(5) Al-Maeda

This Surath which contains 120 verses was revealed in Medina in the end of 6th year and in the beginning of 7th year of Hijra. As told in the verse 5: 114, for the question from disciples of Jesus, “Can your Lord send down a food tray upon us from the Heaven?” Jesus prayed to Lord for the Food tray from Heaven and it was granted. Jesus along with his 4000 disciples ate from it. But Jews among them became suspicious about the food tray by neglecting the Lord’s Warning mentioned in the verse 4: 115. Due to the continuous disobedience Lord cursed them and transformed them to swine as told in the verse 5: 60. From this incident this Surath got the name “Al-Maeda—the Food tray”.

During the 6th year of Hijra Messenger Muhammed along with 1400 followers started to Mecca for performing Umra. But they were prevented by the Meccan pagans at Hudaibiya which is 20 kms away from Mecca. Then a treaty named “Hudaibiya treaty” was made between Messenger and the leaders of Meccan Mushriks. As per the treaty Prophet and followers had to return to Medina without performing Umra and in the next year they can do it. This Sura includes verses about rules and regulations to be followed during Umra. The part of the 3rd verse of this Sura: “On this Day I have perfected your Dheen for you, and I have completed My blessing upon you and I have satisfied Islam as your Dheen” is the last revelation of Lord’s Book.

By reminding about the first murder committed by Qabeel on Habeel, Lord Allah gives Judgment for murder through this Surath. As told in the verses 5: 44-45 and 47, whoever received the Book but doesn’t Judge in his individual, family and social life with It, he is the disbeliever, wrongdoer and transgressor. The usage of liquor and intoxicants, customs and character of Meccan Mushriks upon livestock like Baheerath, Wasweelath and Haam were mentioned as the footsteps of Satan. This Surath also mentions about the questioning of the Messengers by the Lord about their followers.

With the name of Allah, the Impartial, the Compassionate

1. Oh you who believed! You fulfill all contracts, it is permissible for you all the four footed cattle except what is explained upon you, besides the hunted while you are in Ihram, indeed Lord Allah is judging what He intends.

By Calling the believers, Lord commands to fulfill not only the *Hudaibiya* treaty but all other agreements also. Both in the verse 23: 8 and 70: 32 it is told the characters of believers that they are fulfilling their trusts and agreements. Cattle includes domestic animals such as goat, cow, buffalo and camel whereas “Baheemathul An’aam (edible animals)” includes huntable animals such as deer, rabbit, wild buffalo etc. The prohibited cattle explained are the cattle mentioned in the 3rd verse. The carnivorous animals and the birds with large nails are also prohibited to eat. After wearing Ihram for pilgrimage and in the area of Haram (about 20 km circumference of Ka'aba) hunting is prohibited. This verse is addressing the believers. Only Muslims who are the true disbelievers mentioned in 520 verses in the Book are visiting Ka'aba. While Lord's House Ka'aba at Macca is for entire mankind as told in the verse 3: 96-97 and 5: 97. These Mujirims by rejecting these verses are not allowing other people to enter there. As a result, on the proclamation of Mahdi—the last Khalifa— only believers from whole mankind can enter into Hijaz and all the disbelievers will be expelled from there. Hunting is forbidden while in *Ihram*- prohibited dress- as well as in the boundary of '*Haram*'-prohibited area. See the explanation 2: 78-79, 254 and 4: 159.

2. Oh you who believed! You don't make permitted the symbols of Lord Allah and not do the war in prohibited months, and not sacrificing animals, and not the marked animals and nor security of the visitors of Sacred Masjid seeking the Bounty and Pleasure from their Lord; then when you are freed from Ihram area and dress, you can involve in hunting. Let not make you Mujirim (the mad) the hatredness towards the people for not to be Justice who had obstructed you from the Sacred Masjid; you co-operate on virtue and heedfulness, and you don't co-operate in enmity and sin, and you heed Allah alone, indeed Allah is severe in torment.

All do's and don'ts of the 6236 verses of Adhikr are the marks and symbols of the Lord. Only 1 in 1000 becomes believer with It whereas the rest 999 Muslims who received It, but rejected will enter the Hell. Therefore, today only harmony of mankind is advised. That can be made by propagating Lord's Book Adhikr throughout the world irrespective of nation or religion, since Adhikr teaches that nobody has the freedom to select his nation, era, cast, color, sex, religion, nation, parents, children, etc. and so showing any difference on the basis of these are against the Lord. The Owner Lord is bringing and taking back everyone. But the believer by utilizing the Safeguard—Adhikr—can decide his death as explained in the verse 3: 102. All Muslims—the true disbelievers—who don't testify the Book Husna, at the time of their death, the Lord will tell each of them that you were among the disbelievers as explained in the verse 3: 20. In the verse 49: 13 by calling the mankind Lord Allah says: Indeed We have created you from a male and a female, and made you into different nations and tribes in order to identify you, indeed the best honorable among you near Lord is the one who is heedful,

indeed Lord Allah is the All-knower, Acquainted of each and every thing. And by calling the mankind Lord says: You heed your Lord Who has created you from single soul as explained in the verse 4: 1.

The believers are commanded not to obstruct mankind from entering Ka'aba seeking Lord's Pleasure and Bounty just like you were obstructed by the Meccan pagans. If you are doing so, you will be among the Mujirims who are serving Satan. Mujirims are mentioned in 50 verses in Lord's Book as explained in the introduction. See the explanation 2: 194-196 and 4: 53.

3. Forbidden to you the dead, blood, flesh of swine and anything which is dedicated to any besides Lord Allah, dead by strangled, animals died by blowing, animals died by head long falling, killed by fighting each other, eaten by wild animals- unless you are able to slay it before its death, and whatever sacrificed upon idols and the divided by lottery using arrows; all such are hypocrisy to you, today the disbelievers are disappointed in your way of life, so you don't fear them, and you fear Me alone, on this Day I have perfected your Dheen -the way of life- for you, and I have completed My blessing for you and I have satisfied Islam as your Dheen. Then anyone is compelled with hunger if eats anything from these without intending for sin, indeed Allah is the Oft-forgiving, the Merciful.

In addition to the whole forbidden things as explained in the verse 2: 173, anything died by accident or by blowing on it, or by head falling or fighting with each other or by biting animals or by any other ways except slaughtered before its death are also prohibited to eat. Today Muslims are slaying cattle as sacrifice for the cause of saint people and Prophets which is against these verses. Dividing the meat by lot is also prohibited. All these prohibited things are the footsteps of Satan as explained in the verses 2: 168-169.

“This day I have perfected your Dheen for you, and I have completed My blessing upon you and I have satisfied Islam as your Dheen” means by the revelation of this verse the revelation of Lord's Book is completed. Therefore, Islam is the only way of life satisfied for the entire mankind as explained in the verses 3: 19 and 85. But the Muslims who are reading these verses have been deviated from Islam and have become the true disbelievers, wrongdoers and Mujirims everywhere in the world. Through the verse 109: 6 the odd believer is commanded to say these worthless people as, ‘for you, your way of life while to me the true way of life’, and through the verse 14: 30 as you enjoy here a little, then indeed your return is into the Fire. After doing the prolonged Prostration of Recitation in the dusk and dawn the believer pledges by heart as “I satisfied Allah as the Lord, Islam as the way of life, and Muhammed as the Prophet and Messenger”. See the explanation 3: 22, 196-197 and 4: 160.

4. They are asking you what has been permitted to them; you say: All wholesome things are permitted to you, and what you have taught to the trained hunting animals in the manner directed to you by Lord Allah, then you eat what they catch and bring for you, and you remember Lord Allah upon it; You heed Allah, indeed Lord Allah is swift in Reckoning.

This verse addresses the believers, but today there is no group of believers anywhere in the world. Muslims who read these verses are claiming that they are the believers without the Truth –Adhikr. Muslims all over the world who have divided into different groups became disbelievers and Mushriks as explained in the verses 4: 150-151. They are slaughters and butchers not only in Muslim countries, but also in every where. As there is a belief that the meat will be come Halal if it was slaughtered by Muslims. These true Mushriks are leading only bodily life without soul. They are not considering the fact that the animals have also soul and it is from Lord Allah. So, while slaughtering, they are not remembering the Lord Allah upon the animal by the heart. They only utter ‘in the name of Allah’. The prophet taught to remember by the soul while slaughtering, ‘ it is from You, and it is in to You’. So the believers can't eat the meat slaughtered by those disbelievers. But being the Moudhath of this verse the odd believer by intending with his soul “ it is from You, and it is in to You” can eat the meat of the edible animals which are slaughtered and flowed the blood by anyone since the believer is the one who endowed with intelligence remembering Lord in all his standing, sitting and lying as explained in the verses 3: 190-191. See the explanation 3: 138; 4: 27-28 and 160.

5. This Day the wholesome things have been permitted to you, and the food of those who were given the Book is permitted to you, and your food is permitted to them, the chaste woman from the believers and the chaste woman from the people of the Book who were given the Book before you if you are giving dowry desiring chastity, without entering in fornication and not to create bastards; whoever hides his faith, all his deeds become in vain, and he will be among the losers in the Hereafter.

Today whole mankind in the world are the people of the Book as explained in the verse 4: 171. So the believer can eat all their food especially vegetables and fishes, and can marry any woman with her parent's permission except the prohibited women as explained in the verse 4: 23-25. But he has to give the dowry and he should protect her under the Light--Adhikr so that she will not do anything without the remembrance of Lord, and that they can bring up righteous and honorable children. Today the odd believer will try to lead a bachelor life considering Maryam (mother of Jesus) and Asia (woman of Pharaoh) as role model as explained in the verse 2: 187. And if he is unable to control his sexual

passion, he can marry any woman from mankind if she is ready to live under the guidance of Best Book Adhikr. He can't marry any Muslim lady today, as Muslims became either Mushriks or hypocrites, and so through them only bastards-- Satan's children- will be produced as explained in the verse 2: 221.

Any Muslim who haven't become believer with Adhikr is the inmates of Hell from mankind and all his deeds will be in vain as explained in the verse 2: 186. See the explanation 2: 23-24; 3: 10 and 4: 140.

6. Oh those who believed! Whenever you stand up for prayer, you wash your faces and your hands upto elbows, then you wipe your heads and your feet up to the ankles, and if you are in a state of ceremonial impurity, then you purify taking bath, and if you are ill or upon a journey or anyone of you has a defecation or urination or you have intercourse with the woman and you don't find water, then you resort to pure soil and wipe your faces and hands with it, Lord Allah doesn't want to make any difficulty upon you, but He intends you to be purified and to complete His Favors upon you so that you may be grateful.

This verse explains the method of ablution. In case, if the water is not available after defecation or urination, tissue papers are more suitable for cleaning than using soil and sand. In case the ejaculation of semen or intercourse happened and if water is not available, or if one is in journey or ill, then also cleaning with tissue paper is enough. Believer is in the conscious that the Three Time Knower Lord knows the status of His servants' hearts wherever and whenever he is as explained in the verse 2: 177. Believer is giving preference for soul and for the Hereafter whereas the disbelievers who are falsifying the Lord and the Hereafter are serving Satan and giving preference for the bodily and the worldly life. Disbelievers are cleaning only their body without purifying their soul with Adhikr which is the Food, Cloth and Sight of human soul. See the explanation 2: 14, 152 and 4: 43.

7. And you remember Favors of Lord Allah upon you and the agreement He has made with you, when you said: We heard and obeyed; you heed Allah, indeed Allah is the Knower of the status of the chests.

The Favor of Lord bestowed upon the mankind is Adhikr-- His Speech-- which explains each and everything. Lord has taken an agreement from the Muslims who have been given the Book to convey It for entire mankind and not to hide It as explained in the verse 3: 187. But the 1 in 1000 believer who lives only for Lord as explained in the verse 1: 4 fulfills the agreement made with Lord whereas the rest 999 from Muslims who don't fulfill it are the transgressors as explained in the verses 2: 26-27. See the explanation 2: 285; 3: 113-115 and 4: 113.

8. Oh those who believed! You be commanding for Lord Allah witnessing with Justice, and let not you make Mujirim (mad) the hatredness towards the people for not to be justice, you be Justice, it is nearest to heedfulness, and you heed Allah, indeed Lord Allah is well acquainted with whatever you are doing.

Today only Muslims among mankind are reading these verses. But by rejecting Adhikr which is the speech of Lord they have become disbelievers and Mujirims as explained in the verse 4: 151. These worthless people who are serving Satan as explained in the verse 3: 51 are considering other people such as Jews, Christians and Hindus as Kafir.

The odd believer is serving Lord Allah by propagating Adhikr which is His Knowledge throughout the world to help the mankind to identify the aim of life, themselves, believers, forerunners and consequence of Muslims who reject the Lord and Prophet by rejecting Adhikr. See the explanation 4: 78-79, 135 and 5: 2.

9. Lord Allah has promised those who believed and do honorable deeds that they have forgiveness and a great reward.

See the explanation 2: 177; 4: 123-124 and 136.

10. And those who hide and reject Our verses, such are the inmates of Hades.

This verse is repeated in 5: 86. The hypocrites and their blind followers are the inmates of the Hell as told in the verse 82: 14. Their ledger will be in Sijjeen as told in the verse 83: 7 and as explained in the verse 4: 32. Fujjar explained in this verse includes both the hypocrites and their blind followers. See the explanation 2: 39; 3: 86 and 4: 118.

11. Oh those who believed! You remember Lord Allah's favor upon you when a people attempted to stretch their hands against you, and He withheld their hands from you; and you heed Allah, then upon Lord Allah only entrust the believers.

This verse points out the behavior of the Jew tribes. One of them made a conspiracy in Medina to kill Prophet Muhammad and thereby to demolish Islam forever. But the Three Time Knower inspired about this to Prophet, and thus the attempt was failed. As told in the verse 9: 74 hypocrites also attempted to kill Prophet while returning from battle of Thabook. Today the hypocrites and their blind followers are the Muslim people as explained in the verse 1: 7, and they are the enemies of believers. Since the Safeguard Adhikr is formed as a Book, the odd believer holdfasts It as the Strongest Weapon to do Jihad against the cursed

people, and as a Shield against all calamities, disasters and the Hell fire as explained in the verses 3: 103 so that no harm from anyone or anything will affect him . See the explanation 2: 256-257; 3: 160 and 179.

12. And surely Lord Allah held a covenant from the children of Israel, and He has appointed 12 leaders from them; and Allah told: Indeed I am with you, if you are keeping up prayer and are giving the welfare tax, and if you are believing with my Messengers, and are strengthening them and are lending a handsome loan to Allah, certainly I will wipeout your evils from you and I will make enter you in to the Paradise beneath which rivers are flowing; then anyone from you if disbelieves after that, then he is surely strayed from the Straightpath.

Only Muslims are reading these verses. But they are the mischief makers all over the world as explained in the verse 2: 60.

Today to give good loan to Lord means to spend money for the propagation of Adhikr for entire mankind in order to make mankind utilize It as the Balance and Trust to keep the universe in its Equilibrium, and to spend money for planting trees and organic farming for the welfare of 1000 communities of creatures as explained in the verse 3: 112. Thus, the dateline of the earth's Pole shift can be delayed. But the odd believer only does it. All other Muslims who are the true disbelievers are engaging in disastrous and mischievous activities as explained in the verses 4: 39-40. They are strayed from Adhikr--the Straightpath--as explained in the verse 4: 137. See the explanation 2: 245; 4: 60 and 175.

13. Then, since they were breaching their pledges surely We have cursed them and We have made their hearts hardened, they are changing the words from their original places, and they forgot a big portion of what they had been reminded. Their such cheating will never be disappeared to you except a few among them. So you pardon about them and you wait, indeed Lord Allah loves those who live by seeing Him.

Today, only Muslims are reading these verses. Among them the hypocrites are having worst character than that of Jews at the time of Prophet, and their blind followers are having the worst character than that of Christians during Prophet's time. The so called Ulamas of Muslim people by rejecting Adhikr are leading their followers into the Hell testifying the verses 9: 67-68 and 25: 33-34.

Muslims who are the true disbelievers mentioned in 50 places in the Book such as in 7: 40; 32: 12 and 22 are serving Satan instead of the Lord. They are misinterpreting and misusing the verses of the Book for their worldly and organisational gains as explained in the verses 3: 78 and 4: 46. Today the

Muhsin who lives seeing the Lord is the one who lives under the Light of the Best Book Adhikr.

Remember that it is not commanded to the group of believers to kill Jews, Christians and other people. Instead it is commanded to kill the hypocrites and the Kuffar through the verses 9:123; 33: 60-61 and 72-73. This will be implemented by the second coming of Jesus. Today the odd believer does Jihad against the worst people Muslims with Adhikr as explained in the verse 3: 13. See the explanation 2: 44, 159-160; 3: 16-17 and 102.

14. And from those who are saying as indeed we are helpers, We had taken their pledge; then they forgot a big portion of what they had been reminded, so We have stirred enmity and hatredness among them up to the Day of Judgment; and certainly Lord Allah will inform them with what they had been producing.

As explained in the verse 3: 152 the disciples were ready to help the Lord by conveying His Message to entire mankind. Gradually they deviated from the covenant explained in the verses 2: 26-27 and different groups were formed among them. They received the name Christians which means those who believed in Christ. So the Three Time Knower Lord stirred enmity and hatredness in between them. They will have no unity in any matter as explained in the verses 4: 171-172.

Today just like Christians, Muslims who got the last form of the Book are also strayed from Islam. They are the true disbelievers mentioned in 520 places in the Book. Upon them there is wrath and curse of Lord. That is why they involved more in all mischievous activities like sodomy, bloodshed, killing, smuggling, theft and terrorism than any other people. These people are united in sins and in enmity rejecting the command of the verse 5: 2, and so these worthless people will be dragged into the Hell prone on their faces as explained in the verse 4: 82. See the explanation 2: 213; 3: 84-85 and 4: 140.

15. Oh People of the Book! Surely Our Messenger has come to you explaining for you many of what you have been concealing from the Book, and excusing many of It; surely came to you from Lord Allah the Light and a Manifest Book.

16. With It Lord Allah guides the one who follows His pleasure to the ways of peace; He delivers them from the darkneses into the Light by His permission and He guides them into the Straightpath.

Adhikr which contains all the previous 312 Books and their upright Explanation is formed as the Splendid Book. So the people of the Book now are the hypocritical

leaders and their Mushrik followers as explained in the verse 2: 113. They are only from Muslim people. Adhikr is the Guidance for entire mankind as explained in the verse 2: 185. So It is the one and only Straightpath to the Paradise while all other 999 ways of Muslims are into the Hell. Impartial Lord doesn't guide anyone either to the Paradise or to the Hell.

'Peace' is one of the Best names of Lord as told in the verse 59: 23. So one should holdfast Adhikr as the Ticket for returning to the Paradise in his 4th phase of life as explained in the verse 1: 4. All other Muslims who do not hold fast Adhikr as Ticket to the paradise will enter the Hell by following their whims as explained in the verse 2: 60. See the explanation 2: 2-4; 4: 174- 175 and 3: 128-129.

17. Surely those who say that indeed Lord Allah, He is Maseeh—the son of Maryam—have disbelieved; you ask them: Then who is there to prevent Lord Allah if he intends to destroy the Christ—the son of Maryam, his mother and everyone who is on Earth? To Lord Allah belongs the dominion over Heaven and Earth and anything in between them, He creates whatever He wishes, and Allah is capable upon each and everything.

The verse 5: 72 begins with the same Message. Because of not utilizing Lord's Book Adhikr the people of every period were leading a strayed life. Today Muslims who are having the Splendid Book Adhikr are not utilizing It themselves or not giving It to others to utilise. Thus they are not destroying except themselves, but they are not perceiving it as explained in the verse 6: 26. Day by day the world is going to more darkness and in every part of the world Muslims are involved in terrorism, bloodshed and all such mischievous activities. These aimless, heedless and worthless people have to carry the evil burden of each and every destructive activity that are happening in the universe as explained in the verse 4: 161. See the explanation 3: 55-56; 4: 1 and 131-133.

18. And the Jews and Christians say: We are the children of Lord Allah and His favorites. You ask them: Then why does He punish you for your offenses? Nay, you are a human from He has created, He forgives for anyone He wishes and He punishes anyone He wishes, to Lord Allah belongs the dominion of the Heavens and Earth, and anything in between them, and to Him is the returning.

The Jews and Christians at the time of Prophet, and the Muslims after the 30 years of prophet's departure have been claiming that they are the people particularly selected by the Lord as explained in the verses 2: 80, 94-95, 111, 113 and 4: 123-124. Today Muslims all over the world are not becoming believers with Adhikr as told in the verses 10: 99-100. They are claiming that they

are the people of the Lord among mankind and they are the followers of Prophet Muhammad. Actually, these disbelievers as told in the verse 4: 151 are following 29 pseudo-prophets by killing each and every Messenger and Prophet as explained in the verses 3: 21-22. These Mujrimis who are serving Satan are welcoming the Antichrist. Their appeals are not accepted and all their deeds are in vain as explained in the verse 2: 186. They all will be killed by the second coming of Jesus as explained in the verses 4: 55-56. See the explanation 2: 91 and 4: 165-167.

19. Oh people of the Book! Surely Our Messenger has come to you explaining for you after an interval of Messengers for not to say you as 'not any Herald or not any Warner has come to us'; then surely the Herald and the Warner has come to you! And Lord Allah is capable upon each and everything.

The deputation of last Prophet and Messenger Muhammad was about 570 years after Jesus raised up to the 2nd Heaven. No Prophet or Messenger had been deputed from Ismael progeny for years. Mohammad was deputed as the answer for the prayer of Prophet Ibrahim as explained in the verse 2: 129. When Messenger Muhammad came with the Message for the entire people, the people of the Book threw back the Book with them as explained in the verses 2: 41, 101-102 and 3: 183. But today Muslims-the worthless people- by forgetting even the names of Lord's Book are following the books written by the pseudo-prophets as explained in the verses 2: 78-79. That is why they are denoted as the worst creatures near the Lord among the 1000 communities of creatures as explained in the verse 4: 153. Read together 6: 155-157; 28: 48-50 and 35: 42-43. See the explanation 2: 89-90 and 4: 68.

20. And when Moosa told his people: Oh the people! You remember favor of Lord Allah upon you when He appointed Prophets into you and He gave to you the kingship, and He gave to you what no one is given in the worlds.

Today Muslims are boasting that they are the followers of the Book and Messenger. Actually, they are not following or testifying any Messenger or Prophet, thus they became the worthless and worst beasts in the land as explained in the verse 2: 56. They are carrying the Book as donkeys are carrying the burden. By the second coming of Jesus, these worthless people will be killed by the other people among Prophet's community. All these are happening because of hiding and rejecting Adhikr from mankind which is the Balance and Trust to keep the universe in its equilibrium. See the explanation 2: 122-123 and 4: 91.

21. Oh my people! You enter the holy land which Allah has prescribed to you, and you don't turn your back, then you will be overthrown to your own ruinings.

Palestine is the holy land prescribed to the children of Israel by the Lord. This verse is a Command to the children of Israel through Moosa. But most of them disobeyed the Command. Today all Muslims even in Mecca and Medina are deviated from the Lord's one and only way- the Straightpath. They are not remembering the Lord as explained in the verse 2: 152, instead they are serving Satan as explained in the verse 2: 259. As told in the verses 6: 89-90 the Lord will entrust His Book Adhikr to the people other than Muslims for propagating It throughout the world. Within short time after the coming of *Mahdi* at *Hijaz*, the believers from mankind all over the world will be separated into there.

22. They said: Oh Moosa! Indeed in it there are people of exceeding strength, and indeed we will not enter it until they leave it; if they leave from it, indeed we will enter in it.

23. Two men from among those who were fearing Lord Allah, Allah has favored upon both of them; and they told: You enter into them through the gate, and when you enter it, indeed you will be the victorious, and upon Lord Allah you entrust, if you are believers.

24. They said: Oh Moosa! As long as they are remaining in it, we will never enter there, so go both you and your Lord and you both fight, indeed we are sitting here”.

Prophet *Moosa* selected 12 captains from each of the twelve tribes of the Israel's children and sent them from the *Pharan* desert to know about the situation of Palestine. After forty days they returned to *Pharan* and said to Prophet *Moosa* at the assembly: We went to the country, it is indeed a rich country, but its inhabitants are strong and powerful, we can't go against them, we seemed ourselves as locusts. When the children of Isra'el heard all these, they cried the whole night. They said that if they had died at Egypt. Why did Moosa take us to that country as to be killed by the enemy? They said to each other that they are returning to Egypt. Among the twelve captains sent out to explore Palestine, there was *Joshua*- the son of *Noone* and *Caleb*- the son of *Yafunna* slit their garments and said: "The country we explored is a good country, if *Jehovah* deigns, He will give the country to us. Don't fear them; we must entrust in *Jehovah*". But the crowd rejected all these instructions. They turned against them and prepared to stone them. There flamed the anger of *Jehovah*. He decided not to give them the inheritance of the land. But He decided to give the land to their children and to those who were below 20. But they can enter only after

wandering 40 years; that is, after the death of those who were above 20 years except *Joshua* and *Caleb*. By this decision of *Jehova* they took 38 years to reach Jordan from the desert *Pharan*. But within these 38 years all those youths who were sent to explore Palestine and those who rejected the advice of *Caleb* and *Joshua* were died. But *Caleb* and *Joshua* were still alive. After the victory of Jordan, *Moosa* also died. It was under the leadership of *Joshua* that Israelis got victory over Palestine.

Today the habit and characters of Jews at the time of *Moosa* is on Muslims. They are leading a heedless life. The hypocrites who are knowingly hiding Lord's Book will enter the Hell without Trial, whereas their blind followers will enter the Hell after the Trial as explained in the verses 4: 140 and 145. After 30 years of Prophet's departure Muslims are actually killing and harming Prophets and believers as explained in the verses 3: 21-22. That is why on the Day of Judgment Prophet will be witnessing against them as explained in the verse 2: 243. See the explanation 2: 89-90 and 4: 78-79.

25. Then Moosa prayed: My Lord! I have no control except myself and my brother, so you distinguish between us and this transgressing people.

The verses 7: 150-151 say: When *Moosa* returned to his people, he saw his people worshipping a calf made up of their ornaments. By seeing this he became extremely angry. He threw down the Stone disc-*Thourath*- and seized his brother *Haroon*'s hair. *Haroon* said: Oh son of my mother! The people made me weak and about to kill me, and so you let not give chance for my enemies to rejoice over me, and you don't count me among the wrong doing people. Thus realizing the truth *Moosa* prayed as 'Oh, my Lord! You forgive to me and to my brother and you admit us into Your Mercy, You are the Most Merciful of those who show Mercy'.

26. He said: It is banned for them for 40 years, they will wander around the Earth, so you don't worry over this transgressing people.

Through this Lord reminds the Jews in Medina not to disobey Messenger *Muhammed* as their ancestors did in the period of Messenger *Moosa*; and if they do so, the punishment will be severe. But most of them continued their disobedience and transgressions. So they had to wander on the Earth until 1948 till the Nation of Israel was formed.

Today if anyone utilizes *Adhikr* as the Insight, he can see that Jewish country Israel is controlling even the super power country America. Muslims all over the world are suffering humiliation and are being defeated and oppressed. All these are happening due to their ignorance towards the Book *Adhikr*. They are hurrying for the coming of Antichrist.

Today Muslims-the original Mujirims- are not allowing the other people to enter Mecca and Medina. But within short time the true disbelievers will be expelled from Hijaz and believers from allover the world will enter there. Antichrist will appear in the name of Mosa Dayal and will revolve around the world except Hijaz. All Muslims will approve and accept him first as prophet and later even as lord as explained in the verses 4: 158-160. See the explanation 3: 112.

27. And you explain upon them with Truth concerning Adam's two sons, when they both presented sacrifices, it was accepted from one of them and not accepted from the other. He said: Suerly I will kill you; the other said: Indeed, Lord Allah accepts only from the heedful.

28. Even if you stretch your hand towards me in order to kill me, I will never stretch my hand towards you to kill you, indeed I fear Allah, the Lord of the Worlds.

29. Indeed I want you to bear my sins as well as your own sins, then you may become among inmates of Fire, and that is the reward for the wrongdoers.

30. Then his soul yielded him to kill his brother, thus he killed him, so he became among the losers.

In each delivery Hawa gave birth to twins, one boy and one girl. The man in the first delivery would marry the woman in the second delivery and vice versa. The woman born with *Qabeel* was beautiful where as the woman born with *Habeel* was not so. So *Qabeel* persisted to marry the sister born with him which was against the *Sharee'at* at that time. Therefore, to get a resolution they decided to offer a sacrifice. *Habeel* decided to offer a good goat where as *Qabeel* who was a farmer offered some bad and good mixed corn. The fire from Heaven burned the sacrifice of *Habeel* and thus proved as accepted. *Qabeel* threatened *Habeel* of killing him. But *Habeel* said that Allah accepts only the sacrifice of the heedful as explained in the verse 2: 186. But the soul of *Qabeel* led him to kill his brother; thus he killed him and became one among the losers. Prophet taught that *Qabeel* who did the first murder would get a part of the punishment of each murder happening in the world. Today Muslims are reading these verses. But they are involved in every mischievous activities like murdering, raping, sodomy, bloodshed, terrorism, smuggling and theft than any other people. That is why these worthless people will be killed by the other people belonging to the Prophet Muhammad's community on the second coming of Jesus. See the explanation 3: 183 and 4: 85.

31. Then Lord Allah sent a crow digging in the Earth in order to show him how to burry his brother's corpse; he said: Woe to me! were I not

even able to be like this crow for burying, thus he became among the regretters.

32. On account of that We prescribed upon the children of Israel that indeed whoever kills any person except as a punishment for murder or for causing mischief in the land, it is as if he kills the whole mankind; where as if any one spares life, then it is as if he grants life to whole mankind; and surely Our Messengers have brought them explanations, then afterward many of them committed excesses on Earth.

33. The reward of those who make war on Lord Allah and His Messenger, and spread mischief through the land is to be slaughtered or crucified, or their hands and feet to be cutoff on opposite sides or to be expelled from the land; that is for their disgrace in this World, while they have severe punishment in the Hereafter.

34. Except for those who repent before you are overpowering them, then you know that indeed Lord Allah is the Forgiving, Merciful.

Today among the people of the world the hypocrites are hiding the Splendid Book Adhikr and their followers are having doubts regarding It. They are in front of every mischievous activities all over the world. They are following Satan's footsteps forgetting Lord Allah as explained in the verses 2:168-169. So the odd believer who represents the Impartial Lord should propagate Lord's Book Dhikra throughout the world which is the only Strongest Weapon to do Jihad against terrorism as explained in the verses 3: 119 and 4: 63. See the explanation 2: 85; 3: 108; 4: 47 and 146.

35. Oh you who believed! you heed Lord Allah, you seek approach towards Him, and you do Jihad in His way in order that you may prosper.

“**Seek approach towards Him**” mentioned in the verse doesn't mean to maintain intercessors. It can be understood from the verses 25: 59; 32: 4; 36: 78; 39: 3, 36, 44, etc. that Lord doesn't need any intercessors, helpers and He is enough for His servant as Protector and Helper, and if anyone invokes any of Lord's creature, such will be the enemy to him on the Day of Judgment. The verses 17: 56 and 57 say: You say them: Pray to those whom you assume besides Him, they have no power to relieve or to change your troubles; those to whom they pray themselves are seeking approach the way to their Lord and they are trying to be those who are the nearest to Him; they are hoping for His Mercy and are fearing His punishment, indeed the punishment of your Lord is terrible. It is told in the verse 7: 197 that those whom you invoke besides Lord Allah, they can't help you, they even can't help themselves.

Today there is no group of believers anywhere in the world. So, the odd believer can get approach of the Lord by holding fast Adhikr--the Unbreakable Rope--as explained in the verses 2: 256-257, by propagating It to entire world, planting trees, by organic farming and also encouraging others to do so as much as he can. See the explanation 4: 66 and 117-118.

36. Indeed those who disbelieved, if they have what ever is on Earth plus similar of it besides in order to redeem from punishment by means of it on the Day of Judgement, it will never be accepted from them, and for them have a painful punishment.

Muslims who are reading these verses are the true disbelievers mentioned in 520 verses as explained in the verses 4: 150-151. They will witness at the time of death that they were disbelievers as explained in the verse 4: 159. See the explanation 3: 90-91.

37. They will wish to get out of the Fire, but they will not get out of it, for them have constant punishment.

The verse 32: 20 warns as:The hypocrites will be cast into the Fire, whenever they try to come out of it, they will be thrown back into it saying: You taste the punishment which you have been rejecting. Through the verse 9: 68 Lord Allah has promised the hypocrites and the '*Kuffar*'-rejecters of the Truth one over one-the Hellfire; they will live in it forever, it is enough for them, Lord Allah has cursed them and for them have constant punishment. See the explanation 4: 136-140 and 145.

38. And whether the thief male or female, you cut both of their hands, a reward for their earning as a model of punishment from Lord Allah, and Allah is the Exalted, the Wise.

Today Muslims are reading not only these verses but also all the verses of Lord's Book have become the Mujirims mentioned in 50 places in the Book. They are more involved in theft, robbery, murder, sodomy, prostitution, fornication and all mischievous activities than any other people. As there is no a group of believers anywhere in the world, and all these commands are advised to them, any of the 6236 verses can't be implemented today. But the odd believer should propagate Adhikr which is the Best Interpretation of Lord's Book through out the world for forming the harmony of mankind. Only such believer accepts Adhikr as the Food, Cloth and Sight of human soul. All other Muslims who die or are killed after the second coming of Jesus will be dragged prone on their faces into the Hell, they are the most strayed and are in the worst place as explained in the verse 3: 172.

39. Then anyone repents after his unjust and reforms, then indeed Lord Allah will turn upon him; indeed Allah is the Forgiving, the Merciful.

A believer can't do any evil deed or have any evil thought at any time by forgetting the Lord, because he knows that Lord is ever watching. But Muslims by hiding the Lord and the Prophet in the Book are following 29 pseudo-prophets and are involved in Satanic footsteps as explained in the verses 2: 168-169. They are the wrongdoers mentioned in 220 places in the Book. See the explanation 2: 159-161, 258 and 4: 145-146.

40. Don't you know that indeed Lord Allah, He has the dominion of Heavens and Earth? He punishes whom He wishes, and He forgives for whom He wishes; and Allah is Capable upon each and everything.

The Three Time Knower Lord has recorded each and everything going to happen in the universe in a Compact Disk and has kept It with Him in the Paradise as mentioned in the verses 43: 3-4; 13: 39 and 85: 21-22. All the previous Messengers were given Adhikr alone whereas Messenger Muhammed is given both Adhikr and the 'Ummul Kithab' (Mother of the Book) as specified in the verse 15: 87. That is the Al Kithab as explained in the verse 2: 2. And that Book is the Three Time Knowledge of the Lord which explains each and everything as mentioned in the verse 16: 89. That means It includes past, present and future. About that Book is mentioned in the verses 6: 59; 9: 51; 10: 61; 11: 6; 22: 70; 27: 75; 34: 3 and 57: 22.

Actually, the Impartial Lord doesn't forgive or punish anyone. But it is told in the verse 33: 72-73 that the Trust Adhikr is revealed in order to punish the hypocrites and Mushriks who hide and reject It after receiving. So, the believing men and women by reading Adhikr recognize all the offenses and sins happened from him/ her, and will repent to the Lord and do suitable ransom for them such as propogation of Adhikr, planting trees and doing organic farming. Then only Lord will forgive them. That is why it is told in the verse 33: 73 as He is Oft-forgiving in the case of believers. Towards the wrongdoing Mujirims Lord will take revenge as mentioned in the verse 32: 22, and for them Lord has kept prepared painful punishment as per the verse 76: 31 . See the explanation 2: 284; 3: 4 and 4: 133.

41. Oh the Messenger! Let not those who rush off into disbelief sadden you from those who say "We believed" with their mouths, while their hearts didn't believe; and from those who became Jews, they are listening for lying, and they are hearing for a people who haven't come to you. They pervert the words from their right time and places. They are saying: If you are given this, then you take it, while if you are not given this, you beware! And If Lord Allah intends him trial, then you will never be the authority for him from Allah anyway, such are those whom Allah doesn't intend to purify

their hearts, for them have disgrace in this World, and for them have severe punishment in the Hereafter.

The hypocrites are saying with their mouth that they believed while they are hating it with their hearts. Islam is the only way of life satisfied by the Lord as told in the verses 3: 19 and 89. In all the 312 previous Books revealed to other Messengers, the followers of the Book are specified as Muslims as told in the verses 22: 78 and 33: 35. But the people of Moosa rejected the Lord's Book and accepted the name Jews just like the people of Jesus accepted the name Christians as explained in the verses 3: 54-55. The hypocrites who were from Muslims and the Jews at the time of Prophet were helpers each other against Islam and Messenger Muhammed as told in the verses 59: 11-12.

After 30 years of Prophet's departure Islam was deteriorated and the Qur'an reading Muslims became of hypocritic disbelievers, Mushrik disbelievers and believers. From these 3 groups only the 1 in 1000 believer who follows and testifies Lord's Book Adhikr will get benefit with the reading, where as the hypocrites who are knowingly hiding even the names of Adhikr and their blind followers who without forming the real belief with Lord, Prophet and Islam are serving Satan by following 29 pseudo-prophets will be punished as explained in the verse 3: 7. These hypocrites and their blind followers are trying to extinguish the Light Adhikr with their mouths, but Lord will spread His Light even though they are hating It as explained in the verse 2: 16.

Today Muslims are the true disbelievers, wrong doers, Mujrimis and are the fuel of the Hell fire as explained in the verses 2: 39; 3: 10 and 5: 10. Their prayer, fasting, pilgrimage, charity or any deed will not be accepted as explained in the verses 2: 20 and 186. Without becoming a believer with Adhikr, these aimless and heedless disbelievers will get Hellfire as a fine as explained in the verse 2: 108. See the explanation 1: 7; 2: 166-167 and 3: 78.

42. Listeners for lying and eaters of forbidden things, then if they come to you, you may judge between them or neglect them; and if you neglect them, they will never harm you in any way, and if you judge among them, then you judge with Justice; indeed Lord Allah loves who judge with Justice.

Prophet is commanded to make Judgment among the hypocrites or neglect them without giving judgement. Whenever judges among them, it should be with the Justice--Adhikr. Whoever doesn't judge with Adhikr in his individual, family and social life, they are the disbelievers, wrongdoers and transgressors as explained in the verse 2: 100.

Today there is no a group of believers among Muslims anywhere in the world. So, the do's and don'ts of Lord's Book can't be implemented completely. The odd believer is commanded to do Jihad against the hypocrites and Kuffar with Adhikr which is the Strongest Weapon as explained in the verse 3: 13. Since Adhikr is the Balance and Trust to keep the universe in its equilibrium, he has also to convey It to entire mankind to make identify oneself, Lord and the aim of life and to have harmony of mankind as explained in the verse 3: 17. See the explanation 2: 62, 110; 4: 1 and 155-156.

43. How will they make you a judge while they have Thourath with them, in It there is Allah's Judgment? After that they are turning away, and such are not the believers.

The Jews in Medina had Thourath with them. But their whims and passions didn't allow them to follow It. Though they were knowing the rules and regulations of Thourath, they were approaching Prophet for getting any excuse or consideration in the punishments for sins. As Adhikr is the only Lord's Book revealed from the Paradise to the earth, every Prophet is ordered to judge between mankind with It as explained in the verses 4: 135 and 163. Today just like Jews of that time, Muslims are also not following the do's and don'ts of Qur'an which is meant for repeated reading. The hypocrites among them are hiding all the 40 names of Adhikr. Without Adhikr--the Permission of Lord--none can become a believer as told in the verses 8: 2-4 and 10: 100. See the explanation 2: 2-4; 3: 91 and 4: 91.

44. Indeed, We have revealed the Thourath, in It there are the Guidance and the Light. The Prophets who submitted whole to the Lord Allah judged for those who became Jews. The rabbis and priests who were entrusted to keep Lord Allah's Book were witnessing upon It. So you don't fear mankind, and you fear Me alone and you don't purchase miserable price with My verses; and whoever doesn't judge with what Lord Allah has revealed, then such are the disbelievers.

The portions of Lord's Book Adhikr which was revealed to Moosa is known as Thourath. It is the Guidance and Light. The Prophets after Moosa, the Rabbis and priests were entitled to keep up the Book and to judge with It among mankind. But later people deviated from Lord's Book and became Jews. During the time of Prophet Mohammed in Medina, the Jews and Christians were the people of the Book.

Adhikr mentioned in 59 places in the Book such as in the verses 15: 6, 9; 16: 44 and 41: 41-42 is Lord's Book for entire worlds as explained in the verse 2: 99. Therefore, Muslims- the original Mujirims- who are bearing Adhikr are the true disbelievers from mankind by hiding and rejecting It. Believers are commanded

to fear only the Lord Allah, and not to fear anyone else. See the explanation 2: 174-175; 3:187 and 4: 150-151.

45. We had prescribed upon them in It that indeed the soul for a soul, and an eye for an eye, and a nose for a nose, and an ear for an ear, and a tooth for a tooth and an equal retribution for wounds; then if anyone remits the retribution, then there is an atonement for him, and whoever doesn't judge with what Lord Allah has revealed, then such are the wrongdoers.

In order to have peace, harmony of mankind and to annihilate mischievous activities, Lord's rules and regulations should be implemented among mankind as explained in the verses 2: 178-179. Muslims who are reading all these verses have become worthless people by forgetting Adhikr as told in the verse 25:18, wrong doers mentioned in 220 places as explained in the verse 2: 254, and the worst creatures neglecting Lord's Book as explained in the verse 2: 7. They are hurrying for the end of the world by not utilizing Adhikr themselves or not giving It to others to utilise. See the explanation 3: 192 and 5: 19.

46. And we have appointed upon their footsteps Jesus, the son of Maryam, testifying what is before him from Thourath, and We have given him Injeel—Gospel; in It there is the Guidance and the Light testifying what is before It from the Thourath, and a Guidance and an Advice for the heedful.

Jesus has been appointed testifying the Book revealed from the Lord before him. And he was given Injeel—the Gospel—which is a portion of the Lord's Book Adhikr. Only heedful will utilize It as the Advice, Guidance and Light. Jesus is appointed to command and follow the footsteps of Messengers and prophets before him so that all the Prophets before him will get the portion of rewards of Jesus' deeds as explained in the verses 2: 261 and 4: 85. All the Prophets and Messengers were in Islam, and they all commanded mankind to be the devotees of Lord of the worlds just like they themselves were. See the explanation 2: 136, 213 and 3: 138.

47. And the people of Injeel may judge with what Lord Allah has revealed in It; and whoever doesn't judge with what Lord Allah has revealed, then such are the transgressors.

Today Muslims who boast as the people of the Book are not learning or teaching or following Adhikr which is the only Ticket to the Paradise as explained in the verse 4: 13. By hiding Lord's Book Adhikr, they are hurrying for the end of the world. On the Day of Judgement these worst creatures have to bear the burden of all sufferings and disasters happening to any creature in this world, and they

will be entered into the Hell as deaf, dumb and blind as explained in the verses 2: 18, 170-171 and 4: 26. See the explanation 2: 99; 3: 81-82 and 4: 140.

48. And We have sent down into you the Book with Truth testifying what is before It from the Book and as a Safeguard upon It. So you judge among them with whatever Allah has revealed, and you don't follow their whims while Truth has been come to you. We have made each among you a code of law (practical deeds) and a program. And if Allah had wished, He would have made you into single community, but He wants to test you in what He has given to you, so you rush to the best deeds, into Allah all of you will be returned, then He will notify you in what you have been differing about It.

Adhikr contains all the 312 Books and their upright Explanation as explained in the verse 2: 2. It is the Safeguard just like Lord Himself as told in the verse 59: 23. So Adhikr not only Safeguards all the previous Books, but also Safeguards the believer who holdfasts It. It will argue and witness in favor of the believers who testify and follow It as explained in the verses 3: 29 and 4: 82.

The code of law (practical deeds) were different for different Messengers whereas the way of life is the same Adhikr—the Straightpath—mentioned in 31 places in the Book as explained in the verse 2: 213.

For following the code of law, there should be a group of believers. Today since there is no such a group anywhere among Muslims, it is the time for holding Adhikr which is the Food, Cloth and Sight of human soul with the molar teeth as taught by the Three Time Knower Lord through His Messenger during his farewell pilgrimage as explained in the verses 2: 256-257.

The aim of deputing mankind into the earth is to testify with what ever they were provided as explained in the verses 2: 156-157. But the believer only understands the aim of life in the 4th phase and there by enter the Paradise in the 7th phase by utilizing all the favors and bounties bestowed from Lord under the Light of Adhikr— the Best Favor, Mercy and Bounty as explained in the verses 4: 1 and 3: 136. On the Day of Judgment, The Impartial Lord will not inform anyone about what they were differing. Instead He has fastened everyone's fate around his/ her neck as explained in the verses 1: 1 and 2: 168-169, and It will be given as an Illuminating Open Book and will be told: 'You read your Book, On This Day you are enough to reckon your account' as told in the verses 17: 13-14. It is told in the verse 16: 64 that Lord has not sent down upon Messenger the Book except for clearing whatever they are differing; and It is a Guidance and Mercy for the believing people". See explanation 2: 113, 148; 3: 104; 4: 174-175.

49. And you should judge among them with what Lord Allah has sent down, and you shouldn't follow their whims, and you beware of them that they tempt you from a part of that Allah has revealed into you; then if they are turning away, then you know that Allah wants to afflict them with some of their own offenses, and indeed most of the mankind are the transgressors.

On the Day of Judgement Lord will judge among His creatures with Adhikr—the Truth—as explained in the verse 3: 154. The believer judges with Adhikr in individual life, family life and social life in this world itself so that on the Day of Judgement Lord's Book Adhikr will witness and argue in favour of him. But the Real Mujrimis (hypocrites and their blind followers) ignoring the warning of the verses 5: 44, 45 and 47 do not judge in their individual life, family life and social life with the Book Adhikr saying that it is the duty of the Lord to judge so, and we are not the one to do so. They are not considering the Lord as Impartial and Adhikr as the Balance, Criterion and Standard to judge between mankind. They are only commanding people the forbidden things and preventing Justice—Adhikr—as explained in the verse 4: 46. See the explanation 3: 166-167; 4: 118 and 145

50. Then do they seek the judgment of ignorance? And who is the best in Judgment than Lord Allah for any people who have assured belief?

The Meccan Mushriks were not accepting Lord and His Book as the Judge. Today Lord's Book is codified as the Splendid Book, and It explains each and everything as told in the verse 16: 89. Muslim including the hypocrites and their blind followers are rejecting the Best Book-Adhikr- after receiving It. These real Mujrimis will wail on the Day of Judgment as: Oh our Lord! We have seen the sight of the Hell and have heard its roaring, so you send us back to the worldly life for doing righteous deeds; indeed we have got the Confirming Truth as told in the verse 32: 12. See the explanation 2: 4; 3: 10; 4: 36-37 and 78-79.

51. Oh you who believed! You don't take Jews and Christians as protectors, some of them are protectors of them, and whoever among you selects them, then indeed he is with them; indeed Lord Allah doesn't guide the wrongdoing people.

This verse addresses the Prophet and the believers in Medina saying that they shouldn't select their protectors from Jews and Christians, because they are not testifying Lord's Book, Messengers Moosa and Jesus. Then if any believer selects them as the protectors, he will become one among them. After 30 years of Prophet's departure, Muslims are deviated from the Straightpath. They started to learn and teach the books written by the 29 pseudo-prophets falsifying every

Prophet and Messenger. They are hurrying to welcome the 30th pseudo-prophet Antichrist. They are the wrongdoers mentioned in 220 places in the Book.

Through the verses 9: 23 it is commanded to the believers: You don't seek your fathers and brothers as protectors if they prefer disbelief over belief, and whoever among you selects them as protectors, such are the wrongdoers. Today Muslims are reading these verses, and preferring worldly and bodily life than the Hereafter. The odd believer shouldn't take any of them as protector. And if he does so, he is the wrongdoer, disbeliever and transgressor as explained in the verses 5: 44, 45 and 47. The verses 6: 144; 28: 50 and 46: 10 also end as 'indeed Lord Allah doesn't guide the wrongdoing people'. See the explanation 2: 258; 3: 28 and 4: 66.

52. Then you can see those who have disease in their hearts rushing among them; they are saying: We fear evil consequence will affect us, so Lord Allah may bring some victory or command from Him, so that they will become regretting about what they were concealing in their mind.

Hypocrites are the people having disease in their heart. Hypocrites are always seeking power and dignity not in Lord and in His Book, but in man power, wealth and organisations as explained in the verses 4: 139-140. When the Prophet and believers who were always less in number got any victory, the hypocrites were regretting about what they were concealing in their mind as explained in the verses 4: 73 and 81. They were thinking that as believers were less in number they will get defeated. Today Muslims- the true disbelievers – who are belonging to different groups falsely proud in man power and wealth. But they are suffering disgrace in this world and will have severe punishment in the Hereafter as explained in the verses 2: 85 and 5: 41.

These Mujirims are asking the believer: 'When the believer from mankind will be separated into Hijaz, if you are so truthful?' as explained in the verse 4: 159. When the Pole-shift occurs, the 30th pseudo-prophet Antichrist will appear. Then the hypocrites and their blind followers all over the world will accept him as lord and will accept his pseudo-paradise. That means their sexual fantasies with any desiring man and woman can be fulfilled. After 1 ¼ years Jesus will come and kill Antichrist. Then all other people belonging to Messenger Muhammad's community will approve Islam, and they will kill the disbelievers as explained in the verse 4: 91. In that time these original Mujrim hypocrites will regret as 'if we were with the believers'. See the explanation 3: 119; 4: 63 and 159.

53. And those who believed will ask: Are these the ones who were pledging by Lord Allah with their most solemn oath that indeed they are with you? Their deeds have become futile, and they will fall as losers.

The hypocrites who were living mingling among the believers claimed that they are the believers. But Lord Allah gave chance for believers through some incidents to identify their actual conditions. Then the believers in Medina were asking about them that are these the ones who were pedging by Lord Allah with their most solemn oath that they are with us (the believers)?. Since hypocrites are telling lies, and are the enemies of Lord, Prophet as well as of the believers, the Lord has killed them as explained in the verses 2: 35-36.

In order to accept any deed and to get response for prayer one should become a believer with Adhikr and should form belief in Lord as 6236 verses submit as explained in the verse 2: 186. Deeds of all Muslims who are serving Satan are futile as explained in the verse 2: 221. They will get Hell as a fine for wasting their life in the 4th phase by doing prayer, fasting, pilgrimage etc. without becoming a believer with Adhikr- the Permission of Lord to become believer- as explained in the verse 2: 239. See the explanation 3: 77, 120 and 4: 142-144.

54. Oh you who believed! Whoever among you turns back from his 'Dheen', then Lord Allah will bring a people whom He will love and they will love Him, who will be humble towards the believers, stern towards the disbelievers, doing 'Jihad' in the way of Lord Allah, and will not be fearing the blame of any critic, that is the Bounty of Lord Allah which He gives to any one whom He wishes, and Allah is the Wide-knower.

By hiding and rejecting Adhikr which is the Permission of Lord to become a believer, Muslims- the true disbelievers- have turned away from True way of life—Islam—as explained in the verses 2: 139; 3: 19 and 85. So the Three Time Knower Lord will entrust His Message Adhikr to other people belonging to Prophet Muhammed's community as explained in the verses 6: 89-90. Any one from other people who accepts Adhikr as the Balance and Trust to keep the universe in its equilibrium as well as the Strongest Weapon against all mischievous activities, and loves Lord and His Speech, then Lord will love him back and also will help him back. Such people will be humble to the believers, while harsh and stern towards the disbelievers. They will do Jihad with Adhikr – the strong weapon- against the hypocrites as explained in the verses 4: 150-151. Adhikr- the Bounty of Lord Allah- is formed as a Book, the Lord became Impartial, He will not lead anyone to Paradise or hell. But anyone whether male or female who receives It and testifies It, it's for his/her own sake, and if anyone who falsifies It, it is for his/her own loss as explained in the verse 2: 111. See the explanation 2: 254; 3: 90-91 and 4: 133.

55. Indeed your Protector is Lord Allah, His Messenger and those who are believers who are keeping up prayer, paying the welfare tax and are obedient.

56. And whoever is selecting Lord Allah, His Messenger and those who are believers; then indeed the party of Lord Allah is the only triumphant.

Believers are belonging to the Believer Lord's single party from the first man Adam to the Last Day. They will not love the Muslims who are differentiated into different groups even though they are the parents, sons, daughters, brothers or close relatives as told in the verse 58: 22. All the Muslims who are hiding and rejecting the verses of Lord's Book Adhikr are the disbelievers, Mushriks, Mujrimis, transgressors and the inmates of the hell fire from the mankind. They are belonging to the party of Satan as explained in the verses 4: 70 and 144. See the explanation 2: 257; 3: 102 and 4: 59.

57. Oh you who believed! You don't select as protectors those who treat your 'Dheen' as a play and amusement from among the ones who were given the Book before you and the 'Kuffar'; and you heed Lord Allah if you are believers.

The Jews and Christians of Prophet's period were mocking Islam which is the only way of life accepted by the Lord as explained in the verse 3: 19. The Kuffar mentioned in this verse is the hypocrites who are repeatedly hiding and distorting the verses of Lord. They have been killed by the Impartial Lord. These human Satan are the enemies of Lord, Messenger and believers.

Today all the literate Muslims are included in Kuffar, and so the hypocrites and the followers of the Muslims will be killed by the second coming of Jesus as explained in the verse 3: 110. Believer is the one who has transformed his soulmate mentioned in the verse 43: 36-39 into a believer and who has kept Lord Allah- the Muhaimin- in his heart with Adhikr- the Muhaimin. See the explanation 3: 79-80,186 and 4: 135.

58. While you are calling for prayer they take it as play and amusement; that is because they are the people who don't utilize their intelligence.

The Jews in Medina during the period of Prophet also had this behavior and character. But today not only other people are mocking and ridiculing Muslims while calling for prayer, but the Muslims who are deviated into different groups and have made separate mosques are also ridiculing each other by conducting Adhan (Call for prayer) through loud speakers. The ridiculing of people other than Muslims towards 'Adhan' is because of the worst and evil life style of Muslims who are performing prayer, fasting, Hajj etc; and so the punishment for

other people's ridiculing should be borne by Muslims- the true disbelievers- who bear Lord's Book as donkeys are carrying burden. Actually by this Muslims are mocking and ridiculing Islam. These aimless and heedless disbelievers and Mushriks will get Hellfire as a fine which they are not earning here deliberately. That is because they are not preparing Paradise in this 4th phase as explained in the verse 2: 286. All their deeds are futile and they are the worst creatures as mentioned in the verse 8: 22. They will be dragged prone on their faces into the Hell as explained in the verse 3: 69. See the explanation 2: 44 and 3: 196-197.

59. You ask: Oh people of the Book! What made you for revenging towards us except that we believed with Lord Allah and what has been sent down into us, and what had been revealed previously? And indeed most of you are the transgressors.

Today Muslims of the entire world are reading these verses. They are the 999 out of each and every 1000. They are following the books written by the 29 pseudo-prophets and hypocritical scholars as explained in the verse 2: 79. The odd believer only reads and holdfasts the Three Time Knowledge Adhikr from the Three Time Knower Lord. As the believer is holding fast Adhikr which is the Rope extended from the Paradise to the Earth, the other people belonging to Muhammad's community do not have any problem or enmity towards such odd believer. But the worthless people and original transgressing people mentioned in the verses 14: 28-29; 25: 18 and 48: 6 are always having enmity towards the believer and whenever they get a chance, they use it maximum. Believer does not obey or fear these Mujirims serving Satan, instead will do Jihad against them with the Safe guard Adhikr. The Ultimate Victory in this world as well as in the Hereafter will be for the believers who are testifying and following the Best Book Adhikr as explained in the verses 2: 159-160. See the explanation 2: 99; 4: 61 and 5: 49.

60. You ask: Shall I inform you worse than that as recompense from Lord Allah? They are those whom Allah has cursed, and His wrath is happened upon them, and made from among them the monkeys and swine, and those who worshiped 'Thaghooth' (arrogant evil forces); such are in the worst place and are more strayed from the Straightpath".

By revealing this verse the Lord Commands Messenger to tell the Jews of his period that we believed in Lord of the worlds and all the Books revealed from Him, but you by hiding and rejecting the verses of Lord have become transgressors, and you are keeping revenge against us for that. You and your forefathers are cursed and some of them had been transformed into apes and swines as explained in the verses 2: 65-66.

As told in the verse 5: 114 when *Jesus* prayed as “Oh our Lord, You send down for us a food tray from Heaven as a sign from You and as a feast for the first and last of us”, Lord answered as told in the verse 5: 115 “I will send it down to you, but if any of you disbelieved after that, I will punish him with a punishment which I have never punished anyone in the World”. Thus Allah sent it down from the Heaven, and Jesus with disciples and more than 4000 Jews ate from it. Some of the Jews who ate from the feast became suspicious about it as whether it was from the Heaven or from the earth itself. Thus they defied the sign of the Lord and due to their deliberate transgression they were transformed into swines.

The Jews in Medina were serving arrogant Satan instead of the Lord, and they had many superstitions as explained in the verses 4: 51-52. Today Muslims who are reading these verses are worse than Jews of that time. Since the hypocrites hid and rejected the Message which is meant for entire mankind, Lord's wrath and curse are affected upon them as told in the verses 2: 159-160; 48: 6 and 16: 107. According to the verses 25: 34; 8: 22 and 55 these worst creatures are the most strayed and they are in the worst place. They will be gathered in the Hell since they are not hearing the Book Dhikree mentioned in 6 places in the Book such as in the verse 18: 101; 20: 14 and 38: 8. These worthless people are not serving Lord and are not following any of the Prophets including Muhammed. They are hurrying for the end of the world as explained in the verse 2: 257. By the second coming of Jesus, other people will kill them and thus the command of the verses 4: 91; 9: 123; 33: 60-61 and 33: 72-73 will be implemented. In the Hereafter, they will dwell in the Hell in the form of swine, dog, bandicoot, monkeys, donkeys etc. See the explanation 1:7; 2: 85 and 166-167.

61. `And when they come to you, they say: Indeed we believed, surely they entered with disbelief and they left with it, while Lord Allah is Knowing what they have been concealing.

This verse reveals the character and habits of hypocrites and Jews at Medina who came to Prophet for asking doubts and left him by increasing their disbelief as explained in the verses 3: 78; 4: 46 and 5: 41-42. Today the hypocrites and their blind followers do not attend Adhikr explaining classes. But these disbelievers mentioned in the verse 3: 10 will conduct Qur'an classes explaining only meaning, which is only the Life of the Book. It is commanded through the verse 51: 50 that "You rush into Lord" which means you rush into the place where Adhikr is explained. But accidentally if these hypocrites and their blind followers happen to attend such classes, they will run from there as wild donkeys run away hearing the lions roar as told in the verses 74: 49-51. They are not utilizing Lord's Book and not giving It to other people by doing so they are not destroying anyone except themselves, but they perceive it not as explained in

the verse 3: 108. Read together 47: 16 and 39: 23.. See the explanation 2: 8-11 and 5: 41.

62. And you will see many of them hastening in sins and enmity and eating the forbidden things; what an evil they have been doing!

Lord's wrath affected hypocrites and gone astray blind followers as explained in the verse 1: 7 are carrying Lord's Book like donkeys are carrying burden as told in the verse 62: 5. They are thinking and boasting that they are the people of Lord and Prophet while they by rejecting Lord's Book are following all Satanic footsteps as explained in the verses 2: 168-169. Actually, they are filling Fire in their bellies as explained in the verses 2: 174-176. Their hypocritical leaders are eating the wealth of mankind and they are preventing them from Adhikr—the Straightpath—as explained in the verse 3: 64. They are the worst among creatures as told in the verse 8: 22; 98: 6. Lord's Book is revealed in order to form harmony of mankind and to maintain peace as explained in the verses 2: 213 and 4: 1. See the explanation 2: 93, 188 and 3: 181-182.

63. Why did not their rabbis and priests prohibit them from speaking sinful words and eating forbidden things? What an evil they have been producing!

The Rabbis and priests mentioned in the verse were from the Jews and Christians during the period of Prophet in Medina. Today Muslims are the people who bear Qur'an. Their different organizational leaders are the hypocrites and they are eating and encouraging common people to eat forbidden things. Thus they have made permissible the Hell—house of the worthless—to the common people as explained in the verse 4: 19. They are the transgressors who are even hiding the names of the Splendid Book. They are following Jews and Christians inch by inch and cubit by cubit as explained in the verse 2: 44. "What an evil they have been producing" told in the verse means that they are not destroying themselves but they are also destroying their offspring by doing all these. They are filth as told in the verse 9: 95, and for them Adhikr will increase nothing but filth over filth as told in the verse 9: 125. See the explanation 2: 168-169, 204 and 4: 85.

64. And the Jews say: Lord Allah's hand is tied up, their hands are tied up, and they are cursed because of what they said! Nay, both of His hands are widely outstretched, He Spends as He Wishes, whatever is sent down to you from your Lord increases many among them arrogance and disbelief, and We have placed enmity and wrath among them until the Day of Judgment. Every time they kindle a fire for war, Allah extinguishes it out,

they are hastening for spreading mischief on earth, and Lord Allah doesn't love the mischief makers.

When the hypocrites and Jews in Medina were commanded to spend money in the way of Lord, they were telling that "Lord Allah has become poor and we have become rich" as explained in the verses 3: 181-182. Being a reply for their mockery this verse is revealed. Their concept about Lord was false. Adhikr revealed to Messenger Muhammed increased their arrogance and disbelief. That is why Lord placed enmity and wrath among them until the Day of Judgment. But today Muslims are reading these verses. They neither testify nor give Adhikr to mankind. As explained in the verses 2: 59-61, they are having enmity among themselves. The Mujirims mentioned in 50 verses in the Book are serving Satan and are following 29 pseudo-prophets. Thus, they are hurrying for the coming of 30th pseudo-prophet Antichrist. They are in front of every heinous activities like murdering, theft, robbery, smuggling, human trafficking, drug trafficking, sodomy and rape. By the second coming of Jesus, these worst people Muslims all over the world will be killed by the other people who will approve Adhikr and Islam as explained in the verse 4: 91. The hypocrites and their blind followers will enter the Hell—Satan's paradise—as deaf, dumb and blind as explained in the verses 2: 254; 4: 140. See the explanation 2: 11-12; 4: 49 and 5: 54.

65. And if the people of the Book becomes believers and heedful, We will certainly cancel their evils from them, and We will enter them to the Paradise full of Bliss.

66. If they had only kept up the Thourath and Injeel and whatever has been sent down to them from their Lord, certainly I would have fed them from above them and from beneath their feet; among them there is a moderate community, while most of them are doing evils.

Adhikr containing all the previous 312 Books and their upright Explanation is codified by the Three Time Knower Lord mentioned in the verse 25: 58 through the Three Time Knower mentioned in the verse 25: 59. And It is meant for whole mankind as explained in the verse 2: 107. It's the Balance and Trust to keep the universe in its equilibrium. If anyone from the other people belonging to Prophet's community, believe in Lord and does righteous deeds beneficial for whole creatures, he/she has his/her rewards near the Lord, and there shall be no fear upon them, and for them will not be grieved as explained in the verse 2: 62. And in the case of Muslims, if they don't become believer with Adhikr and don't convey It to others, they will enter the Hell which they were not earning deliberately as explained in the verse 2: 286. Read together 7: 96. See the explanation 2: 195, 209 and 3: 136.

67. Oh you Messenger! You convey whatever has been sent down to you from your Lord, and if you didn't do so, you didn't have convey His Message, and Lord Allah is enough to protect you from mankind, indeed Lord Allah doesn't guide the disbelieving people.

All the 313 Messengers from Nooh to Muhammed is given one Message which is Adhikr. It is the Letter from the Lord to the entire mankind. Prophet Muhammad conveyed It to the people of his period as much as he could, as well as his companions. But after 30 years of his departure, Islam was deteriorated and 999 out of 1000 Muslims became true disbelievers as explained in the verses 4: 150-151. They didn't try to learn or teach people Adhikr. Instead by the influence of Jews and Christians, they started to promote the books written by the 29 pseudo-prophets and hypocritical leaders as explained in the verses 2: 78-79 and 3: 78. So these disbelievers can never understand Adhikr and they will be never guided.

The odd believer holdfasts the Lord by holding fast Adhikr—the Unbreakable Rope—and conveys It to the entire worlds for forming harmony of mankind as well as extending the life of universe. He always tries to spread the Light of Lord –Adhikr- where as the disbelievers always try to extinguish It. See the explanation 2: 99; 3: 108 and 5: 48.

68. You say: Oh people of the Book! You are not upon anything until you keep up Thourath and Injeel, and whatever has been sent down into you from your Lord; Certainly what has been sent down into you from your Lord wil increase for most among them arrogance and disbelief, then you don't despair upon the disbelieving people.

The verse commands the Prophet to say the Jews and Christians in Medina that they are good for nothing until they follow and testify Lord's Book—Thourath, Injeel and the last version of the Book Adhikr which testifies and safeguards all the 312 previous Books and their upright Explanations as explained in the verse 5: 48. But 999 men out of each and every 1000 will be entrapped by Satan as explained in the verse 4: 118. 'You don't despair upon the disbelieving people' means that you are not sent as a custodian upon anyone. Today these verses are read only by the Muslims. They neither follow nor testify the Book and so they are the worthless people as told in the verse 25: 18. They all are carrying the Body of Lord's Book like donkeys are carrying burden rejecting the verse 62: 5. The similitude of these aimless and heedless people is that of a dog which never changes its attitude whether disturbed or not as told in the verses 7: 175-176.

Because of all these they have to bear the burden of all destructive and mischievous activities that are happening anywhere in the world, and have to enter the hell. They will perish their life witnessing that they were disbelievers as told in the verses 7: 37 and 39: 59. Adhikr will increase nothing but filth over filth for such Mujirims as explained in the verse 2: 14. See the explanation 3: 72,138 and 5: 60.

69. Indeed those who believed and those who are Jews, and the Sabeans and the Christians, whoever believes with Lord Allah and the Last Day and are doing righteous deeds, then upon them there shall be no fear and for them will not be grieved.

Since Adhikr is the Permission of Lord to become a believer, Muslims who carry the Book will not enter the Paradise without becoming a believer with It. Instead they are the fuel of Hellfire since they are not utilizing It themselves or not giving It to others as explained in the verses 2: 166-167 and 4: 140. All other people from the mankind such as Jews, Christians, Buddhists etc. have not received the latest form of the Book—Adhikr. So, if they believe with the Lord, the Day of Judgment and do righteous deeds beneficial for the 1000 communities of creatures, they will be sent to any worlds other than the Paradise or Hell after drinking from the Kouther Lake as explained in the verse 3: 107. See the explanation 2: 62; 3: 100 and 4: 44.

70. Verily We had made an agreement with the children of Israel and We had sent the Messengers to them. Whenever each Messenger came to them with whatever against their whims, they rejected some of them, and they were killing some of them.

The verse expresses the characters and habits of Jews and Christians at the time of Prophet. They had killed many Prophets, but didn't kill any Messenger. It is because Messengers are deputed with Lord's Message and so the Angels are there with them. Jews tried to kill Jesus and Prophet Muhammed as explained in the verses 4: 157 and 5: 11. Today the true disbelievers (Muslims) are serving Satan and are following 29 pseudo-prophets by hiding and rejecting Lord's Book Adhikr. They don't realize that the Safeguard of Adhikr is undertaken by the Lord of the worlds as explained in the verse 2: 2. See the explanation 2: 146; 3: 20-22 and 4: 91.

71. They reckoned that there would be no sedition, thus they acted blind and deaf, yet Lord Allah turned upon them; then again many among them acted as blind and deaf, and Allah is the Observant with whatever they are doing.

The concept of Jews in Medina about Lord was false and evil. They acted deaf, dumb and blind against Lord's Book—Adhikr. Today the Muslims all over the world have become transgressors by hiding and rejecting Adhikr. They are worse than Jews and Christians of that time as explained in the verses 2: 18 and 171. These real Mushriks instead of trying to form unity of mankind are trying to form unity of Muslims by disagreeing in the Book and are strayed than that of any other people as explained in the verses 2: 113 and 3: 103.

Today all other people including Jews are utilizing intelligence to an extent, and so they are less in committing mischievous activities whereas the Muslims are in front of all such Satanic footsteps. Muslims are hurrying for the coming of Antichrist. They will accept him as Prophet at first and later even as Lord. By the second coming of Jesus and killing Antichrist with his 70,000 Jewish soldiers who were pleasing the worst creatures (Muslims), other people will approve Islam and Jesus and will kill the Muslims as explained in the verse 4: 90-91. See the explanation 2: 168-169; 4: 158-159 and 5: 36.

72. Verily those who say that Indeed Lord Allah, He is Jeus, the son of Maryam, have disbelieved; while Jesus told, “Oh children of Israel! You serve Allah, my Lord as well as your Lord, indeed anyone who associates others with the Dominion of Lord Allah, then verily Allah has forbidden upon him the Paradise, and his abode is the Fire, and for such wrongdoers will not have anyone from helpers.

According to this verse the Christians during the period of Messenger Muhamed who were rejecting him and Lord's verses were disbelievers since Messenger Muhammed witnessed among them the True way of life satisfied by the Lord Allah as explained in the verses 2: 143 and 3:19. But after the 30 years of Prophet's departure, Muslims have been disintegrated into different groups and started to follow pseudo-prophets rejecting and forgetting Adhikr. Thus they are the true disbelievers and Mushriks as explained in the verses 4: 150-151, and are the inmates of the Hell from mankind as explained in the verse 4: 78.

Today the Splendid Book Adhikr is formed as a Book through the Three Time Knower mentioned in the verse 25: 59, and thus the Lord has become Impartial. So any male or female by utilizing Adhikr as a Ticket to the paradise as well as Safeguard against all calamities, disasters and hellfire can return into the Paradise as explained in the verse 3: 184. See the explanation 2: 254; 3: 196-197 and 4: 48.

73. Verily those who say that indeed Allah is third of the three have disbelieved, there is no deity except the One Deity, if they aren't stopping

from their saying, certainly a painful punishment will afflict the disbelievers among them.

Most of the Christians during Prophet's period were against Adhikr. But some among them politely heard his teachings and obeyed him as explained in the verse 3: 199. Today Christians are having different opinions about Jesus. Some of them believe that Jesus is the son of Lord, some believe that he is the father and some believe that Angel Jibreel (holy spirit) is the Lord etc. They don't have a unique belief in any matter just like the Muslims of today. But Christians are not reading the latest form of Lord's Book which is in Muslims' hand. So the Muslim people have become transgressors by hiding and rejecting Adhikr as explained in the verse 2: 99. They are having evil concept about Lord, His Book, Messengers and Prophets including Jesus and Muhammed. By the second coming of Jesus, most of the Christians, Jews except 70,000 Antichrist's soldiers and all other people will approve Jesus, Muhammed, Islam, Adhikr and the Lord of the universe. They will kill the disbelieving Muslims for having world peace. See the explanation 4: 158-159, 171 and 5: 47.

74. Then are they not repenting towards Lord Allah and are not seeking His forgiveness? And Lord Allah is the Oft-forgiving, the Merciful.

Today all the people including bearers of last Book Qur'an are not having the real belief. Muslims have become the true disbelievers by hiding and rejecting Adhikr after receiving It as explained in the verses 3: 21-22. The odd believer who will enter the Paradise should do Jihad with Adhikr against the hypocrites and their blind followers Muslims as explained in the verse 3: 119. See the explanation 3: 17-18; 4: 17-18 and 63.

75. Maseeh, the son of Maryam, is none except a messenger, many Messengers have already passed before him, his mother is truthful, both of them were eating food, you see how We are explaining the verses for them, then you see how are they deluded!

The Three Time Knower Lord is informing the real facts about the Prophets and Messengers. This verse is saying about Jesus who is one among the 313 Messengers from the Lord. All the prophets were eating and drinking like all other humans. Today Muslims are only reading these verses. Even the Christians at the time of Prophet didn't get a Book describing all these matters. The first copy of the Book was formed at the time of 1st Khalifa Aboobacker. After 30 years of Prophet's departure Muslims started to deviate from Lord's Book as explained in the verses 3: 7-10, and followed the books written by the 29 pseudo-prophets and hypocrites. Therefore, today the odd believer should convey Adhikr which explains each and everything to the entire mankind aiming to extend the earth's

Pole-shift and thereby the appearance of Satan Antichrist. The appearance of Antichrist is the one of the 10 crucial signs of the Last Day as explained in the verse 6: 158. See the explanation 3: 49, 144 and 4: 172.

76. You ask: Are you serving others besides Lord Allah who don't have power for harming or benefiting you? And Allah alone is the All-hearing, the All-knowing.

Last form of the Book—Adhikr—is formed in order to form faith and concept about Lord, Angels, Messengers, Books, Day of Judgment, aim of life etc. as explained in the verses 2: 283-284 and 4: 133. The Lord of the universe had decided what should happen in the universe and had prescribed it in His Book as explained in the verse 2: 255. All the 6236 verses teach us that there is no Deity except Allah Who is the Lord of the worlds. But Muslims who consider the Book as filth have been deviated from the Straightpath Adhikr, and so upon them the wrath and curse of Lord are afflicted, and Lord has kept prepared the Hell for them as explained in the verse 1: 7. See the explanation 2: 152, 234; 4: 60 and 128.

77. You say: Oh People of the Book! You don't exceed the boundaries in your Dheen beyond the Truth, and you don't follow the whims of people who are already strayed before, and have made strayed many, and they strayed from the single way—the Straightpath”.

The people of the Book mentioned here is Christians. The people who are already strayed before and made strayed many are the Jews in Medina at the time of Prophet. The Christians of Medina are advised not to follow the vain desires of Jews. Remember that during the period of Prophet Lord's Book was not codified. So the people of that time couldn't read these verses and were unable to attend Prophet's speech. But today Adhikr which is the Straightpath mentioned in 31 places in the Book is formed as the Splendid Book which is the Food, Cloth and Sight of human soul. But the human devil hypocrites are knowingly hiding even the 40 names of Adhikr, while the blind followers of them by eating the body of the Book (Arabic Text) are darted away from Islam as an arrow is darted from the bow as explained in the verse 2: 43. Today the worst creatures Muslims are involved in killing, bloodshed and such mischievous activities than Jews, Christians and any other people who have not even read these verses. While other people are trying to form harmony of mankind and peace to an extent Muslims are involved in pseudo Jihad which is in the cause of Satan. These worthless Muslims are seeing the sexual organs of opposite genders in their hearts while praying as told in the verse 38: 24. By the coming of Antichrist, he will fulfill their wild sexual ambitions and let them enjoy his pseudo-

paradise in this world. They will be killed by other people after the second coming of Jesus. In the Hereafter they will be dwelling in the Hell as coincided with the sexual organs of males and females where there will be no vacant place even to insert a needle as explained in the verse 6: 28. See the explanation 3: 90-91; 5: 41 and 60.

78. The disbelievers from the children of Israel have been cursed by the tongue of Davood and Jesus, the son of Maryam, that was due to their disobedience and that they were the aggressors.

Due to the disobedience and extreme aggression, Lord transformed some among the Jews into apes as explained in the verses 2: 65-66. Some among them were transformed to swine for doubting about the food tray sent from Heaven by the praying of Jesus as explained in the verse 5: 60. And during the period of Moosa itself, they were prohibited from entering the promised land as explained in the verses 5: 20-26. The wrath affected people at the time of Prophet Muhammed were the Jews and hypocrites, and the gone astray people were the Christians. But after 30 years of Prophet's departure Islam was deteriorated and Muslims have become the disbelievers by the influence of Jews, Christians and the hypocrites as explained in the verses 3: 72 and 186. Today the hypocritical leaders of Muslims are the wrath affected people whereas their followers common Muslims are the gone astray people. The odd believer while reading the verse 1: 7 should pray by his heart not to include among such people. Allah's wrath is happened upon the hypocritical men and women as well as the Mushrik men and women as told in the verses 48: 6 and 98: 6. They are the inmates of the Hell from mankind as explained in the verse 2: 39. See the explanation 2: 61, 159-161 and 4: 140.

79. They were not preventing one another the prohibitions they were doing, how wretched is they had been doing!

The verse discusses the characters of Jews during the period of Prophet. But there was not a codified Book for them at that time. Today Muslims who are reading these verses in the Book, instead of testifying and following It are focused in propagating books written by the pseudo-prophets and hypocrites. Their hypocritical leaders even don't disclose a single name of Lord's Book to the mankind. They have become the Mujrimis as explained in the verse 4: 74. This true disbelievers are commanding evils and are forbidding wholesome things and are serving satan instead of Lord Allah. They utter Qur'an and Allah by their tongue while their heart do not testify it as explained in the verse 5: 41. These transgressors by forgetting Lord Allah and the aim of the life are preferring bodily and worldly life than the hereafter. They do not spend their wealth for spreading

and propagating Lor'd Book Adhikr through out the world. Adhikr is the Splendid Book, the Balance and Trust to keep the universe in its equilibrium as well as the Ticket for returning into the Paradise and the Safeguard against all disasters and the Hell. It is told in the verse 16: 44 that Adhikr is revealed upon Messenger Muhammad which contains all the 312 Books revealed before and their upright Explanation for the entire mankind in order to explain them what is revealed to them and that they may meditate and reflect to others. See the explanation 2: 254; 3: 110-112 and 196-197.

80. You can see many of them selecting the disbelievers as friends, what a wretched they are earning ahead for themselves! Lord Allah's Anger is upon them, they will abide in the punishment forever.

During the time of Prophet, Jews were selecting hypocrites instead of believers as their friends. Thus, they earned Hell as explained in the verse 2: 85. But today Jews or Christians are not reading these verses, but only Muslims are reading theses verses. Their human satan hypocritical leaders are gathering common Muslims to their organisations for increasing their numbers and there by getting power and influence as explained in the verses 4: 137-139. They are the enemies of Lord Allah, Messengers and believers as explained in the verse 2: 36. It is explained in the verse 4: 118 that in each and every 1000 human, 999 will go to the Hell while only 1 will go to the Paradise by holding fast Adhikr. See the explanation 4: 140.

81. If they had believed with Allah, Messenger and with what has been sent down to him, they would not have adopted them as their patrons, but indeed many among them are transgressors.

If the hypocrites in Medina had actual belief with the Lord, the Prophet and the Book, they would not have selected Jews as their patrons. Today these transgressors are actually serving Satan and are selecting him as their protector as explained in 4: 117. Muslims who read these verses are carrying Lord's Book as donkeys are carrying burden. They neither utilize It by themselves nor give It to others for utilising as the Balance and Trust to keep the universe in its equilibrium. They are following 29 pseudo-prophets and are welcoming the 30th pseudo-prophet Antichrist. They are earning the Hellfire instead of Paradise as explained in the verses 2: 186, 286 and 3:181-182. See the explanation 2: 99 ; 4: 144 and 5: 47-49.

82. Certainly you can find the most hard in enmity to the believers among the mankind are the Jews and those who associate others with Lord Allah, and you can find affectionate towards those who believed, among those

who say “indeed We are the helpers”, that is because among them there are heedful devotees and the monks, and they were not arrogant.

In Medina when this verse was revealed, the Jews and the Meccan Mushriks who associate others in the Dominion of the Lord had enmity towards the Prophet and believers. The Christians were saying that indeed we are the helpers of Lord as explained in the verse 3: 52, and some of them were having affection towards the believers. Today Muslims are reading these verses whereas the Jews, Christians and other people are not. After 30 years of prophet's departure Muslims who are reading Lord's Book became into three groups as explained in the verse 3: 7. Muslims are the true disbelievers and Mushriks and they are included in the party of Satan as explained in the verses 4: 150-151. So these transgressors are having severe enmity against the believers who belong the Lord's party. The odd believer will do Jihad with Adhikr against the hypocrites and their followers as explained in the verse 3: 13, and propagates the Message of Lord to the entire world irrespective of nation or religion aiming to form harmony and peace of the mankind. See the explanation 2: 174-176 and 3: 17.

83. And if they hear what has been sent down to the Messenger, you will see their eyes overflowing with tears because of the Truth they recognized; they are praying: Our Lord! Indeed we believed, so you enroll us with the witnesses.

84. Why don't we believe with Lord Allah and the Truth that has come to us, while we are wishing our Lord to admit us along with the honorable people?

The character of the Christians who were hearing Lord's verses during the period of Messenger Muhammed is explained through this verse. The Truth mentioned in the above two verses is Adhikr. Today other people like Hindus, Buddhists especially the monks among them if receives Adhikr, they will be ready to accept and understand It. The human devil hypocritical transgressors will not utilise and not give the Book to other people since they are the enemies of Lord Allah. They are hurrying for the coming of Antichrist for enjoying his pseudo-paradise here as explained in the verse 3: 179. By the second coming of Jesus they all will be killed by the other people who will approve Islam and Jesus as explained in the verse 4: 91. See the explanation 1: 6; 3: 199 and 5: 69.

85. So Lord Allah will reward for their prayer, the Paradise beneath which rivers are flowing, and there they live in forever, and that is the reward for the Muhsins.

Muhsin is the one who lives by seeing the lord. Since the Book Husna (the Best) is formed, Muhsin is the one who lives under the Light of the Book 'Husna' which is one of the forty names of Adhikr. Any Muslim who hides and rejects Adhikr, at the time of his death Lord will tell him that he was among the disbelievers as explained in the verse 4: 70. See the explanation 2: 112 and 185-186.

86. And those who are hiding and rejecting Our verses, such are the inmates of Hades.

The Qur'an reading hypocrites are hiding Adhikr while their blind followers (Fujjar) are rejecting It. So, they are the inmates of the Hades. It is told in the verse 82: 14 that indeed the Fujjar are in the Hades. Fujjar mentioned here and in the verse 83: 7 include both the hypocrites and their blind followers. The ledger of each and every Muslim is in the Sijjeen which is situated in the Hell. The odd believer by utilizing the Insight mentioned in the verse 6: 104 will change his record from *Sijjeen* into *Illiyeen* which is situated in the Paradise. Hypocrites and their blind followers are the Mujirims, for whom the doors of the Heavens will not be opened nor will they enter Paradise until a camel passes through the eye of a tailor's needle as told in the verse 7: 40. See the explanation 2: 39; 4: 56 and 5: 10.

87. Oh you who believed! You shouldn't make as forbidden the wholesome things which Lord Allah has permitted to you, and you don't agress, indeed Allah doesn't love the agressors.

88. And you eat lawful and wholesome things which Allah has provided to you, and you heed Lord Allah with whom you have believed.

Like all other verses, this Medina revealed verse is also only read by the Muslims all over the world. But by rejecting all the 6236 verses of Lord they are following books written by the human devil hypocrites as explained in the verse 2: 79. These worthless people mentioned in the verse 25: 18 are eating and drinking forbidden things than any other people, and are following Satanic footsteps in all aspects of their life as explained in the verses 2: 168-169. They are only eating livestock and chickens by killing and not farming them. The hypocritical leaders of them by hiding Lord's Book are encouraging their followers to earn through illegal ways, and they are accepting a share of such illegal earnings rejecting the command of Lord's verses 5: 62-63. They are making Adhikr which is Lord's Favor in to disbelief and are making permissible the Hell-house of worthless- for their followers as told in the verses 14: 28-29. The odd believer is commanded to tell these worthless people: 'You enjoy here a little, indeed your returning is into the Fire' through the verse 14: 30. Due to their mischievous aggression the Impartial Lord prohibited to them even the wholesome cattle for food through

other people. But these mad and aimless people will blame their rulers and other people for this. They never agree the fact that evil is happening to them due to their own hands as explained in the verses 4: 78-79. All these evils are happening to them due to their negligence towards Adhikr and that they are hiding and rejecting it. See the explanation 2: 172-173 and 278.

89. Lord Allah will not hold you for your unintentional oaths, but He will hold you for your solemn oaths, then ransom for breaking the oath is to feed ten indigents with the food you are normally providing to your own family, or to give clothing to them or to free one slave, then if anyone can't afford any of these, he should fast three days, that is the ransom for your oath if you breach it; and you keep up your oaths, thus Allah is explaining to you His verses so that you may be grateful.

The believer who is endowed with intelligence remembers the Lord in his standing, sitting and laying as explained in the verses 3: 190-191. So, he will be in the conscious that all his thoughts and deeds after the age of 15 are being recorded in Lord's Book fastened around his neck as explained in the verse 1: 1. He will not think even an evil thought against this. He also keeps his promises always, and if it happens to break any promise he will do apt compensation for it as explained in this verse. But Muslims who are the true disbelievers mentioned in 520 places in the Book are not bothered about the do's and don'ts of Lord's Book. These Mujirims who are serving Satan without utilizing their intelligence are considering this wordly life as play and amusement forgetting Adhikr which induce the aim of life. So the read, heard and touched Qur'an will argue and witness against them, and they will be dragged into the Hell prone on their faces as explained in the verse 4: 43. See the explanation 2: 152, 234 and 4: 82.

90. Oh you who believed! Indeed liquor, gambling, idols and arrows are the filthy from the deeds of satan, so you avoid him so that you may prosper.

91. Indeed Satan only intends to make enmity and hatredness among you with liquors and gambling, and to obstruct you against the Remembrance of Lord Allah and against the prayer; So aren't you abstaining?

This verse is revealed in Medina as the 3rd stage of liquor prohibition, prohibiting gambling and offering cattle to other than Lord. All such antinatural things are filthy deeds of satan. So, believer has to avoid not only the things prescribed in this verse, but should also avoid everything from satan in the whole sects of life. Satan always intends to have split among mankind and to have disintegration among the believers, and to encourage them to forget Lord Allah and the aim of life. Satan also encourages to associate others in the dominion of Allah. It is satan's goal to form different groups and organizations among Muslims to make

his party large in number as told in the verse 58: 19. Actually believer invites mankind in to Lord Allah's party as told in the verse 58: 22, or atleast remind the people for the unity of the mankind. Satan does not prevent any one from reading Arabic Qur'an, but he prevents from Adhikr-the Wise Reminder- as told in the verse 25: 27-29. See the explanation 2: 168-169 and 3: 101-103.

92. And you obey Lord Allah and you obey the Messenger, and you beware! Then if you are turning back, you know that indeed the duty upon Messenger is only the manifest delivery.

This verse is repeated in the verse 64: 12. The verse 13: 40 is also having the content 'your duty is to deliver the Message, and upon us is the duty of Reckoning'. It is told in the verse 36: 70 that Adhikr is revealed for reminding the one who is alive, and to happen the word of punishment true upon the disbelievers. That means the Impartial Lord will not make enter anyone into the Hell until he himself witnesses that he was a disbeliever. Today Muslims all over the world are reading these verses, but they are not following any of the 6236 verses. The hypocrites among them even don't utter any of the 40 names of the Splendid Book, thus they will enter the Hell even without the Trial as explained in the verse 4: 145. Their followers will be led to the Hell after the Trial as explained in the verses 4: 36-37.

Nobody can lead anyone to the Paradise or Hell, so each individual should take Adhikr as the Ticket to the Paradise as well as Safeguard against the Hell as explained in the verse 2: 119. See the explanation 2: 106-107; 4: 80 and 5: 67.

93. There is no blame on those who believed and do honorable deeds for what they had eaten before provided that they are heedful and believed, and do honorable deeds, and again they are heedful and believed, and they are heedful and they are testifying Husna; and Allah loves the one who lives under the Light of the Book Husna.

This verse teaches that if anyone had committed forbidden things before getting the Real Knowledge Adhikr, there is no blame upon him provided that they should become believers with the Book and should follow Its do's and don'ts testifying It as it should be testified, and should do apt ransom for the sins. Since Adhikr is the Best Book and Speech of the Three Time Knower Lord for the entire mankind, whoever holdfasts It should not forget Lord in any sector of his life, and such are the one endowed with intelligence as explained in the verses 2: 256-257 and 3: 190-191. But today the hypocrites who have been killed by the Lord for hiding Lord's Book knowingly, and their blind followers who reject It will be gathered in the Hell altogether as explained in the verses 2: 39 and 4: 140. See the explanation 3: 136; 4: 174-175 and 5: 83-85.

94. Oh you who believed! Lord Allah will surely test you by means of hunting animals that will reach in your hands and your spears, in order to know to Lord Allah who fears Him unseeingly; then whoever agresses after that, then he has painful punishment.

This verse revealed in Medina concerning the rules and regulations of the pilgrimage to be followed as explained in the verses 5:1-2. Here this verse is reminding the pilgrims that they will be tested by means of hunting animals passing near them. The believer is afraid of Lord unseeingly as told in the verses 36: 11 and 67: 11. But today Muslims who are reading these verses have become the true Mushriks and disbelievers as explained in the verses 2: 113 and 4: 150-151. They are not tested by hunting animals, but they by forgetting Lord Allah even at 'Masjidul haram' are involved in all mischievous activities, have become transgressors and helpers of satan as explained in the verse 2: 99.

It is told in the verse " in order to know for Lord Allah" doesn't mean to know for the Three Time Knower Lord Who is Oft-observing his servants without having sleep or slumber. But to identify for the believer- the vicegerent of Allah- who are the original believers and who are the disbelievers. Today, since Adhikr is formed as a Book, no such Trial is undergone to the believers. But by utilizing the Criterion, Balance and Insight—Adhikr—believer can realize and identify who are the aimless and heedless disbelievers as well as who are the heedful and aimful believers. See the explanation 2: 157; 5: 8 and 48.

95. Oh you who believed! You shouldn't kill hunting animals while you are in the state and area of forbidden, and if anyone of you kills deliberately, then the compensation for it is a cattle equal to that animal judged by two justice men from among you, as an offering to be reached at Ka'aba; or else do ransom by feeding indigents or fasting for equivalent days in order to taste himself the consequence of his deed, Lord Allah has pardoned whatever had happened in the past; and whoever repeats, Lord Allah will revenge on him, and Allah is the Exalted, the Revenging.

Hunting is prohibited while anyone is wearing dress for the pilgrimage and in the place of prohibited area around the Sacred Masjid-Masjidul Haram at Mecca. Pilgrims are prohibited eating from the animals even if it is hunted by others who have not dressed the garments of pilgrims if it is hunted for the pilgrim. But if it is hunted by the others for their own food, the pilgrims are allowed to eat from it. The Three Time Knower Lord looks to the intention of each and every action.

Today there is no hunting of animals, and the pilgrims are not in need of hunting for food since the food is available everywhere. Muslims are reading these verses and they are only doing pilgrimage at Mecca and Medina. But because of

hiding and rejecting the Lord's Book, they have become the true disbelievers and Mushriks as explained in the verses 2: 13 and 4: 150-151. Shortly, Mahdi—the last Khalifa- will appear and the ruling power of Hijaz will come under him. All the Muslims—the Mujirims—who are serving Satan instead of the Lord will be expelled from Hijaz to other places which will become under the control of Antichrist. Even Antichrist can't enter Hijaz. See the explanation 2: 165; 4: 159 and 5: 49.

96. Hunting in the sea is permitted to you, the food of it is sustenance for you as well as for travelers, and hunting from land is forbidden upon you as long as you are in the forbidden state and area; and you heed Lord Allah, the One to Whom you all will be summoned.

The fishes and locusts, even though dead are lawful for eating as taught by the Prophet. This verse teaches that the pilgrims can eat all edible things of the sea. It is lawful to catch and eat even it is dead. To heed Lord means to be in the remembrance that Lord has installed a Recording disk around everyone's neck which will not omit to record even the thought; and on the Day of Judgement It will be presented as an Illuminating Open Book and will be told that You read your Book, Today you are enough to Reckon upon you. But the Muslims who are serving Satan has forgotten Lord as well as the aim of life, and they are not believing in the Hereafter as explained in the verse 1: 1, 3 and 2: 168-169. See the explanation 2: 173; 5: 3 and 57.

97. Allah has placed Ka'aba- the sacred house- to gather for mankind as well as the sacred months and the animals for offering and the garlands to mark them, that is to make you know that indeed Lord Allah knows whatever is in Heavens and whatever is on Earth, and Allah is the Knower of each and everything.

The Three Time Knower Lord has made Ka'aba-the Sacred Masjid in Mecca- as the center of the world, and Fighting is prohibited in four months Dulka'd (11th month of the Hijri calendar), Dulhaji (12th), Muharram (1st) and Rajab (7th) as explained in the verse 2: 194 for not to have any hindrance for pilgrims and for visiting the House for the mankind. Read together 9: 36-37. Today war is not allowed anywhere and anytime including these 4 months.

After 30 years of Prophet's departure Muslims all over the world were deviated from the True way of life submitted by Adhikr. They boast themselves that they are in Truth and they don't allow other people belonging to the community of Messenger Muhammed who have not even touched or read Lord's Book to enter the Sacred House Ka'aba considering them as kafirs and Mushriks falsely. Actually these worthless people Muslims are divided in to so many groups and all

are included in Satan's party and are the true disbelievers and Mushriks as explained in the verses 4: 150-151. They don't approve Ka'aba as the Qibla. So, they perform fasting and celebrate Eid in different days all over the world differing from Ka'aba as explained in the verses 2: 145-151.

All the verses of Lord's Book will be implemented either in this world or in the Hereafter. So these original Mushriks mentioned in 55 verses such as 2: 221; 6: 14; 30: 30-32; 48: 6; 98: 6 will be expelled from Hijaz, and the believers from Messenger's community from different parts of the world will be gathered there. By the second coming of Jesus, he will kill Antichrist satan. Then all mankind will approve Islam and they will kill the hypocrites and Kuffar who hide and reject Lord's Book Adhikr which is the food, cloth and sight of human soul. Then Jesus will rule seven years taking Ka'aba as the capital, and all mankind whether male or female will be allowed to enter the sacred House and lead a life in this world itself just like that of Angels testifying the verses 43: 60- 61. The place of judgment (summoning place) will be Mecca which is the centre of the world and the mother of the countries.

'Ka'aba' is made as the symbol of Lord, and so all mankind should get a chance to visit it to form harmony of mankind and to approve Lord Allah as Single Deity, the Lord and the King. Standing at Arafa reminds the summoning Day in the Hereafter on which each and everyone whether male or female will be gathered there as naked, barefooted and uncircumcised. See the Explanation 1:3; 2: 196-197 and 3: 96-97.

98. You know that indeed Lord Allah is severe in punishment, and indeed Allah is the Oft-forgiving, the Merciful.

Since Adhikr mentioned in the verses 41: 41-43 is formed as the Splendid Book, whoever holdfasts and follows It, Lord will forgive their offenses; where as whoever hides and rejects It after getting, Lord will take revenge against such hypocritical man and woman as well as Mushrik man and woman severely as explained in the verse 2: 145.

To put it brief, by the wrongdoers and disbelievers who hide and reject Adhikr which is the Balance and Trust to keep the universe in its equilibrium are the inmates of the hell as explained in the verses 2: 254 and 258. And those who received Lord's Book Adhikr, if are repenting, disclosing the offenses, making confirmed belief with Adhikr and are hold fasting Lord Allah by hold fasting Adhikr, such will be admitted in the paradise with the believers as explained in the verses 2: 159-161 and 4: 146. See the explanation 2: 177 and 5: 93.

99. There is no duty upon the Messenger except conveying the Message, while Lord Allah is knowing whatever you are disclosing and whatever you are concealing.

The Three Time Knower Lord Allah sent His Message through His 313 Messengers. The last form of His Message Adhikr is sent down to Messenger Muhammad for the entire world till Last Day as explained in the verses 2: 106-107. It is the Three Time Knowledge and Speech of the Lord. The duty of Prophet and believers is to convey Adhikr to the entire world irrespective of nation or religion. Since Lord is Impartial, the believer or prophet shouldn't compel anyone to become a believer. It is already fixed that only 1 in 1000 will enter the Paradise and the rest 999 will enter the Hell. Whoever doesn't utilize Adhikr after receiving, they will be entered in the Fire as explained in the verse 4: 118.

Today knowing all these facts, believer will not try for making a group. Instead he should do great Jihad with Adhikr against the hypocrites and their blind followers. Only with Adhikr bloodshed, murders, terrorism, theft, immoral trafficking etc. can be annihilated and the harmony of mankind can be formed. With Adhikr can extend the appearance of Antichrist and the ten crucial signs of the Last Day as explained in the verse 6: 158. See the explanation 2: 187; 4: 124 and 5: 92.

100. You say: Bad and Good are not equal even though the abundance of the bad wonders you, so you heed Lord Allah, oh you the People endowed with intelligence so that you may prosper.

Today Muslims are only reading these verses. But by hiding and rejecting Lord's Book they are following books written by the pseudo-prophets and hypocrites. They are the true disbelievers, transgressors and wrongdoers as explained in the verses 5: 44, 45 and 47. They neither follow the Guidance Adhikr, nor utilize It as the Criterion to distinguish right and wrong rejecting the verses 2: 185-186. These heedless and aimless people are the inmates of the Hell from mankind. One can become believer only with Adhikr which is the Permission of the Lord as told in the verse 10: 100. Without It no deed will be accepted and no prayer will be responded, instead the Hell will be brought to them as punishment for their aimless and heedless deeds as told in the verse 25: 65-66. See the explanation 2: 188; 5: 62-63 and 88.

101. Oh you who believed! You shouldn't ask about things which will worry you if it is disclosed to you, if you ask about them while the Qur'an is being revealed they will be disclosed to you, Lord Allah pardoned about that they had asked, and Allah is the Oft-forgiving, the Forbearing.

102. Verily people before you had asked such things, then they became disbelievers by that.

This Medina revealed verse is sent down to teach the believers that they shouldn't ask about such things just like the Jews had been asking to Messenger Moosa as explained in the verses 2: 108 and 5: 78.

Today Adhikr- the Splendid Book- which explains each and everything is formed as a Book through the Three Time Knower mentioned in the verse 25: 59. Its Safeguard is undertaken by the Lord of the worlds as told in the verse 15: 9, and in It no falsehood will enter before or after Its codification as told in the verse 41: 42. Since It explains each and everything as told in the verse 16: 89 the right and bad are also clearly explained in It. So whoever searches the Guidance in other than the Guidance of Lord-Adhikr, Lord will let him turn back from the Guidance. Today, Muslims all over the world have become the true disbelievers, wrong doers, Mujirims, transgressors, hypocrites, Mushriks etc. since they hide and reject Lord's Speech Adhikr. They are not utilizing It by themselves and even not conveying It to other people. According to the verse 8: 22 they are not belonging to human beings, but are the worst creatures near Lord since they are deaf from hearing the Book Dhikree, and dumb from talking about Dhikree mentioned in 6 places such as 18: 101; 20: 14 and 38: 8. See the explanation 1: 7 and 2: 210-211.

103. Lord Allah has not setup any 'Baheerah' or 'Saaebah' or 'Wasweelah' or 'Haam', but indeed the disbelievers are forging lies upon Allah, and most of them are not utilizing their intelligence.

These were the superstitious customs existed among the Meccan pagans during Prophet's time. They were claiming that since their forefathers were following such customs, these customs are commanded by Lord Allah as explained in the verse 7: 28. Really Lord sent down the Light Adhikr through Messenger Muhammad as told in the verses 7: 157-158 in order to annihilate such evil customs and to unload the life burden the people are suffering. But the Meccan pagans, Jews and Christians rejected the verses after hearing and were following Satanic footsteps as explained in the verses 4: 119-120. Today Muslims are reading these verses. But all their deeds and customs are against Lord's Book and the teaching of the Prophet. Today, by rejecting Adhikr-the Best Interpretation of Lord's Book- these true disbelievers are following and serving satan- the arrogant force- throughout their life as explained in the verses 2: 257 and 4: 50-51. They are worse than the disbelievers of Prophet's era because at that time the codified Lord's Book was not there. So in the Hereafter these worthless creatures will be dragged prone on their faces into the Hell, and they

will be in the worst place and they are the most strayed as told in the verses 2: 18, 44; 17: 96-97 and 25: 33-34. See the explanation 2: 166-167 and 3: 90-91.

104. And if they are told: You come to what Lord Allah has sent down and to the Messenger, they say: Enough for us the ways which we found our forefathers, even though their forefathers were not knowing anything and were not guided.

This verse also portrays the character of disbelievers during Prophet's time. But Muslims who are reading these verses are deviated from Truth after the 30 years of Prophet's departure as explained in the verse 3:7. The odd believer should tell them that the touched, read and heard Qur'an will argue and witness against them, and It will push them into the hell, and also that they are worse than the disbelievers of prophet's period. They are the people who don't utilize their intelligence for fulfilling the aim of life. See the explanation 2: 37-38, 170-171 and 4: 59.

105. Oh you who believed! Your responsibility is upon yourselves, no one who strayed can harm you if you are guided, into Lord Allah you will all return together, then He will notify you with whatever you had been doing.

This verse addresses the group of believers in Medina. But today there is no group of believers anywhere in the world. Muslims have become the true disbelievers and worthless people as explained in the verse 4: 19. They are following the falsehood instead of the Truth.

The odd believer holdfasts Lord Allah by holding fast Adhikr which is the Unbreakable Rope from the Paradise as explained in the verse 2: 256. And he will only transform his Jinn soulmate mentioned in the verses 43: 36-37 into a believer. He will keep Lord in his heart so that no harm will affect him and he will die Muslim submitting whole to the Lord Allah as explained in the verses 3: 79 and 102.. He will be vigilant to convey the Message to whole world for forming harmony of mankind and peace, and will do and promote planting trees and organic farming in order to have oxygen, increase rainfall, purify air etc. which are beneficial for the 1000 communities of Lord's creatures. He will be aware that each and every creature is praying, praising and glorifying the Lord as told in the verses 17: 44 and 24: 41 so that he will get a portion of reward from their glorification and prayer as explained in the verses 2: 261 and 4: 85.

Note that the verses 6: 60 and 62: 8 end as: You will all return to the Lord, then He will notify you with what you had been doing. See the explanation 2: 110, 113 and 4: 109.

106. Oh you who believed! If the death appears to anyone of you and if you are doing bequest, you make witness with two justice men from among you, or two other than from among you if you are traveling through the Earth and the calamity of death affects you, and you reckon both of them after prayer, so both of them should swear by Lord Allah if you have any doubt as 'We will not purchase for it a miserable price even if it is for the near kins, and we will not hide witness of Allah; if we do so indeed we will be among the sinners'.

107. If it becomes clear that both of them have been accused of any sin, then let two others stand up as witness from the nearest of kins among those who claim lawful and right, then both of them should swear by Lord Allah: Our testimony is indeed more truthful than the testimony of both of them; if we are aggressed, then indeed we would be among the wrongdoers.

108. It is the best way for bringing testimony in the right way or in order to fear both of them that the oaths of others may be brought instead of their oaths; and you heed Lord Allah and you listen, Allah doesn't guide the transgressing people.

This Medina revealed verse teaches the believers that if the death is approaching him during travel, he will be inspired about it by the Lord. Then he has to make bequest and 2 believers should witness it. In the absence of believers any other 2 men from the society is enough, and both of them should be reckoned after prayer and they should pledge witnessing Lord that they will not give up their witness at any cost, and if they do so they will be among the sinners.

Today there is no group of believers anywhere in the world. And the odd believer who holdfasts Adhikr will not be affected with unexpected death as explained in the verse 3: 102. Whoever is not judging in his individual, family and social life with Adhikr, he is the wrongdoer, disbeliever and transgressor as explained in the verse 5: 42. The verses 9: 24, 80; 24: 55; 61: 5 and 63: 6 also end as: those who knowingly hide the Book which contains the rules and regulations of the Lord for the entire mankind, the Lord will not guide such transgressing people. See the explanation 2: 84, 282- 283 and 3: 145.

109. One day, Allah will assemble all the Messengers together and will ask: What response you have brought? They all will reply: We have no Knowledge; indeed You, You alone are the Knower of unseen things.

This verse portrays the Day of Judgment. On that Day all creatures will be assembled, and each and every man and Jinn will be questioned about their 4th

phase in this world. All 313 Messengers who have been sent down with the Message for time to time will be questioned at first. They will respond to Lord as: You are the Three Time Knower Lord and You are the only Knower of all unseen things. It is told in the verse 7: 6 that surely Lord will question the people to whom the Messengers have been sent and will question the Messengers who have been sent, and in the verse 17: 15 that Lord will never be punishing any people until He deposes a Messenger to them. Adhikr and Messenger Muhammed are not for Muslims only, but are for the entire mankind. Muslims-the worthless people- are serving Satan instead of the Lord and are following pseudo-prophets instead of Messenger Muhammad as explained in the verse 4: 53. As the Three Time Knowledge Adhikr is formed as a Book by the Three Time Knower Lord mentioned in the verse 25: 58 through the Three Time Knower mentioned in the verse 25: 59, the believer should mediate and reflect It to the entire world as explained in the verses 3: 81-82 and 187. See the explanation 2: 7; 3: 3-4 and 4: 41-42.

110. And when Lord Allah will say: Oh Jesus, the son of Maryam! You remember My favor upon you and upon your mother when I strengthened you with the Holy spirit, you spoke to people from the cradle and when you are an adult, and when I taught you 'the Book' and Wisdom, the Thourath and the Injeel, and you created a shape of bird from the clay with My Permission, then you breathed in it, then with My Permission it became a bird! You cured the blind and leper with My Permission, and when you brought up the dead with My Permission, and when I protected you from the children of Israel when you came to them with Signs, then those who disbelieved from them told: indeed This is nothing except manifest sorcery.

The scene of questioning Jesus on the Day of Judgment is portrayed in this verse. The Three Time Knower Lord is reminding Jesus about the favors bestowed upon him and his mother. The favors of Jesus include his birth without father as explained in the verse 3: 39-40 and 59, speaking ability given to him when he was a baby itself as explained in the verse 3:46, presence of the holy Spirit (Jibreel) with him always as explained in the verse 2:87, satan not able to approach Jesus, Food tray from heaven, bringing the dead man to alive, raising up of Jesus to the Heaven bodily as explained in the verses 4: 158-159. It is told in the verse 43: 59 that Jesus is an example for Lord's ability. On the second coming of Jesus for killing the Antichrist, the disbelievers will fall down by the reach of Jesus' breath. The second coming of Jesus is a sign of the Last Hour as told in the verse 43: 61. The favors bestowed upon Maryam is explained in the verses 3: 42- 45. Al Kithab-the Book- explained in 2: 2 has been taught to Jesus for his second coming to the earth. It is Adhikr including Fathiha-Mother of the Book- as explained in the verse 3: 50. See the explanation 3: 46-49.

111. And when I inspired to the disciples: You have to believe Me and with My Messenger, they all said We believed, and You bear witness that indeed we are Muslims- those who submitted all to the Lord.

See the explanation 3: 52-55 and 5: 82-85.

112. The disciples asked: Oh Jesus, son of Maryam! Is it possible for your Lord to send down a Food tray upon us from the heaven? He said: You heed Allah if you are believers!

Here the disciples of Jesus hadn't received Lord's Book—the Truth of Assured Certainty— mentioned in the verse 69: 51. They didn't ask Jesus 'is it possible for **you** to send down food tray upon us', instead they asked 'is it possible for **your Lord** to send down food tray upon us'. From this we can understand that they had not confirmed belief in the ability of Lord where as Jesus had confirmed belief and Knowledge from the Lord's Book which submits Lord as the Three Time Knower and Almighty. Today, confirmed belief about the Lord can be formed only with Adhikr which is the Confirmed Truth. The believers do not have any doubt regarding the abilities of the Lord. The Muslims who have become Mujirims serving Satan are only having doubt about the Lord, Messengers, Angels, inmates of the Paradise and the Hell since they bear Lord's Book like donkeys are carrying burden as told in the verse 62: 5. See the explanation 2: 107 and 147-148.

113. They said: We intend to eat from it and there by achieve tranquility for our hearts, and to know for us that indeed you have told us the Truth, and also we have to witness upon It.

Today only Muslims are reading these verses and they are having doubts about the Food tray sent down to Jesus. It is told in the verse 13: 28 that you know, only with Adhikr of Lord, the heart will achieve peace and tranquility. The believer who is in the conscious that he is living in the 4th phase and should utilize the Light and Ticket Adhikr for returning to the Paradise. So the Lord will tell him at the time of his death 'Oh the one whose soul has become tranquil with Adhikr, you return to your Lord by pleasing Him and pleased by Him; so you enter in My Service, you enter in My Paradise' as told in the verses 89: 27-30. At the time of disbelievers' death, Lord will tell them, 'indeed you were among the disbelievers' as explained in the verse 3: 100. See the explanation 2: 260 and 4: 103.

114. Jesus, the son of Maryam, prayed: Oh Allah, our Lord! You send down for us a food tray from the Heaven as a feast for both the first of us and the last of us and as a sign from You, and You feed us, since You are the Best feeder among all the feeders.

The verses 22: 58; 23:72; 34:39 and 62:11 also end as: Lord is the Best feeder among all the feeders. See the explanation 3: 26-27 and 37.

115. Lord Allah said: Indeed I will send it down to you, then any of you if disbelieved after that, then indeed I will punish him with a punishment I had never punished anyone in the world.

The Almighty Lord Allah made *Jesus* to request for '*Maeda*'-food tray- by praying as: Oh Allah, our Lord! You feed us since You are the Best feeder among all the feeders. It was in order to send down the Food tray from the Heaven itself. Moreover in the next verse Lord told as the reply for *Jesus*' prayer: Indeed I will send down it to you. Then the food tray containing different food items was sent down from the Heaven and they ate from it. Hearing about this disbelievers also reached there, and about 4000 people ate from it. Then the food tray was raised up to the Heaven in the state as it was sent down without reducing anything from it. Some of the Jews who ate from the feast became suspicious about it, whether it was from the Heaven or not; thus they rejected the Sign of Lord. Due to their deliberate transgression they were transformed into swines as explained in the verse 5: 60.

Today Muslims all over the world are reading these verses. But by rejecting the Truth Adhikr they have become the worst creatures as explained in the verse 3: 100. They are suspicious about the Lord's Book Dhikree and Its contents, and it will continue till they taste the punishment as told in the verse 38: 8. They are welcoming the Antichrist for enjoying his pseudo-paradise in this short life by neglecting the eternal Hereafter. On the second coming of *Jesus*, they will be killed as explained in the verse 4: 91. Since they are deaf, dumb and blind about Lord's Book Dhikree mentioned in 6 places in the Book such as in the verses 18: 101; 20: 14, 124 they will be dragged in to the Hell as deaf, dumb and blind as explained in the verse 4: 43.

116. And when Lord Allah will ask: Oh *Jesus*, the son of *Maryam*! Did you tell the mankind: You accept me and my mother as two deities besides Lord Allah? He will reply: Glory be to You! It was not suitable for me to say what I had no right to say; if I had told so, surely You would have Known it, You know the status of my soul while I don't know about Your soul; Indeed You, You are the only Knower of all unseen things.

This is Medina revealed verse and the Prophet had recited this verse to the Christians of Medina. Only after Messenger's departure Lord's Book Adhikr is codified as seen now. But the Muslims who have become the worthless people by hiding and rejecting It as explained in the verse 4: 82 are not giving this Book to the Christians, Jews or any other people belonging to the Prophet's community to form real concept about the Lord Allah and His Might and Power. So, they all are deviated from the Straightpath as explained in the verses 5: 72, 78 and 79.

The odd believer should propagate Adhikr to the entire world irrespective of nation or religion for making the people to meditate and reflect with It as explained in the verses 5: 82- 85. See the explanation 1: 3- 4.

117. I have never told them anything except with what You have ordered me that you should serve only Lord Allah, my Lord as well as your Lord; I was a witness upon them as long as I had been among them, then when You took me back, You Yourself were the Watcher upon them, and You are the Witness upon each and everything.

Today Muslims who are carrying Lord's Book as donkeys carrying burden are the disbelievers, wrongdoers and transgressors. They are not understanding and not conveying the Message Adhikr—Lord's Speech. That is why they will be killed on the 2nd coming of Jesus by other people who will approve Islam, Jesus and Muhammad. See the explanation 3: 55-56 and 4: 159.

118. If You punish them, then indeed they are Your servants, and if You forgive them, then indeed You are the the Exalted, the Wise!

Jesus is the one who submitted all to the Lord of the worlds. He is proclaiming that he is not the one to punish or save any of Lord's creatures. Even last Messenger Muhammad or any one also can't punish any one or save anyone from the Punishment of the hell as explained in the verses 2: 119 and 3: 129. On the Day of Judgment the Witness Adhikr and the Messenger Muhammed will witness against the Muslims, and they will be dragged into the Hell prone on their faces as explained in the verses 3: 29 and 4: 26, whereas other people from the community of Messenger Muhammad will be drunk from the 'Kouther Lake' and will be sent to any other worlds than the Hell or Paradise. By the second coming of Jesus other people such as Hindus, Buddhists, Jain, Jews and Christians will get benefit where as the Muslims-the true disbelievers- will be killed as explained in the verse 3: 96. See the explanation 2: 129; 4: 48 and 5: 97.

119. Lord Allah will say: This is the Day on which the truthful will benefit their Truth, for them have Paradise beneath which rivers are flowing, they will be in it forever, Allah has pleased with them and they have pleased with Him, that is the great triumph.

Truth means Adhikr. The heedful and *Muhsineen* are those who are following and testifying Adhikr as explained in the verse 2: 180. It is told in the verses 9: 100: 58: 22 and 98: 8 that the Lord has pleased with the believers and they also pleased with Him. See the explanation 2: 25; 3: 136 and 4: 87.

120. To Lord Allah belongs the Kingship of Heavens and Earth and whatever in there; and He is Capable upon each and everything.

Lord Allah is the Three Time Knower and is the Lord of the universe. He is capable for each and everything. Since Lord is Impartial by codifying Adhikr, only by utilizing It any one can triumph both in this world as well as in the Hereafter. All others who are neglecting this Truth- Adhikr- after receiving will be the losers both in this world as well as in the Hereafter. See the explanation 3: 101- 103 and 4: 131-133.
