, their blind followers and the 70,000 Jews soldiers of Antichrist will be killed and thus the command of the verses 4: 91; 9: 123 and 33: 60-61 will be implemented.

As per the verses 39: 69 and 75 the Judgment will be with the Truth Adhikr on the Day of Judgment. Whoever doesn't Judge with It in their individual, family and social life after receiving Adhikr, such are the true disbelievers, wrongdoers and transgressors as explained in the verses 5:44, 45 and 47 respectively. See the explanation 2: 113

57. Then those who believed and do honorable deeds, then they will be granted their rewards, and Allah doesn't like the wrongdoers.

For those who believed in Allah and identified themselves and prepared Paradise in this world (4th phase) by realizing the ultimate aim of life from 6236 verses of the Book, they

will inherit It in the 7th phase. The Impartial Lord who taught Adhikr from the Paradise itself will neither reward nor punish anyone. Read together the verse 7: 43. The verse 3: 140 also ends as: "Allah doesn't like the wrongdoers". The verse 42: 40 ends as: "Indeed, He doesn't like the wrongdoers". See the explanation 2: 25, 254 and 286.

58. That is We explaining to you from the verses and a Wise Reminder.

Adhikr is the Wise Reminder which explains each and everything in one's heart's language as told in the verse 16: 89. It is told in the verses 54: 17, 22, 32 and 40: Surely We have made this Reading very easy to understand with one's heart. The verse 3: 1 says: "Reading with Reminding". In the verse 36: 2, the Reading is mentioned as 'the Wise' whereas in this verse 'Adhikr' is mentioned as 'the Wise'. It is told in the verse 43: 44: "This is a Reminder for you and for your people, both of you will be questioned about It". It is told in the verses 41: 41-43: "Indeed those who hide Adhikr when It is come to them, indeed It is a Splendid Book. No falsehood will enter in It either before or after Its codification, It is a revelation from the One Who is the Wise and Praiseworthy. Nothing is said to you except what has been told to the Messengers before you; surely your Lord is the Oft-forgiving and taking painful retribution". It is notable that not Qur'an but Adhikr mentioned in the verse 41: 41 is the Splendid Book.

The Satan does not obstruct mankind from the Reading (Book's Body Qur'an) or from learning the meaning (Book's Life), instead he obstructs from Adhikr which is Soul of the Book. So without transforming Jinn soul-mate mentioned in the verses 43: 36-39 into a believer with Adhikr, nobody can become a believer. See the explanation 2: 248 and 3: 7.

59. Indeed in the sight of Lord Allah, the similitude of Jesus is like the example of Adam; He created him from soil, then He said to him: "Be", and then he is.

Adam is a creature of Allah without father and mother. After shaping Adam from the clay, Allah blew His spirit into it. Thus Adam became a human-being. Hawwa (Eve) was created from the soul of Adam by Lord's word: "Be", then she was. Jesus is an example for Lord's creation without father. His body is created with the Lord's word: "Be". Body of all mankind is created by mingling sperm from father and ovum from mother. Not only for the mankind but also for whole creatures, the Spirit (Life + Soul) is from the Lord. The peculiarity of mankind over all other creatures is that mankind is endowed with intelligence. Believer who knows all these facts from Adhikr will not kill any creature deliberately without the Truth. Read together 32: 7-9 and 76: 2. See the explanation 2: 28-29 and 3: 47.

60. The Truth is from your Lord, so you shouldn't be among the doubters.

“Truth” is mentioned in about 176 places such as in the verses 10: 108; 39: 41, 69 and 75 in Lord’s Book as one of the names of Adhikr. See the explanation 2: 119 and 147-148.

61. Then anyone disputes with you about It after receiving the Knowledge; you say: Come you all! We can call our sons and your sons and our women and your women, and ourselves and yourselves; and let us earnestly pray against ourselves to affect Lord Allah’s curse upon the liars from among us.

Today Lord’s curse and wrath are already affected upon all Muslims hypocrites and their Mushrik followers who are hiding and rejecting Adhikr—the Guidance for the whole mankind, the Ticket to the Paradise as well as the Safeguard against all evils as explained in the verses 2: 160. It is told both in the verses 29: 47 and 49 that “None will repudiate with our verses except the disbelievers and the wrongdoers”. It is told in the verse 41: 28 that the hypocrites have Fire as eternal house for their repudiation of Our verses. In the verse 7: 51 Lord says about these disbelievers: On the Day of Judgment, We have forgotten them as they have forgotten the meeting of this Day, and they had been repudiating with Our verses. This disbelieving worthless people will repudiate about the 40 names of Lord’s Book –Adhikr. Instead they will only utter ‘Qur’an’ which means ‘Repeated Reading’. The odd believer does Jihad with the Splendid Book Adhikr against these repudiating wrongdoers. See the explanation 2: 145, 159 and 259.

62. Indeed, this is the True Explanation of incidents; there is no one from Deity except Lord Allah, and Indeed Allah He alone is the Exalted, the Wise.

63. If they turn away, then indeed Lord Allah is knowing with the mischief makers.

All the 6236 verses of Lord’s Book Adhikr is revealed in order to teach that there is no Deity except the Lord Allah. All the Messengers were sent with the Message, ‘you serve Lord alone’ as told in the verse 21: 25. The verse 28: 77 ends as, ‘indeed Lord Allah doesn’t like the mischief makers’. Through the verse 7: 103 believers are commanded to see the consequence of the mischief makers. In the verse 7: 35 Lord says by calling the children of Adam: Whenever the Messengers come to you from among you explaining to you My verses, then those who are heedful and are reformers, there shall be no fear upon them and for them will not be grieved; and those who are rejecting Our verses and are arrogant about It, such are the inmates of Fire, they will remain in it forever. See the explanation 2: 10-11, 38-39 and 163.

64. You Say: Oh people of the Book! Come to a word equal between you and us that we shouldn’t serve anyone except Lord Allah, and we shouldn’t associate anything

with Him, nor should any of us take others as lords other than Allah; if they turn away then you say: You bear witness that indeed we are submitted whole to Allah.

It is told in the verse 9: 30 that ‘the people of the Book have selected their priests and anchorites as their Lord besides the Lord Allah and Messiah Jesus- the son of Maryam, while they were not commanded except for serving the only Deity; there is no Deity except He, Glory to Him against all that they are associating with’. Today Muslims are only reading these verses. Their hypocritical leaders (priests and anchorites) are hiding and misinterpreting Lord’s verses and are associating others in the Dominion of the Lord Allah. They don’t consider the Three Time Knower Lord as the Acquainted Knower of every innermost feeling and as Oft-observer. That is why it is told in the verses 33: 73; 48: 6 and 98: 6: The Trust Adhikr is revealed in order to punish hypocritical men and women as well as Mushrik men and women. By calling the believers it is told in the verse 9: 34: Indeed most of the priests and anchorites are eating the wealth of the mankind falsely, and are preventing the mankind from Adhikr—the Straightpath. Read together 9: 67. See the explanation 1: 4; 2: 99 and 265-267.

65. Oh people of the Book! Why are you disputing about Ibrahim while Thourath and Injeel were not sent down except after him; then don’t you think utilizing your intelligence?

The Jews and Christians (the people of the Book at the time of the Prophet) separately argued that they are following the path of their forefather Ibrahim. But *Thourath* and *Injeel* were sent down to *Moosa* and *Jesus* very long after Ibrahim, and they were bound to follow that Book. Here it is said that their disputes without thinking are very worst and they are deviated from the Straightpath of Ibrahim, Moosa and Jesus.

Today, the question “don’t you think utilizing your intelligence?” is applicable only to the Muslims who are reading these verses since they are the people of the Book now. They are proudly arguing that they are following Lord’s Book and Messenger Muhammed. Actually, they are the true disbelievers mentioned in 520 places, wrongdoers mentioned in 220 places and Mujirims mentioned 50 places in the Book. They are following 29 pseudo prophets instead of Messenger Muhammed. They are not following any Messenger and Prophet by rejecting the Three Time Knowledge Adhikr. See the explanation 2: 136, 144 and 258.

66. Ah! You these people disputed a lot in matters you have Knowledge with you; then why do you dispute about the matters you have no Knowledge? Lord Allah knows, while you are not knowing.

The Jews and Christians in Medina during the time of Prophet were arguing with Prophet and believers that they were following their forefathers Ibrahim, Ishaq, Ya'qoob, etc. Then Lord asks through this verse that the Knowledge Thourath and Injeel revealed to Moosa and Jesus respectively were long after Ibrahim's period, then why are you arguing without having the Real Knowledge about Ibrahim. Actually, they were not following Thourath and Injeel.

Today Muslims who are reading these verses by neglecting the Three Time Knowledge Adhikr are arguing that they are following all Prophets including Muhammed. Actually they are following 29 pseudo-prophets and are hurrying for the 30th pseudo-prophet Antichrist. These Mujirims are serving Satan without utilizing their intelligence as told in the verses 36: 59-62.

The believers are commanded through the verse 29: 46 as: You should not argue with the people of the previous Book except with the Best Book Adhikr; and you say them: "We believed with what is revealed into us and what is revealed into you, our Deity and your Deity is the One, and we have submitted whole to the Lord". But the true disbelievers even don't know about Adhikr. So at the time of each Muslim's death, Lord will tell him that you were among the disbelievers as told in the verses 39: 58-59. See the explanations 2: 145 and 3: 62.

67. Ibrahim was not a Jew or a Christian; but he was a man of uprightly submitted to the Lord, and he was not among the Mushriks.

This verse teaches that Ibrahim was not included in any satanic group of Muslims. But he was in the Straightpath belonging to the Single party of the Lord from Adam to the Last Day. Read together 58: 19 and 22. That is why it is told in the verses 33: 72-73; 48: 6 and 98: 6 that the Trust Adhikr is revealed in order to punish the hypocritical men and women and Mushrik men and women. See the explanations 2: 62, 135 and 176.

68. Indeed the nearest among mankind to Ibrahim are verily those who are following him as well as this Prophet and those who believed; and Lord Allah is the Protector of the believers.

All the Prophets and believers are in the Straightpath—Adhikr. But the hypocrites and their followers who are liars and have been killed by the Lord as told in the verses 63: 1-4 will ridicule the believer who follows Adhikr as "He is an odd liar" as told in the verses 38: 8 and 54: 25. See the explanation 2: 146, 257 and 285.

69. A faction from the people of the Book wish that if they could stray you; they are not straying except themselves, but they perceive it not.

Today Muslims are more strayed than the Jews and Christians. Hypocrites among the different groups of Muslims will try to pull the odd believer (who follows the Splendid Book) into their way of life neglecting the verses 9: 67-68, 84-85; 14: 28-29, etc. It is told in the verses 25: 33-34: Those Muslims who didn't testify the Best Interpretation of the Book (Adhikr) will be dragged prone on their faces into the Hell; they are the most strayed and they are in the worst place. See the explanation 1: 7; 2: 165-167 and 254.

70. Oh people of the Book! Why are you hiding the verses of Lord Allah while you are witnessing It?

Today people of the Book are the hypocritical leaders of different Muslim groups. These transgressing hypocrites by hiding Lord's Book are learning and teaching the books written by the pseudo-prophets. As told in the verse 56: 82, they have made their food 'rejecting Adhikr'. They will not tell the people any of the 40 names of Adhikr, but they only consider body of the Book. See the explanation 2: 76-79 and 140.

71. Oh people of the Book! Why are you covering the Truth with falsehood, and concealing the Truth while you are knowing It?

Hypocrites are those who distort Lord's Book by clothing falsehood to It. They utilize and quote part of some verses for their worldly and organizational gains and interest. Thus all their deeds like charity, prayers, and fasting will be in vain as explained in the verse 2: 186. Hypocrites are filth as per the verse 9: 95, and Adhikr will increase filth over filth to them and they are died as disbelievers as told in the verse 9: 125. See the explanation 2: 42, 99 and 174-176.

72. And a faction from among the people of the Book say: Early in the morning you believe with what has been revealed upon those who believed and reject It later of the day, so that they may turn back.

At the time of Prophet itself, a faction of the Jews used to involve in all the activities with believers from morning to the evening, while in the evening they returned to their own camp and followed their own customs. Their intention was to make the common people thinking that the wise people among them have studied well about the Book revealed to Prophet and found no Guidance more than what they already have. They even plotted to kill Prophet Muhammed as explained in the verse 5: 11. Later they combined with the hypocrites to plot against the believers. It is told in the verse 59: 11 about the conspiracy of such hypocrites: "The hypocrites were saying to the Jewish disbelievers: If you are expelled, we will also follow you; and we will never obey any else against you. If believers fight with you, we will surely help you". It is told in the verse 5: 41 by calling the Messenger: "Oh Messenger, let not the hastening in disbelief of

hypocrites and the Jews worry you, they are hearing you for lying and they are hearing for those who are not coming to you. They distort Lord's Word from Its real contexts. Their leaders are saying them: 'If you are given so-and-so, you accept it; and if not then beware!''.

Today the hypocrites are making worse plot than that of Jews during Prophet's time in order to abstain people from hearing Adhikr. The curriculum of the religious institutes of Muslims all over the world are framed by Jews, Christians and hypocrites. Shortly 'Mahdi Ibnu Abdullah'—the last Khalifa of Islam—will appear in the Hijaz. Then 'World Triumph' of the believers will occur in order to punish the hypocritical men and women and their Mushrik followers as told in the verse 48: 6. Then the disbelievers will accept Antichrist as the prophet at first and later even as lord. After 1¼ years, Jesus will come and kill Antichrist. Then all 'other people' will approve Islam and they will kill the true disbelievers implementing commands of the verses 4: 91; 9: 123 and 33: 60-61. See the explanation 2: 6-7, 171 and 3: 28

73. And you do not believe anyone except the one who follows your way of life; you Say: Indeed the Guidance is the Guidance from Lord Allah; lest one should be given the same as what you have been given, or they can argue against you near your Lord. You say: Indeed the Bounty is in Allah's hand and He gives It to anyone He wishes; and Lord Allah is Wide-knower.

74. He chooses anyone He wishes for His Mercy; Allah possesses splendid Bounty.

The Guidance, The Mercy and The Bounty mentioned in the verses is the Splendid Book Adhikr. Jews were believing that the Book should not be sent down from Lord to a person except one belonging to Ishaq progeny. Today hypocritical leaders of different Muslim organization are thinking that Lord's Book is only for Muslims. It is told in the verses 6: 89-90: It is nothing except a Reminder for entire world; and if these people hide It, Lord will entrust It to a people who will not hide It. In the verse 9: 32 and 61: 8 it is told that the hypocrites will try to extinguish Allah's Light, while Lord will complete his Light even though the disbelievers are hating It. Actually, Lord will not come down to the earth in order to propagate His Light—Adhikr, instead the believer who is living only for Lord have to propagate It to entire world irrespective of nation or religion in order to utilize it as Balance and Trust to keep the Universe in its equilibrium. See the explanation 2: 89-90 and 120.

75. And among the people of the Book there is one, if you entrust him with a heap of treasure he will return into you. And among them there is one if you entrust him with a single silver coin, he will not return into you unless you keep on demanding. That is

because they say: There is no question upon us regarding the illiterates; they are telling a lie about Lord Allah knowingly.

Today, these types of characters are seen more in Muslims, especially among the hypocrites. If one utilizes Adhikr as the Balance and Criterion, the character of hypocrites told by Prophet, “if they talk they will lie; if they promise they will breach it; and if they are entrusted a thing they will cheat” is fulfilled upon every hypocrite all over the world.

The Speech of Lord Adhikr is for implementing Justice among the mankind. So any injustice or distress affecting happening anyone in this world, the burden of it should be borne by the hypocrites near the Impartial Lord as told in the verses 20: 99-100. See the explanation 2: 14-15 and 283-284.

76. Nay, whoever fulfills his covenant and heeds the Lord; then indeed Lord Allah likes the heedful.

Whoever fulfills the covenant made with Lord from the Paradise and follows the Truth as It should be followed, such are the heedful as told in the verse 39: 33. In other words, whoever doesn't see the 'Book Dhikree' and doesn't hear It, such are the heedless disbelievers into the Hell as mentioned in the verse 18: 101. Whoever holdfasts Adhikr—the Unbreakable Rope from Paradise—he is holding fast Lord of the worlds as explained in the verses 2: 256 and 3: 102. See the explanation 2: 26-27, 153; 3: 10 and 30.

77. Indeed those who are purchasing miserable price for their covenant made with the Lord and for their own pledges, such will have no share in the Hereafter; and Lord Allah will not speak to them, nor will He look at them on the Day of Judgment; and He will not purify them, and for them have painful punishment.

“Lord Allah will not speak to them, nor will He look at them on the Day of Judgment. And He will not purify them” means they will enter the Hell even without Trial. They are the hypocritical transgressors who have forgotten Lord, and so Lord has also forgotten them as told in the verse 59: 19. For such hypocritical leaders and their Kuffar followers, Lord has promised the Hellfire as the eternal house is told in the verses 9: 67-68. See the explanation 2: 99, 174-176 and 3: 7.

78. And indeed there is a group among them who twist their tongues concerning the Book in order that you reckon it is from Book, while it is not from the Book; And they are saying: “It is from Lord Allah”, while it is not from Lord Allah, and they are telling lie upon Allah, and they are knowing it!

Today people of the Book are the hypocritical leaders among different groups of Muslims. They even don't utter any of the 40 names of Lord's Book such as "Adhikr, Dhikree, Dhikra, Truth, Ticket, Safeguard, Best Book, Guidance, Knowledge and Message". They in their preach quote so-and-so as it is included in the Book or as in the explanation of the Book. For example, they will say: "Indeed Allah's hand is upon the assemblage" which is against the teaching of Lord's Book and the Explanation of the Prophet. They are twisting the verse 15: 9 in which Lord says: 'We have revealed Adhikr and indeed We will Safeguard It' into 'We have revealed Qur'an and indeed We will Safeguard It'. They hide one part of the verse revealing the other parts while quoting. For example, while they explain the verse 62: 5 which begins as: "The similitude of those who are bearing Thourath is that of a donkey bearing burden (which doesn't know what it bears)", they will say, this similitude is applicable only for Jews and not for Muslims. For this they hide the remaining part of the verse: What a wretched similitude is of a people who reject the verses of Lord; and Lord will not guide such wrongdoing people. The aimless wrongdoing Muslims even don't consider that not Thourath but Adhikr is the Lord's Book today for entire world as told in the verse 6: 90. The actual advice of the verse 67: 5 is: "The similitude of those who bear Qur'an is that of a donkey bearing burden" which does not know what it bears. In the verse 98: 6 these people in to the Hell is prescribed as the worst creature in the Land. They are the worthless people since they forgot Adhikr as told in the verse 25: 18. See the explanation 2: 78-79, 166-167 and 258.

79. It is not suitable for a man to whom Lord Allah has given the Book, the Wisdom and the Prophet hood, then to say the people: "You be my servants besides Allah"; on the contrary he would say: "You be proud representatives of Lord as you have been taught by the Book and as you have been teaching it".

80. And he does not command you to choose Angels and Prophets as lords; would he command you with disbelief after you have submitted whole into Lord?

Any Messenger, Prophet or a believer will not command people to be his servants instead of Lord. They will only command people: "Be 'Rabbaniyeen' (proud representatives of Lord) as you are being taught by the Splendid Book Adhikr as mentioned in the verse 41: 41-42, and also they are teaching their children so". Three Time Knowledge Adhikr teaches that there is no Deity, Lord and King for entire Universe except Allah. If anyone attributes others to Lord, he is disbelieving transgressor and Mujirim who will be thrown into Fire. By becoming a believer with Adhikr—Lord's Permission—only, one can become a real Muslim (who submitted whole to the Lord).

Today Muslims who read these verses are the true Kafirs, wrongdoers, transgressors and Mujirims. They are the representatives of the traitor Satan. Their thought about Lord is evil, and Lord's curse and wrath is happened upon them, for them the Hell is kept prepared as explained in the verse 2: 105. See the explanation 2: 136-137, 209 and 3: 64.

81. And you remember Lord Allah took the agreement from the Prophets: "When I give you from the Book and Wisdom, then a Messenger comes to you testifying what is with you, you should believe with him and should help him". He asked: "Have you agreed and taken the obligation of mine?" They all said: "We have agreed". He said: "Then all of you witness; and I am with you among the witnesses".

82. Then whoever turns back after that, then such are the transgressors.

The Lord has taken a covenant from each and every mankind in the Paradise: "Am I not your Lord", they all said: "Yes, we do witness". In this verse it is mentioned about the special agreement made with all Prophets. Only One Message—Adhikr—is revealed from the Lord periodically. It is told in the verse 5: 48: "We have sent down upon you the Book with Truth testifying all the previous Books and Safeguarding upon It". Adhikr revealed to Muhammed contains all the 312 previous Books and their Upright Explanations as told in the verse 16: 44. It is told in the verse 26: 196: "Indeed Adhikr is present in all the previous Books". And it is told in the verse 98: 3: "All the right and straight parts of previous Books are included in It". Through the verse 7: 196 the Prophet is commanded to tell: "Indeed my Protector is Lord Allah Who has sent down the Book and He chooses the honorable ones". One can become an honorable only with Adhikr—the Mercy.

The believer will glorify the Lord as: "Glory be the One Who is a Witness upon each and everything". The verses such as 41: 53; 58: 6 and 85: 9 end as: "Lord Allah is a Witness upon everything". Whoever hides or rejects Adhikr—the Witness, Guide, Mercy, Explanation and Truth—fire is promised to him as told in the verse 11: 17. Whoever hides and rejects Adhikr, such are the transgressors as explained in the verse 2: 99. See the explanation 2: 140 and 3: 52-53.

83. Are they seeking other than Lord Allah's way of life, while everyone in the Heaven and Earth submitted only to Him obediently or disobediently? And into Him will all they be returned.

As mentioned in the verse 3: 19 *Islam* is the only *Dheen* (way of life) which the Lord satisfied for the mankind. The Lord is the One Who created Heavens, Earth and all in between them from nothingness within 6 days as told in the verse 32: 4. It is told in the

verse 22: 18: “Everyone in the Heavens, the Earth, the sun, the moon, the stars, the mountains, the trees, the animals, many of the mankind and many upon whom the punishment is assured are prostrating to Him”. Those upon whom the punishment is assured are the disbelievers who are prostrating in their bodily prayer without having tranquility with Adhikr. It is told in the verse 13: 15: “Everything in the Heaven and Earth, and their shadows are prostrating to the Lord obediently and disobediently in the dusks and dawns”. It is told in the verses 16: 48-50: “Haven’t they looked into whatever thing Allah has created, and their shadows devotedly leaning right and left prostrating to Lord? And to Lord prostrate whatever in the Heavens and Earth from creatures and Angels, and they are not arrogant; they are fearing the Lord above them, and they are doing whatever they are commanded”.

Today, Muslims who are the true disbelievers, disobedient, worthless, wrongdoers etc. are reading these verses, but are not doing the Prostration of Recitation. They are not following Messenger Muhammad, instead they are following 29 pseudo-prophets and are welcoming the 30th pseudo-prophet Antichrist. Shortly, Jesus will come for the second time and will kill the Antichrist. Then all ‘other people’ belonging to the community of Messenger Muhammed will approve Islam. Then the stones and trees will proclaim to kill the disbelievers who are hiding behind them and thus the command of the verses 4: 91; 9: 123; 33: 60-61 and 72-73 will be implemented. See the explanations 2: 29, 209 and 3: 20-21.

84. You say: “We believed with Lord Allah, what is sent down upon us, what was sent down upon Ibrahim, Ismael, Ishaq, Ya’qoob and the Tribes; and whatever is given to Moosa, Jesus and the Prophets from their Lord; and we don’t differentiate between any of them and we are submitted whole to Him.

See the explanation 2:136 and 286.

85. And whoever is seeking a way of life other than Islam, then it will be never accepted from him; and he will be among the losers in the Hereafter.

It is told in the verses 9: 33 and 61: 9: “He is the One Who sent His Messenger with Guidance and the way of life submitting the Truth in order to make It above all other ways of life”. Adhikr is the Guidance and the Truth. Islam is the way of life submitted by the Three Time Knowledge Adhikr. Since Adhikr is formed as a Book today, whoever doesn’t follow It after receiving It, he is the disbeliever and wrongdoer who belongs to Kafir Satan’s party. Muslims who bear the Book as the donkeys carrying burden are the true Kafirs. They neither utilize Adhikr by themselves nor give It others. So they should bear the burden of each and every sins, bloodshed, murder, rape and all such

mischievous activities happening anywhere in the World as told in the verses 20: 99-100. See the explanations 2: 121, 213 and 254.

86. How should Lord Allah guide a people who disbelieved after their belief? And they witnessed that surely the Messenger is true and they have received the Explanation. And Allah will not guide such a wrong doing people.

The Explanation / Evidence mentioned in any verse in the Book is Adhikr. Only Muslims received It. They by hiding It are following different books written by the pseudo-Imams, and pseudo-prophets. These worthless wrongdoers instead of serving the Lord are serving Satan. It is told in the verses 63: 2-3 about the hypocrites as: They have chosen their pledge as a shield to avert the people, what an evil they are doing; that is because they believed, then disbelieved, so their hearts have been sealed so that they don't think about the aim of life. In the verse 7: 176 both the hypocrites and their followers who are rejecting the Lord's verses are compared to a dog which will never change its attitude whether disturbed or not. It is told in the verse 13: 11 that indeed Lord Allah will not change condition of a people until they change themselves. So the believer by considering the Lord as Impartial will holdfast Adhikr as the Safeguard for not affecting any disaster or evil. See the explanation 2: 152, 168-169 and 258.

87. The reward of such, indeed upon them is the curse of Lord Allah as well as the Angels and all mankind.

88. They will remain in It forever, neither their punishment will be lightened, nor will they be given respite.

89. Except for those who repent after that and reform their deeds; then indeed Lord Allah is the Oft-forgiving, Merciful.

The hypocrites are knowingly hiding Adhikr which is the Guidance and the Criterion for entire mankind. So they have been killed by the Lord. Their speeches are seemed soft and attractive to the common people. Actually, they are guiding their followers into lurch. It is told in the verse 4: 140: The hypocrites who speak by hiding and ridiculing the verses of the Lord and the disbelieving audience will be gathered in the Hell altogether. It is told in the verse 2: 174 that the aimless hypocrites and their heedless followers are filling Fire in their bellies by purchasing miserable prices for the verses of Lord. These worthless people made their food 'rejecting Adhikr' and they are considering the Body of the Book as an ointment as told in the verses 56: 80-82.

It is told in the verse 32: 29: On the Day when believers will be separated from hypocrites and their follower Mushriks into the Hijaz, the disbelievers' acceptance of faith will not be beneficial for them, and they will be never given respite. It is told in the

verse 40: 49: The inmates of Fire will request the Keepers of Hell to appeal their Lord to lighten the penalty at least for a day. See the explanation 2: 39 and 159-161.

90. Indeed, those who disbelieved after their belief, then increase their disbelief; their repentance will never be accepted, such are those who have gone astray.

Here mentioned 'gone astray people' include both the hypocrites and their blind followers. The hypocrites who are reading the verses 87: 9-12 which say: The unlucky will abstain from the Book Dhikra who will be roasted in the great Fire. The verse they are reading is being recorded in their skins which will argue against them on the Day of Judgment. They are mentioned as the worst among 1000 communities of creatures since they are deaf from hearing Adhikr and dumb from talking about It to the mankind. They are the Mujirim who don't utilize the intelligence as explained in the verse 2: 151.

The hypocrites never mention any of the 40 names of Adhikr such as Adhikr, Dhikra, Dhikree, Hadeeth, Light and Proof. Instead, they will utter 'Qur'an which means 'for repeated reading'. Their followers by reading the Body of the Book darts away from the Dheen as an arrow is darted away from the bow. Both of them will dispute and blame each other in the Hell as explained in the verses 2: 166-167 since they have been hiding and rejecting Adhikr (the Ticket to the Paradise as well as Safeguard against the Hell). Actually, Adhikr is the Strong Weapon against terrorism, bloodshed, mischievous activities and all satanic footsteps. The harmony of mankind is possible only with It. See the explanation 1: 7 and 2: 90-91.

91. Indeed those who disbelieved and died as 'Kuffars', then never would be accepted from such of them as much gold as the Earth contains, even they ransom with it; such of them have painful punishment, and they will have none from helpers.

The Kuffar mentioned in this verse is those who are repeatedly rejecting and hiding the verses of the Lord's Book. In this verse as well as in 9: 23 and in 48: 29 Kuffar are the hypocritical transgressors. Kuffar mentioned in the verses 9: 68, 73 and 66: 9 are the gone astray people. In any verse if Kuffar or Fajir is alone mentioned, it includes both the hypocrites and their gone astray followers. At the time of death, Lord will tell them: "You are among the disbelievers" as told in the verses 39: 58-59. The hypocrites will enter the bottom of the Fire even without Trial as told in the verse 4: 145, whereas the gone astray people will be led to the Hell after Trial as told in the verse 39: 71.

The verses such as 5: 36; 10: 54; 13: 18 and 39: 47 are also having the same Message of the verse 3: 90-91. See the explanations 2: 27-28, 254 and 3: 77.

92. You will never attain virtue till you are spending from whatever you are liking of. And whatever you are spending from anything, then indeed Lord Allah Knows with It,

This verse commands the believers to spend for others from whatever they are loving. Since Lord is the Three Time Knower, there is no need of publishing any charity given to others. All the disbelievers' prayers as well as charity are showboating as if Lord is not watching and knowing about them.

It is told in the verse 9: 53-55, 67-68, 84-85 and 125: From the hypocrites and their blind followers, charity and prayers will not be accepted, and their children and wealth will not be benefited; and they are perished as disbelievers since they are hiding and rejecting Adhikr—the Book for Purifying the soul. See the explanation 2: 177, 267 and 271-272.

93. Every kind of food was permitted for the children of Israel except what Israel had banned for himself before Thourath was revealed; you say: Then you bring Thourath and recite it, if you are so truthful.

Jews were criticizing the Prophet that the flesh and milk of Camel are forbidden in our law, but you are using it. As a reply, Lord Allah commands Prophet to say: You are bound to live according to the laws of *Thourath*, so you bring and recite It to me. Prophet Ya'qoob who is also known as 'Israel' had made a covenant with the Lord that he is ready to avoid his favorite food—camel's meat and milk—for healing his illness. Ya'qoob did so it himself willingly, and it was not forbidden in Thourath. But Jews were forging it as forbidden. That means that Allah has not made it unlawful to them in the Book. See the explanation 2: 173.

94. Then whoever forges lie upon Lord Allah after that, such are the wrongdoers.

Those who don't reveal what Allah has sent down through the Book to the whole mankind and attribute a lie to Allah are the wrongdoers. Read together 6: 21 and 10: 14. See the explanation 2: 135, 239 and 254.

95. You say: Lord Allah has spoken the Truth, so you follow the straight forward way of Ibrahim; and he was not among the Mushriks.

The verse 4: 122 ends as: Who is the most Truth telling than the Lord?. 'Swidq (the Truth) is one of the name of Adhikr which is the Three Time Knowledge of the Three Time Knower Lord. If anyone rejects Adhikr, at the time of his death Lord will tell him: "You didn't testify the Truth and so you didn't perform prayer, but you rejected and turned away" as told in the verses 75: 31-32. The way of Adhikr is the Straightpath which is the only way to the Paradise for all Messengers, Prophets and believers from Adam to the Last Day. Read together 6: 153 and 19: 59. See the explanation 2: 44 and 3: 65-68.

96. Indeed, the first House set up for the mankind is the one at Mecca; a blessing and Guidance for all the worlds.

The Ka'ba at Mecca is the first House set up for the entire mankind in order to worship the Lord. On the Day of Judgment, the Throne of Lord will be placed over the Ka'ba. All the creatures including mankind will be gathered around it for the Judgment. If Ka'ba has been accepted as the 'Concentration point' by the entire mankind, there will be unity among the mankind in all matters and it will be possible to avoid disputes and to form harmony. That is why it is told in the verse that Ka'ba is a blessing and Guidance for the mankind. But Muslims are not accepting Ka'aba in all their life sects, and so they are differentiated in to many groups and are quarrelling and disputing each other.

Shortly, believers all over the world will be separated into the Hijaz. Then Antichrist will travel all around the world except the Hijaz. For fighting against the sedition of Antichrist, the believers will gather at White Minaret Masjid in Syria. Then Jesus will descend to the Earth, and all the hypocrites and Mushriks will be killed by the 'other people' who will approve Islam. Jesus will rule the world by taking Mecca as the Capital. See the explanation 2: 143-144.

97. In it has the clear signs such as station of Ibrahim; anyone who enters it attains security. Pilgrimage to the House is a duty for mankind to Lord Allah for anyone who can afford a way to reach into it; if anyone who disbelieved, then indeed Allah is Self-sufficient against all the worlds.

"A way to reach into it" means anyone who has health and wealth for reaching there. Prayers, fasting etc. are only commanded to the believers, but Hajj (pilgrimage) is commanded to the mankind. It is because, one can perform pilgrimage at the time of having health and wealth. But it will be accepted from him only after becoming a believer with Adhikr—the Permission of Lord as told in the verse 10: 100.

Today Hajj and Umra are done by the hypocrites and Mushriks. By the second coming of last Khalifa Mahdi, the World Triumph of believers will occur and all the disbelievers will be expelled from the Hijaz. Then the believers all over the world will crawl into Hijaz like the snake crawls into its hole. See the explanation 2: 124-125.

98. You ask: Oh people of the Book! Why are you hiding the verses of Lord Allah while Allah is a Witness upon whatever you are doing?

Today all over the world only Muslims are considered as 'people of the Book'. Hypocrites and their followers are leading a life according to their whims with a concept that the Three Time Knower Lord is not observing them and they have not to answer about their life before Him on the Day of Judgment. These people by forgetting Adhikr

became a worthless people. They are preparing the Hell for their 7th phase as told in the verses 14: 28-29. See the explanation 2: 255; 3: 79 and 81.

99. You ask: “Oh people of the Book! Why are you obstructing about the way of Lord Allah for anyone who believed, seeking It crooked, while you are witnesses of It? And Allah is not heedless about whatever you are doing.

Today Muslims are reading these verses. The hypocritical transgressors who have been killed by the Lord are obstructing the common people from Adhikr—the only Straightpath to the Lord Allah. Thus they are making Islam and the Best Book crooked knowingly. The wrongdoer who is obeying these human devil hypocrites will wail on the Day of Judgment as: “Woe to me! if I hadn’t taken so-and-so as my intimate friend, he obstructed me from Adhikr after It had come to me, Satan is a traitor to mankind” as told in the verses 25: 27-29. Hypocrites and Jinn Satan do not obstruct from reading Qur’an (Body of the Book), but obstruct from following Adhikr. The verse 18: 1 says: Praise be to Lord Allah, the One Who sent down the Book upon His servant, and He hasn’t made any crookedness to It. See the explanation 2: 85, 158-159 and 3: 7.

100. Oh those who believed! If you are obeying a group of those who have been given the Book, they would turn you back to disbelievers after your belief.

The hypocritical leaders of different groups among Muslims are trying to turn back the believer who is following Adhikr. The hypocrites and their followers who are 999 out of each 1000 also ridicule the believer who testifies Adhikr as: “Indeed he is an odd liar” as told in the verse 54: 25. They are in doubt about the Book Dhikree since they have not tasted the punishment as told in the verse 38: 8. This Mujirims who don’t utilize their intelligence are the worst among all 1000 communities of Lord’s creatures since they are deaf and dumb concerning Adhikr as told in the verse 8: 22. So the believer will not obey anyone from the Muslims who are worthless disbelievers mentioned in 520 verses in the Book. They are serving Satan instead of the Lord and are not following the Prophets. They are following 29-pseudo prophets and are going to accept the 30th pseudo-prophet Antichrist. See the explanation 2: 258; 3: 79-80 and 94.

101. And how can you disbelieve while Lord Allah’s verses are being explained upon you, and His Messenger is among you? And anyone who holdfasts with Allah; then surely he is guided to the Straightpath.

The Splendid Book Adhikr is the Speech of the Three Time Knower Lord Allah. As explained in the verse 2: 146, those who received the Book knows the Lord and His Messenger more than he knows his own son. Whoever from the groups of Muslims

hides or rejects Adhikr—the Witness and Guidance—Hellfire is promised to him as told in the verse 11: 17.

‘To holdfast the Lord’ means to holdfast Adhikr—the Unbreakable Rope—mentioned in the verse 2: 256 and 31: 22. Straightpath is one of the 40 names of Adhikr as explained in the verse 2: 92. So whoever holdfasts Adhikr, he is guided to the Straightpath. It is told in the verse 4: 175: “Those who believed with Lord as Adhikr reveals, then certainly they are admitted into His Mercy and Bounty; and they are guided to the Straightpath”. See the explanation 2: 213 and 3: 10.

102. Oh you who believed! You heed Lord Allah with the Truth as it should be; and you shouldn't die except you are in a state of completely submitted to Lord Allah.

No one becomes a believer without changing his Jinn soul-mate mentioned in the verses 43: 36-39 into a believer with the Truth Adhikr. So one can keep Lord in his heart only with the Truth which is the Safeguard against all disasters, diseases and Hellfire. The one who keeps Lord in his heart with Adhikr will not be hurt or killed by anyone or by any accidents. So a believer who follows the Best Book Adhikr can die peacefully and tranquilly by submitting all to his Lord as told in the verses 9: 100; 89: 27-30 and 98: 7-8. See the explanation 2: 112 and 132.

103. And all of you together holdfast with the Rope of Lord Allah and you don't differ; and you remember Allah's favor upon you; when you were enemies, then He reconciled between your hearts, so that you became brothers with His favor; you were on the brink of a pit of the Fire, then He saved you from it; thus Lord Allah makes His verses clear to you so that you may be guided.

By calling the believers the Three Time Knower Lord commands to holdfast the Unbreakable Rope—Adhikr. It is notable that none becomes a believer except with the Permission of the Lord—Adhikr as told in the verse 10: 100. For not to have any difference in between believers, they have to holdfast Adhikr. It is told in the verse 6: 153: “Indeed this is My Straightpath, so all of you follow It, and you shouldn't follow other paths which will divert you from His way; that is to bequest with you so that you may be heedful”. But Muslims of different groups even don't know the Splendid Book or Straightpath or the Rope of Lord. They by forgetting Adhikr have become worthless people. They are deaf towards the Book Dhikree as told in the verse 38: 8 and they are dumb about It as told in the verse 8: 22. The concept of hypocrites and Mushriks about the Lord is evil. So Lord's wrath and curse are affected upon them, and the Hellfire is kept prepared for them as told in the verse 48: 6. Since these are the Last Days of the world, it is impossible to form a group of believers anywhere. So it is advised to form harmony of mankind by conveying and propagating Adhikr which is the Food, Cloth and

Sight of the soul-mate. It is the only Strongest Weapon against terrorism, bloodshed and all such mischievous activities. With It only can extend the date line of Earth's pole-shift. See the explanation 2: 38-39, 254 and 3: 73-74.

104. And let there be a community from among you inviting others into the Best, commanding with Justice and forbidding with the evil; and only such are the prosperous.

This verse is revealed during Prophet's Medina period. So it is commanded to form a group of believers in order to cooperate in Justice and to forbid evils; then only they become prosperous. But after 30 years of Prophet's departure, Islam was deteriorated into different groups. 'Mohaviya' brought kingdom rule in Islam changing Kilafath (Caliphate—vicegerancy of Lord). By this the Book reading Fajir and disbelievers started to follow the books of deeds and rituals avoiding soul of Lord's Book. That is to follow the Satanic footsteps forbidding Justice—Adhikr. They are 999 out of each and every 1000 who are the liars having only body without soul. They will be in doubt about the Book Dhikree until they taste the punishment as told in the verse 38: 8. They are deaf, dumb and blind towards Adhikr, and so they will enter to the hell as told in the verses 2: 18; 17: 97 and 25: 33-34. The hypocrites and their followers are reading the verse 21: 50 which say: "This is a Blessed Dhikr (Reminder) which the Lord has revealed; then are you the ones who are hating It?" To this Mujirims mentioned in 50 places in the Book, the Angel Malik- the Guard of Hell- will say: "Surely We had come to you with the Truth, but you were hating It" as told in the verses 43: 74-78.

Today the Truth Adhikr is formed as a Book. The hypocrites who are knowingly hiding It, those who are having doubt in their hearts and 70, 000 Jewish soldiers of Antichrist will be killed on the second coming of Jesus as told in the verses 33: 60-61. See the explanation 2: 2-5, 147-148 and 3: 79-80.

105. And you don't be like those who are differing, and they disagreed after the Explanations had come to them; and such are having the great punishment!

By calling the believers Lord command not to differ in the Book Adhikr just like the Jews and Christians did after receiving It. The Straightpath Adhikr is revealed to Prophet Muhammed which contains all the previous 312 Books and their Upright Explanations as mentioned in the verse 16: 44. But the Muslims who are differed into many groups more than that of Jews and Christians are not considering It as the Splendid Book. They are not even uttering any of the 40 names of Adhikr, so they are the inmates of the Fire as explained in the verses 2: 39, 166-167 and 3: 10.

The Three Time Knower Lord explained through Prophet: “Jews were fragmented into 71 groups and Christians to 72 groups. My people will be fragmented into 73 groups and all will be returned into the Hellfire except the one who holdfasts Adhikr”. Adhikr is the Witness, Leader, Guide, Mercy, Explanation and Truth as told in the verse 11: 17. See the explanation 2: 176, 213 and 3: 19-21.

106. The Day some faces will turn white, while some faces will turn black; then whose faces are blackened, you disbelieved after your belief, so you taste the punishment since you were disbelieving.

Among the whole mankind, the faces of the true disbelievers belonging to different groups of Muslims will be blackened since they hid and rejected the Best Book Adhikr after receiving It. At the time of each Muslim’s death, Lord will tell him: “Nay, you received my verses, but you rejected It (Fajir) and you became arrogant (hypocrites), you were among the disbelievers” as told in the verse 39: 59. And it is told in the verse 39: 60, “On the Day of Judgment you will see the face of those who were telling lie about the Lord blackened, isn’t the Hell enough as an abode for the haughty”. It is told in the verses 10: 26-27: “For those who are testifying the Best Book Adhikr in the best manner have more in measure; no darkness or shame shall be on their faces; such are the inmates of the Paradise, they will abide therein forever. And who have earned evils will have evil reward just like it, the ignominy will cover their faces, they will not have any helpers from the Lord; their faces will be covered as it were with the pieces from the depth of darkness of Light; such are the inmates of Fire, they will abide in it forever”. See the explanation 2: 108, 256-257.

107. And those whose faces are whitened, they will be in Lord Allah’s Mercy, and they will live there in forever.

Whoever utilizes Adhikr—the Mercy—as a Ticket to the Paradise as well as the Safeguard against the Hellfire can return to the Paradise. All Muslims who received the Book, but hide and reject It will return into the Hell. Their ledger is in the ‘Sijjeen’ as told in the verse 83: 7. All other mankind who didn’t get the Book will be sent to any other world other than Hell or Paradise after drinking from ‘Kouth(s)er Lake’ (a drink with which no thirst will be affected thereafter). See the explanation 2: 90; 3: 10 and 78.

108. Those are Lord Allah’s verses which We recite to you with the Truth; and Allah doesn’t intend unjust for any of the creatures.

Adhikr is the Wise Reminder from the Three Time Knower Lord Allah. It is sent in order to utilize It as the Trust and Balance to keep the Universe in its equilibrium. It is inherited to the people of last Prophet Muhammed as told in the verse 35: 32. Among

them there are three. (1) The hypocrites and their blind followers who are belonging to those doing unjust to their own soul by neither utilizing Adhikr by themselves and nor giving It to others to utilize. Thus they are ruining themselves, but they perceive it not as told in the verse 6: 26. (2) Those who will get the Book of deeds in the right-hand in the Hereafter. They and their family live in the 4th phase testifying atleast more than 50% under the Light of Adhikr-the Best Book. (3) The forerunners who have submitted their whole life always in the best deeds by propagating Lord's Book Adhikr and encouraging others for it, and also involving and encouraging in planting trees and doing organic farming. From these three the hypocrites will enter the hell even without trial as told in the verse 4: 145, whereas their blind followers will enter the hell after trial as told in the verse 39: 71-72. Those who will get the Book of deeds in the right-hand will enter the paradise after trial as told in the verse 39: 73-74. The forerunners will enter the paradise without trial for whom the doors of paradise are kept opened as told in the verse 38: 49-50. It is told in the verses 26: 208-209: "We have never destroyed the country except a warner had come saying: 'You remind with Dhikra'; and Lord is not among the unjust". It is told in the verses 87: 9-12: "Anyone abstains the Book Dhikra, he is unlucky who will be roasted in the great Fire".

1000 communities of creatures are there in the world. Each of them are taught the prayer and glorifications. So the mankind endowed with intelligence should have to maintain the statuesque of Earth utilizing Adhikr as the Trust and Balance. The hypocrites and their blind followers are denoted as the worst creatures because they are deaf who don't hear the Lord's Book, and dumb who don't talk about It to the mankind as told in the verses 7: 40; 8: 22 and 25: 33-34. See the explanation 2: 119 and 3: 28-30.

109. To Lord Allah belongs whatever is in Heaven and whatever is on Earth, and into Allah returns all the matters.

The Three Time Knower Lord has explained each and everything in Adhikr which is the Three Time Knowledge. On the Day of Judgment every individual will be questioned about the 4th phase of his life. Adhikr teaches that the Recording Book is fastened upon each individual's neck, and on the Day of Judgment it will be presented as an illuminating Spread Open Book as explained in the verses 2: 168-169. See the explanation 2: 210, 234 and 255.

110. You are the best people raised up for entire mankind, commanding with Justice and forbidding evil, and you are believing with Lord Allah; if the people of the Book believed, it would be better for them, among them are some believers, while most of them are transgressors.

“The best people” mentioned in every verse is who follow and testify Adhikr—the Truth—as told in the verses 39: 33. They command mankind to follow Its do’s and don’ts which is the only Justice from the Impartial Lord of the worlds. They also forbid Satanic footsteps from the mankind as explained in the verses 2: 168-169. Today ‘people of the Book’ means the hypocritical leaders of various groups among Muslims and their blind followers, whereas the ‘people of the Book’ during the time of Prophet were Jews and Christians.

Today the hypocrites and their blind followers are commanding the mankind with evils and forbidding the Justice by hiding and rejecting Adhikr—the Splendid Book mentioned in the verses 41: 41-43. They have forgotten the Lord, so Lord has also forgotten them; indeed the hypocrites are transgressors. The Lord has promised the hypocritical men and women as well as Kuffar men and women the Hellfire, they will abide in it, it is enough for them, the Lord has cursed them and they have eternal punishment as told in the verses 9: 67-68. All their deeds such as prayer, charity, pilgrimages and fasting will be futile. Their wealth or children will not be beneficial for them, and they have been perished as disbelievers as told in the verses 9: 53-55, 84-85 and 125. So the believers who are helping the Impartial Lord will propagate Adhikr especially to those who didn’t receive the Latest Book aiming to form the harmony of mankind. See the explanation 2: 99, 167-168 and 3: 56-57.

111. They will never harm you except a nuisance; if they are fighting with you, they will turn their backs; then they will not be helped.

The believer will do Jihad with the Safeguard against the hypocrites and Kuffar who are hiding and rejecting repeatedly the verses of the Book as told in the verses 9: 73; 25: 52 and 66: 9. So he will not fear any creature in the world. See the explanation 3: 72-73, 79-80 and 102-103.

112. Disgrace is branded upon them wherever they are found except a consideration from Lord Allah and consideration from mankind. Wrath of Allah is affected upon them; adversity has been branded upon them. That is because surely they have been hiding with Allah’s verses and have been killing the Prophets without any Truth; that is because they disobeyed and were aggressing.

Today Muslims who read these verses are having worse character than the Jews and the Christians of Prophet’s time. The Lord’s wrath and curse are happened upon them and Hell is kept for them since they hide and reject His Book—Adhikr—which is for maintaining the Universe in its equilibrium as told in the verses 2: 159-160 and 48: 6. To put it briefly, any one if utilizes Adhikr as the Criterion and the Insight can see these worthless people Muslims are cruel and merciless towards all creatures. These aimless

and heedless people are involved in terrorism, bloodshed and all such mischievous activities all over the world. These Mujirims without utilizing the intelligence are actually serving Satan instead of Lord as told in the verses 36: 59-62. They are not killing Prophets by hand, but by accepting names of prophets and costumes, and leading a life against Lord's Book and prophet, they are falsifying and killing all the Prophets. They are boasting that they are following Prophet Muhammed. But really these worst creatures mentioned in the verses 8: 22 and 98: 6 are following 29 pseudo-prophets and are welcoming the 30th pseudo-prophet Antichrist. On the second coming of Jesus, Antichrist will be killed. Then all 'other people' belonging to Muhammed's community will approve Islam and recognize Prophet Muhammed as Mercy for entire worlds testifying the verse 21: 107. Then these worthless and worst people will not have any shelter anywhere in the world. They will be killed and the command of the verses 4: 91; 9: 123; 33: 60-61 and 72-73 will be implemented. See the explanation 2: 61; 3: 21-22 and 83.

113. All the people of the Book are not alike; among them there is a small group who spend the night by reciting the verses of Lord Allah in standing and prostrating before Him.

114. They are believing with Lord Allah and the Last Day, commanding with Justice and forbidding the evils and hastening into the best deeds; and such are among the righteous.

115. And whatever deed from good they are doing, they will never be disregarded for it; and Lord Allah is knowing with the heedful.

The common people among Muslims who read these verses are not knowing the contents of the Book. But the hypocrites are knowingly hiding It and are commanding evils to their followers forgetting Prophet's teaching: "If one reads Qur'an without knowing Its content, it will cause to dart away from the True way of life as an arrow darts away from the bow". For both hypocrites and their blind followers (Fujjar), the Hell is promised as told in the verse 82: 14. The Book they read, touched, heard and seen will argue and witness against them, and will push them into the Hellfire. At the time of death these worthless people will witness against themselves that indeed they were disbelievers as explained in the verse 7: 37. If any creature among the 1000 communities of Lord suffers any harm due to climate, lack of food, water, air, natural calamities etc, the evil burden of it should be borne by the hypocritical men and women as well as Mushrik men and women who have received Adhikr as told in the verses 33: 72-73 and 20: 100. They are the people who have done unjust to their own soul as told in the verse 35: 32. Actually by performing prayer without becoming a believer with

Adhikr—the Permission mentioned in the verse 10: 100—they are earning Hell as a fine as explained in the verse 2: 186.

The good characters and habits of the people of the previous Books mentioned in these verses are now having to an extent with the ‘other people’ such as Hindus, Buddhist, Jains, Jews, Christians etc. See the explanation 1: 6; 2: 62-63 and 3: 52-53.

116. Indeed those who disbelieved, neither their wealth nor their children will benefit them from Lord Allah in any way; and such are the inmates of Fire, they will remain in it forever.

It is told about the hypocrites in the verses 9: 53-54: “Since they are transgressed people, their charity will never be accepted”. Since they are hiding Lord and Messenger in the Book, their prayer or any deed will not be accepted or responded, instead they will get Hellfire as a fine for their life in this world as told in the verses 9: 67-68; 25: 33-34 and 65-66. Both in the verses 9: 55 and 85, it is told that neither their wealth nor their children dazzle you, indeed Lord intends to punish them in this world, and they are perished as disbelievers. See the explanation 2: 6-7, 39 and 3: 10.

117. The example of what they spend in this worldly life is just like a wind, in it there is ripping frost. It affected the crop of people who wronged their souls; thus destroyed it; Lord Allah didn’t wrong to them, but they were wronging to themselves.

Since the disbelievers are heedless and aimless they are giving preference to the worldly and bodily life without considering the soul and the life. It is told in the verses 11: 18-19: “The cursed wrongdoing hypocrites who are forging lie about Lord without Adhikr—the Real Knowledge—and obstructing the common people from the Straightpath intending to make it crooked; then on the Day of Judgment the witnesses who were testifying the ‘Book Witness’ will say: ‘They were disbelievers with the Hereafter’”. The hypocritical men and women as well as the Mushrik men and women mentioned in the verses 33: 72-73; 48: 6 and 98: 6 have received the Lord’s Book, but are doing wrong to their own souls as told in the verse 35: 32. They will ridicule the believers as: “He is an odd liar” as told in the verse 54: 25. According to the verse 38: 8 these worthless people will not remove their doubts about the Book ‘Dhikree’ until they taste the punishment. See the explanation 2: 57, 200-202 and 266.

118. Oh those who believed! You don’t take as your super authority from besides yourselves; they will not fail to exploit you. They desire only your distress, verily hating is appeared from their mouth; while what they are concealing in their chests is even greater; surely We have explained Our verses to you if you are utilizing your intelligence.

Today there is no group of believers anywhere in the world. The different groups of Muslims are the true Kafirs, wrongdoers, hypocrites and Mujirims to the Hellfire. They are only giving preference to the worldly life without considering the soul. Actually they have to bear the burden of all difficulties and distresses suffered by 1000 communities of Lord's creatures. They have become Mujirims without utilizing the intelligence and are serving the Satan as told in the verses 36: 59-62. They are the worst creatures near Lord. They will be pushed into the Hell as deaf, dumb and blind as told in the verses 2: 17-18; 17: 97 and 25: 13-14.

They are commanding for communal unity instead of forming harmony of mankind. So believer will not elect them as their authority. Instead believer will elect those who are encouraging harmony of mankind without any schism. It is told in the verses 13: 14 and 40: 50: "The prayer of disbelievers will not increase except astray". At the time of death, Lord will tell to the hypocrites and their blind followers: "You were among the disbelievers because of not testifying the Best Book Adhikr" as told in the verses 39: 58-59. See the explanation 2: 44, 168-169 and 3: 28.

119. Ah! You yourselves; you are loving them while they are not loving you; and you believe in every Book. Whenever they meet you they say: "We believed"; when they are alone, they bite their fingertips due to the anger upon you; you say them: "You die with your anger"; Indeed Allah is the Knower about the status of the chests.

During the period of prophet in Medina, some believers didn't show any hesitation to live mingling with the Jews and hypocrites. So through this verse Allah is clearly telling the behavior of Jews and hypocrites to the believers. Today the hypocrites and their blind followers are having this behavior all over the world towards the believers. Really the believers are having the belief that only one Book Adhikr is revealed from the Paradise as told in the verses 16: 44; 21: 24 and 41: 41-43. But after 30 years of Prophet's departure Islam was deteriorated and various groups were originated. The hypocrites are knowingly hiding even the 40 names of Adhikr and their followers are reading the Body of the Book without understanding Its content.

Believers are always in the consciousness that 999 out of each and every 1000 among the people who received the Book will go to the Hell. The odd believers who is the 1 in 1000 holdfast Lord by holding fast Adhikr—the Safeguard—and do Jihad against the hypocrites and Kuffar with It as told in the verses 9: 73 and 25: 52. He also propagate Adhikr throughout the entire worlds irrespective of nation or religion so that It can be utilized as the Balance and Trust to keep the Universe in its equilibrium. See the explanation 1: 7; 2: 2-5 and 76.

120. If any goodness affects you, it grieves them; while any evil affects you, they delight in it. And if you are patient and are heedful, their plotting will not harm you in any way; indeed Lord Allah encompasses what they are doing.

Since today the 'Three Time Knowledge' from the 'Three Time Knower Lord' mentioned in the verse 25: 58 is formed as a Book named 'Adhikr' through the 'Three Time Knower' mentioned in the verse 25: 59, the believer by utilizing It transforms his Jinn soul-mate to a believer. He keeps the Safeguard Lord in his heart by Safeguard Adhikr, so that no evil will affect him. Since Lord is Impartial everyone should decide his destiny by himself utilizing Adhikr as Insight, Criterion, Balance and Truth. See the explanation 2: 234 and 3: 101-103.

121. And when you left from your family in the dawn in order to station the believers at their battle-position, and Lord Allah is All-hearing, All-knowing.

The following verses are explaining about the 'Battle of Uh'd' which was occurred in the 10th month 'Shawwal' of 3rd year of Hij'ra. In the previous year, 9th month 'Ramdhan' the 'Battle of Bad'r' was occurred and most of the leaders of Meccan Mushriks had been killed and about 70 persons were caught as captives. As a revenge for that in the 3rd year of Hijra, under leadership of Abu Sufyaan about 3000 soldiers with weapons forced towards Medina. For not to turn back the soldiers and to encourage them, their woman folks were also brought with them. Even Prophet and the prime companions decided to block them at the center of Medina itself, some youths who were unable to participate in the 'Battle of Bad'r' and were desiring for martyrdom forced the Prophet to go to the mount Uh'd with about 1000 soldiers.

122. When two of your fractions decided to turn by fearing, while Lord Allah was there for the protection of both; then upon Lord Allah entrust the believers.

On the way to Uh'd 300 soldiers under the leadership of the hypocrite leader Abdullah Ibnu Ubbay Ibnu Alsulool turned back to Medina. By seeing this two tribes 'Banoo Salama' and 'Banoo Haris' attempted to turn back. The verses 3: 160; 5: 11; 9: 51; 58: 10 and 64: 13 also end as: "Then upon Allah entrust the believers".

123. And surely Lord Allah has helped you at Bad'r while you were weak, therefore you heed Lord Allah so that you might become grateful.

In the 'Battle of *Bad'r*' 313 weak soldiers without having any experience in battle as well as without having proper weapons fought with 1000 powerful Meccan pagans having proper weapons. But the believers won the battle since they belonged to the Believer Lord Allah's Party as told in the verse 58: 22. The disbelievers were defeated since they belonged to the Kafir Satan's party as told in the verse 58: 19.

Today the odd believer does Jihad with Adhikr against the hypocrites and Kufars as commanded through the verses 25: 52 and 66: 9. He also propagates Adhikr in order to maintain peace and tranquil life by forming harmony of mankind. See the explanation 2: 152 and 254.

124. When you told the believers: Isn't it enough for you that your Lord will empower you by sending down 3000 Angels?

125. Nay, if you are patient and are heedful, He will bring to you for empowering you with 5000 specially marked Angels on the sudden attack of enemy.

126. And Lord Allah has not made this except a glad news for you, and for getting tranquility to your hearts with it, and there is no help except from Lord Allah, the Exalted, the Wise.

127. In order to cut off a flank from those who disbelieved or to restrain them, thus they turned back disappointedly.

If the enemies of believers were 3000 in number, the Lord had promised the believers to empower them by sending down 3000 Angels. Not only that, if the believers are heedful and are giving preference to the Hereafter than worldly life, for the sudden attack from enemy Lord will strengthen them with specially marked Angels. All these promises were given to them as a glad news and for peace and tranquility of hearts. Actually the Three Time Knower Lord can avoid war and lead the believers into the Straightpath without any sufferings. The 'Battle of Bad'r' was happened in order to reveal on which side (believer side or disbeliever side) the Truth exists. But the 'Battle of Uh'd' was happened in order to distinguish who were the believers and who were the hypocrites as told in the verses 3: 166-167. In the 'Battle of Uh'd' the disbelievers came from Mecca turned back themselves disappointedly without any gain. That is why it is told in the verse "To cut off a flank from those who disbelieved". The Impartial Lord will n't punish those who have not received the Book, but will punish the hypocrites and their blind followers since they hide and reject Adhikr which is the Food, Cloth and Sight of human soul. See the explanation 2: 154-157 and 213.

128. You have no authority in taking decision; He may either accept their repentance or may punish them, indeed they are the wrongdoers.

129. And to Lord Allah belongs whatever is in Heaven and whatever is on Earth, He forgives to anyone He wishes and punishes anyone He wishes; and Allah is the Oft-forgiving, the Merciful.

In the beginning of 'Battle of *Uh'd*' Muslims had the victory as told in the verse 3: 152. Most of the archers who were appointed on the top of the hill came down to collect the battle booty. At that time, the cavalry soldiers of enemies led by *Khalid Ibnu Valeed* killed the remaining archers and came down to the battle field through the gap of mountain side. And other infantry of enemies under the leadership of *Aboo Sufyan* also surrounded the Muslims groups on other sides. Prophet was wounded on his head, lost his tooth and there was a false proclaim that "*Muhammad* has been killed" as explained in the verse 3: 144. Muslims scattered and ran away without paying any attention to others, even without replying to Prophet's call to come back to the battle field as told in the verse 3: 153. At that critical time, Prophet prayed by mind against the enemies as: "How a people would be guided who are trying to destroy the Messenger appointed to them?" At that time the Three Time Knower Lord Who Knows the status of the chests revealed these verses

As told in the verses Lord brought *Khalid Ibnu Valeed* to Islam on the 6th year of *Hijra* in connection with the '*Udaibiya Treaty*.' And on 8th year, *Abu Sufyan*, his wife *Hind* and her slave *Wah'shi* (who killed Prophet's father's brother *Hamza* in the '*Uh'd*' battle) also came to Islam. In brief, Islam is not anyone's own property, but that is the only way of life accepted by Allah to His entire creatures. No one can bring anyone to that way of life; for example: Prophet Muhammed couldn't bring his father's brother *Aboo Thwalib* who was his guardian after the death of Abdul Muthwalib into Islam as told in the verse 28: 56. Prophet couldn't seek forgiveness for his own mother since she had died as Mushrik as told in the verse 9: 113. Prophet Ibrahim couldn't seek forgiveness for his father Azar as per the verse 9: 114. Prophet Noah couldn't bring his wife and son to Islam as told in the verses 11: 45-46. And Prophet Looth couldn't bring his wife into Islam as told in the verse 66: 10. Prophet and believer can seek forgiveness only for believing men as well as believing women as told in the verse 47: 19 and 71: 28.

Today Adhikr is formed as a Book, so none can become a believer except with It as told in the verse 10:100. Whether male or female if utilizes Adhikr, he/she is guided for himself/herself; and if not utilized, is strayed upon him/her, Prophet is not a custodian upon anyone as told in the verse 10: 108; 17: 15 and 39: 41. See the explanation 2: 185-186, 272 and 284.

130. Oh you who believed! You shouldn't eat usury by doubling and multiplying it, and you heed Lord Allah so that you may prosper.

131. And you beware of the Fire which has been kept prepared for the disbelievers.

132. And you obey Lord Allah and His Messenger so that you may obtain the Mercy.

Dealing with usury is the habit of disbelievers of all time. Believers should try to eradicate the system of interest. They spend all their blessings that Allah has given to them in order to unload the life burdens of the creatures and will inspire others to do so. They will give goodly loan to the Lord by understanding the aim of life from Adhikr—the Three Time Knowledge. By calling the believers it is told in the verses 64: 15-17: “Your wealth and your children are only a trial; it is Lord with Whom is the greatest reward. Therefore, you heed Lord as much as you can, listen to His Message attentively, be obedient, and spend for your own good; anyone who is saved from the covetousness of his own soul, such will be the only prospers. If you lend to the Lord Allah a good loan, He will pay you back manifold, and will forgive you your sins, the Lord is Appreciative and Forbearing”. See the explanation 2: 24, 254 and 275-276.

133. You hasten into the forgiveness from your Lord and to the Paradise the width which is that of the Heavens and the Earth, which has been kept prepared for the heedful.

Here, the Impartial Lord Allah teaches that He has kept prepared the Paradise and Hell earlier itself. The heedful people who are living by testifying Adhikr—the Truth—here as told in the verse 39: 33 are earning the Paradise. By hiding and rejecting Lord’s Book—Adhikr—the hypocritical leaders as well as their heedless followers are believing and teaching mankind that Lord is guiding mankind either to Paradise or to Hell. At the same time they are reading the verses 87: 9-12 which say: “The unlucky one will abstain from the Book Dhikra who will be roasted in the Hellfire”. And it is warned through the verses 89: 23-24: “On the Day when Hell will be brought; man will regret that indeed if he had utilized the Book Dhikra; and will wail: ‘I wasted my worldly life’”. Read together 50: 31-35. See the explanation 2: 2-5, 261 and 286.

134. Those who are spending their wealth in prosperity and in adversity, and are suppressing their anger; and are pardoning for mankind. And Lord Allah like the ‘Muhsins’.

135. And those who when commits any shameful deed or wrong to their own soul, will remember Lord Allah by soul and seek forgiveness for their offenses; and who is there to forgive their offenses except Lord Allah? And they will not persist knowingly upon whatever they have been doing.

The heedful and virtuous people are those who give priority for the necessity of others than themselves in food, money, etc, even though they are in need for them. They also spend secretly—as ‘the spending with the right hand will not know the left hand’ considering the Lord as the ‘Three Time Knower’ and the ‘Oft-observing’.

Since the believers are the vicegerents of the Impartial Lord, they will show anger to the hypocritical men and women as well as to the Mushrik men and women of Muslims as they are doing wrong to their soul as told in the verses 48: 6 and 98: 6. And they will forgive for the other mankind who are doing offenses without Knowledge.

'Muhsins' are those who testify the Best Book Adhikr. The hypocrites and Mushriks who are hiding and rejecting the 'Book Husna', at the time of their death Lord will tell each of them: "You were among the disbelievers" as told in the verse 39: 58-59. It is told in the verse 9: 80: "Even if Prophet seeks forgiveness for the transgressing hypocrites for 70 times, Lord will never forgive them nor He will guide them". It is told in the verse 63: 6 about the hypocrites: "It is the same whether you seek forgiveness for them or not, Lord Allah will never forgive for them; indeed Lord will never guide the transgressing people". Against those who are hiding Adhikr from mankind and who are rejecting It after receiving, the believer is commanded to do Jihad with Safeguard Adhikr as told in the verses 9: 73 and 25: 52. Both the hypocrites and their followers who are rejecting the Wise Reminder is compared to that of a dog which will never change its attitude whether disturbed or not as told in the verse 7: 176. As told in the verses 14: 28-29, the human devil hypocrites have made 'Halal' (permissible) for their followers the Hell—house of worthless. See the explanation 2: 110, 177 and 274.

136. Such will have the forgiveness from their Lord as their reward, and the Paradise beneath which rivers are flowing; therein they will live forever, and what a blissful reward for the workers of doing good deeds!

This verse also teaches that everyone has to prepare the Paradise in this world utilizing Adhikr. In other words, believer does righteous deeds in this 4th phase under the Light of the Best Book Adhikr in order to inherit the Paradise in the 7th phase. The verse 7: 43 ends as: That is the Paradise which was promised to you, so you inherit It for your good deeds. It is told in the verses 43: 67-69 that the relationship under Adhikr in this World will only be benefited in the Hereafter. And to the heedful it will be told: Oh my servants! No fear shall be upon you this Day, nor shall you grieve for those who were the believers with Adhikr, and were submitted all to the Lord. The verses 29: 58 and 39: 74 also end as: What a blissful reward for workers of doing good deeds! See the explanation 2: 25, 218 and 281.

137. Verily, there have passed so many ways and practices before you; therefore, you travel around the Earth and observe how the consequence of the rejecters was.

The Three Time Knower Lord sends Messengers when a people become about to be destroyed. The hypocritical chiefs of every period were opposing the Messenger by telling: "We are rejecting what you have been sent with". Only some of the poor,

indigent and illiterate people were ready to believe with Adhikr and the Messengers. It is told in the verse 11: 27 that the chief of the disbelievers among first Messenger Noah's people told: "We see you none except a man like ourselves, we see only the menial and immature in judgment follow you, and don't see any merit in you above us; really we think that you are among the liars". The hypocrites and their blind followers who are the liars told about Swalih: Is Adhikr revealed upon Him among us? Nay, he is an odd liar as told in the verse 54: 25. The Meccan pagans were telling about Prophet Muhammed: Is Adhikr revealed upon him among us? Nay, they are in doubt about Dhikree until they taste the punishment as told in the verse 38: 8.

At the time of Prophet Adhikr was not formed as the Splendid Book. Among the Qur'an reading people, the ledger of hypocrites and their followers is in 'Sijjeen' as told in the verse 83: 7; and as per the verse 82: 14 they are in Hades. They are 999 out of each and every 1000 as explained in the verse 4: 118. The believer who has kept the Safeguard Lord with the Truth Adhikr in his heart will only die as the one who submits everything to Lord as told in the verse 3: 102. He will look the Lord pleasantly with the soul at the time of death as told in the verses 75: 22-23. All other Muslims who are the true disbelievers mentioned in 520 verses of the Book will die by witnessing themselves that they were the disbelievers because of rejecting Adhikr. They all will depart from this world sadly and gloomily by seeing the Kafir Satan as told in the verses 69: 50 and 75: 24.

These worst creatures among 1000 communities of the Lord are following 29 pseudo-prophets and are welcoming the 30th pseudo-prophet Antichrist. On the second coming of Jesus, Antichrist will be killed as explained in the verses 4: 157-159. Then all 'other people' of Messenger Muhammed's community will approve Islam and Prophet as the Mercy for the entire worlds. Then these worst creatures mentioned in the verse 8: 22 will be killed by the 'other people' proclaimed by trees and stones that kill these Kafirs. Then only the worthless people will get assurance that 'Dhikree' is the Book of Lord.

Today Adhikr is formed as the Splendid Book. One of its 40 names 'Dhikree' is mentioned in the verses such as in 18: 101; 20: 124; 50: 8. The hypocrites are hiding and rejecting the 'Ticket to the Paradise' mentioned in the verses such as 20: 3; 74: 49; 76: 29, and so they are killed by Lord as told in the verses 63: 4 and 80: 17. They are the liars as told in the verse 63: 1. See the explanation 2: 39; 3: 83 and 94.

138. This is an Explanation for mankind, as well as Guidance and a 'Mouidhath' (Good advice) for the heedful.

Here mentioned Explanation, Guidance and Mouidhath (Good advice) are the Splendid Book Adhikr. Adhikr is the Explanation from the Lord of the worlds for the entire

mankind. But the heedful who are testifying It only accepts It as the Explanation, Guidance and Moudhath. It is told in the verse 6: 125: "You invite in to the way of your Lord with the Hikmath and with the Moudhath, and you argue with the Husna, indeed the Three Time Knower Knows who is strayed from His path and who is following the Guidance". So the believer will invite the people to the Lord with Adhikr which has the names such as Hikmath, Moudhath, Explanation, Trust and Ticket.

Some explanation for the Hikmath verses and their Moudhath are:

(1) The verse 2: 113 says: Jews were telling Christians are not in Truth; Christians were telling that Jews are not in Truth; while they were reading the same Book. The Moudhath of this verse is: Each group of Muslims are saying about other groups of Muslims that they are not in Truth. At the same time, they all are reading the same Book. Actually, they all are true disbelievers as told in the verses 4: 150-151.

(2) The verses 3: 79-80 say: Prophets like Jesus, Moosa and Muhammed taught: You be proud representative of the Lord as you have been taught with the Splendid Book and as you have been telling others with It. The Moudhath of this verse is: By rejecting Lord's Book, the true disbelievers are learning and teaching the Books written by the pseudo-prophets and hypocrites. Thus, they have become the worthless and worst creatures instead of becoming proud representatives of the Lord.

(3) The verse 5: 32 says: If anyone kills a soul except for a murder or doing mischief in the land, it is as if he is killing the entire mankind; and if anyone saves a soul, it is as if he is saving the soul of entire mankind. The Moudhath is: Today all these verses are read by the Mujirim people who are enjoying the bodily and worldly life without considering the soul and aim of life. They are in front of killing, terrorism, bloodshed and all such evil activities. They are following Satanic footsteps rejecting Adhikr as explained in the verses 2: 168-169.

(4) The verse 5: 90 says by calling the believers: Liquor, gambling, idols and lottery are filthy deeds from Satan, so you avoid him". The Moudhath is: Today Muslims who read these verses are involved in all such filthy deeds like illegal narcotic dealings, gambling, bribing, adulteration, theft, black money, raping and human trafficking. The human devil hypocrites encourage the common people to accept intercessors and mediators to Lord, and to offer foods and sacrifices besides the Lord. Thus, these Mujirim people instead of serving Lord are serving the Satan without utilizing their intelligence as explained in the verse 3: 20.

(5) In the he verse 7: 40 it is told: The Mujirim people including those who are rejecting Lord's verses and the hypocrites who are arguing that they have studied everything; for

them the gates of Heavens will not be opened, they will not enter the Paradise until a camel can pass through the eye of tailor's needle. The Moudhath is: Indeed, for those who testify and convey Lord's Message to the entire worlds, for them the gates of Heavens are kept opened, and they will enter the Paradise even without the Trial; thus is the reward from the Lord for Muhsins.

(6) In the verse 34: 19 it is told about the natives of Saba'a who were leading a peaceful life by conducting trade with Palestine safely. Then while they rejected Adhikr and started robbery and cheating, the condition became like praying: "Our Lord! You increase the distance of our journey". Thus as they wronged themselves, and Lord ruined them and made them a part of history. Moudhath of this is: The Muslims-the wrongdoers- are carrying Lord's Book Adhikr like donkeys are carrying burden, and are neither utilizing themselves nor giving It to others for utilizing It as the Balance and Trust to keep Universe in its equilibrium. Because of this and their mischievous deeds they are like praying for the Pole-shifting of Earth (the Day when sun rises from the West) and for the Last Day.

(7). In the verse 7: 146 it is told: Those arrogant people who are pretending as scholars without having the Book Truth, the Lord will turn them away from His verses; if they see all verses they will not believe with It, if they see the Upright path, they will not follow It as the Straightpath; while if they are seeing a crooked path, they will follow it. That is because they have been rejecting Our verses and were heedless about It. Moudhath of this is: The hypocrites and their blind followers are wrath and curse affected as well as strayed people as mentioned in the verses 1: 7; 2: 159-160; 48: 6 and 98: 6. And their similitude is that of a dog which will never change its attitude whether disturbed or not as told in the verses 7: 175-176. They will not accept any good thing which is beneficial for the 1000 communities of Lord including the mankind, but will accept any evil which will cause to distress the 1000 communities.

139. And you don't be loss of heart, and you don't be sad while you are the superiors if you are the believers.

When 300 persons turned back to Medina from the way to the 'Battle of Uh'd', through this verse Lord says to the remaining people that if they are believers, they would succeed and will become superiors.

Today the believer who is utilizing Splendid Book Adhikr as Safeguard, no one can harm or disturb him. He will do Jihad with Adhikr against the hypocrites and Kuffar who are hiding and rejecting It testifying the verses 9: 73; 22: 78 and 25: 52. See the explanation 2: 209.

140. If a wound is affected you, the other people also have been affected similar wounds; We are alternating these days of varying success and failure among mankind, in order Lord Allah to Know those who believed and to choose martyrs from among you, and Allah does not love the wrongdoers.

141. And to purge Lord Allah those who believed and to deprive the disbelievers.

In the 'Battle of Bad'r' victory was with Muslim side. But in the 'Battle of Uh'd' at a glance Muslims were defeated. Then the wrongdoing hypocrites were thinking that if the Prophet and believers were in Truth, how this failure occurred. Being a reply to this, the Three Time Knower Lord says through these verses that the purpose of war is to distinguish the believers from the hypocrites. And it was also for giving the real believers a chance for martyrdom. It is told in the verses 3: 166-167: 'The Uh'd Battle' was happened in order to distinguish the believers and hypocrites among the Muslims. Today all the Muslims are involved in mischievous activities such as terrorism, killing, bloodshed, illegal drug deals and human trafficking. They are facing humiliation and are being hated by others in every part of the World. See the explanation 2: 258; 3: 90-91 and 112.

142. Or do you reckon that you can enter the Paradise while Lord Allah doesn't know who are doing Jihad, and He Knows that who are having patience!

Since there is no a group of believers anywhere in the World, there is no Jihad with the weapons. But the odd believer should do Jihad with Adhikr against the hypocrites who are knowingly hiding It and the Kuffar who are repeatedly rejecting It. And he should also propagate Adhikr to the entire mankind irrespective of nation, caste, religion etc. in order to maintain the Universe in its equilibrium. See the explanation 2: 155-157 and 213-214.

143. And surely, you were wishing for death before you met with it; and you have now seen it, and you are looking it with your own eyes.

Today the true disbelievers mentioned in 520 verses in Lord's Book will not utilize It even though they are facing any bad conditions like starvation, scarcity of drinking water and lack of rainfall. They will not change their attitude towards Adhikr. No good deeds can be expected from them. They are hastening for the ruining of nature and the Doom Day. These aimless and heedless people who will enter the Hell will never wish to die. But they will perish as disbelievers as told in the verses 9: 53-55, 67-68 and 25: 33-34. See the explanation 2: 94-96 and 186.

144. And Muhammad is none except a Messenger. Surely, many Messengers have passed before him; then if he dies or is killed, will you turn back on your heels?

Anyone who turns back on his heels will never injure Lord Allah in anyway, and Allah will reward for the grateful.

During the 'Uh'd Battle' revelation of Lord's Book was not completed; and due to the presence of the hypocrites among Muslims, Prophet and believers were affected wounds and hurts. In the 'Uh'd Battle' the disbelievers proclaimed that Muhammed has been killed. Hearing this some Muslims who were weak in their faith puzzled, scattered and turned back from the battle. At that time this verse was revealed addressing such people.

Since Adhikr which is the Safeguard and Shield is formed today as the Splendid Book, whoever holdfasts and utilizes It, no harm will happen to him. See the explanation 2: 152; 3: 101-103 and 128-129.

145. And no soul can die except with Lord Allah's Permission, the term is fixed by recording; and whoever desires the rewards of this world, We shall give it to him, and whoever desires the rewards of the Hereafter, We shall give it to him, and We will reward for the grateful.

See the explanation 2: 201-202, 234 and 3: 138.

146. And how many from Prophet fought with many proud representatives of Lord, they never became lost hearted in whatever they were affected in the path of Lord Allah; they neither showed weakness nor surrendered before falsehood, and Allah likes those who are having patience.

This verse is revealed encouraging the weakling believers for the 'Uh'd Battle'. The believers of all time are of not having wealth and power in order to fight against the disbelievers. But they are having confidence of success since they are fighting in the way of Almighty Lord.

See the explanation 3: 79 and 102.

147. And their words were nothing except: Our Lord! You Forgive us our offenses and our excesses in our deeds, and You brace our foots and help us upon the disbelieving people!

Today there is no war. But the believers should pray as: Oh our Lord! You forgive our offenses, and excesses in our deeds; and You brace up our feet in Adhikr—the Splendid Book—and help us against the disbelievers who hide and reject It”.

148. Then Lord Allah gave them reward of this World and also a better reward of the Hereafter, and Allah loves the ones who are living by seeing Him.

Today the Best Book Adhikr is formed in the name Adhikr. So the 'Muhsins' are those who live testifying the Book 'Husna' (Adhikr). But the Muslims are carrying the Lord's Book as the donkeys are carrying burden rejecting the verse 62: 5. At the time of every one of their death Lord will tell: 'You were among the disbelievers' as explained in the verse 3: 66. See the explanation 2: 254 and 258.

149. Oh you who believed! If you obey those who disbelieved, they will turn you back on your heels; then you will have to return as losers.

The hypocrites and their blind followers are trying to turn back the believers into the wrong ways as told in the verse 7: 202. The believer who is the 1 out of each 1000 will return to the Paradise by doing Jihad with Adhikr against the party of Satan. See the explanation 2: 121 and 3: 100.

150. Nay, Lord Allah is the Master of you, and He is the Best from the helpers.

It is told both in the verses 22: 40 and 47: 7: If anyone helps the Lord, the Lord will help him back. Today, helping the Lord is conveying His Message Adhikr throughout the world in order to utilize It as the Balance and Trust to keep the Universe in its equilibrium as well as for forming harmony of mankind. See the explanation 2: 107 and 286.

151. We will cast panic in to the hearts of those who disbelieved, because they associated others with Lord Allah for which He has not sent any Proof; their abode will be the Fire, what an evil returning place to such wrongdoers!

Today only Muslims are reading this verse among the mankind. The disbelievers, Mushriks and wrongdoers mentioned in all verses are the hypocrites and their blind followers. Different groups of Muslims are the true disbelievers, for whom Lord has kept prepared heinous punishment as explained in the verse 2: 111. See the explanation 2: 39, 137, 176 and 3: 116.

152. And surely, Lord Allah had fulfilled His promise to you when you annihilated them with His Permission, until you flinched and fell in disputing the command, you disobeyed after He had shown you the thing what were you loving; among you there are who wish this world and among you there are who wish the Hereafter, after that He diverted you against them in order to test you, and surely He pardoned for you, and Lord Allah is having Bounty upon the believers.

Muslims had victory at the beginning of the 'Uh'd Battle'. When the enemies turned back, a fraction from the Muslims concentrated only in collecting the Booty-wealth of the war. Well skilled archers were posted by prophet on the top of the hill under the

leadership of Abdullah-ibn Jubair; and Prophet had told them: You shouldn't come down even if you are seeing the birds sweeping our heads. But except 5 of them came down to collect the Booty- worldly benefits- thinking that they will not get it. By this occasion enemies killed the remaining archers and surrounded the battlefield. At that time Muslims scattered and ran away as well as disputed each other. A rumor "The Messenger has been killed" was spread. Thus, they became weak and were about to be defeated in order to test them, as like their wings are broken (helpless). All these were happened to distinguish the hypocrites and believers among the Muslims. Today the believer will follow and testify the Mercy and Bounty Adhikr. See the explanation 2: 154 and 3: 73-74.

153. When you fled without even looking back at anyone, the Messenger was calling you again from your rear; then He affected you distress over distress in order that you not feel sad upon what you had lost, and for what afflicted to you; and Lord Allah is well acquainted with whatever you are doing.

Muslims retreated and ran by leaving the booty of war-which they desired a lot, their weapons, companions and even their leader. Thus they affected sorrow after sorrow. This verse addresses the hypocrites who do not agree the fact that the control of all creatures is with Allah. Believers are always with a conscious that the Three Time Knower Allah is the One Who controls everything and they will lead a life under the Three Time Knowledge Adhikr. The hypocrites and their Mushrik followers upon whom Lord's wrath and curse are affected are denoted as the worst among 1000 communities of creatures as told in the verse 8: 22. They are deaf from hearing the Book Dhikree as well as dumb from talking It to the mankind.

Believers will glorify the Lord as: Glory be to the One Who has Acquainted and observing the offenses of His servants. Glory be to the One Who is enough to acquaint the offenses of His servant. Glory be to the One Who Knows the treachery of eyes and what is hidden in the chests. Glory be to the One Who is with us wherever we are. Glory be to the One Who exist in between the person and the heart of believer. Glory be to the Lord! Nothing is hidden upon Him either in the Earth or in the Heaven; He is the All-hearing, All-knowing. See the explanation 2: 152 and 234.

154. Then He sent down upon you after the distress a tranquil sleep which affected a faction of you; while another faction preferred their own soul thinking about Lord Allah other than the Truth, the thought of ignorance; and they were asking: Have we any power for taking decisions in the matter? You say: Indeed each and every command is to Allah; they are concealing in their soul what they are not disclosing to you; they are saying: If we had any power in the matter, we would not have been

killed so. You say: Even though you were in your own homes, those upon whom death has been prescribed would have gone forth in to their prescribed place in order that Allah test what is in your chests, and to purge what is in your hearts, and Allah Knows the state of the chests.

This verse and the verse 48: 29 contains all the 26 Arabic alphabets. After the 'Battle of Uh'd' Lord granted peace and tranquil sleep for the believers in the night. They slept without having any feeling of pain, frustration and tension after the defeat. The hypocrites who were giving preference to their body thought: Even though we are Muslims fighting together with the Prophet against the disbelievers, why we are defeated and injured this much? They were in a false belief about Allah thinking that all these are happening because of Prophet, and they concealed their enmity towards Prophet. They also told themselves in mind: If we had any power for taking decisions, we would not have been killed like that. Lord says as a reply for that: Time and place of death of each and every one is fixed, and when the time comes, everyone will be driven towards their fixed place.

It is told in the verse 31: 34: Indeed Knowledge of the Last Hour is with Lord Allah, He is sending down the rain, and He is Knowing what is in the wombs; no soul knows what will he earn tomorrow, and no soul knows in which place he will die; indeed Lord is the Knower, the Acquainted. The Three Time Knower Lord Who Knows the status of His creatures' chest make all situations in order to disclose what is concealed by hypocrites and to make confirmed assurance to the believers.

Today Adhikr—the Truth of Assurance mentioned in the verses 56: 95 and 69: 51—is formed. The believer utilizes It as the Ticket to the Paradise and will return into It. The Mujirims (hypocrites and their blind followers) will tell the Lord in the Hereafter: Oh our Lord! We have seen the scene of the Hell and we have heard its wail; so You send us back to the worldly life so that we may do honorable deeds, indeed we have got assured certainty as told in the verse 32: 12. Today 'the Permission' and 'the Safeguard' from the Lord is formed as a Book named Adhikr. So the believer who holdfasts It can decide the time and place of his death. Such believers are only considering the Lord as Impartial. See the explanation 3: 118, 120 and 145.

155. Indeed, those who turned back of you on the day when both troops met, indeed Satan slipped them because of something they had earned; and verily Lord Allah has pardoned them also; indeed, Lord Allah is the Oft-forgiving, the Forbearing.

This verse is discussing about the 300 hypocrites specified in the verse 3: 122 who turned back on the way to Uh'd under the leadership of Abdullhibnu Ubayyubnu Sulool; and also about the hypocrites who turned back and ran away during the 'Battle of Uh'd'.

To them it was pardoned as it was for the first time. See the explanation 2: 210 and 3: 128.

156. Oh you who believed! You shouldn't be just like those who disbelieved and were telling their brothers while they were traveling on the Earth or were engaged in fighting as: If they had been with us, they would not have died nor been killed, so that Lord Allah makes it as a cause of regret in their hearts; and Allah gives life and death, and Lord Allah is the Observant of anything you are doing.

The hypocrites in Medina were telling about their brothers who have been died during the travel or have been killed in the battle as: If they had sat down with us, they would not have died or not have been killed. Their concept about the Three Time Knower Lord was the worst. The hypocrites of Today and their blind follower Mushriks are also having same attitude about the Lord and the aim of life. That is why Lord's wrath and curse is happened upon them, and the Hell is kept prepared for them as explained in the verse 2: 46. All these are happening as they are neglecting the Splendid Book Adhikr which is the Three Time Knowledge from the Lord. This aimless and heedless people who will be filled in the Hell as told in the verse 7: 179 are not considering the Lord as the Impartial. As told in the verse 7: 37, these disbelievers will witness against their soul at the time of their death that "Indeed we were disbelievers". Instead of commanding goodness they are commanding evil to the mankind. They hypocritical men and women have forgotten the Lord, so Lord also have forgotten them; indeed the hypocrites are the transgressors and for them Lord has promised Hellfire as told in the verses 9: 67-68. See the explanation 2: 152-153 and 3: 102.

157. And if you are killed in the way of Lord Allah or if you die, surely the forgiveness and mercy from Allah are better than all that they are gathering.

158. Whether you die or you are killed, surely into Lord Allah you will be summoned.

The aim of life is to earn the Paradise utilizing all the favors bestowed by the Lord under the Light Adhikr in the 4th phase of life in this World in order to inherit It in the 7th phase. But the hypocrites and their blind followers by forgetting the Wise Reminder Adhikr have lost the aim of life. These Mujirims who don't utilize their intelligence are serving Satan instead of serving Impartial Lord Allah. It is told in the verse 10: 58: "You rejoice with the Bounty and Mercy which is better than anything they are gathering". But only the 1 among 1000 will believe and be proud with Adhikr. See the explanation 2: 105 and 3: 79-80.

159. Then it was from the Mercy of Lord Allah that you dealt gently with them; If you had been rough and cruel-hearted, they would have dispersed from around you, so

you pardon against them and seek forgiveness for them, and consult with them in the affairs; and if you are taking a decision, you entrust upon Allah, indeed Allah loves the ones who are entrusting upon Him.

This verse was revealed during the 3rd year of Medina period of Messenger Muhammed. Later he was commanded not to obey the hypocrites and their blind follower disbelievers and to defend their disturbances and to entrust upon Lord; Lord is enough for entrusting as told in the verses 33: 1 and 48. The hypocrites who tell lies have been killed by the Lord as told in the verses 63: 1-4 and 80: 17 since they are knowingly hiding the 'Ticket to the Paradise' from the mankind. They argue that they are the people of the Lord. But we can see that these aimless and heedless human devils are wishing for bodily and worldly life than any 'other people'. It is told both in the verses 9: 55 and 85 to the Prophet and today to the believer: "Their wealth and children shouldn't dazzle you, indeed Lord wishes to punish them with it; and they are perished as disbelievers". These filthy human devils by converting the Mercy Adhikr into disbelief have made permissible the Hell—house of worthless—to their followers as told in the verses 14: 28-29. According to the verses 9: 73; 25: 52 and 66: 9 the odd believer is commanded to do Jihad with Adhikr against the hypocrites and Kuffar, and to deal harshly upon them. Through the verse 14: 30, the believer is commanded to say to this worst people: "You enjoy here a little, indeed your return is into the Hell". These worst people are urging the 30th pseudo-prophet Antichrist. After his arrival, they will accept him as their lord. Then Jesus will come for the second time and will kill the Antichrist. Thus all 'other people' will approve Islam and Prophet Muhammed as the Mercy for the entire worlds, and they will kill all true disbelievers. Thus the command of the verses 4: 91; 9: 123; 33: 60-61 and 48: 6 will be implemented. These worthless people will be dragged prone on their faces into the Hell since they were rejecting the Best Interpretation of the Book after receiving It as explained in the verse 2: 7. See the explanation 1: 7; 2: 99 and 166-167.

160. If Lord Allah is helping you, then none can overcome you; if He is forsaking you, then who is there for helping you after Him? Then upon Allah entrust the believers.

Since the Safeguard Adhikr is formed as a Book, Lord has become Impartial. That means He doesn't guide anyone to the Hell or the Paradise. So the believer should holdfast the Lord by holding fast Adhikr. See the explanation 2: 256, 286 and 3: 101.

161. And it is not suitable for a Prophet to cheat; and whoever cheats, he will be brought with whatever he cheated on the Day of Judgment, then each and every one should be paid with what earned, and they will not be wronged.

The hypocrites accused that Prophet cheated and made them to participate in the battle saying: "Lord has promised help by sending down Angels"; and that is why they got killed or wounded seriously like this. This verse is an answer to their blaming. This verse also teaches that Paradise or Hell is earned by oneself. Those who withhold anything as cheating and theft in this world, he will be presented in front of Lord with the cheated or stolen property on the Day of Judgment. More over their skins, sight, hearing etc. will be witnessing against such disbelievers as mentioned in the verses 41: 19-24.

Today Muslims who are reading these verses are not following the Prophet. Instead they are following 29 pseudo-prophets. They are not considering the Lord as He should be considered. The Impartial Three Time Knower Lord is Acquainted Observer of the offenses of His servants. These worthless people are following the footsteps of Satan and are doing deeds which are being recorded in the Recording Book fastened upon their neck; and on the Day of Judgment that will be opened as an Illuminated Book and will be told: "You read your own Book, Today you are enough for your own Trial" as told in the verses 17: 13-15; 18: 49 etc. See the explanation 2: 168-169; 3: 30 and 154.

162. Then is the one who always follows the pleasures of Lord Allah like the one afflicted with wrath from Lord Allah, and his abode is the Hell? What a wretched returning place!

163. They have different ranks near Lord Allah, and Allah is observing whatever they are doing.

The pleasure of Impartial Lord is Adhikr which is His Permission to become a believer. Lord's wrath and curse are affected upon the transgressing hypocrites and the Kuffar who are hiding and rejecting Adhikr repeatedly after receiving It and their abode is the Hellfire as explained in the verse 3: 103. See the explanation 2: 38-39, 158-161 and 3: 133-136.

164. Surely, Lord Allah has favored upon the believers when He sent to them a Messenger from among themselves explaining His verses upon them, purifying them and teaching them the Book and the Wisdom, and indeed they were in a manifest astray before.

After 30 years of Prophet's departure, Islam was deteriorated. Then out of 3 groups of the people who read the Lord's Book, the believer (1 among each and every 1000) will only get the benefit with It. The rest 999 out of 1000 Muslims who are disintegrated into different groups are the true disbelievers mentioned in 520 verses such as 4: 151; 39: 71 and 67: 6. They became worthless by forgetting the Wise Reminder Adhikr as mentioned in the verses 25: 18 and 3: 58. They will be roasted in the great Fire since

they abstained the Book Dhikra which is mentioned in 21 places such as 6: 90; 26: 209; 51: 55; 87: 9 and 89: 23. These worst people are deaf, dumb and blind who will not return into the Straightpath as explained in the verses 2: 18 and 170-171. See the explanation 2: 129, 254 and 3: 10.

165. Whenever a disaster affected you, you are saying: “How this happened?”, surely you have afflicted them twice as of it; You say: “This is from yourselves; Indeed the Lord Allah is capable upon each and everything”.

The Three Time Knower Lord reveals the states of the chest of the hypocrites. They asked by mind: “How the defeat happened to us?” They asked so by forgetting the success they had in the ‘Battle of Badr’ by killing 70 persons and getting 70 persons as captives. In the ‘Battle of Uh’d’ only 70 persons were killed from Muslim’s side. That is why it is told in the verse “You had afflicted them twice as of it”. See the explanation 2: 152; 3: 26-37 and 140.

166. And whatever happened to you on the day when both troops clashed, then it is with the Lord Allah’s Permission in order to know him the believers.

167. And to know him those who are hypocrites; when it was said to them: “You come, and you fight in Lord Allah’s way or you defend”. They replied: “If we had known that there would be surely a fight we would have followed you”. They were nearest to disbelief than to faith on that day. They are saying with their mouths what is not in their hearts; and Allah is the Best Knower with what they are concealing.

It is told in the verses 6: 59; 9: 51; 10: 61; 11: 6; 22: 70; 27: 75; 34: 3; 35: 11 and 57: 22 that “Nothing is happening in the Universe or in yourselves except it has been prescribed in a Book before”. The ‘Battle of Uh’d’ is happened in order to recognize for the Messengers and believers who are the hypocrites and the disbelievers.

Today the human devil hypocrites and their blind followers- Mushriks- are telling lies as told in the verses 63: 1-4. They will ridicule the believer who follows Adhikr as: “he is an odd liar” as mentioned in the verse 54: 25. See the explanation 2: 119; 3: 119-120 and 154.

168. Those who tell to their brothers while they sat: “If they had obeyed us, they would not have been killed”. You say: “You avert death against yourselves if you are so truthful.”

The hypocrites and their blind followers of all periods are the aimless and heedless people. So their similitude is that of a dog which doesn’t change its attitude whether disturbed or not as explained in the verse 7: 176. They don’t consider the Lord as

Impartial. They are hiding and rejecting all the 40 names of Lord's Book such as Safeguard, Permission, Criterion, Truth, Balance, Explanation, Justice, Proof, Insight, Light and Mercy. These wrongdoers are carrying the 'Body of the Book' as the donkeys are bearing the burden as told in the verse 62: 5. Actually the hypocrites are pretending that they are the scholars among the Muslims. But they don't introduce Adhikr as the Safeguard and Shield against disasters, calamities, diseases and Hellfire. For any evil or distress or injustice suffered by any creature anywhere in the world, these hypocrites have to enter the Hell even without the Trial bearing the evil burden of them as mentioned in the verse 20: 99-100. See the explanation 2: 94-95 and 3: 113.

169. And you shouldn't reckon those who are killed in the way of Lord Allah as dead; nay, they are living near their Lord enjoying their sustenance.

170. Rejoicing with whatever the Lord Allah has bestowed from His bounty, and heralding with those left behind who have not yet joined with them that no need to fear upon them and for them will not be grieved.

On entering into the Paradise the believers will be satisfied to live in It forever and they will never seek for transferring from It as told in the verse 18: 108. It is taught by the Lord through the Prophet that those who become martyr in the way of the Lord will wish to come again to the World and to be martyr again because of the splendid rewards and enjoyments they have there. Based on this teaching Khalifa Umar, Usman, Ali, etc. who participated in the 'Battle of Bad'r', the 'Battle of Uh'd', the 'Battle of Khandhaq', the 'Battle of Thabook' and the battles after the Prophet's departure used to pray for martyrdom? That is why they were killed by the hypocrites (who are the enemies of Allah, Prophet and believer as told in the verses 41: 28 and 63: 4) and become Martyrs.

Since there is no group of believers anywhere in the world, there is no war in the cause of Lord and so there is no martyrdom today. But the odd believer should do Jihad with Adhikr against the hypocritical men and women as well as Mushrik men and women as told in the verses 9: 73 and 25: 52. See the explanation 2: 3-5 and 138.

171. They are rejoicing with the favor and bounty from Lord Allah; and indeed Allah does not deprive the reward of such believers.

During the period of Prophet the believers were following him testifying Lord's Book as the Bounty from the Three Time Knower Lord whereas the hypocrites among the Mushriks were in doubt about prophet and Lord's Book. Today since Adhikr is formed as a Book, Lord has become Impartial. So whoever holdfasts Lord by holding fast the Book (Safeguard, Ticket, Mercy and Bounty) he will only return to the Paradise. It is told in the

verse 51: 50: “Then you flee into the Lord, indeed I (Prophet) am a manifest warner to you from Him”. To flee into the Lord means to hurry to the place where Adhikr is explained in one’s heart’s language. Those who flew away from hearing Adhikr are like the donkeys fleeing by hearing lion’s roar as told in the verses 74: 49-50. See the explanation 2: 256 and 3: 101-103.

172. Those who responded to Lord Allah and to the Messenger even after affecting the wound; for those who are living seeing Allah and heed Him have great reward.

When prophet and followers were returning after the ‘Battle of Uh’d’, Abu Sufiyan asked Muslims: “Is there Muhammad among you? Is there Aboobacker? Is there Umar?” By obeying the instruction of Prophet none of the believers answered. But when he asked ‘Is there Umar’ for the 3rd time Umar replied: “Yes, everyone is here”. They left saying that we shall meet again at Bad’r in the next year. Then Prophet told some companions to follow them. Thus, some followed them for a distance. About them is mentioned in the verse as: “Those who responded to Lord Allah and to the Messenger even after affecting the wound”.

Today the Best Book Adhikr is formed. So those who live by seeing Lord and heed Him testifying and following Adhikr are Muhsineen. Any Muslim who doesn’t follow It, at the time of his death Lord will tell him: “Nay, you have received My verses, but you were arrogant to It, and you were among the disbelievers” as told in the verses 39: 58-59. The worthless people mentioned in the verse 25: 18 who don’t follow and testify the Best Interpretation of the Book Adhikr will be dragged prone on their faces into the Hell, such are in the worst place and are the most strayed as told in the verses 25: 33-34. See the explanation 2: 112, 170-171 and 186.

173. Those to whom the men told: “Indeed men have gathered against you, so you fear them”; then they increased their faith and they told: Lord Allah is enough for us, what a best Custodian!

In the next year, the enemy was not in a good condition for fighting in Bad’r. So they sent some messengers to Medina informing that a huge army was gathered under the leadership of Aboo-Sufiyan in order to fight against the believers. On hearing this the believers told: “Lord Allah is enough for us, what a best Custodian!” as told in the verse.

Since there is no a group of believers anywhere in the World, there is no war today in Islam. Instead, the odd believer who holdfasts Adhikr should do Jihad with It against the hypocrites and Kuffar who are living against the Lord’s Book and Islam as commanded in the verses 9: 73; 25: 52 and 66: 9. These worthless hypocrites and their blind followers are hiding Lord’s Book and are making Islam as the worst way of life among the

mankind. On the second coming of Jesus, they will be killed by the 'other people' belonging to Messenger Muhammed's community such as Hindus, Budhas, Jines, Jews, Christians, etc. and Islam will become the only way of life throughout the World. See the explanation 2: 177; 3: 10 and 148.

174. Then they returned with favor and bounty from Lord Allah, no evil afflicted them; and they followed Allah's Pleasures, and Allah possesses Great Bounty!

Prophet and companions stayed at *Bad'r* for 8 days expecting the enemies. There they involved in trade and received good profit. The bounty mentioned in this verse is that profit. There they didn't have to face any difficulty or enemy. They successfully completed the Trial of Lord. That is the meaning of saying: "They followed Allah's Pleasures".

Today the Bounty is *Adhikr* which is one of the 40 names of the Lord's Book. So, the believer who considers the Lord as Impartial holdfasts It with his molar teeth as taught by Prophet during his Farewell-pilgrimage. See the explanation 3: 79-80 and 138.

175. Indeed, that is only Satan who makes fear his companions; so you shouldn't fear them, and instead you fear Me if you are the believers.

Today since *Adhikr*—the Safeguard—is formed, the believer who is the 1 in each and every 1000 to the Paradise will convert his Jinn comrade mentioned in the verses 43: 36-39; 59: 16-17 and 8: 48-49 in to a believer. Thus he will not fear any creature of Lord. Instead he will deal harshly as well as will do great Jihad against the worst creatures mentioned in the verse 8: 22 who are deaf, dumb and blind about the Splendid Book *Adhikr*. See the explanation 2: 150, 257 and 3: 139.

176. And let not those who are hastening into disbelief sadden you; indeed, they never harm Lord Allah in any way, Allah is intending them not to have any share in the Hereafter, and they shall have a terrible punishment.

177. Indeed those who purchased disbelief instead of belief never harm the Lord Allah in any way, and they have a painful punishment.

The hypocrites and their blind followers are the *Mujirims* who hide and reject *Adhikr* after receiving It. They are serving Satan instead of serving the Impartial Lord as told in the verses 36: 59-62. They are the 999 in each and every 1000. The odd believer who belongs to the 1 in each 1000 holdfasts *Adhikr* which is the Unbreakable Rope from the Paradise. Today the believer will not be worry about the disbelievers since they are the worst creatures. Instead he will be eager to convey the Lord's Message throughout the World irrespective of nation, religion, sex etc. as the Strong Weapon to do Jihad against

the disbelievers as well as the Balance and Trust to keep the Universe in its equilibrium. See the explanation 2: 113, 168-169 and 3: 144-145.

178. And let not those who disbelieved reckon that indeed what We give respite to them is good for themselves; indeed We are giving respite to them in order to increase their sins, and they have a heinous punishment.

The Impartial Lord has given more enjoyments to the disbelievers in the temporary life. They are aimless and they will not prepare Paradise in this 4th phase for the 7th phase. So they will inherit the Hell in the 7th phase. The different groups among Muslims are the true disbelievers, and for them the Lord has kept prepared heinous punishment as explained in the verses 4: 150-151. They are getting the Hellfire as a fine for their futile deeds as told in the verses 9: 53-55, 67-68; 25: 33-34 and 65-66. The odd believer is commanded through the verse 14: 30 to tell them: "You enjoy here a little, indeed your return is into the Hellfire". See the explanation 2: 96, 254, 286 and 3: 116.

179. Lord Allah will not leave the believers in their present condition until He sorts out the bad from the good; and Allah will not disclose you the unseen, but Allah chooses anyone He wishes from among His messengers, so you believe with Allah and his Messengers; and if you are believing and are heedful, then you will have great reward.

Today all Muslims in the World by rejecting the Three Time Knowledge Adhikr have become the true disbelievers, wrongdoers and Mujirims. As told in the verse 48: 6 the believers of all mankind will be separated from the hypocritical men and women as well as Mushrik men and women into Hijaz. Then the Light Adhikr will be translated into different languages and will be propagated throughout the World even though the disbelievers are hating it. Then the Last Sabiq (forerunner to the Paradise) will return to the Paradise and the Pole-shift of Earth will occur. Then Antichrist will emerge on that day. All the hypocrites and their followers will accept Antichrist as the prophet to get food and water from him. Later they will accept him even as lord, for them he will give cloning copies of beautiful females and handsome males to fulfill the sexual pleasures. After about 1¼ years, Jesus will come for the second time and will kill the Antichrist. Then all 'other people' belonging to Messenger's community will approve Islam. The hypocrites and those who are having doubt about the Lord's Book Dhikree will be killed and thus the command of the verses 4: 91; 9: 123 and 33: 60-61 will be implemented. See the explanation 2: 3-4, 136 and 213.

180. And let not those who act niggardly with any of His bounty Lord Allah has given them is better for them; nay it is worse for them, certainly on the Day of Judgment they will be shackled on their necks with whatever they had been niggardly; and to

Allah belongs the inheritance of the Heaven and the Earth, Allah is well acquainted whatever you are doing.

The ultimate aim of life is to prepare Paradise here in the 4th phase of life in order to inherit it in the 7th phase utilizing all the bounties and favors which are not brought at the time of birth and which are not carried at the time of death. But the aimless and heedless hypocrites and their followers mentioned in the verses 9: 67-68 will not utilize the Splendid Bounty Adhikr by themselves or will not give It to others. So, as told in the verses 6: 93-94 at the time of their death, Impartial Lord will tell them: "Surely We have brought you alone, just like We created you for the 1st time, and you have left behind all favors We had bestowed upon you; and We don't see with you the intercessors whom you have been claiming that indeed they will intercede for you; verily all the relationship between you have been cut off, and made strayed you whatever you had been claiming". Any Muslim if not testifies the Book Husna, at the time of his death the Lord will tell him that he was among the disbelievers as told in the verses 39: 58-59. Read together 9: 34-35. See the explanation 1: 7 and 2: 167-168.

181. Surely, Lord Allah has heard the words of those say: "Indeed Allah is poor and we are rich!" Certainly, We will write down whatever they say and their killing of Prophets without any Justice; and We shall say: You taste the punishment of burning.

182. That is what your hands have sent on ahead, and indeed Lord Allah is not unjust to His servants.

This verse reveals the characters of Jews and Christians in Medina during Prophet's time. But only the hypocrites and the Kuffar who are the fuel of Hell as told in the verses 3: 10 and 9: 67-68 are only reading these verses today. Out of them, the hypocrites enter the Hell even without Trial as told in the verse 4: 145, whereas the Kuffar followers will be led to the Hell after Trial as told in the verse 39: 71.

Today's Jews, Christians and other people are not reading these verses. But Muslims are only reading these verses which teach that the Paradise should be earned in this temporary life (4th phase) in order to inherit It in the eternal Hereafter. But the aimless and heedless disbelievers are preferring this World and their body than the soul and the Hereafter. They are the Mujirims who are serving Satan as told in the verses 36: 59-62. The verses like 8: 50-51 and 22: 9-10 end as: You taste the punishment of burning, that is what your hands have sent on ahead, and indeed the Lord Allah is not unjust to His servants.

The hypocrites who don't consider the Lord Allah as the Impartial are saying that Paradise and Hell are given by the Lord, and the man has nothing to do for it. That is

why it is told about these enemies of the Lord, prophet and believers that they have been killed since they hid the Ticket to the Paradise as well as the Safeguard against the Hell as told in the verses 63: 4; 80: 17; 76: 29 and 5: 48. They are not considering Adhikr as the Moudhath. They are only uttering 'Qur'an' which means 'for repeated reading' and they hide the different 40 names of the Splendid Book. Without testifying them no one will enter the paradise. Actually, Adhikr is the Best Book to be read repeatedly. The hypocrites who are preaching and the disbelievers who are hearing their speech will be gathered in the Hell as told in the verse 4: 140. See the "Aim of life" in the Introduction of Adhikr. See the explanation 2: 187, 286; 3: 21-22 and 138.

183. Those who say: Indeed the Lord Allah has made a covenant into us not to believe in the Messenger until he brings for us some sacrifice which will be consumed by the fire. You say: Surely Messengers had come to you before me with Explanations and with what you have asked, then why did you kill them if you are so truthful?

In the early community, it was considered that the sacrifice consumed by the fire is the proof of accepting the sacrifice by the Lord. The two sons of Adam 'Habeel and Qabeel' disputed in the case who should be their wives. They decided to conduct a sacrifice for decision. Habeel offered a male goat whereas Qabeel offered some ears chaff. Then the unseen fire came and consumed Habeel's goat. Even then after proving the truth, in order to get the lady born with him as his wife which was against Lord's decision, Qabeel killed Habeel intentionally. Since he was the pioneer of the murder among the mankind, he has to bear a portion of burden of each killing happening anywhere on the Earth. Read together 5: 32.

Prophet Ilyas, who was appointed to the children of Israel told the priests who worshipped the goddess 'Ba'l': I am the only remaining Prophet of "Jehovah!" and you have 450 Prophets of Ba'l. So you bring two Bulls for us, slay one Bull, cut into pieces and place it over the logs. I will also do the same with the other Bull. Then you call and pray your God and I will pray in the name of Jehovah. The sacrifice consumed by the fire can be considered as from the real Lord. They did so. The unseen fire came and burned the Bull sacrificed by the Prophet Ilyas. But the queen of Israel who was the worshipper of 'goddess Ba'l' became the enemy of Prophet Ilyas; and by her compulsion her husband set out to kill him. Then Lord ordered him to begin his journey and return through the deserts of Dammashakk. (Refer the Bible the King lessons 18, 19). Based on this incident Lord is asking to that multitude of Jews in *Medina* who were living with Prophet Muhammed: "Oh enemies of Truth, why are you demanding for a miracle? You were not kind enough to spare the Prophets who showed the miracles before by the Permission of Lord".

'The Explanations' include the Book's explanation and the Miracles revealed by the Lord through the Prophets and Messengers. But today Jews are not reading these verses and are not demanding such miracles. Instead both the wrongdoing hypocrites and their blind followers who are bearing the Lord's Book as the donkeys bearing the burden are asking such questions. It is testifying what Prophet foretold: You will follow the Jews and the Christians foot by foot and cubit by cubit as much as if they are entering into the burrow of an iguana, you will also try to enter into it.

Today whoever is not holding fast Adhikr—the Unbreakable Rope—will be strayed from the Straightpath. The curriculum of religious institutions of Muslims all over the World is decided and framed by the hypocrites with the influence of Jews and Christians. Muslims are learning and teaching the books written by the 29 pseudo-prophets on the basis of that curriculum. They are deaf, dumb and blind who will not return to the Straightpath as explained in the verse 2: 18. These worthless people who accept the 30th pseudo-prophet Antichrist even as lord will be killed by the second coming of Jesus. In the verse 33: 60 the 3 groups of people who will be killed are (1) The agitators of town (70,000 Jewish soldiers of Antichrist) (2) The hypocritical leaders of Muslims who are knowingly hiding, misinterpreting and distorting the Lord's Book and (3) Those who are having doubt about everything (Mushriks mentioned in the verses 33: 73; 48: 6; 98: 6 etc, the Kuffar mentioned in the verses such as 9: 68, 73; 66: 9; 83: 36, etc. and the Fujjar mentioned in the verses 82: 14; 83: 7 etc.). If the Fujjar or Kuffar alone is mentioned, it includes both the hypocrites and their blind followers. Today all the Muslims and some Christian priests are killing Prophets since they are not following Lord's Book Adhikr while they are boasting and claiming that they are the people of Messengers. See the explanation 2: 61; 3: 21-22 and 112.

184. Then if they reject you, surely Messengers before you had also been rejected who came with Explanations, the Scripture and the Enlightening Book.

The verse 35: 25 is also having the same Message. All 313 Messengers are sent with the same Message of Lord needed for that specific period. Adhikr revealed upon Prophet Muhammed contains all the 312 previous Books and their upright Explanations as told in the verse 16: 64. It is safeguarding all the previous Books and their straight ways as well as the right Explanations as told in the verse 98: 3. Today whoever likes to purify himself, Adhikr—the Book for Purification—should be utilized as told in the verses 6: 104; 10: 108 and 17: 15. Explanation, Scripture and Enlightening Book told in the verse is Adhikr. See the explanation 2: 285-286 and 3: 60-61.

185. Each and every soul will taste the death, and indeed you will be fully rewarded your earnings on the Day of Judgment; then whoever prevents him from the Fire and

is admitted in the Paradise, then surely he is triumphed; and this worldly life is nothing except the enjoyment of illusion!

“Each and every soul will taste the death” is also mentioned in the verses 21: 35 and 29: 57. In the verse 28: 88 it is told that “Everything will perish except Lord Allah’s face”. That means every living and non-living things will be perished. It is understood that all living things have the soul. The difference of mankind from other creatures is that they are bestowed with the intelligence.

Those who are not utilizing their intelligence for fulfilling the aim of life after reading these verses, they are the Mujirims mentioned in 50 places in the Book. And they are the worst among 1000 communities of creatures near the Lord as told in the verse 8: 22. They are deaf for not hearing the Book Dhikree and dumb for not talking It to others. Impartial Lord doesn’t lead anyone to the Paradise or Hell. Therefore, each individual has to prepare the Paradise in this 4th phase for inheriting It in the 7th phase. See the explanation 2: 254, 281 and 3: 30.

186. Certainly you will be tested in your wealth and in your own selves, and certainly you will hear much abuse from those who were given the Book before you, as well as the Mushriks who associate others with the Lord Allah; and if you are patient and are heedful, then that is the way of confidence.

Prophet and believers had to hear abusive and grievous words from the Jews, Christians and Meccan pagans during that time. But today the 1 among 1000 believer is not hearing such things from Jews, Christians, Hindus or any other people. Instead he will hear such nasty words from the hypocrites and their blind followers (Mushriks) who associate others in the Dominion of Lord who are only from Muslim people. Prophet Muhammed and Swalih were laughed at by the disbelieving people as ‘an odd liar’ as told in the verses 38: 8 and 54: 25. See the explanation 2: 155-157 and 3: 102-103 and 111-112.

187. And you remember that Lord Allah made an agreement with those who are given the Book: “Certainly you should explain It to the mankind and shouldn’t conceal It”, but they threw it behind their backs and purchased for It a petty price; then, what a wretched purchase they are making.

Adhikr is the name of Lord’s Book revealed periodically upon 313 Messengers. The bodies are named in different names. The body of the last form of Adhikr revealed to Messenger Muhammad is in Arabic language named “Qur’an” which means for repeated reading. It is inherited to the Muslims as told in the verse 35: 32. Among them are the wrongdoers who do wrongs against their own soul. That means the hypocrites

and their blind followers. They are 999 out of each 1000. Upon them the wrath and curse of Lord are affected; and for them the Hell is kept prepared as told in the verses 1: 7; 9: 67-68; 18: 101; 25: 33-34; 48: 6 and 98: 6. The hypocrites are the enemies of the Lord, Messengers and Prophets. They are hiding, distorting and misinterpreting the Lord's Book knowingly, and they will enter the Hell even without Trial as told in the verse 4: 145. Their blind followers- disbelievers- will enter the Hell after Trial as told in the verse 39: 71. The Lord will tell to each of them at the time of death: "You were among the disbelievers" as told in the verses 39: 58-59. This worthless people will neither utilize Adhikr nor give It to others for using It as the Ticket to the Paradise as well as the Balance and Trust to keep the Universe in its equilibrium. These hypocrites and Mushriks who by hiding Adhikr and purchasing for It petty prices are filling Fire in their bellies as told in the verses 2: 174-176. See the explanation 2: 78-79 and 3: 81.

188. Don't reckon those who are rejoicing with what they have been given and are wishing to be praised for something they have not done, they shouldn't reckon that they can escape with it from the punishment, while they have painful punishment.

The Splendid Book Adhikr has 40 names such as Trust, Guidance, Insight, Criterion, Message, Safeguard, Ticket, Dhikr, Mercy, Bounty and Dhikree. But the Muslim who are carrying the Book as donkeys carrying burden are uttering only 'Qur'an' which means 'for repeated reading'. They are not realizing that Adhikr is the Book for repeated reading. The Lord taught through Prophet: *You read Qur'an when your heart is participating with the reading, otherwise you will be darted from the 'Dheen' as an arrow is darted from its bow.* These worthless people mentioned as Mujirims in 50 places in the Lord's Book are following 29 pseudo-prophets and are welcoming the 30th pseudo-prophet Antichrist. They are not following any Prophet or Messenger, but they are thinking that they are in truth and will return into the Paradise. See the explanation 2: 44; 3: 7-10 and 90-91.

189. And to Allah belongs the dominion of Heaven and Earth, And Allah is capable of each and everything.

It is told in the verse 67: 1: He in whose hands have the kingship is the blessed, and He is capable upon each and everything. It is told in the verse 25: 26: On the Day of Judgment the kingship will be belonged to the Impartial Lord. See the explanation 1: 33; 2: 107 and 284.

190. Indeed, in the creation of Heavens and Earth, and the alternation between night and day, certainly there are signs for the men endowed with the intelligence.

191. Those who are remembering the Lord Allah while standing, sitting and laying on their sides; and are meditating about the creation of Heavens and Earth: “Our Lord! You have not created this in vain! Glory be to you! Then you shield us the punishment of Fire!”

Prophet used to recite the verses from 190 to 200 of this Surath as soon as he woke up from the bed by looking into the sky. This verse is mentioning about the characters of man endowed with intelligence. They always remember Lord in their standing, sittings and laying. They will meditate and reflect the aim behind the creation of Heaven and Earth. The believer will pray by mind while reading these verses as: “Oh Lord Allah! You make us among the men endowed with intelligence who remember You in the standings, sittings and laying. And you make us among those who meditate the aim behind the creation of Heaven and Earth. Our Lord! You have not created this in futile, Glory to you, shield us from the punishment of Fire with the Safeguard, Oh the Safeguard, Oh the One Who sent the Safeguard, Oh the Virtuous, the Mercy!”. It is told in the verse 45: 22 that Lord has created Heaven and Earth in order to reward every soul for whatever it has earned, and they will not be dealt unjust. The believer is living for ‘the Believer Lord’ alone and he will seek help from the Lord alone for that as told in the verse 1: 4. He always pray by mind for not to include among the wrath affected and strayed people as explained in the verse 1: 7. See the explanation 2: 148, 152 and 3: 26-28.

192. Our Lord! Indeed anyone whom You allowed to enter into the Fire, then surely You made him shameful; and for the wrongdoers there is none from the helpers.

The believer always pray: “Oh Lord! You not include us among the wrongdoers and the shameful. Make us the heedful and the winners with Adhikr—the Splendid Book!” The wrongdoers mentioned in 220 places in the Book are the hypocrites and their blind followers. By forgetting Adhikr, they became the worthless people as mentioned in the verse 25: 18. They have made their food rejecting Adhikr (the Food, Cloth and Sight of the soul) testifying the verse 56: 82. See the explanation 2: 85 and 257-258.

193. Our Lord! Indeed we have heard a caller calling for belief: “You believe in your Lord!”, then we have believed. “Our Lord! So You forgive for us our offenses and remove our evil deeds from us, and You take us back with the Virtuous”.

The caller mentioned in the verse is Prophet. So the believers who are following the Book Adhikr—the Witness—and the Prophet should call the mankind into the Lord with the Best Book Adhikr testifying the verse 41: 33. The believer always pray by mind as: “Oh Lord! Make us the Muhsineen who is testifying the Book Husna and make us those who prepare Paradise in the 4th phase utilizing Adhikr—the Light—in order to inherit It

in the 7th phase (Hereafter); and while taking me back, you take back me as Muslim (who submitted all to You) and righteous man. Enter me into the Paradise with the forerunners, the virtuous with Adhikr—the Book for purifying”. See the explanation 3: 55 and 102.

194. Our Lord! And you give us what you have promised us through Your Messengers, and you don't make us ashamed on the Day of Judgment; indeed, You never breach the promises.

The believer prays as: “Glory be to the One Who never breach his promises”. Lord Allah never breach any promises given to His creatures even to Satan. It is told in the verse 32: 13: “If We had wished, We would have given each and every soul its Guidance alone, but the word from me had that I will fill the Hell with the Jinn and the mankind altogether”. The 999 out of each 1000 will be entrapped by the Satan as explained in the verse 4: 118. Whoever male or female by utilizing Adhikr can transform his/her Jinn soul-mate mentioned in the verses 43: 36-39 and 59: 16-17 into a believer. Thus the deeds can be recorded in the ledger ‘Illiyen’ in the Paradise. All other Muslims who have not transformed their Jinn soul-mate into a believer, their deeds are being recorded in the ledger ‘Sijjeen’ in the Hell. It is told in the verse 17: 108: The Knowledge given persons will pray by mind always: ‘Glory be to our Lord! Indeed the promise of our Lord is to be implemented. Today the odd believer does the single Prostration of Recitation in the dusk and dawn after reading Adhikr. See the explanation 2: 26-27 and 3: 133-136.

195. So their Lord responded to them: “Indeed I will not make futile the work of any worker among you whether man or woman, some of you are from others; then those who have migrated and were driven out from their homes and suffered harm in My path, and have fought and were killed; I certainly will remove their evil deeds and I certainly will admit them to the Paradise beneath which rivers are flowing, as a reward from Lord Allah; and Allah, with Him has the best reward!”

Today there is no war or killing since there is no a group of believers anywhere in the world. But there will be distress and harm for the believer who is living under the Light of Adhikr from the hypocrites and the Kuffar who repeatedly reject the verses of Lord. But he will not obey them, instead will do Jihad with Adhikr against them testifying the verses 9: 73; 22: 78; 25: 52 and 66: 9. It is told in the verse 13: 18: “For those who have replied for their Lord's calling have the best; and those who haven't replied for the Lord's calling, even though they have what is in the Earth and as much like that, and if give it as ransom, will not be accepted, such will have evil reckoning and their abode is the Hell, what a wretched cradle!” See the explanation 2: 177, 186 and 3: 180.

196. Do not let to deceive you strutting of those who disbelieved in the countries.

197. Little enjoyment, then their abode is the Hell, and what wretched cradles!

In all the 520 places, the hypocrites and those who are having doubt in their hearts after receiving the 'Truth for confirming' mentioned in the verse 69: 51 are the disbelievers. Their aimless life shouldn't dazzle or deceive the believer who is holding fast the Lord by Adhikr—the Exalted Book. Such 1 in every 1000 believer should have to say the disbelievers: "You enjoy here a little, then indeed your return is into the Fire" as told in the verses 14: 30. The human devil hypocrites by changing the Mercy of Lord into disbelief have made permissible the Hell (house of worthless) for their followers as told in the verses 14: 28-29. Read together 39: 8.

Believer prays as: "Oh Lord Allah! You don't include us among the worthless disbelieving people who have chosen their 'way of life' as play and amusement by forgetting Adhikr. Oh Lord! You keep us far away from them and the Hell with the Safeguard! Oh the Safeguard! Oh the One Who sent down the Safeguard! The Impartial and the Compassionate".

198. But those who are heedful, for them have Paradise beneath which the rivers are flowing, they live therein forever; a gift from the Lord Allah, and whatever with Allah is the best for the virtuous!

It is told in the verse 32: 19: "For those who believed and do honorable deeds, for them have the Paradise as gift from their Lord for what they had been doing". It is told in the verses 18: 107-108: "Indeed those who believed and do honorable deeds, they will have Paradise of Bliss as a gift; they will remain in it forever, they will not wish to go out from It". The virtuous mentioned in the verse includes both the forerunners who will enter the Paradise even without the Trial and those who are getting the Book of deed in the right hand who will enter the Paradise after the Trial. While reciting these verses the believer meditates in mind: "Oh our Lord! Include us among the heedful and virtuous who are testifying as well as following the Best Book Adhikr". See the explanation 2: 25, 177 and 3: 136.

199. And indeed among the people of the Book, there is one who truly believes with Lord Allah and what has been sent down to you as well as what has been sent down to them fearing Allah, they will not purchase miserable price for the verses of Allah; such will have their reward near their Lord; indeed Allah is very Swift in reckoning.

It is told in the verses 28: 52-55: "Those who have been given the Book before This, they believe with It. If It is explained upon them they will say: "We believed with It, indeed It is the Truth from our Lord, indeed we are the submitted ones before this. Such will be

given the reward twice for they were patient and were defending the evils with the Best; and were spending from whatever We have provided to them. If they happened to hear any vain, they will neglect it and will say: For us our deeds, while for you your deeds; you can go, we don't seek the way of the ignorant". The verses such as 3: 19; 5: 4; 14: 51 and 40: 17 also end as: indeed Lord Allah is swift in Reckoning". Muslims who are carrying Lord's Book as donkeys carrying burden are the wrongdoers mentioned not only in the verse 62: 5 but also in 220 places in the Book. These curse and wrath affected people's thought about the Lord is very evil as mentioned in the verse 48: 6. They are not having the Real Knowledge that a 'Recording Book' is fastened upon their necks as told in the verses 17: 13-14; 18: 49; 23: 62-63; 36: 12; 45: 28-29; 58: 6 and 78: 28-29. They are not knowing about the 40 names of Lord's Book. The Impartial Lord will not send anyone to the Hell or Paradise, instead the Lord's Book they read, heard and touched will argue and witness against them and will push them into the Hell. See the explanation 2: 2-5, 168-169 and 254.

200. Oh you who believed! You be patient and you be the commanders of patience, and be tied up your hearts, and you heed Allah so that you may prosper.

By calling the believers Lord says: "You bow down (you obey), do prostration, you serve your Lord and you do the Best deeds so that you may prosper". Believers always pray as: "Oh Lord! Make us believer who does honorable deeds, patient and commanding to be patient and the one who is remembering You always, and the one who is praising You and glorifying You; and the one who enters into the Paradise with the forerunners and the prosperous with Adhikr (the Book for Purifying, Ticket to the Paradise and the Safeguard against the Hell); oh The One Who sent down the Safeguard, Oh the Lord of the Worlds!" See the explanation 2: 147-148 and 153.
