

With the name of Allah, the Impartial, the Compassionate.

(7) Al-Ahraaf

The Surath contains 206 verses and was revealed during the last phase of Prophet's Meccan period close to the revelation of Surath An'am (The cattle). The verses 46 and 48 of this Surath mention about a wall between the inhabitants of Paradise and the inhabitants of Fire. Upon its top there will be some men who recognize both the inhabitants of the Paradise and the Hellfire With their symptoms. From this, this Surath is named as 'Al—A'raf' which means the 'recognizers'. This Surath teaches that Adhikr is the Insight for the soul to identify the one and the only path to Lord Allah as well as the different paths to the Satan. Whoever utilizes It as the Balance and Trust in this world for weighing his deeds will only be triumphant. It also teaches that when Adam and Hawwa (Eve) due to the temptation of the Satan engaged in the intercourse which is banned in the Paradise, they were got out from the Paradise bearing all mankind and their jinn soul mates. It teaches that Adhikr is the Food, Clothing and Sight of the human soul. For the disbelievers, Satan is the patron whereas for the believers the Impartial Lord Allah is the patron. This Surath warns that on the Day of Judgment one group who selected Lord Allah as the patron will be guided while other groups of Muslims who selected the Satan as their patrons will be the strayed. It also warns that the hypocrites who forge lies upon Allah and their blind followers who reject It will witness at the time of their death against their own soul that indeed they were disbelievers and these hypocrites who hide Lord's Book and their blind followers who reject It are the Mujirims, the wrong doers and the inmates of Hell from the mankind. This Surath says about the men at the 'height' answering as 'indeed the curse of Lord Allah is upon the wrongdoers'. This Surath warns the condition of the disbelievers in the hell fire asking for water and food to the believers in the Paradise; and the believers answering as 'both of them are forbidden upon the disbelievers who selected their religion as play and amusement, and were deceived by the worldly life'. It teaches that Adhikr is the Three time Knowledge from the Three time Knower Lord, but only the believers will utilize It as the Guidance and Mercy. This Surath warns about the disbelievers wailing on the Day of Judgment as 'our Messenger had come to us with the Truth; then is there any intercessors for us, or will we be sent back to the worldly life for doing virtuous deeds which we had not been doing in the worldly life'. Through the verses of this Surath it is taught that to all Messengers like Noah, Hood and Swalih, only Adhikr –soul of the Book – was revealed, and that the people of the concerned Prophet were rejecting the

Message and the Messengers just like the Muslims— the people of Messenger Muhammed— have been doing. It also teaches that just like the Muslims have been doing evil deeds like anti natural sex— sodomy (Homosexual) and reducing weight and measure, the people of Prophet Looth were doing sodomy, the people of Shuaib were reducing weight and measure. Just like the people of Messenger Muhammed have not been fulfilling the covenant made at the Paradise, the people of concerned Messengers before also were not fulfilling the covenant.

Historical events of Messenger Moosa who was deputed to Pharaoh and the competition held between the sorcerers and Moosa are also explained. This Surath also explains about the deviation of Israel children within the short period by worshiping a calf made with their ornaments. This Surath also teaches that no one can see Lord Allah by eyes in this world but can see Him by his soul utilizing the Insight. It warns that whoever is arrogant in this earth without the Truth Adhikr, Lord Allah will divert him/her from His verses; and whoever rejects Lord's verses and the meeting with the Lord, all his deeds are in vain. The verses of this Surath teach that those who follow Adhikr— the Light— will only prosper and that Messenger Muhammed is deputed for the entire mankind from the Lord of the Universe. The Muslims who inherited the Lord's Book are gathering worldly gain just like the Jews and Christians during the period of Messenger Muhammed were doing. This Surath reminds about the covenant everyone has made with Lord Allah and why such a covenant is taken from everyone. A verse of this Surath compares the hypocritical leaders of Muslims and their blind followers to a dog which will not change its attitude whether disturbed or not. It teaches that the Hell will be filled with the aimless hypocrites and their heedless blind followers who are not seeing or hearing the Book Dhikree. It also teaches that among the mankind a group is there guided with the Truth and are dealing justly with It. This Surath commands to see the Sovereignty of the Heavens and the earth. It also asks as 'in which speech they are going to believe after rejecting Lord's Speech Adhikr'. It teaches that all mankind is created from a single soul. The hypocrites and their blind followers are associating in the dominion of Lord Allah, and if they are called to the Guidance, they will not follow It. To such Muslims, the Prophet and the believers are commanded to challenge as 'all of you and your associators gather together, and plot against and no need to give respite'. The heedful are those, whenever any temptation from the Satan affects, they will remember the Lord so that they will see the Insight. But the Satan will drag the heedless to the strayed path—the Satan's house. This Surath teaches that Adhikr is the Insight for the entire mankind, and a Mercy and Guidance for the believing people. It commands to do 'prostration of recitation' by glorifying and remembering Lord Allah beseechingly and fearfully with the soul without uttering.

1. Alif—Lam—Meem—Swad.

Description of the historical incidents came to the Messenger Muhammed from the Lord Allah through the Angel Jibreel. The letter 'Swad' stands for the description of historical events of former people of Prophet Noah, Hood, Swalih, Looth, Shuhaib etc. It is the alphabet 'Swad' from the word 'Yaquswoona' of the verse 35; or 'Faqsuswil Qaswaswa' of the verse 176. See the explanation 2: 1 and 3: 7.

2. A Book sent down into you, so not to have in your chest any difficulty due to it, in order you to warn with It; and as an Advice for the believers.

Adhikr is revealed as a Reminder for the entire mankind as explained in the verse 6: 90. But the believers only utilize It as a Reminder. Hypocrites and their blind followers Mushriks do not consider It as a Warning, Advice or Moudhath as explained in the verse 3: 138. It is told in the verses 20: 1—3 that We have not sent down Qur'an – this Reading— upon you for becoming you upset, except as a Ticket for the one who fears Lord Allah. Through the verse 22: 78 by calling the believers Lord Allah commands to do jihad in the cause of Lord Allah as it should be done, for that He has selected you, and He has not made upon you any difficulty in the life way of your forefather Ibrahim. See the explanation 2: 144 and 153. Adhikr which explains each and everything is a Guidance, Mercy and Glad tiding for those who submitted all to the Lord Allah as told in the verse 16: 89. See the explanation 3: 79 and 5: 48.

3. You follow whatever has been sent into you from your Lord and you do not follow any Patron besides Him, a few of you are remembering.

The Lord of the universe sent down Adhikr in order to teach the mankind that there is no patron or intercessor or protector besides He. But Muslims—the wrong doers— who are carrying Lord's Book as the donkeys carrying burden as told in the verse 62: 5 are neither following nor giving It to others to utilize as explained in the verse 6: 26. It is told in the verses 32: 7—9 that the beginning of the creation of the mankind was from the clay, then his progeny have been made from the essence of heinous water, then He fashioned in due proportion, then inspired from His Spirit; and He made to you faculties of hearing, sight and intelligence, a little of you is grateful. That means even though all the favors are given to the mankind by Lord Allah, only 1 in 1000 believer as explained in the verse 4: 118 remembers Lord's Admonition. See the explanation 2: 152; 3: 190—191 and 4: 1.

4. How many from towns We have wiped out them? Our scourge came to them while they were resting in the night, or they were speaking in the daytime.

5. Then their uttering was nothing when Our scourge came to them except they were saying 'indeed we were the wrongdoers'.

The verse 32: 26 says: Does it not guide them that how many generations We have wiped out before them in whose dwelling places they are now walking, indeed there are signs, so are they not listening? It is told in the verse 50: 36 that how many generations We have wiped out before them who were much braver than they are and stormed

through the land, yet had they any place for escape? The verse 22: 45 says: How many towns We have wiped out while they were doing wrong, they were tumbled down with their roofs, wells were levelled and Palaces lofty. The verse 21: 11 says: How many towns which had been doing wrong did We demolish, and rose up other people in their places?

When all the inhabitants became wrongdoers, they were destroyed witnessing as “we were indeed wrongdoers” as told in the verses 21: 14 and 46. Read together 7: 97—98. See the explanation 2: 57; 5: 65—66; 6: 43—47.

6. Then We will surely question those to whom Messengers were sent, and indeed We will surely question the Messengers also.

Messengers are sent by the Lord of Universe periodically in order to convey His Message to the mankind. It is told in the verses 36: 69—70 that Adhikr which is the Message of Lord Allah in the hearts’ language for repeated reading is revealed in order to warn whoever has life, and to fulfill the word of punishment upon the disbelievers. And in the verse 36: 11 it is told that indeed you will only warn the one who follows Adhikr and also who fears the Impartial unseeingly; so you give glad tidings to him with forgiveness and honorable reward. It is told in the verse 17: 15 that Lord will never be punishing any people until He deposes a Messenger to them as explained in the verse 5: 109. The Lord’s Message Adhikr revealed to last Messenger Muhammed is meant for the entire worlds as explained in the verse 6: 90. So the hypocrites who hide It and their blind followers who reject It will be punished as explained in the verses 2: 62 and 4: 140. By forgetting Adhikr they became worthless people and the worst creatures who do not utilize their intelligence. So they have the Hell— the House of worthless— as told in the verses 32: 21— 22. The Impartial Lord does not send anyone either to the Paradise or to the Hell. The Muslims whoever touched, read and heard Lord’s Book, but if not testify and follow It, It will argue and witness against him/her and will push into the Hell. For the believer who testifies and follows Lord’s Book, It will argue and witness in favor of him/ her, and he/she will enter the Paradise. See the explanation 2: 159—161; 5: 67 and 6: 89.

7. Then, We will narrate upon them with Our Knowledge, and indeed We were not absent.

The Lord of the Worlds will not narrate to anyone on the Day of Judgment about what he/she had been doing in this world. But He, who has acquainted each and everything and is observing the offenses of His servants as explained in the verse 6: 159 has fastened everyone’s fate upon his/her neck, and on the Day of Judgment it will be produced as an illuminating spread open Book, and will be told to everyone that ‘you read your own Book, today you are enough for your reckoning’ as told in the verses 17: 13—14. But the Muslims who are reading Lord’s Book are not learning, teaching, following and conveying the Message. Instead these Mujirims mentioned in 50 verses such as 7: 40, 26: 99, 34: 32, 36: 59, etc. are following Satan’s footsteps as explained in

the verses 2: 168—169. Without following Lord's Book and Messenger Muhammed they are following 29 pseudo-prophets welcoming the 30th pseudo-prophet Anti Christ Maseeh-A-Dajjal. See the explanation 2: 255; 5: 105 and 6: 59.

8. The weight on that Day will be for the Truth, then whoever makes his Balance heavy, then such will be the prospers.

9. And whoever lightens his Balance, such are the ones who have made lost their Soul because of they had been unjust towards Our verses.

The Truth mentioned here as well as in other verses such as 10: 108; 39: 41, 69, 75 is Adhikr—the Balance. So whoever utilizes It as the Balance and Trust to keep the universe in its equilibrium, he will have weight for his deeds on the Day of judgment as the Judgment will be done on the basis of Adhikr— the Truth. Any Muslim after reading these verses if is not judging in his individual, family and social life with the Truth –Lord's Book, he/ she is a disbeliever, wrongdoer and transgressor as explained in the verses 5: 44, 45 and 47 respectively. The human devil hypocrites are knowingly hiding Lord's Book, while their blind followers are rejecting It in all their life sects. The verses of Lord's Book will not be hidden except by the transgressors as explained in the verses 2: 99 and 5: 49. They became so worst that they cannot be considered as human being. They are having only life without having soul. They are giving preference to worldly and bodily life than the soul and the Hereafter. In order to accept any deed, and to get response for the prayer two conditions are provided as explained in the verses 2: 186. So the aimless hypocrites and their heedless blind followers are earning hellfire as a fine for leading life in the 4th phase aimlessly and heedlessly as explained in the verse 2: 108. See the explanation 1: 7; 2: 286 and 3: 185.

10. And surely We have established you on the Earth, and We have made for you livelihood, a little of you are grateful.

The mankind created in the Paradise is deputed to the earth in order to undergo for trial with whatever he/she is provided. But the 1 in 1000 believer only has this awareness. He remembers the Lord in all his sitting, standing and lying as explained in the verse 2: 152, and fulfills the aim of life bearing the Lord's representation. All other 999 Muslims who are the true disbelievers are bearing representation of Kafir Satan as explained in the verses 4: 151 and 6: 165. It is told in the verses 20: 124—126 that whoever neglects the Book Dhikree, indeed he has a narrow life in this world, and he will be summoned as blind on the Day of Judgment. He will ask 'my Lord! I had eyesight in the previous life, then why did you resurrect me as blind?' Lord will tell, 'just like that My verses came to you, but you forgot them, just like that you are also forgotten today'. See the explanation 2: 22—24; 4: 118.

11. And surely We created you, then We shaped you, then We told to the Angels: You all prostrate for Adam, then they all prostrated except Iblees, he was not among those who prostrated.

Allah says in the verses 15: 28— 31, Behold! Your Lord said to the Angels: “Indeed I am going to create man from sounding and nasty smelling clay from mud molded into shape. When I shape him and blow into him from My spirit, all of you should fall down in prostration to him”. So all Angels prostrated except the Iblees, he refused to be among the prostrates.

The hypocrites and their blind followers who are not doing single prostration of recitation mentioned in 15 verses in the Lord’s Book are representing Iblees— the Kafir satan— even though they are doing prostration in the *Swalath*. They are the true disbelievers doing prostration in the *Swalath* upon whom the decree of punishment is affected as explained in the verse 6: 72. See the explanation 2: 28, 34.

12. Lord Allah asked: What prevented to you from prostrating when I commanded you? Iblees said: I am better than him, You created me from the fire while You created him from the clay.

As told in the verses 15: 32— 33 Allah asked: Oh Iblees! What happened to you for not be among the prostrates? He replied: I am not the one to prostrate myself to man whom You created from the sounding clay from mud molded into shape. And as told in the verse 38: 75 Lord Allah asked: Oh Iblees! What prevented you from prostrating to one whom I have created with My hands? Are you haughty? Or are you one of the high ones. As told in the verse 38: 76 Iblees replied: I am better than him, You created me from the fire while You created him from the clay.

13. He said: Then you get out from here; you have no right to act as haughty here; so you go out, indeed you are among the meanest.

14. He said: You give me respite till the Day they are resurrected.

15. Lord Allah said: Indeed you are among the ones given respite.

It is told in the verses 15: 34—35 that Allah said: You go out from here, then indeed you are outcast, and there is curse upon you till the Day of Judgment. Satan begged, ‘Oh Lord! You give me respite till the Day they are resurrected’. The Lord said, ‘then indeed you are among the ones given respite till a day of the time is appointed’. Satan asked Lord for time until the resurrection Day. But the Lord gave him only until the Day the time is appointed. That means until Jesus comes for the second time and kills him.

The disbeliever Satan— the Anti Christ— will appear in the form of human on the day when the pole shifting will happen and the sun rises from the west instead of east. He will annihilate Islam from all over the world except from Hijaz. Before the appearance of Antichrist the believers from all parts of the world will be separated into Hijaz. Then after 1 ¼ years the believers will gather in the white minaret Masjid in Syria for fighting against the Antichrist and 70,000 Jewish soldiers. During that time Lord Allah will bring Jesus in to the earth for the second time from the second Heaven, and he will kill Anti Christ Maseeh-A-Dajjal as explained in the verses 4: 158—159. Read together 38: 77— 81.

Today, Muslims all over the world are reading these verses, but by hiding and rejecting the Three time Knowledge Adhikr they are serving and following 29 pseudo-prophets as well as pseudo *Imams* (false Leaders) and are welcoming Antichrist —the 30th pseudo-prophet— as explained in the verses 3: 20—21.

16. He said: Since you have made me aimless, surely I will ambush for them along Your Straightpath.

The cursed Satan from the mankind and jinn Satan obstruct mankind not from the body or meaning of the Qur'an, but from Adhikr— Soul of the Book— which is the only Straightpath from the Lord of the worlds as explained in the verses 6: 126 and 153

17. Then I will come upon them from in front of them and from behind them, and from their right and from their left, You will not find most of them as grateful.

It is told in the verses 15: 39—40 that Iblees told: “Oh my Lord! Since You have made me aimless, I will certainly make attractive for them the life on the earth, and surely I will make them aimless altogether except your sincere servants among them.” Satan makes 999 in each 1000 as explained in the verse 4: 118 aimless and heedless, and leads in to his house— the Hell. The believer who holdfasts the Lord by holding fast Adhikr— the Safeguard— will only return to the Paradise—House of the Lord— as explained in the verses 3: 101—103 and 190— 191.

Today, Muslims who are reading these verses without utilizing their intelligence have become human Satan all over the world as explained in the verse 6: 112. And they are guiding the mankind in to the Hell which is the House of outcast Satan. It is notable here that Satan did swear to the Lord that he will come to them through their front, behind, right and left sides, and will make for them attractive the life on the earth by making forget the aim of life and by obstructing from Adhikr which is the food, cloth and sight of the human soul. The soul is come from the Paradise which is above as Adhikr is. So whoever holdfasts It firmly, Satan from both the mankind and the jinn can't make him/her aimless or heedless as explained in the verses 2: 256— 257. See the explanation 1: 7.

18. He said: You go out from here despised and rejected! Certainly whoever follows you from them, I will certainly fill the Hell with you all together.

The aimless hypocrites are knowingly hiding Adhikr— the Best Interpretation of Lord's Book— where as their heedless followers are rejecting It. They both will be dragged in to the Hell prone on their faces, and they will be in the worst place and most strayed as told in the verses 25: 18 and 33—34. See the explanation 2: 18, 170—171; 4: 118.

19. And Oh Adam! Dwell you and your wife in the Paradise, thus both of you eat as both of you wish, and both of you do not approach this tree, then both of you will become among the wrongdoers.

The banned tree mentioned in this verse is the intercourse as explained in the verses 2: 35—36. It is told in the verse 38: 24 that all mingling men and women other than the believers and who are doing righteous deeds will wish and try for illegal sex. Whoever

male or female who made his/her jinn soul mate into a believer with Adhikr—The Truth— only becomes a believer as explained in the verse 3: 102. Such will only die as Muslim (submitting all to the Lord of the worlds and seeing Him pleasantly). All other nominal Muslims who have not become believers will witness against themselves that they were the disbelievers as explained in the verses 6: 130 and 7: 37. See the explanation 6: 10 and 28.

20. Then Satan whispered both of them to reveal both their private parts which had been hidden to them; he said: Both of your Lord has not banned you both from this tree except that you both will become two Angels, or you both become immortal.

21. And he did swear to both of them, 'indeed I am among the well—wisher for both of you'.

22. He led both of them with deception, when they tasted the tree their private parts became apparent to both of them and they started to patch together with leaves from the garden themselves; their Lord called out them: Did not I forbid you that tree and tell you both that Satan is an open enemy of yours?

The verses 20: 120— 121 say, Satan whispered in to Adam; 'Oh Adam! May I inform you about the tree of immortality and kingdom that will never disappear? So they both ate from it, and then their private parts became apparent to them, they both started to patch their private parts with leaves from the Paradise; Adam disobeyed his Lord, and so he became the aimless.

Since the sexual organs, intercourse, urine, stool and impure things were not in the Paradise, Adam and Eve were living there eating and drinking as they both wished. Then the Satan made illusion to both of them for enjoying the banned fruit (Intercourse) as explained in the verses 4: 119—121. While both of them started intercourse which is banned in the Paradise, their nakedness and sex were appeared to them. So both of them patched it with the leaves of trees.

Adhikr is the Food, Cloth and Sight of the human soul as explained in the verse 7: 26. But Muslims without considering the soul are reading body of the Book by which they are darts from Islam as explained in the verse 4: 43. They have made the sexual organs of opposite genders as their Qibla (concentration point). As a result, if they get a chance for illegal sex and for eating a favorite food, they will prefer the former avoiding the latter. See the explanation 3: 156; 4: 1—2.

23. Both they prayed: Our Lord! We have wronged against our Soul, and if You do not forgive us and you do not grant Mercy upon us, certainly we would be among the losers.

It is told in the verse 20: 122 that thus the Lord selected Adam and turned upon him and guided him.

Today, Adhikr— the Three Time Knowledge— is formed as a Book which is the Criterion and Balance to understand one's offenses and sins happened before. So any male or female without utilizing It cannot identify that whether he is in the Straightpath of the

Lord or in the strayed paths of the Satan as explained in the verse 6: 51. The believer male or female by reading the Lord's Speech will identify his/her offenses and sins, and will seek forgiveness by the soul to the Lord, and will do apt ransom for it, then the Lord is oft forgiving and merciful for such believers as told in the verses 33: 72—73. All others who do not do so in this world will be ready to give everything as ransom in the Hereafter, but will not be accepted from them as explained in the verses 3: 91 and 5: 36. These hypocrites and their blind followers who hide and reject Adhikr are serving Satan so that they will be dragged in to the Hell— the house of Worthless— as explained in the verse 3: 135. See the explanation 2: 37; 5: 90—91.

24. He said: All of you get out as some of you enemies for others, and you have residence in the earth and livelihood for a fixed term.

The original disbelieving hypocrites and their blind followers are enemies of the believers as told in the verses 64: 2 and 32: 18. No one becomes a believer except with Adhikr—the Lord's Permission— as explained in the verse 6: 11. Any Muslim who does not judge in his individual, family and social life with Adhikr, he is the disbeliever, wrongdoer and transgressor as explained in the verses 5: 44, 45 and 47. The hypocrites and their blind followers who are the enemies of believers will be gathered in the hell as explained in the verse 4: 140. Read together 20: 123—124. See the explanation 2: 38; 6: 98.

25. He said: In it you will live, and in it you will die, and from it you will be brought forth again.

It is told in the verse 20: 55 that We have created you from it, into it We will be returning you, and from it We will be bringing out you once again. The hypocrites and their blind followers are only reading these verses. But they are not believing with the Lord as it should be. As they are uttering the verse 20: 55 with their tongue without participating their hearts, all their deeds are just opposite to the contents of this verse. They are not bothered that they have to return to their Lord. These worthless people do not allow the believer's body to be buried in the graveyard in their Masjid compound. Actually, the believer who testifies Adhikr—Best Book Husna— does not wish to be buried his body with these worst creatures since their graveyard in the Masjid is a 'pit of Fire' from seven valleys of Hellfire as told in the verse 15: 44. These Mujirims who are serving the Satan are thinking that they are the owner of the Lord's earth and are eternal in this world. See the explanation 2: 28; 4: 82 and 6: 99.

26. Oh children of Adam! Surely We have sent down upon you clothing which will conceal your private parts and as an adornment, and the clothing of heedfulness, that is the best; that is from the verses of Lord Allah so that they may remember by their hearts.

In the case of the mankind cloths are adornment as well as protection for the skin and body from the heat and cool. Clothing of heedfulness is from the verses of Lord Allah means Adhikr is the food, cloth and sight for the human soul as explained in the verse 6:

104. So without identifying and purifying the soul with Adhikr— Book for Purifying— nobody becomes a believer nor returns in to the Paradise, instead will be pushed in to the hell. Read together 11: 88 and 20: 131. See the explanation 3: 79; 6: 66.

27. Oh the children of Adam! Do not let Satan seduce you just like he expelled your parents from the Paradise by stripping both of their clothing in order to show both of them their private parts; indeed he, he and his tribe are seeing you in a way you are not seeing them! Indeed We have appointed Satan as patrons for those who are not believing.

It is the duty of the parents to teach their children Adhikr which is the Ticket to return to the paradise. Male or female by utilizing Adhikr— the Insight— mentioned in the verse 6: 104, the Truth mentioned in the verse 10: 108, the Guidance mentioned in the verse 17: 15 has to transform his/ her jinn soul mate into a believer. Then only he/ she becomes a believer as explained in the verse 3: 102 and 5: 57. Otherwise at the time of his/her death, the Lord will tell him 'you are among the disbelievers' as explained in the verse 6: 145. Muslims after 30 years of Prophet's departure were deviated from Adhikr —the Straightpath— and started to learn and teach the books written by 29 pseudo-prophets as explained in the verse 3: 7; and all of them became the true disbelievers, wrong doers and Mujirims as explained in the verses 2: 254; 3: 10 and 4: 151. These people upon whom Lord Allah's wrath and curse are affected as mentioned in the verse 48: 6 became worthless as mentioned in the verse 25: 18, and became the worst creatures as mentioned in the verse 8: 22. They will be dragged prone on their faces in to the Hell as told in the verse 25: 34. Satan from jinn and mankind are preventing the mankind from hearing and learning Adhikr, and not from hearing and learning Qur'an which is the body of the Book as told in the verses 41: 26—28. See the explanation 2: 257; 5: 55—56 and 6: 112.

28. And whenever they commit any shameful deed, they say: We found our forefathers doing it, and Lord Allah has ordered us to do it; you say: Indeed Lord Allah never commands with such shameful deed; are you saying upon Lord Allah what you are not knowing?

Today, Muslims all over the world are leading bodily and worldly life without considering the soul and the Hereafter. If anyone utilizes Adhikr as the Balance and Criterion, he can see that they are the disbelievers, wrongdoers, Mujirims, transgressors, hypocrites etc. by whom the Hell will be filled as explained in the verses 2: 99, 258; 6: 55 and 130. They are earning Hellfire as a fine for living here heedlessly and aimlessly as explained in the verses 2: 20 and 3: 116. They are performing prayer seeing the sexual organs of opposite genders as explained in the verse 6: 154. Their prayers instead of prohibiting them from shameful deeds as told in the verse 29: 45, are encouraging them to do all shameful, heinous and forbidden deeds as explained in the verse 6: 151. Actually, these Mujirims are serving Satan instead of serving the Lord of Universe and are welcoming 30th pseudo-prophet Anti Christ hurrying for the end of the

world. These worthless people will be killed on the second coming of Jesus as explained in the verse 4: 91. Since they are hiding and rejecting Lord's Speech Adhikr— the Real Knowledge, whatever they are saying about the Lord, Messengers, Prophets, believers, Angels, Hereafter, hell, paradise, etc. are not true, but are lie as explained in the verse 2: 10. See the explanation 1: 7; 2: 168— 171.

29. You say: My Lord has commanded with Justice, and you keep your faces at every time and places of prayer, and you appeal to Him as submitted the way of life to Him sincerely, just as your beginning you will be returned.

The Justice mentioned in every place in Lord's Book is Adhikr as explained in the verses 4: 135; 5: 8 and 42. Since Ka'ba at Mecca is the centre of the world and the symbol of Lord Allah, during prayer everyone should see It by the soul. But it is only possible with Adhikr— the Three Time Knowledge— as explained in the verse 6: 104. Today Muslims without testifying and following Lord's Book Adhikr have become the vicegerents of Kafir Satan. This verse addresses the mankind to concentrate to Ka'ba and thereby to the Lord of the world in their whole life.

Anyone male/ female who wants to become believer and to include in Lord Allah's party as mentioned in the verse 58: 22 should holdfast Lord Allah by hold fasting Adhikr— the Un breakable Rope— as explained in the verses 2: 256 and 3: 101. He/ she is only concentrating and focusing towards Ka'ba at Mecca by his soul testifying the verses 2: 145—150. All the wrong doing Muslims who do not do so are divided into different groups, and are included in Kafir Satan's party as told in the verse 58: 19. Their prayer and deeds are for Satan because of forgetting Adhikr—the Wise Reminder, Lord Allah as well as the aim of life as explained in the verse 3: 164. See the explanation 1: 4; 6: 93— 94 and 130.

30. One group He has guided, and upon another group deserved for astray, indeed they have adopted Satans as patrons instead of Lord Allah, while they are reckoning that they are indeed the guided ones.

To every community Lord Allah had sent Messengers with Adhikr which is the Guidance. But the hypocrites and their blind followers who belonged to Satan's party were hiding and rejecting the Messengers and thereby the Guidance. At last Muhammed was deputed as the last Messenger and Prophet, and after his deputation the mankind till the Dooms day are belonging to his community. The Guidance revealed for the entire mankind as explained in the verse 2: 38, 185 is entrusted with the Muslims. But they have been hiding and rejecting Adhikr and Its 40 names by which they became wrongdoers doing unjust to their own soul as told in the verses 35: 32 and 43: 44. The people who got Lord's Book will be separated in to two groups on the Day of Judgment. Among them the guided are those who are following and testifying the Guidance in their worldly life, whereas the strayed are the hypocrites and their blind followers who are hiding and rejecting the Guidance Adhikr after receiving. The guided ones will only prosper as explained in the verses 2: 2—5, whereas the strayed will be the losers as

explained in the verses 2: 121. All other people such as Hindus, Buddhas, Jains, Christian, Jews, etc. belonging to Messenger's community will be sent to any world other than the Paradise or the hell since they did not get the Guidance as explained in the verses 2: 62 and 6: 89—90. Hypocrites and their blind followers who are only from Muslims are the fuel of the Hellfire as explained in the verses 2: 39; 5: 10 and 86. See the explanation 2: 98, 166— 167 and 6: 43.

31. Oh children of Adam! You wear your best clothes to every places of prayer and you eat and you drink; and you do not be extravagant, indeed He does not love the extravagant.

Every place except the grave yard and lavatory can be used for prostration for Messenger Muhammed's community. During the prayer it is advised to wear best clothes and to use perfumes. Through the verse 2: 172 the believers are commanded to eat from wholesome and permitted foods, and be grateful to the Lord Allah if they are serving only Him. Today, only Muslims are reading this verse, but they by rejecting the Lord's Book have become spendthrifts and extravagant in every sphere of their life. That is why the believers from all mankind all over the world will be separated in to 'Hijaz' in order to punish these extravagant as told in the verse 48: 6. By the second coming of Jesus they will be killed as explained in the verses 4: 158— 159. See the explanation 2: 114, 187; 3: 17 and 6: 141.

32. You ask: Who has forbidden Lord Allah's amenities which He has produced for His servants, and the wholesome things from His sustenance? You say: It is for the believers in this world, and exclusively on the Day of Judgment, just like We are explaining the verses for the people having the Knowledge.

The Impartial Lord Allah likes utilizing all wholesome sustenance and amenities by the believers in this world. But He has given it more for the disbelievers seeing that in the Hereafter they have punishment of the hell as explained in the verses 3: 196—197. The believer who considers Lord Allah as Impartial and is having the aim of life utilizes all the sustenance and amenities in a moderate manner in this world under the light of Light Adhikr, and will utilize them for the welfare of 1000 creatures of Lord Allah as explained in the verses 2: 25; 3: 136 and 6: 38. It is told in the verses 43: 33—35 as 'were it not that all the mankind would become one community, surely We would have provided for the one who denies the Impartial, hoofs for their houses, staircases, doors and the coats for leaning made with silver and gem; each and everything is nothing but enjoyment in this world, while the Hereafter is for the heedful near Lord Allah'. The heedful are those who got the Truth and testified It as told in the verse 39: 33.

The disbelievers who are the hypocrites and their blind followers will be brought near the Hellfire on the Day of Judgment; and will be told to them, 'you have passed your wholesome things in your worldly life, and you enjoyed them, so on This Day you will be rewarded with heinous punishment because you were arrogant on the earth without

the Truth, and you were the transgressors' as told in the verse 46: 20. See the explanation 1: 2; 5: 100 and 7: 8—9.

33. You Say: indeed what My Lord has forbidden is shameful deeds whether open or secret, and sins and trespassing without the Truth, and you associate anything with Lord Allah for which He has not revealed any Proof; and you say upon Allah what you are not knowing.

Adhikr— the Best Interpretation of Lord's Book— is the three time Knowledge which explains each and everything such as how to form belief in the Lord and in the Satan, what are the forbidden, what are the permitted, what are the heinous and shameful, etc. To put it briefly, It is the Criterion to identify Straightpath as well as the strayed ways. Satan entraps 999 out of each 1000 by obstructing from Lord's Speech Adhikr. Muslims by forgetting Adhikr became Mujirims and worthless serving the Satan. They utter with their tongue Allah...Allah...Allah, but their hearts are not linked with the Lord since they do not transform their jinn soul mate into a believer with Adhikr. The hypocrites are the sinners while their blind followers are the ungrateful. So Prophet and the believer who hold fast Lord Allah by hold fasting His Book Adhikr can't obey these hypocritical disbelievers and ungrateful disbelievers as told in the verses 25: 52; 33: 1, 48 and 76: 24. The hypocrites are the transgressors as explained in the verse 2: 99, and they are deliberately doing or make others doing forbidden things. Thus, they have become the sinners and transgressors. They will never become believers as explained in the verse 2: 6—7. Proof and Knowledge mentioned here is Adhikr. So all Muslims are the disbelievers and whatever they are telling about Lord Allah is without Knowledge— the Truth, and so are false. They are also the Mushriks mentioned in 55 verses as explained in the verse 2: 113. See the explanation 4: 48 and 174— 175.

34. And each community has a deadline, so whenever their deadline comes they can neither postpone it, nor can advance it for a moment.

The verse 19: 49 also ends as 'each community has a deadline, so whenever their deadline comes they can neither postpone it, nor can advance it for a moment'. Lord of the Universe has fixed a deadline for everything. And for each creature also He has fixed its food, drinking, duration of life and everything like that. Mankind is endowed with intelligence in order to represent the Lord here. But the hypocrites and their blind followers in every period have become transgressors and wrong doers by forgetting Adhikr. Then Lord saved the Messenger and Believers while He wiped out these wrong doing people as explained in the verse 6: 47. Finally the Lord deputed Messenger Muhammed as last Prophet and Messenger for entire world as explained in the verse 7: 157. All mankind after his deputation till the last Day belongs to his community. By hiding and rejecting Adhikr—The Best interpretation of Lord's Book— the hypocrites and their blind followers as explained in the verse 1: 7 have become the wrong doers and the transgressors as explained in the verses 2: 258 and 5: 49 respectively. Today, Adhikr which is the Balance and Trust to keep the universe in its equilibrium is formed

as a Splendid Book as explained in the verse 4: 34. So the Impartial Lord does not destroy any nation or community, but He gives chance to the hypocrites and to the great Mujirims for plotting in the country as explained in the verse 6: 123. Thus they themselves are making cause for their destruction. By considering Lord Allah as Impartial, the believers should convey Adhikr to other people belonging to Messenger's community as explained in the verses 6: 89—90 in order to extend the dateline of the universe so that the believer will get the reward of the glorification and praising done by Lord's creatures belonging to 1000 communities. See the explanation 3: 89— 91; 6: 2 and 55.

35. Oh the children of Adam! Whenever Messengers from among you come explaining My verses upon you, then anyone who becomes heedful and reformers, there shall be no fear upon them, and for them will not be grieved.

This verse addresses the children of Adam. As told in this verse 'Messengers will come to you', Lord Allah deputed 313 Messengers from Noah to Muhammed as explained in the verses 4: 163— 164. But today Muslims by rejecting Adhikr— The Message of the Lord— are rejecting all 313 Messengers, and are following 29 pseudo-prophets welcoming 30th pseudo-prophet Anti Christ. It is told in the verse 33: 40 that 'Muhammed is the Last Messenger and the seal of the Prophets'. That means there is no Prophet from the Lord to come after Muhammed. So if anyone is claiming that he is a Prophet after Muhammed, he is among the pseudo. See the explanation 2: 38; 3: 78 and 4: 91.

36. And those who reject Our verses and are arrogant about them, such are the inmates of the Fire; they will remain in it forever.

Among the mankind the Rejecters of the verses are the Book reading common Muslims, while the arrogant are the hypocrites. They are undeservingly priding that they are the learned. Both of them are the inmates of fire as explained in the verses 3: 39; 5: 10, 86. See the explanation 2: 186; 4: 150— 151; 6: 25— 26.

37. Then who is more in the wrong than anyone who forges a lie upon Lord Allah or rejects His verses? Such have received their portion from the Book, until when Our Messengers come to take back them, they will ask: where are those (the partners) you were calling besides Allah? They will say: They strayed from us, and they will bear witness against themselves that they were indeed disbelievers.

In every period of Messengers the people who received Lord's Book were hiding and rejecting Its content from the mankind. They were the wrong doers and disbelievers as explained in the verse 6: 21, and they all died witnessing that they were the disbelievers as told in this verse 37. Lord's Message Adhikr revealed to last Messenger Muhammed is for entire mankind as explained in the verse 6: 90. But after 30 years of Prophet's departure Muslims who have been reading the Book became in to three groups as explained in the verse 3: 7. Among them the hypocrites who have been knowingly hiding the verses of Lord's Book and their followers—the common Muslims— who have

been rejecting It are the wrong doers. They all have witnessed that indeed we were disbelievers at the time of their death. Today, since the Best interpretation of Lord's Book is formed in the name Adhikr, whoever from Muslims hides or rejects It, such are the disbelievers and wrong doers, and at the time of their death they will witness against themselves that we were disbelievers. Only the believers who follow and testify the Best Book Adhikr will die as Muslim who submitted all to the Lord as explained in the verse 3: 102. Since other people such as Hindus, Budhas, Jains, Jews, etc. have not read these verses, they will not witness that we were disbelievers. Here mentioned Messengers who take back the soul are the angels as explained in the verse 6: 60. See the explanation 3: 10, 4: 159; 6: 7.

38. He will say: You enter the Fire along with the generation of Jinns and mankind who have passed before you; when each and every generation enters in it, it will be cursing former generation, until when they all gather together in it, the last of them will say about the first of them: Our Lord! They have misled us, so You give them double punishment from the Fire; He will say: For each has double even though you are not knowing it.

The Muslims who have not transformed their jinn soul mate into believers with Adhikr which is the food, cloth and sight of the soul as explained in the verse 7: 26, at the time of death they will witness against their soul that they were disbelievers. They will enter the Hell cursing their parents (Previous generation), and when all are gathered in the narrow Fire, the children will tell the Lord about their parents as 'Oh our Lord! This generation made us strayed, and so you give them double punishment in the Hell'. Then the Lord will reply that every one of you has double punishment, but you do not know it. That means one punishment is for not purifying oneself and other is for not purifying his/her soul mate (jinn comrade). In addition to these, the parents will also get the portion of punishment from the punishment of their children since they do not teach them Adhikr which is the Ticket to return to the Paradise and the Safe guard against the Hell fire. The scene of blaming and arguing the parents who entered the Hellfire first and their children who entered the Hellfire later is explained in the verses as 38: 55—61 as: Indeed those who transgressed the limit have an evil returning, the Hellfire; in it they will be roasted, what a worst cradle! This, they may taste it, the boiling, cold and also other things of similar punishment. They will be told: "Here is a Troop rushing to you; no welcome to them, indeed they should be burned in the fire. They will say: It is to you no welcome, you have prepared this for us, then what a worst abode it is! And they will say: Oh our Lord, you make increase multitude punishment for the one who prepared this for us". See the explanation 2: 134; 4: 85 and 6: 160.

39. And the first of them will tell to the last: You had no superiority upon us, so you taste the punishment because of what you have been earning.

Parents will say their children that you had no any superiority or advantage over us since you had not utilized your intelligence and bounties to understand the aim of life,

and to prepare Paradise in the fourth phase for the seventh phase, and so you have to taste whatever you had been earning. The Impartial Lord does not guide anyone to the Paradise or the Hell. Each individual male or female has to earn the Paradise or the Hell as explained in the verses 2: 286 and 3: 185. See the explanation 2: 140— 141; 6: 94 and 104.

40. Indeed those who are rejecting Our verses and those who are arrogant towards them, for them the doors of the Heaven will not be opened, nor will they enter the Paradise until a camel passes through the eye of tailors needle, just like that We reward to Mujirims.

Today, Muslims all over the world who are reading this verse are arrogant and rejecters towards the verses of the Lord. The arrogant hypocrites are priding that they are the learned people without the Truth Adhikr. The record of these hypocrites and their followers—rejecters— is in Sijjeen as told in the verse 83: 7. ‘Mujirims’ are mentioned in 50 verses of Lord’s Book. In every verse both the hypocrites and their blind followers are included in Mujirims. They are only from the Muslims who are serving the Satan instead of serving Lord Allah as explained in the verse 3: 112. The scene of arguing, cursing and accusing these hypocritical leaders and their blind followers in the Hell is explained in the verses 2: 166— 167. See the explanation 3: 138; 5: 62 and 6: 55.

41. For them have cradles in the Hell, and above them are awnings of steam, just like that We are rewarding to the wrongdoers.

The wrongdoers mentioned in this verse are the ‘Mujirims’ mentioned in the above verse. The hypocrites are hiding Adhikr which is the only Ticket to return to the Paradise as well as the safeguard against the Hell as explained in the verse 5: 48, and their blind followers are rejecting It. So they will get cradles of Fire in the Hell, and they have blankets of steam there. The verse 32: 22 says, ‘who is more in wrong than the one to whom is remembered the verses of his Lord in his heart’s language and then turns away from Them? Indeed We shall revenge to such ‘Mujirims’. See the explanation 3: 196— 197; 6: 21, 25— 26.

42. And those who believed and are doing righteous deeds— We do not assign any Soul except what it can cope with; such are the inhabitants of the Paradise, they will live in it forever.

Without the permission of Lord –Adhikr— no one becomes a believer as explained in the verse 6: 125. Righteous deeds include propagation of Lord’s Message to the entire mankind in order to utilize It as the Balance and Trust to keep the Universe in its equilibrium. See the explanation 2: 25; 3: 108; 6: 151 and 152.

43. And We will strip away any rancor in their chests, beneath them rivers will be flowing; and they will say: Praise be to Allah Who has guided us to this! And we would have never been guided if Lord Allah had not guided us, surely Lord’s Messengers had come with the Truth; and it will be called out to them: That is the Paradise, you inherit it because of what you had been doing.

Since today, the Best Book 'Husna' is formed as a Book, whoever transforms his/ her jinn soul mate mentioned in the verses 43: 36—37 in to a believer by utilizing It, he/ she only becomes believer. He/she keeps Lord Allah in his/ her heart as explained in the verses 3: 101— 102. The believer always prays as: "Oh our Lord! You forgive to us as well as to our brothers who have passed us with belief, and you should not make rancor in our hearts to those who believed; oh our Lord, indeed You are the kind and the merciful" as told in the verse 59: 10. It is told in the verses 9: 71— 72 that 'the believing men and the believing women are protectors to each other, they are commanding with Justice and preventing the forbidden, and are steady with the prayer and are giving welfare tax, and are obeying the Lord Allah and His Messenger, upon them Lord Allah will show His Mercy, indeed Lord Allah is the Exalted, the Wise. For the believing men and believing women Lord Allah has promised Paradise beneath which rivers are flowing, they will live in It for ever, they have wholesome dwellings in the eternal bliss of Paradise, and the pleasure from Lord Allah is the greatest, that is the supreme triumph'. It is told in the verse 49: 10 that 'the believing men and women are brothers and sisters'. Believers who are having the aim of life are preparing the Paradise in this 4th phase which will be inherited to them in the 7th phase as explained in the verse 4: 39. See the explanation 1: 1; 2: 43 and 3: 136.

44. And the inhabitants of the Paradise will be calling out to the inmates of the Fire: Indeed we have found what our Lord had promised us as Truth; then have you found what your Lord had promised to you as Truth? They will say: Yes! Then an announcer among them will be calling out: Indeed Allah's curse is upon the wrongdoers.

45. Those who were obstructing the mankind from Allah's path, and were trying to make It crooked and were disbelievers with the Hereafter.

The hypocrites and their blind followers Mushriks are the wrong doers. They are not following Adhikr— the Straightpath— mentioned in the verse 6: 153 and are not giving It to others as explained in the verse 6: 26. See the explanation 2: 8, 79; 5: 57.

46. In Between them there will be a wall, and upon its top there will be men who recognize everyone by their features, and they will call out to the inhabitants of the Paradise: 'indeed Peace be upon you'! They have not entered in It even though they are wishing.

47. And when their sights are shifted towards the inmates of the Fire, they will say: Our Lord! You do not include us among the wrong doing people.

It is told in the verses 57: 12—13 that on the Day you see the believing men and the believing women with their light streaming on ahead of them and to their right: You have good news today, Paradise beneath which rivers are flowing, to live in it forever! That will be the supreme triumph. That Day the hypocritical men and the hypocritical women will tell to those who believed: You wait for us, we may use a light from you. It will be told to them: You go back behind and you seek the light; then a wall will be formed with a door, inside of it there will be Mercy where as outside of it there will be

punishment. The verse 14 continues as the hypocrites will call out to them: Were we not with you? They will say: Of course! But you tempted one another, and let yourselves in waver and in doubt and your guessing have deceived you until Lord Allah's command came along, and the deceiver cheated you about the Lord Allah. The verse 15 continues: So today no ransom will be accepted from you or from those who disbelieved, your abode is the Fire, it is your patron; what an evil returning place! See the explanation 2: 254; 5: 51 and 6: 144.

48. And the men upon the heights who will recognize each and everyone with their features will call out and ask: You are not benefited with your multitude and with whatever you were priding.

49. Are these not the men about whom you swore that Lord Allah would never bless with His mercy; (they are told): You enter the Paradise, there shall be no fear upon you and for you will not be grieved.

Today, all over the world Muslims who are reading these verses by rejecting Lord's Book Adhikr became different groups and each group is priding, boasting and enjoying in their multitude followers, their wealth and gangs. The true disbelievers explained in the verses 4: 150—151 are belonging to the Satan's party. They are guessing that in each 1000, 999 will go to the Paradise where as only one who are following Adhikr and are living separately from their groups will enter the Hell. Thus they are rejecting the verses such as 2: 78, 170— 171 and 4: 118. It is told in the verses 38: 62— 63 that 'the inmates of the Hell will ask the believers: What happened to us that we are not seeing the persons whom we had considered as in errors and in evils, and we had selected them as ridiculing; or are they invisible for our sight'. Actually, as per Lord's Book Adhikr, the worthless and the worst creatures are the hypocrites and their blind followers who consider and ridicule the one in 1000 believer as 'an evil strayed one' as explained in the verse 2: 73. 'Mercy' mentioned in all verses including 2: 105; 4: 113; 10: 58 is Lord's Speech Adhikr. See the explanation 2: 6—7; 4: 60—65 and 6: 116.

50. And the inmates of the Fire will call out to the inhabitants of the Paradise for pouring some water upon us, or from whatever Lord Allah has provided to you; they will say: Indeed Lord Allah has forbidden both of them upon the disbelievers.

51. Those who have taken their religion as a time passing and for amusement, and worldly life has deceived them, then this Day We have forgotten them just like they forgot about meeting of this Day of theirs, and that they were repudiating with Our verses.

The pathetic condition of the inmates of the Hell demanding drinks and food from the inhabitants of Paradise is explained here. It may be between the parents in the Hell and children in the Paradise or vice versa. There will not be any good relation between the inmates of Fire and inhabitants of the Paradise from this world even though they are children or parents. The believer in the Paradise will be saying that indeed both the water and the sustenance provided to us are forbidden to you. The aimless hypocrites

and their heedless blind followers are the true disbelievers. The 1 in each 1000 believer will not dazzle to their strutting in this world as explained in the verses 3: 196—197. The Impartial Lord doesn't lead any one either to the Paradise or to the Hellfire. But for the hypocrites and their blind followers who are hiding, rejecting and repudiating the Lord's Book, the read, touched and heard verses of Lord's Book will witness and argue against them and will push them into the Hellfire. See the explanation 6: 31—33, 7: 10, 27.

52. And surely We have brought for them a Book, We have explained It upon the Knowledge; a Guidance and a Mercy for the believing people.

Adhikr— the Splendid Book from the Lord— is the Three time Knowledge which explains each and everything. It is codified by the Three time Knower mentioned in the verse 25: 59 as explained in the verse 6: 53. It is the Best Interpretation of Lord's Book as told in the verse 6: 66. Muslims—the wrong doers— became the worthless people since they neglected Lord's Book as explained in the verse 4: 41. The verses 7: 203, 12: 11 and 16: 64 also end as Adhikr is a Guidance and Mercy for the believing people. See the explanation 6: 134 and 155—157.

53. What are they waiting for except Its prediction? The Day Its prediction comes, those who have already forgotten it will say: Verily, Our Lord's Messengers did come with the Truth! Then have we any intercessor for interceding to us? Or shall we be sent back so that we would do deeds which we were not doing; verily, they made lost their own Soul, and strayed from them what they have been forging.

Today, the hypocrites who are forging lie upon Allah and their blind followers who are rejecting His Book Adhikr will wail on the Day of Judgment as, 'Messengers from our Lord had come to us with the Truth Adhikr'. They will wish to have intercessors as they had been guessing in their worldly life. The real Mujirims explained in the verse 6: 55 and 7: 40 who are preferring bodily and worldly life without considering the soul and the Hereafter will witness against themselves at the time of their death that they were disbelievers as explained in the verse 7: 37, and on the day of judgment as explained in the verse 6: 130. See the explanation 6: 27—30, 93— 94.

54. Indeed your Lord Allah is the one Who created the Heavens and the Earth in six days, then He established upon the throne, He covers the day with night, it seeks hastily the night; the Sun, the Moon and the Stars are subservient with His command. Behold! For Him the creation and the command, Blessed be Allah, the Lord of the Worlds.

The Three time knower Lord of the universe is the Creator of each and everything including the mankind. To Him each and everything including the sun, moon, stars are subservient. The automatic alternation of night and day is also fixed by himself. Therefore, the right to give command is also for the Creator of the universe. Thus the Lord of the universe is the blessed. Today, Muslims are only reading these verses, but they without utilizing their intelligence have become Mujirims who are serving the Satan instead of Lord Allah as explained in the verse 3: 51. They became worthless by

forgetting Adhikr. They have read and heard the verses 25: 33— 34 that those who are living without testifying Adhikr—The Best interpretation of Lord's Book— will be dragged prone on their faces into the hell, they are in the worst place and are the most strayed. See the explanation 2: 29, 116 and 4: 133.

55. You appeal your Lord beseechingly and fearfully, indeed He does not like the aggressors.

Through the verse 7: 205 Prophet and the believers are commanded to remember Lord Allah with the soul beseechingly and fearfully without pronouncing words loudly, both in the early morning and evening, and not to be among the heedless. Whoever transforms his jinn soul mate into a believer with Adhikr—the food, cloth and sight of soul mate—, and keeps Lord Allah in his heart as explained in the verses 3: 100 and 4: 100, he will not call his Lord by tongue or will not make others to call Lord loudly. The aimless hypocrites and their heedless followers are calling the Lord and praying to Him with the tongue. It is their jinn soul mate Satan encouraging them to do so. But they will not get response for their calling. In order to get response to the appeal and to accept deeds, two conditions are provided as explained in the verse 2: 186. See the explanation 2: 99 and 152.

56. You do not make mischief on the Earth after its reformation, and you appeal to Him fearfully and hopefully, indeed Allah's Mercy is close to the Muhsins.

Muhsins are the ones who are living by testifying the Best Book Husna. Through this verse it is commanded to the mankind to appeal Lord Allah alone with fear and hope, and not to do mischief in the land. If the mankind is not obeying this command, the peace and tranquility will be lost from the world. The hypocrites and their blind followers are the Mujirims, and upon them the curse and wrath of Lord Allah are affected because they are involved in mischievous activities all over the world as explained in the verse 6: 26. The Muslims –the true disbelievers— who do not testify the Best Book Husna, at the time of death Lord will tell to every one of them as 'nay, you received my verses, but you rejected them, you were arrogant and you were among the disbelievers' as explained in the verses 4: 140; 6: 130 and 7: 37. See the explanation 2: 11— 12, 112; 7: 40.

57. And He is the one Who sends winds as an herald before His Mercy, until when it lifts up the heavy clouds, We drive it to a dead country, then We send down water with it; and thus We produce with it from every kind of fruit and cereals, just like that We bring forth the dead so that you may become remembering with heart.

Here 'His Mercy' mentioned is about the rain. The wind is lifting up heavy clouds having water vapors, and that water is led to the dead land as rain as Lord of the universe wishes. Thus the paddy, cereals, vegetables, corns, etc. are produced. With that water Lord Allah makes the dead land alive. The verse 21: 30 is having the message that water is essential for the survival of each and everything. Just like the plants, grasses, etc. are

getting life by the rain, all the dead will be raised up again as explained in the verse 2: 28 and 7: 25. See the explanation 2: 164; 6: 99 and 141.

58. A wholesome land brings forth its vegetation with Lord's permission, while the barren land produces only niggardly, just like that We are explaining Our verses for the people who are grateful.

The example of believing grateful man is that of a wholesome land which produces vegetation of all types very well useful for all creatures of the Lord, whereas the ungrateful disbeliever is compared to a barren or sterile land which only produces its vegetation niggardly without any use either to the cultivator or to any creature. Among the Muslims the grateful believer only remembers the Lord always and everywhere as explained in the verses 3: 190— 91. He is only engaged in doing deeds beneficial for 1000 communities of Lord's creatures. All other Muslims are ungrateful and worthless Mujirims since they neither utilize Adhikr, nor give It to others to utilize as the Balance to keep the Universe in its equilibrium. They are hastening for the end of the world as explained in the verse 3: 22. Read together 14: 24— 27. See the explanation 2: 195, 265—267.

59. Surely We had sent Noah to his people; then he said: Oh my people! You serve Allah, you have no Deity besides He, Indeed I fear the punishment of a great Day upon you.

60. The chiefs of his people said: Indeed we see you in a manifest astray.

61. He said: Oh my people! There is no astray with me, but indeed I am a Messenger from the Lord of the Worlds.

The first Messenger from the Lord of the universe is Noah as explained in the verse 4: 163.

62. I have conveyed the Messages of my Lord to you, and I am a well—wisher to you, I know from Allah what you do not know.

Adhikr is the Three time Knowledge from the Three time Knower of the Universe as explained in the verse 7: 52.

63. Do you wonder in coming a Reminder to you from your Lord upon a man from among you to warn you in order that you may become heedful with It, so that you may receive Mercy?

The Reminder 'Adhikr' is revealed in every period in order to explain It to the mankind so that they may become heedful and receiving Mercy. At last today the Wise Reminder Adhikr as mentioned in the verse 3: 58 is formed as a Splendid Book. But the bearers of It have become worthless by hiding and rejecting even the forty names of it. So Lord of the worlds will entrust It to the other people who will follow and convey It throughout the world as explained in the verses 6: 89— 90. See the explanation 6: 51.

64. Then they rejected him, so We saved him and who were with him in an Ark, but We caused to be drowned those who rejected Our verses, indeed they were a blind people.

Today Muslims all over the world are reading this verse. But they neither follow the Best Book 'Husna', nor give to other people to utilize It as food, cloth and sight for the human soul as explained in the verse 6: 104. So they will be dragged in to the Hell prone on their faces as deaf, dumb and blind as explained in the verse 2: 249. Prophet Noah's history is explained in the verses 10: 71— 73; 11: 25— 49; 21: 76— 77; 23: 23— 30; 26: 105— 120; 29: 14— 15; 36: 41; 37: 75— 82; 54: 9— 17 and 71: 1—28. See the explanation 6: 11 and 7: 10.

65. And in to Aad people We sent one of their own brother Hood; he said: Oh my people! You serve only Allah, you have no Deity besides He; then don't you become the heedful?

66. The chiefs of disbelievers among his people said: Indeed we are seeing you in foolishness; indeed we are seeing you among the liars.

67. He said: Oh my people! There is no foolishness with me, but indeed I am a Messenger from the Lord of the Worlds.

68. I conveyed the Messages of my Lord to you, indeed I am an honest well wisher for you.

69. Do you wonder in coming a Reminder from your Lord upon a man in order to warn you; and you remember when He made you the representative after the people of Noah, and He has given increased power to you in the creation, so you remember the Mercy of your Lord so that you may become prosper.

The mankind created in the Paradise is deputed to the earth in order to lead a life in this fourth phase as the vicegerent of Lord Allah as explained in the verse 6: 30. But the believer who testifies Adhikr— the Trust— only represents the Lord. The hypocrites and their blind followers by hiding and rejecting Adhikr –The Wise Reminder— are bearing the representation of the Kafir Satan. When all the people became the wrong doers or the transgressors, the Impartial Lord saved the Messengers and the believers with them, whereas the wrong doers and the transgressors were wiped out as explained in the verse 6: 47. It should be noted here that Aad people were the offspring of the believers saved in the ark with Noah. See the explanation 6: 164— 165.

70. They asked: Have you come to us commanding us to serve Lord Allah alone, and to avoid whatever our forefathers have been serving? Then you bring us whatever you are promising us, if you are among the truthful.

Today, among the mankind the hypocrites who read these verses have been killed by Impartial Lord Allah since they distort and hide the contents of Lord's verses as explained in the verse 4: 41. Their blind followers are eating (reading) body of the Book so that they are darted from the religion Islam as an arrow is darted from the bow as explained in the verses 3: 7 and 4: 43. They have selected different patrons and intercessors to Lord of the universe. Just like the people of Hood, today's worst people Muslims are also deviated from Islam and are following 29 pseudo-prophets. They are

also welcoming the emerging of 30th pseudo-prophet Antichrist. See the explanation 2: 170; 4: 91 and 6: 25.

71. He said: Surely, blight and wrath from your Lord have been already happened upon you; are you arguing with me in the case of some names that you and your forefathers have named for which Allah has not sent down any authority? So you just wait, indeed I am also waiting with you.

In every period the cursed hypocrites and their strayed followers were invoking and seeking help from the intercessors and patrons by forging upon Lord Allah. They had been justifying such activities and were arguing towards Prophets and believers with falsehood without having any authority and proof for it. Today also by rejecting Lord's Book Adhikr the hypocritical men and women and the mushrik men and women are thinking about Lord Allah in evil manner so that Lord's wrath and curse are affected upon them, and for them the evil abode Hell is kept prepared as told in the verses 9: 67— 68; 48: 6 and 98: 6. Whoever seeks help or appeals to any creature, they are calling and appealing to the Satan as explained in the verse 4: 117. To such true disbelievers mentioned in the verses 4: 150— 151, Soul of Lord's Book Adhikr is filth as told in the verse 9: 125. See the explanation 4: 159; 6: 22— 24 and 111.

72. Then We saved him and those who were with him by the Mercy from Us, and We cut off the roots of those who rejected Our verses, and they were not believers.

It is told in the verse 10: 103 as 'just like that it is Our duty to save the believers', and in the verse 21: 88 as 'just like that We are saving the believers' and in the verse 30: 47 as 'surely, whenever the messengers came to their people with the explanations, Lord Allah took revenge upon the Mujirims; and it is his duty to help the believers'. It is told in the verse 40: 51 that indeed We will help Our Messengers and the believers in this world as well as on the Day the witnesses stand forth. Since today Adhikr which is the Safeguard from all the calamities, disasters, evils, accidents etc. the Creator Lord has become Impartial. So the believer who holdfasts Adhikr as explained in the verses 3: 101—102 and 6: 104 will not be affected with any evil or disaster. The history of Messenger Hood and his people is explained through the verses 11: 50— 60; 26: 123— 140; 46: 21— 28; 54: 18— 22; 69: 4 and 6— 8. 'Mercy' is one of the forty names of Lord's Book Adhikr. See the explanation 6: 47 and 7: 40.

73. And in to Thamood their brother Swalih, He said: Oh my people! You serve Allah alone! You have no Deity besides Him, surely an Evidence is come to you from your Lord: This camel of Allah is a sign for you, so you leave it for eating in Allah's Earth, and you should not even touch her with evil intention; if so, you will be caught with painful punishment.

74. And you remember when He made you inheritors after the Aa'd people and He settled you on the Earth, then you are selecting castles in its plains, and you are curving out homes in the mountains; then you remember the marks of Allah, and you should not strut in the land as mischief makers.

75. The arrogant chiefs among his people asked to those who were weaklings believed from among them: 'Are you knowing that indeed Swalih is a Messenger from His Lord?' They said: Indeed we are believers with whatever he has been sent with.

76. Those who were arrogant said: Indeed we are disbelievers with whatever you have believed.

77. Then they slaughtered the camel, disobeyed their Lord's command and they said: Oh Swalih! You bring to us whatever you are promising us with if you are among the Messengers.

78. Then a terrible earthquake seized them, so in the morning they fell lifeless in their houses.

79. Then he turned away from them and said: Oh my people! Surely I have conveyed to you my Lord's Message, and I was a well wisher for you, but you were not loving the well wishers.

To the Thamood people Messenger Swalih was sent to warn them with Lord's Message. But the hypocrites and their blind followers rejected him and the Message by saying that 'Is Adhikr revealed upon him among us; nay, he is an Odd liar' as told in the verse 54: 25. Then as a sign for them Lord Allah gave a she—camel which was not begotten, but it was created with a command from the Lord 'be', then it was. Swalih said: This is Allah's camel, so you allow her to graze in Allah's earth, and you should not approach it with evil intention. But by disobeying Swalih's words, those haughty people slaughtered it and asked for the punishment which Swalih had warned them. Swalih told them: 'You enjoy in your houses for three days, which is a promise cannot be falsified' as explained in the verses 11: 64— 65. Thus when the Lord's command came to punish the disbelievers, Lord Allah saved Swalih and the believers with him, and wiped out the disbelievers with an earthquake as told in the verse 11: 66— 67.

The scene of blaming, arguing and cursing between the hypocrites and their blind followers from the hell is explained in the verses 2: 166— 167. The inmates of the fire will ask the believers for food and water as explained in the verses 7: 50— 51. The history of Swalih and his people is explained through the verses 26: 141— 159; 54: 23— 32 and 91: 11— 15 also.

80. And Looth, when he asked his people: Are you bringing shameful thing which no one in the world has ever committed before you?

81. Indeed you are approaching men for lust instead of women; nay, you are a transgressed people beyond the bounds.

The people of Prophet Looth who lived in Sadoom were doing sodomy (homosexual deed) which was anti natural. Prophet Looth warned them to avoid that shameful abomination deed which no one in the world had done before. Actually, the Lord has created male and female as pair in order to fulfill sexual passion in between them.

82. And his people's answer was nothing except to say 'you expel them from your city, indeed they are the people to be cleaned and pure'.

83. Then We saved him and his family except his woman, she was one of those who lagged behind.

84. And We showered upon them a rain, then you see how was the consequence of the Mujrimis?

Today, the hypocrites and their blind followers who read these verses are engaged in all evil and shameful deeds including sodomy. It is because they have become worthless by forgetting Adhikr as told in the verse 25: 18. So Lord's Book Adhikr will argue and witness against them. All their deeds are serving the Satan by following the footsteps of Satan as explained in the verses 2: 168— 169. Just like these Mujrim people, when all other people will also become wrongdoers and transgressors, the Doom day will happen as explained in the verses 1: 7 and 6: 158. The history of Prophet Looth and his people is also explained in the verses 11: 69— 83; 15: 51— 77; 26: 160— 175; 27: 54— 58; 29: 28— 35; 51: 24— 37 and 54: 33— 40. See the explanation 6: 55 and 7: 40.

85. And to the Madyan their brother Shuhaib; He said: Oh my people! You serve Lord Allah, you have no any Deity besides Him, surely I have brought to you Evidence from your Lord; so you fulfill measure and balance, and you should not reduce to mankind the commodities, and you should not make mischief on the Earth after its reformation, that is the best for you if you are believers.

86. And you should not lurk along every path threatening and hindering against Allah's way and intending to make it crooked the who believed with it; and you remember when you were a few, then He multiplied you, and you see how was the consequence of the mischief makers.

87. And if a faction of you believes in what I have been sent with, while a faction does not believe; so you be patient until Allah judges between us, He is the best among the Judges.

People of Madyan who did not accept Lord Allah as single Deity were involved in reducing commodities while measuring and were doing malpractices for mankind. Thus they became the mischief makers throughout the countries. They were also involved in robbery and seizing things from the mankind by sitting in their ways. Thus they obstructed the mankind from the Straightpath, and so the life in that country became very burden and difficult to the people. Thus Lord Allah deputed Prophet Shuhaib for reforming them and to unload their life burden. He advised them not to make Allah's path crooked and to remember the fact that they were less in number, but Lord Allah multiplied and increased their number. He also reminded them about the consequence of the mischief makers passed before. Today among the mankind only Muslims are reading these verses. But if anyone utilizes Adhikr as the Balance and Criterion, he can see that this people have become the worthless and are leading in all mischievous satanic deeds such as bloodshed, terrorism, adulteration, manipulation, robbery, theft, etc. as explained in the verses 2: 168—169. They are pretending undeservingly that they are living in Islam— the way of life satisfied from the first man Adam to the last as

explained in the verse 3: 19 and are introducing the Islam to other people falsely. But their life is the worse than any other people who have not even touched Lord's Book. These Mujirims are hiding Lord's Book Adhikr and are serving the Satan by following 29 pseudo-prophets and helping to emerge the 30th pseudo-prophet Antichrist. On the Day of Judgment these original disbelievers should have to bear all the life burden and suffering experienced by 1000 communities of Lord's creatures as explained in the verse 2: 59. They are reading the verse 83: 17 which says that the ledger of *Fujjar* is in *Sijjeen*. But none of them are trying to transfer their record from 'sijjeen' which is in the Hell in to 'Illiyyeen' which is in the Paradise as explained in the verses 6: 152—153. See the explanation 3: 5; 7: 30, 44 and 45.

88. The arrogant chiefs from his people said: Oh Shuhaib! Certainly, we will expel you and who believed with you from our country, or else you should surely return to our tradition; he asked: Even though we are hating it?

Even though Muslims are reading the verse 2: 256 which says 'that there is no compulsion in the religion', these arrogant human devil hypocritical disbelievers and their blind followers are pulling the odd believers in to their life ways. They are also compelling other people to come in to their traditional evil ways falsifying Islam. They are uttering Allah Allah Allah..... and Qur'an Qur'an Qur'an..... showboating without forming belief in the Lord and Lord's Book. So all their appeal are becoming astray as explained in the verse 1: 7, and all their deeds are not accepted as explained in the verse 2: 186. They will get Hell fire as fine for living in this fourth phase aimlessly and heedlessly as explained in the verse 6: 146.

89. Surely we will be forging lie upon Lord Allah if we return to your tradition after Allah has saved us from It; it is impossible for us to return in to it except our Lord Allah wishes, our Lord has wide Knowledge about each and everything, upon Allah we have entrusted. Our Lord! You take decision between us and our people, You are the best among those who take decision.

Today the one in 1000 believer who testifies the Best interpretation of Lord's Book Adhikr should say to 999 out of 1000 disbelieving Muslims that 'for you your way of life, while to me the Real way of life' as explained in the verses 2: 139 and 4: 151. Read together 11: 84—95 and 26: 177—190. See the explanation 2: 255— 257; 7: 37.

90. And the chiefs who disbelieved from his people said: If you follow Shuhaib, indeed you will be among the losers.

91. Then an Earthquake caught them, and one morning they lay lifeless in their homes.

If we read together this verse and 7: 78 we can understand that both Thamood and Madyan people were destroyed in the same manner. Only the wrong doing Muslims who are carrying Lord's Book Adhikr as donkeys carrying the burden are reading these verses today. They are not following Messenger Muhammed, instead they are following 29 pseudo-prophets and are welcoming the 30th. At the time of death as well as on the Day of Judgment every one of them will witness against his/ her soul that 'he/ she was a

disbeliever' as explained in the verses 7: 37 and 6: 130 respectively. All their deeds are futile since they hide and reject the Lord's Book as told in the verses 18: 103 – 106. See the explanation 2: 258; 7: 8—9.

92. Those who rejected Shuhaib became just like they did not live there, those who rejected Shuhaib were the only losers.

93. Then he turned away from them and said: Oh my people! I conveyed to you my Lord's Messages, and I was a well wisher to you; then why should I lament upon a disbelieving people?

Indeed Allah will not guide disbelieving people who hide Lord Allah and His Message as explained in the verse 5: 67.

94. And We have never sent any Prophet into any city unless We seized its people with suffering and adversities, so that they might be beseechers.

95. Then We substituted in the position of evil with good until they forget (the condition of adversity), and they said: Surely our forefathers were also affected with adversity and affluence; thus We seized them at a sudden while they were perceiving it not.

See the explanation 6: 44—45.

96. If the people of the cities had believed and were heedful, surely We would have opened upon them blessings from the Heaven and the Earth, but they rejected, so We seized them because of what they had been earning.

The Impartial Lord says that if the inhabitants of the country are becoming believers with Adhikr and heedful by conveying It to the entire mankind, He will open for them all the doors of blessings from the sky and from the earth. But the Muslims – Mushriks—who are reading these verses neither utilize It nor give It to other people for utilizing as explained in the verse 6: 26. Thus they all have become the wrong doers and transgressors as explained in the verses 2: 99 and 6: 21. As told in the verses 6: 89— 90 Lord Allah will entrust It to other people who will not hide It. These worthless Mujrimis are welcoming Anti Christ whom they will approve as Prophet for getting food and water abundantly. Later they will approve him even as Lord in order to get the cloned copies of males and females for fulfilling their sexual thirst. Then by the second coming of Jesus, Satan Antichrist and these worthless wrong doers will be killed as explained in the verses 4: 158— 159. See the explanation 5: 65 and 66.

97. Then are the people of cities in secure about Our torments coming to them in the night while they are sleeping?

98. Or are the people of the cities in secure about Our torments coming to them in day light while they are playing?

The verses 16: 45— 47 say: Then are those who plot for evil feeling secure that Allah will not make them swallow with the earth, or the punishment will not come in a way they are not perceiving, or they will not be seized in their dazzling; they will not be

triumphant. Or they will not be seized in their fearing time, indeed your Lord is kind and Merciful. Read together 67: 16— 17. See the explanation 7: 4 and 5.

99. Then are they secure from Allah's plotting, then no one is secure from the plotting of Allah except the people of losers.

The verse 14: 46 says, 'all the times the rebellious people make plots against the Truth, but their plots were nothing in the sight of Allah, even though they were so strong to shake the mountains'. That means, if anyone devises plots against the Truth, it will act as a boomerang. Thus, no one will device plot against the Truth except the people who are to be perished. See the explanation 3: 54; 6: 123 and 124.

100. Is it a Guidance for those who inherited the Earth after its previous people, if We had wished We would have made them affect with their sins, and We seal upon their hearts, so that they could not hear.

The verse 32: 26 says, 'does not it teach them a lesson, how many generations We destroyed before through whose dwelling places they walk; verily, in that are signs; aren't they then listening?' The verses 22: 45 and 46 say: 'How many cities We have wiped out while they were doing wrong, they tumbled down on their roofs; and their wells have been abandoned and impressive palaces as well, have they not traveled around the Earth so that they may have hearts think with or ears listen with? It is not their eyesight which is blind, but their hearts in their chests are blind'. Today, the hypocrites who are knowingly hiding the Guidance Adhikr from the mankind, and their blind followers who are rejecting It are the aimless, heedless and worthless people. They will not return to Lord's House Paradise since they do not utilize Adhikr as the Ticket to the Paradise and the Safeguard against all disasters, calamities and Hellfire as explained in the verse 5: 48. These most strayed people will be dragged to the Hell as deaf, dumb and blind as explained in the verses 2: 18 and 6: 25. See the explanation 2: 6— 7; 4: 78.

101. Those are the cities, We have explained the news upon you about them, and surely their Messengers had come to them with Explanations, then they were not believing with what they were rejecting before, just like that Lord Allah is sealing upon the hearts of disbelievers.

To every country Messengers had come with the same Message Adhikr. But the hypocrites and their blind followers did not accept the Messengers and the Message sent with them. Thus when all the people except a few became the wrong doers and transgressors, the Three Time Knower Allah inspired the Messengers for praying to the Lord to take a decision between the believers and the disbelievers. Then the Lord saved Messengers and the believers with them while He punished the disbelievers as explained in the verses 4: 47 and 6: 47. At last Messenger Muhammed was deputed with Adhikr which contains 312 previous Books and their upright Explanations as explained in the verse 4: 136. From the deputation of Messenger Muhammed till the last Day, all mankind of entire world belongs to his community. But after 30 years of his

departure, the hypocrites and their blind follower Mushriks have been rejecting the Soul of Lord's Book considering only Its body which is the Arabic Text Qur'an. They have been teaching their children the Lord's Book just as Jews in Madeena were teaching the Book 'Thourath' to their children. Today also Muslims all over the world are not learning, teaching, following and conveying Lord's Book, instead they are learning, teaching, following and conveying different books written by 29 pseudo-prophets as explained in the verses 2: 78—79. These Mujirim people neither utilize Lord's Book, nor give It to other people belonging to Messenger Muhammed's Community. Therefore, Lord Allah has sealed the hearts of these true disbelievers as explained in the verses 2: 6—7 so that they will never become believers as told in the verse 10: 33. See the explanation 4: 163 — 166.

102. And We did not find most of them fulfilling the covenant, instead We found most of them as the transgressors.

Each and every human was created in the Paradise, and the Lord took a covenant from each soul asking 'am I not your Lord?' Everyone said: 'yes, I do witness' as explained in the verses 2: 26—27 and 7: 171—172. Today, among the mankind Muslims are only reading these verses. But instead of reminding the mankind about this covenant with the Wise Reminder Adhikr, they are hiding and rejecting It. Thus they all became the transgressors as explained in the verse 2: 99. It is told in the verse 5: 47 that whoever does not judge with Adhikr, he is the transgressor. These hypocritical transgressors are hastening for the arrival of the Antichrist Satan. At first they will accept him as Prophet, and later even as lord. He will fulfill all their whims and ambitions as explained in the verse 5: 55. On the second coming of Jesus, the Anti Christ and his followers will be killed as explained in the verses 4: 158— 159. See the explanation 5: 49 and 6: 49.

103. Then We sent Moosa with Our signs to Pharaoh and his chiefs, then they did unjust with It, so you see how was the consequence of mischief—makers.

Even though Pharaoh saw all signs clearly from Lord Allah through the Messenger Moosa, instead of accepting it and believing with the Lord, he became enemy of Moosa. At last Lord Allah commanded Moosa to pray against Pharaoh as told in the verses 10: 88— 89. Thus, when Pharaoh was drowning in the sea and his spirit reached in his throat, he said: 'I believed that there is no Deity except the One whom the children of Israel believed, and I am among the one who submitted all to Allah' as told in the verse 10: 90. As told in the verse 91 Allah asked: 'Are you believing now? You disobeyed before and you were among the mischief makers'. As told in the verse 92 Allah said: 'However, We will preserve your body in order to be a sign to anyone who comes after you; yet many people are quite heedless about Our verses'. It is told in the verses 8: 53—54, "The Impartial Lord Allah will not change the favors He has bestowed upon a people until they change themselves. Just like pharaoh's folk and those before them, they neglected their Lord's verses, then We destroyed them due to their offenses, and We made the Pharaoh folk drowned, each of them was wrong doer."

When all the community of last Messenger Muhammed become wrong doers and mischief makers like his people Muslims, the end of the world will happen. See the explanation 7: 74 and 86.

104. And Moosa said: Oh Pharaoh! Indeed I am a Messenger from the Lord of the worlds.

105. It is the duty on me not to say upon Allah except the Truth; I have come to you with Evidence from your Lord, so you send the Children of Israel with me.

106. He said: If you have come with any sign, then you produce it if you are among the truthful.

107. Then he put down his staff, then it became a real snake.

108. And he pulled out his hand (from the side pocket), then it became shining white to the beholders.

109. The chiefs among Pharaoh's people said: Indeed this is a well versed sorcerer.

110. He intends to expel you from your land; then what are you commanding?

111. They said: 'Put him and his brother off, and you send recruiters in order to gather citizens.

112. Let them bring each and every well versed sorcerer in front of you.

113. And the sorcerer came to Pharaoh, they asked: 'Indeed would we have reward if we would be the winners?'

114. He said: 'Yes, indeed! You will become among the courtiers.

Pharaoh told them that if they are becoming winners in the competition, besides getting appropriate reward, they will be included among the nearest of him in the palace.

115. They asked: 'Oh Moosa! Are you putting down at first or shall we be the ones to put down first?'

116. He said: 'You put down first!' then while they put down, they bewitched the people's eyes and terrified them, they brought a great sorcery.

As told in the verses 20: 66— 67, when the sorcerers put down their rods and ropes, they were seemed as crawling snakes towards Moosa. Then Moosa felt a sort of fear in his inner soul.

117. We inspired to Moosa for putting down his staff, then it swallowed up whatever they had trumped up.

Sorcery is from the Satan's side as explained in the verses 2: 102 and 4: 51. So when the sorcerers put down their ropes and rods, the Satan made them seeing as crawling. When Moosa put down the staff according to the Lord's command, it was transformed into a snake by Allah's command. By the presence of this snake, all the snakes made by Satan were disappeared.

118. Thus the Truth happened, and what they have been doing became falsehood.

119. Then they were defeated, and were turned back belittled.

Today, the Muslims are only reading these verses. But if any one observes by utilizing Adhikr as the Insight, he can see that the Muslims— the original disbelievers— are

involved in Satanic footsteps rejecting the verses 2: 168—169. In this world itself they have become disgraced and belittled due to their negligence towards the Truth Adhikr. In the Hereafter, they will understand that all their deeds are falsehood and futile as explained in the verses 7: 8— 9.

120. And the sorcerers fell down in prostration.

121. They said: Indeed we believed with the Lord of all worlds.

On seeing the Truth—The Sign from the Lord— the sorcerers automatically fell down in prostration. It teaches that whoever has an atomic portion of belief in the soul, he/ she will fall down in front of the Lord when he/ she sees the sign of Lord. Today the sign of Lord is the verses of Lord’s Book Adhikr which explains each and every thing including the signs shown to the people of the previous Prophets. There are 15 places for ‘prostration of recitation’ in the Lord’s Book. But the hypocrites and their blind follower Kafirs do not do this prostration even if they are reciting or hearing these verses. They are doing prostration in their Swalath with their body without the participation of their soul. Any deed without the participation of the soul will never be accepted. Moreover, all such deeds will cause to punish them as explained in the verse 2: 20.

122. The Lord of Moosa and Haroon.

123. Pharaoh asked: “Did you believe with Him before I permitted you! Indeed this is certainly a plot which you plotted in the city in order to expel its people from it, then certainly you will know its consequence!

124. Certainly I will cut off your hands and your legs from the opposite sides, after that I will crucify all of you”

125. They said: Indeed, we are the ones who will return in to our Lord.

The sorcerers came to Pharaoh expecting the reward from him. But on seeing the Sign— the Truth— from the Lord through Messenger Moosa they fell down and declared their belief openly. They also became ready to accept any punishment from Pharaoh including the death, and thus to become martyrs.

126. You have no reason to take revenge on us except that we believed in our Lord’s Signs when it came to us; Our Lord! You pour patience upon us, and you take back us as Muslims who submitted all to You!

The believers only die as Muslims —submitting all to the Lord. Today, the Lord’s permission Adhikr is formed as a Splendid Book, so nobody can become a believer except with It as explained in the verses 2: 256— 257. The hypocrites who forge lie upon Lord Allah and their blind followers who reject the Best Book Adhikr will witness against their soul at the time of their death and in the Hereafter as ‘we were the disbelievers’ as explained in the verses 6: 130 and 7: 37. See the explanation 2: 136 and 3: 102.

127. And the chief of Pharaoh’s people asked: Are you leaving freely Moosa and his people to do mischief in the earth, and to forsake you and your deities? He said: certainly we will slay their sons, and we will allow their women to live, and indeed we have supreme authority above them.

Even though the sorcerers were defeated, Pharaoh and his people did not believe in Moosa and in the Lord of the Universe. Instead, they started again to kill the sons of Israel allowing their daughters to live just like he did before to ban the birth of Moosa as explained in the verses 2: 49—50. The Lord of the Universe has only Supreme authority upon his servants as explained in the verse 6: 18. But Pharaoh by forgetting the Lord of universe was claiming that he was the supreme Lord of his people as explained in the verse 79: 24. His people also considered him as one of the deities of them. Today, Muslims are only reading these verses, and they are uttering with their tongue ‘There is no Deity except Lord Allah’, but in their practical life they are forging intercessors and patrons to the Lord. The human devil hypocrites and their strayed followers will argue, curse and blame each other in the Hell as explained in the verses 2: 166—167. Lord’s Book Adhikr which is the Food, Cloth and Sight of the soul for the entire mankind is entrusted to the Muslims, but they have become wrong doers and Mujirims by hiding and rejecting It. So these true disbelievers have lost Masjidul Aqsa at Jerusalem. Shortly, they will also loss Ka’ba at Makkha, and they will be expelled from ‘Hijaz’ which includes both Mecca and Madeena provinces. ‘Hijaz’ is the reserved place for the believers from all mankind. After the arrival of the 30th pseudo-prophet Antichrist, he will please this true disbelievers and wrong doers by allowing them to enter in to Jerusalem. In any case, after coming of Mahadi as the last justice ruler of ‘Hijaz’, they will not be allowed to enter ‘Hijas’. On the second coming of Jesus, Anti Christ and 70,000 soldiers with him will be killed. Then all other people belonging to Messenger Muhammed’s community including Jews, Christians, Hindus, Buddas, Jinas, etc. will approve Jesus and Islam, and they will kill the hypocrites and their blind follower Mushriks. Later, all the mankind will be allowed to visit Ka’aba at Mecca which is the First House of the Lord established for the entire mankind as explained in the verses 3: 96—97 and 5: 97. See the explanation 4: 91, 150— 151.

128. Moosa said to his people: You seek help from Lord Allah, and you be patient, indeed the Earth belongs to Allah, He will give its inheritance to whom He wishes from his servant, and the best consequence is for the heedful.

Today, it is seen that Muslims who read these verses are defeated by others all over the world. It is because they have become aimless and heedless by hiding and rejecting Adhikr— the Best Interpretation of Lord’s Book. See the explanation 2: 2—5 and 6: 56.

129. They said: We were oppressed before you had come to us and after you have come to us. He said: Perhaps, your Lord may wipe out your enemy and make you vicegerents in the Earth, then He will see how you are acting.

Even though the mankind is deputed in to the earth in order to bear the vicegerency of the Lord Allah, the believer only represents it as explained in the verse 6: 165. The true disbelievers who are reading and hearing these verses are representing the Satan—the disbeliever. So they will be defeated by other people belonging to Messenger’s community. See the explanation 6: 65— 66, 89 — 90 and 7: 6.

130. And We afflicted Pharaoh's people for several years, and with the shortage of fruits and cereals so that they may remember with heart.

Today, Muslims—the aimless and the heedless—who read the verses of Lord's Book are celebrating the death anniversary of Messenger Muhammed rather than the birth anniversary as he was born on 12 Rabi'ul Awwal G.C. 570 and his death was on the same day in the year of 632. When Muhammed was born he was not a Prophet. He got the Prophet hood only when he was in the age of 40. At the same time he died while he was a Prophet and Messenger for the entire mankind.

Moreover, these worthless people do not know that there is no difference of a day anywhere in the world. So they are celebrating Eid, fasting, Hajj, etc. in three or four different days all over the world. They have no remembrance of Lord Allah even in their prayer. Instead their prayer is only uttering words with tongue without the participation of the soul just like they are reading Lord's verses without the participation of the soul rejecting the command of the verse 4: 43. See the explanation 2: 153 – 155; 3: 19; 6: 31.

131. Then whenever something good came to them, they said: 'this deserves for us', while if a bad afflicts them, they consider it as an omen with Moosa and whoever with him; Behold! Indeed their omen is with Lord Allah, yet most of them do not know.

It is told in the verses 36: 15—19 that the disbelieving people to whom three Messengers were sent told the Messengers, 'you are none except a human similar to us, the Impartial Lord has never revealed anything, indeed you are the liars'. The Messengers said, 'our Lord knows that indeed we are the Messengers sent into you, and nothing is our duty except conveying His Message clearly'. The disbelievers said, 'indeed you are an evil omen; if you are not desisting, certainly we will stone at you and you will be affected with painful punishment from us'. Messengers said, 'your omen is with yourselves, is it your reply like this while you are reminded with Adhikr; nay, you are an extravagant people'.

Today, Muslims who are reading these verses are not considering the Lord as the Impartial, thus they are rejecting the verses 4: 78–79; 17: 13— 14 and 18: 49. These Muslims have become Mujirims who are serving the Satan by following the footsteps of Satan as explained in the verses 2: 168— 169. See the explanation 4: 118; 5: 86; 6: 37; 7: 40.

132. And they said: And whatever Sign you may bring to us to make sorcery on us with it, we will not become believers in you.

Today, Muslims are considering the body of Qur'an as the great Miracle and are boasting and priding that Qur'an is the Book read by most people all over the world. Among them the hypocritical disbelievers are hiding Lord's Book Adhikr and its 40 names from the mankind as explained in the Introduction of this Book. They are teaching their blind followers that by reading Arabic text of the Lord's Book merely without knowing Its content will cause to get virtue. But it is against the Lord's teaching through Messenger Muhammed as explained in the verses 3: 7 and 10. These worthless

and worst creatures who are serving the Satan will be killed on the second coming of Jesus. On the Day of Judgment they will be dragged in to the Hell on their faces as explained in the verses 2: 174— 176. See the explanation 6: 111— 112.

133. Then We sent upon them flood, locust, lice, frogs and blood as distinct signs, then they persisted in their arrogance, and they were a Mujirim people.

It is told in the verse 17: 101 that Israel children were given nine clear Signs; the Staff which transformed as serpent as told in the verse 7: 107, the hand which became shining when pulled from the pocket as told in the verse 7: 108, Years of famine for fruits and cereals as told in the verse 7: 130, The failure of the sorcerers as told in the verse 7: 119, Flood, disturbance of Locusts, Insects, etc. which spread diseases in human and animals, abundance of Frogs, Changing of water to Blood and there by scarcity of water as told in this verse ie. 7: 133.

Today, among the mankind Muslims are only reading these verses. But by hiding and rejecting the Lord's Book Adhikr they are deserved for punishment. So whatever Sign they may receive, they will not change their mood. So both these hypocrites and their blind followers are compared to a dog which will not change its attitude whether disturbed or not as explained in the verse 2: 171. These actual Mujirims are priding that they are in the Straightpath while all other people are in the strayed ways. They are falsely guessing and propagating that 'the Paradise is beneath the feet of mothers' which is against the teaching of Lord's Book. By rejecting the Insight Adhikr told in the verse 6: 104, these wrong doing worst creatures even do not know that the Paradise is above the sky. Actually they are saying a truth that their eternal place is under the feet of their mothers and forefathers, but that eternal place is the Hell which is the Paradise of disbeliever Satan. See the explanation 2: 170— 171 and 6: 55

134. And whenever distress happened upon them they said: Oh Moosa! You appeal to your Lord for us with the covenant you have; if you are removing the distress from us, certainly we will believe in you, and certainly we will send the children of Israel with you.

135. Then whenever We removed the distress from them for a period which they have to fulfill, behold! They are breaking the words.

136. So We took revenge from among them, and they were drowned in the deep sea, because indeed they had rejected Our Signs and they were heedless about them.

Today, 6236 verses of Lord's Book are the Signs for the entire mankind. But among Muslims the hypocritical human devils who are knowingly hiding Lord's Book are the aimless, while their blind followers who are rejecting these verses are the heedless. They do not know even the 40 names of Lord's Book and the number of verses in It. Even though Adhikr is the healing for the diseases in the hearts, for the hypocritical transgressors It will increase filth over filth as explained in the verses 2: 6— 10.

'We took revenge from among them' told in the verse means the Impartial Lord Allah takes revenge only towards the wrong doers. At the same time the Lord will save the

Messenger and the believers who follow him till the last Day. See the explanation 6: 21, 25— 28, 93 —94.

137. And We made inherited the country of which the east and west We have blessed for the weakling people, the word of your Lord is fulfilled in the best manner upon the children of Israel because of that they were patient, and We annihilated whatever Pharaoh and his folk were producing, and whatever they were building up.

It is told in the verses 28: 5—6 that Lord Allah intended to bestow favor upon those who were weaklings in the earth, and He made them leaders to make them the inheritors of the earth. He intended to establish for them on the earth and to show Pharaoh, Haman and the soldiers of them what they were bewareing. It is told in the verses 44: 23— 29 that Lord Allah told Moosa: You travel with My servants in the night itself, indeed you will be followed. And you leave the sea as furrow, indeed they are an army to be drowned. How many gardens and streams they left; the cultivating fields and the noble positions and accommodations, and favors they were enjoying. Just like that We gave it inherited to other people (Children of Israel). Then upon them neither the sky nor the earth cried, nor they were given respite. It is told in the verses 32: 23—24 that verily, Lord Allah gave Moosa the Book, so you should not be in doubt about receiving such a Book, We made It a Guidance for the Children of Israel, and We made from among them leaders guiding with Our commands, when they were patient (preferring eternal Hereafter than this worldly life) and when they became confirmed believers with Our verses.

Today, the hypocritical leaders of Muslims and their blind followers are only reading these verses. But their behavior and character became worse than the Jews, Christian and the Mecca Mushriks of Prophet's period. The character of Jews and hypocrites in Madeena during Prophet's period is explained in the verses 3: 72, 112; 5: 11 and 41— 42. But after 30 years of Prophet's departure Muslims became the transgressors by hiding and rejecting Lord's Book, and they started to follow the footsteps as that of Jews and Christians of Prophet's period.

Now Hindus, Budhas, Jains, Christians, Jews, etc. who are belonging to Messenger Muhammed's community are having human values than the true disbelievers mentioned in the verse 4: 151. They are the wrongdoers, transgressors and Mujirims as explained in the verses 2: 6—7, 254; 6: 21 and 7: 40— 41. They have become the worthless and the cheapest since they neither utilize nor propagate Lord's Message Adhikr as explained in the verses 6: 25—26. The Jews of today are having better character than Muslims. They have transformed their capital in to Jerusalem and have banned Muslims— the real Mujirims— from entering there. Actually the Impartial Lord of the Universe is ruling the world, and He has made all these since the Muslims are not doing their duties and responsibilities which the Lord has commanded them through His Book. Actually they are commanded to lead a life witnessing Lord's Book and to convey His Message Adhikr throughout the world in order to utilize It as the strongest weapon

against terrorism, bloodshed and all such mischievous activities and to form the harmony of mankind.

Shortly, Imam Mahdi will come in Hijaz, and Lord Allah will ban the Muslims all over the world from entering into 'Hijaz' as explained in the verse 7: 127. See the explanation 1: 7; 2: 166— 167 and 5: 51.

138. And We led the Children of Israel across the sea, then they happened to pass upon a people who were dedicating the idols for them; they said: Oh Moosa! You make a Deity for us just like the deities they have; He said: Indeed you are a people of the ignorant.

139. Indeed this people are to be destructed by this in what they are, and whatever they have been doing is falsehood.

140. He asked: Do I seek a Deity for you other than Lord Allah, while He has preferred you above all the worlds?

When Pharaoh and his soldiers were following Moosa and the children of Israel to seize them, Allah made a dry path through the sea by a single beat with the staff of Moosa. Moosa and children of Israel crossed the sea. While they were looking in to the sea, Allah made Pharaoh and his troops drowned in the sea. After this Moosa and children of Israel were continuing the journey, and they reached to a people dedicating their idol.

Since Children of Israel were under the slavery of Pharaoh and were involved in cow adoration, they were ignorant about the real single Deity— Lord Allah. So they demanded a deity for them just like the people whom they met had. Then Moosa is asking them, "do I seek a deity for you other than Lord Allah?" When Moosa went to the mount Thwoor for meeting the Lord and for receiving the Guidance 'Thourath', they made an idol of calf and started to dedicate it.

Today's Muslims by hiding and rejecting Lord's Book Adhikr— the Best Interpretation— are deaf, dumb and blind towards It, and are the inmates of the hellfire from the mankind as explained in the verse 2: 18. See the explanation 1: 4; 2: 255; and 6: 102— 103.

141. And you remember, We saved you from Pharaoh's folk, they subjected you for evil punishment, they were killing your sons and allowing to live your women; in that you had a great trial from your Lord.

This verse and the following verses are revealed to form the real concept about Lord Allah not only for the children of Israel, but also for all the mankind till the Dooms Day. See the explanation 2: 158— 159; 7: 127

142. And We promised thirty nights for Moosa and We completed it with ten, thus he completed forty days the term of meeting his Lord, and Moosa said his brother Haroon to represent me in my people, and you reform, and you should not follow the path of mischief makers.'

Before inviting Moosa to 'Thwoor Mountain' for getting the Book of Guidance for the children of Israel, Moosa and Haroon had led their people according to the inspirations Moosa got from the Lord.

143. And When Moosa came for Our meeting, his Lord spoke to him, he (Moosa) said: My Lord! You appear to me, I may look in to you. He said: You will never see me, however you look in to the mountain, if it remains in its place, then you will see me. When his Lord manifested on the mountain, He made it flattened, and Moosa fell down stunned; when he recovered his sense he said: Glory be to you! I have turned into you, and I am the first of the believers!

No one can see the Lord in this world by eyesight. But the believers can see Him by the sight of the soul as explained in the verses 6: 103— 104. It is told in the verse 59: 21 that if We had sent this reading— the Splendid Book Adhikr— upon a mountain, certainly you could see it humbly itself breaking asunder for the owe of Lord Allah, We are putting forward such parables for the mankind so that they may become meditating and reflecting. By reading together these two verses 7: 143 and 59: 21, the believer endowed with the intelligence can understand that Adhikr – the Splendid Book Husna— resembles with the Lord. So one can holdfast Lord Allah by hold fasting Adhikr— the Unbreakable rope— as explained in the verses 3: 101, 195 and 5: 48.

By rejecting Adhikr, the curse affected hypocritical disbelievers and their strayed blind followers have become the worst creatures near Lord Allah. The Impartial Lord doesn't lead anyone either to the Paradise or to the Hell, but the read, heard and touched verses will witness and argue against these disbelievers and will push them in to the Hell. See the explanation 3: 79 and 4: 82.

144. He said: Oh Moosa! I have selected you upon the mankind with My Messages and with My words; So you holdfast what I gave to you, and you be among the grateful.

'Thourath' was Lord's Messages and words for the entire mankind at that period. Today, Adhikr –the Wise Reminder— containing all 312 previous Books and their upright explanations is Lord's Message and words for the entire mankind. But the wrong doing Muslims who are carrying the Lord's Book as the donkeys carrying burden are hiding and rejecting It. So the Lord of Universe will entrust It to the other people who will not hide It. See the explanation 5: 67 and 6: 89— 90.

145. And We have inscribed for him each and everything as Good advice on stone disks, and spelling out clearly each and everything, so you holdfast It firmly, and you command your people to holdfast It in the best manner, I will show you the home of the transgressors.

Today, among the mankind the Muslims are only reading these verses. The hypocrites among them are hiding and distorting the verses whereas their blind followers are reading the body of Lord's Book and are darting away from the religion Islam as an arrow is darted from the bow. The odd believer should holdfast Adhikr— the Safeguard— with his molar teeth as the Lord taught through his Messenger on the day

of farewell pilgrimage. It is told in the verse 39: 18 that the one who is endowed with the intelligence hears the Word of the Lord and follows It in the best manner, such are the ones whom Allah has guided. The Best Book Adhikr is codified today. So the believer will convey It to the entire mankind aiming to utilize It as the Balance and Trust to keep the Universe in Its equilibrium, whereas the filthy hypocritical disbelievers for whom Lord's Book Adhikr increases only filth over filth as explained in the verse 5: 63 try to extinguish It. Believer should do great Jihad with the safeguard Adhikr towards these hypocrites and their blind followers as explained in the verse 4: 44. See the explanation 3: 190— 191.

146. I will certainly divert from My verses those who are arrogant on the Earth without the Truth; even if they see each and every verse they will not believe with it, If they see the upright way they will not accept It as the way, and if they see the wrong way, they will accept it as the way, that is because they rejected Our verses and they were heedless about Our verses.

This verse teaches that the Impartial Lord will divert the arrogant Muslims and their followers from Lord's Book Adhikr with which only one can become believer as explained in the verses 2: 6—7 and 256. Without Truth means, without knowing the Splendid Book Adhikr as explained in the verse 6: 5. The 999 Muslims out of each 1000 all over the world are the transgressors and disbelievers as explained in the verses 4: 118 and 6: 93. So they will not follow and testify Lord's Book. The aimless hypocrites among them will be entering the hell even without the trial whereas their heedless blind followers will be led to the Hell after trial as explained in the verse 2: 41. These Mujrim disbelievers who are preferring worldly and bodily life, at the time of the death every one of them will witness against their own soul that indeed he/she was the disbeliever as explained in the verse 7: 37. Their grave yard is a 'pit of fire' from the 'seven valleys of hellfire' as explained in the verse 7: 25. See the explanation 2: 39; 4: 82 and 7: 133.

147. And those who reject Our verses and the meeting of the Hereafter, their deeds became futile; should they be rewarded except for what they have been doing?

As explained in the verses 7: 101—102 the transgressing Muslims by hiding and rejecting Lord's Book Adhikr from the mankind are hurrying for the Dooms day. So all their deeds are in vain as explained in the verse 6: 31. These people serving the Satan are the wrong doers who do not believe with Lord Allah and the Hereafter as Lord's Book Adhikr submits. Instead of following Messenger Muhammed these worthless people are following 29 pseudo-prophets as explained in the verse 3: 117. These aimless and heedless worst people are earning Hell instead of Paradise as explained in the verses 2: 286 and 3: 182. The verse 34: 33 also ends asking, 'should they be rewarded except for what they have been doing?' See the explanation 2: 186, 254 and 4: 44.

148. People of Moosa selected in the absence of him from their ornaments a shape of calf having the body of mooing; don't they see that indeed it does not speak to them

and does not guide them to the Straightpath; yet they selected it, and they were the wrongdoers.

Moosa had gone to 'Thwoor Mountain' in order to accept Thourath leaving the children of Israel on 'desert Seenai' authorizing his representation to Prophet Haroon as explained in the verse 7: 142. During that time the people of Moosa under the leadership of Samiriyy put their ornaments in to a fire pit. Then by melting the ornaments he made for them an idol of a calf for which Satan gave a mooing sound. Samiriyy told them that it is the Deity of yourself and Moosa, about which Moosa forgot to tell you as told in the verses 20: 87 and 88. It is asked in the verse 20: 89 as, 'don't they see that it does not talk back to them, and does not have any power for giving harm or advantage for them?

Today, Muslims are reading these verses without understanding its content. So the read verses will witness and argue against them and will push them in to the Hell as explained in the verse 7: 143. See the explanation 2: 91; 7: 40— 41.

149. And when they were fallen in mistake with their own hands, and they saw that indeed they are surely strayed, they said: If our Lord does not show Mercy to us and forgive us, certainly we would be among the losers.

Today, Muslims who read all these verses are more involved in sins and offenses everywhere in the world than the any other people who have not even read, touched or heard these verses. Instead of guiding other people with the Guidance Adhikr as explained in the verse 3: 110, these wrongdoers by following guess and conjecture as explained in the verses 6: 115— 116 are guiding themselves and others in to astray. They, by learning, teaching and propagating the books written by the pseudo-prophets and hypocritical leaders they are presenting Islam as the worst way of life among the mankind. They are claiming and arguing that they are the believers, while they are the true disbelievers as explained in the verses 4: 150 —151. During the period of Prophet the curse and wrath affected people were the Jews, and the strayed people were the Christians. But today, the hypocritical leaders of Muslims are the curse and wrath affected people while their blind followers (common Muslims) are the strayed people as explained in the verse 1: 7. See the explanation 2: 121; 5: 78— 79 and 6: 153.

150. And when Moosa returned in to his people in anger and grief, he asked: 'What an evil representation you accepted in my absence; did you hurry up for your Lord's command?' He threw down the disks and seized his brother's head pulling him towards him; He said: Son of my mother! Indeed the people made me weak and about to kill me, so you do not let my enemies rejoice over me, and you should not consider me with the wrong doing people.

The Lord Allah told Moosa, 'indeed We have tested your people in your absence, and Samiriyy has made them strayed. Moosa returned to his people in anger and grief, and he asked them:' Hadn't your Lord promised the best, then did you see the promise to

you long, or did you wish to affect your Lord's wrath and curse upon you by breaching my promise' as told in the verses 20: 85— 87.

Actually, as told in the verse 20: 90 Haroon who is the elder brother of Moosa from mother side had told the people that 'with this calf you are being tested, and indeed your Lord is the Impartial (that means He neither guides nor strays anyone), and so you follow and obey my command'. It is told in the verses 20: 92—93 Moosa asking: 'Oh Haroon! What prevented you from following me when they strayed, or did you disobey my command?' As told in the verse 20: 94 Haroon replied: Oh son of my mother! You should not seize my beard and my head, indeed I feared you will say that I divided Children of Israel without considering your word.

Today, the hypocrites among the group of Muslims are claiming that even shirk is allowed for organizational unity and strength by quoting Haroon's words 'I feared you will say that I divided Children of Israel without considering your word'. They are not considering what Haroon told in the verse 7: 150 that 'indeed my people made me weak and about to kill me, so you do not let my enemies to rejoice over me, and you should not consider me with wrong doing people'. These true disbelievers are also saying that we can't follow and justify the activities of Moosa since he expressed his anger and grief throwing the disc of Ten Commandments. These aimless and hypocritical transgressors do not know the fact that the believer should give preference to the Messengers than the Prophets. The scene of blaming, cursing and quarreling in the Hereafter among the hypocritical leaders and their strayed blind followers is explained in the verses 2: 166—167. See the explanation 4: 91 and 6: 47.

151. He said: My Lord! You forgive to me and to my brother, and you let us enter in Your Mercy, and You are the most Merciful among all Merciful.

Moosa prayed to the most Merciful Lord to forgive him as well as to his brother Haroon. Today, the Mercy Adhikr mentioned in about 32 verses such as 2: 105; 4: 113 and 10: 58 is formed as the Best interpretation of Lord's Book. So whoever male or female if holds fast to it, he will enter in to Lord's Mercy. The wrath and curse affected hypocrites and their blind followers are the true disbelievers as explained in the verses 4: 140 and 151. They neither testify nor follow any Prophet or Messenger. They are uttering the verses of prayer in Arabic without participating their heart and soul so that their prayers and deeds are only increasing to them astray as explained in the verse 2: 186. See the explanation 1: 4 and 7:52.

152. Indeed those who have chosen the calf, they will be affected wrath from their Lord and disgrace in this worldly life, just like We reward for the forgers.

Today, Jews are not reading this verse, but only Muslims all over the world are reading. The arrogant hypocrites among the Muslims are forging lie upon Allah, while their blind followers Mushriks are rejecting Lord's Book Adhikr. So Allah's wrath and curse are affected upon them, and the hell is kept prepared for them as told in the verse 48: 6. They are deaf, dumb and blind about Lord's Book and so they will not return to the aim

of life and to the Paradise as explained in the verses 2: 18 and 171. Today, the Jews have banned Musjidul Aqsa' in Palestine to these worthless people. Shortly, by the coming of Imam Mahdi these Muslims will also be banned from entering in to 'Hijaz' which includes both Mecca and Madeena as explained in the verse 7: 127. They are suffering disgrace and humiliation in this world due to their negligence towards Lord's Book Adhikr, and on the Day of Judgment they will be pushed into the severe punishment as explained in the verse 2: 85. See the explanation 1: 7 and 6: 93.

153. And for those who did evil, later they repent after it and believed, indeed your Lord after it will be certainly the Forgiving, Merciful.

After thirty years of Prophet's departure Muslims who are reading Qur'an are in three groups as explained in the verse 3: 7. Among them only the believer who follows and testifies what he reads and hears will get benefit with it, whereas for the hypocrites who are deliberately hiding Lord's verses and for their blind followers who are rejecting the verses will increase It astray and they are the inmates of the fire as explained in the verses 2: 39 and 7: 36. Today, Lord's Book in heart's language is formed in the name Adhikr which is the Best Interpretation of Lord's Book. If the odd believer reminds these worthless people about their deviation, they will not change their attitude since they are following the footsteps of their forefathers as explained in the verses 2: 170–171 and 5: 104. That is why they are compared to the dog which will never change its behavior whether it is attacked or not as explained in in the verses 7: 175—176. These true disbelievers are following evil ways more than the Jews and Christians of Prophet's period in Madeena and also of today's, so that they are suffering humiliation and disgrace all over the world. In the Hereafter they will be summoned to the hell on their faces as deaf, dumb and blind as explained in the verse 2: 249. See the explanation 2: 6—7; 3; 112; 4: 31.

154. And when the anger calmed down for Moosa, he picked up the disks; in its inscription were Guidance and Mercy for those who are fearing their Lord.

The Ten Commandments are the Inscription in the disks. Explanations of them were given to Messenger Moosa gradually through Jibreel who is the Messenger from Angel as told in the verse 22: 75. It was the Guidance for the entire mankind of that period including the children of Israel. Later Messenger Muhammed was deputed and was given Lord's Book Adhikr gradually within 23 years. It contains 312 Previous Books and their upright explanations. It also testifies and safeguards these previous Books as explained in the verse 5: 48. But the arrogant human devil hypocrites and their blind followers are considering only the body of the Book without considering Its soul just like the Jews in Madeena during the period of the Prophet were doing. These Muslims are reading in Qur'an that the Trust Adhikr is the Best Interpretation of Lord's Book and whoever lives without testifying It after receiving It, he/she will be dragged in to the Hell as told in the verses 25: 33—34 and 17: 97. The Impartial Lord does not guide or stray anyone, instead the read, heard and touched Book will witness and argue against them

and will push them in to the Hell as explained in the verse 4: 30. Adhikr is the Three time Knowledge from the Three time Knower Lord and it is the Guidance and Mercy for the entire mankind as explained in the verse 2: 185. But the believer only considers It as the Mercy and Guidance as explained in the verse 7: 52. See the explanation 6: 89—90; 7:40— 43.

155. And Moosa chose seventy men from his people for Our meeting; thus, when a violent trembling seized them, he said: My Lord! If You had wished, You could have destroyed them and me before, are You destroying us for what the fools among us had done? Indeed It is nothing except Your trial, You let stray with it whoever You wish, and You let guide whoever You wish, You are our patron, so You forgive to us and You show Mercy to us; indeed You are the best among the forgivers.

The children of Israel told Moosa that we will never believe with you until we see the Lord manifestly. Then they were taken to the mountain Thwoor. There they were seized with thunderbolt and they fell down. When they got rebirth, Moosa prayed by soul as told in this verse. The Lord explains everything happened previously through His Book in order to become the mankind grateful as explained in the verse 2: 152. But by hiding and rejecting Lord's Book Adhikr which contains all these verses and is the food, cloth and sight of the soul of the entire mankind as explained in the verses 6: 104 and 7: 26, the Muslims all over the world have become the true disbelievers and Mujirims. See the explanation 2: 28, 55— 56; 6: 25— 26.

156. And you Prescribe for us good in this world and in the Hereafter, indeed we have turned into You; He said: My punishment, I will afflict with It whom I wish, while My Mercy embraces each and everything, then I will prescribe it for those who are heedful, who are paying the welfare tax and who are believing with Our verses.

Since today, Adhikr—The Mercy— is formed as a Book, the Lord has become the Impartial. So whoever follows and testifies It as should be testified, they are the heedful and they are only entering into His Mercy. Whoever male/female utilizes It as the Ticket to return to the Paradise and as the Safeguard against all disasters, calamities, mischievous activities, illness and hellfire, for them It will witness and argue in favor. They will transform their ledger from sijjeen which is in the hell in to 'illiyveen' which is in the Paradise. But the Mujirims and the wrong doers explained in the verses 7: 40— 41 do not consider the Lord as Impartial and so these worst creatures do not transform their ledger from 'Sijjeen' into 'illiyveen'. Thus the verses of Lord's Book they heard, read and touched will argue and witness against them and will push them into the Hell. See the explanation 7: 146 and 147.

157. Those who are following the Messenger, the illiterate Prophet about whom they can find written down in 'Thourath' and 'Injeel' with them, he commands them with the Justice and forbids them about the evils, and he permits for them the wholesome things and prohibits upon them the impure, and he unloads from them their burdens and shackles which had been tied upon them; so those who believed with him,

strengthened him and helped him, and follows the Light sent down with him, such are the only prospers.

Today, Muslims all over the world who are reading this verse have forgotten Adhikr— Soul of the Book— which testifies and safeguards all 312 Books revealed before. Thus they have become the true disbelievers and wrong doers. They are not following any Messenger or Prophet, instead they are following 29 pseudo-prophets and the books written by them. Actually they are commanded to serve Lord Allah and to follow Messenger Muhammed by conveying the Message Adhikr which is the Light from the Lord Allah as explained in the verses 4: 175 and 5: 15—16. But they are living in darkness by hiding and rejecting Adhikr. The human devil hypocrites from them have changed the favor— the Lord’s Book— in to disbelief and made halal –permissible— the hell which is the house of worthless to their followers as explained in the verse 4: 41. The believers are commanded not to obey the hypocrites and the disbelievers who are blindly following them as explained in the verse 6: 116. Instead, the believer should do jihad against them with Adhikr – the Safeguard— as explained in the verses 3: 111 and 119. Such believer is also commanded to say these disbelievers as ‘you enjoy here for a little, indeed your returning is into the hell’ as explained in the verses 3: 196—197. The verse 48: 29 says that ‘Muhammed is the Messenger of Allah, and those with him are hard towards the Kuffar and are compassionate in between each other’. Today, if anyone utilizes Adhikr as the Insight he can see that all the other people belonging to Messenger Muhammed’s community such as Hindus, Jews, Christians, Budhas, Jains, etc. are rough and hard towards these worst people Muslims testifying this verse. The Kuffar mentioned in the verse such as 9: 68, 73, 123 are those who reject Lord’s Book repeatedly. Both the hypocrites and Kuffar are the Mujirims and the wrong doers as explained in the verse 6: 21. They are priding that they are the learned people without knowing Adhikr— the Real Knowledge. On the second coming of Jesus all other people from Messenger Muhammed’s community will approve Islam. By killing the hypocrites and Kuffar they will implement the command of the verses 4: 91; 9: 123 and 33: 60— 61. See the explanation 2: 2— 5; 5: 54; 6: 155— 157.

158. You say: Oh mankind! Indeed I am a Messenger of Lord Allah into all of you, Whom belongs the kingship of the Heavens and the Earth, there is no Deity except Him, He gives life and He brings death; so you believe with Allah and His Messenger, the illiterate Prophet who is believing with Lord Allah and His words, and you follow It so that you may be guided.

This verse teaches that the illiterate Messenger Muhammed is the last Prophet from the Lord of the Universe for the entire mankind. It is told in the verse 34: 28 that We have not sent you except for the whole mankind as Herald and Warner, but most of the mankind are not knowing it. It is told in the verse 21: 107 that We have not sent you except as Mercy for the entire world; and in the verse 25: 1 it is told that ‘blessed is the One Who sent down the Furqan— Criterion— upon His servant in order that he has to

be a warner for the entire worlds'. The hypocrites and their blind followers are only reading these verses. But by rejecting Adhikr which is The Three time Knowledge from the Three Time Knower Lord Allah, they are not following any Messenger or Prophet. Instead they are following 29 pseudo-prophets and are welcoming the 30th pseudo Antichrist. Toady since Adhikr is formed as a Book, no one can become believer without utilizing It as explained in the verse 4: 115. See the explanation 4: 140; 6: 25— 26 and 7: 146— 147.

159. And among the people of Moosa a group were there who guided with the Truth, and they were dealing justly with it.

The 'Truth' mentioned here and in all other verses in the Lord's Book is Adhikr as explained in the verse 2: 119. Any Muslim who reads this verse but not judges with Adhikr in his individual, family and social life, he is a disbeliever, wrongdoer and transgressor as explained in the verses 5: 44, 45 and 47 respectively. See the explanation 4: 135 and 5: 2.

160. We split them into twelve tribes, communities; and We inspired into Moosa when his people sought for water to him: You strike on the rock with your staff, then twelve springs gushed forth from it, surely Each tribe knew its drinking place, and We shaded upon them with clouds and We sent down upon them 'Manna' and quail for them, you eat from the wholesome things from what We have provided to you, and they did not wrong with Us, but they were doing wrongs against their soul.

Today, all over the world only Muslims are reading these verses. But they have become the true disbelievers and wrong doers as explained in the verses 2: 254 and 258. Actually they are commanded to convey Adhikr –the Lord's Message— throughout the world in order to stop bloodshed and all other mischievous activities, and thereby to form the harmony of mankind. But they became Mujirims and the worst creatures near Impartial Lord Allah because of not utilizing It by themselves and not giving It to others. Thus they all became the wrongdoers and the transgressors as explained in the verse 6: 47. They, by deviating into different groups are attacking and killing each other all over the world. Today, the approach of the other people belonging to Messenger Muhammed's community towards Lord's Book Adhikr is better than the approach of these worthless, aimless and heedless Muslims. Shortly, on the coming of Mehdi in Hijaz, these true disbelievers will be banned from entering into Hijaz— the provinces including Mecca and Madeena. They will accept Antichrist as Prophet first and later even as lord. They will be killed by the other people on the coming of Jesus for the second time as explained in the verses 4: 158— 159. See the explanation 2: 57—60; 6: 144.

161. And you remember when they were told: You reside in this country and you eat from it as you wish, and you say the word of 'thouheed', and you enter the gate in prostration, We will forgive you your mistakes, We will increase for the 'Muhsins'.

Today, the Muslims who are reading these verses have become true disbelievers by hiding and rejecting Adhikr – the Best Interpretation of Lord’s Book. The believer when recites the verse 1: 7 ‘not to include us among the wrath affected and the gone astray people’ thinks in mind not to include among these hypocrites and in their blind followers.

These worthless people who have made their food rejecting Adhikr— the food, cloth and sight for human soul— will witness against their own soul as ‘they were disbelievers’ at the time of their death as explained in the verse 7: 37. The odd believer propagates Adhikr –the Lord’s Book— throughout the world aiming to maintain peace and tranquility by forming the harmony of the mankind. See the explanation 5: 51; 7: 127, 137.

162. Those who were unjust among them changed their words in to what they were not told, so We sent a plague from the sky upon them because of they were doing wrong.

The hypocrites and their blind followers have received Lord’s Book Adhikr— the Best Interpretation from the Lord. They are commanded to propagate It throughout the world. But by hiding and rejecting It they have become unjust upon their own soul as explained in the verses 2: 162 and 6: 157. They have also become transgressors as explained in the verse 7: 102. Therefore, the odd believer should convey It to the other people belonging to Messenger Muhammed’s community testifying the verses 6: 89— 90. See the explanation 7: 34.

163. And you ask them about the town which was in coastal area of the sea, when they aggressed in the case of Sabbath; when their fishes rushed to them, while the day other than Sabbath they did not come to them, just like We were testing them because they were transgressing.

The event of transforming some Jews into ape who were living in the ‘Aila’ seashore is explained in the verses 2: 65— 66, and the event of transforming some Jews into swines during the period of Jesus due to their doubt about the food tray sent down to Jesus after eating from it is explained in the verse 5: 60.

Today, the Muslims are only reading these verses among the mankind. They all became transgressors by hiding and rejecting Adhikr —the Best Interpretation of Lord’s Book— as explained in the verses 2: 99 and 6: 49. These Mujirims who are serving the Satan are following 29 pseudo-prophets and are welcoming the 30th pseudo-prophet Anti Christ. They will be killed by the other people who will approve Jesus, Islam and Muhammed on the coming of Jesus. Thus the command of the verses 4: 91; 9: 123 and 33: 60— 61 will be implemented. The hell will be filled with them as explained in the verse 7: 179.

164. Also remember a fraction among them asked: Why do you admonish a people whom Lord Allah will destroy or punish with severe punishment? They said: To get an excuse from your Lord and that they may become heedful.

The people of the town were of three categories. (1) Those who were doing forbidden deeds insolently. (2) Those who kept silent without preventing the evils after seeing. (3) Those who commanded with the good and forbid the evil. Here, the second category were asking to the third category that why do you admonish a people whom Allah will destroy or punish with severe punishment? Then the third category replied to the second category that we are advising them in order to get excuse near your Lord, and if they become heedful by omitting their transgression and aggression, it will be better for all of us. See the explanation 5: 105.

165. Thus, when they forgot what they have been reminded, We saved those who had forbidden the evils, and We seized those who were the wrongdoers with dreadful punishment because they were transgressing.

Among the three categories mentioned above, Lord Allah saved the third category. The second who were not forbidding the evil were punished grievously due to their transgression.

166. Then when they were doing insolently what they had been prohibited, We told them: You become the despised apes.

The transgressed people belonged to the first category were transformed into despised apes. That means, their bodies were transformed into that of apes as a moral teaching for the people of that period as well as for the succeeding generations. Today, the hypocrites and the Mushriks are reading these verses. But they are commanding the people with evils and are forbidding the Best Book Adhikr from the mankind. These transgressors are not considering Adhikr as the Guidance and Moudath for the entire mankind as explained in the verse 3: 138. Shortly, separation of believing men and women from the entire mankind into Hijaz will happen and the hypocritical men and women as well as the Mushriks men and women upon whom Allah's wrath and curse are affected will be punished as explained in the verses 4: 18 and 133. See the explanation 4: 158— 159; 5: 78; 6: 65 and 111.

167. Behold! Your Lord declared: Certainly We will appoint upon them till the Day of judgment some who will afflict them with evil punishment; Indeed your Lord is swift in retribution and indeed He is the Forgiving, the Merciful.

Today, only Muslims are reading these verses. But their character and habits became worse than the Jews in Madeena during the period of Prophet or any other people in the world. These Mujirims are mentioned as the worst creatures since they are deaf from hearing Lord's Book Adhikr and dumb from speaking about It to others as explained in the verse 2: 18. On the appearance of Antichrist these true disbelievers will accept him first as Prophet for getting food and water. Later they will accept him even as lord for enjoying his paradise here itself. On the second coming of Jesus all the other people including Jews except 70, 000 of them who will be the soldiers of Anti Christ will approve Jesus and Islam. They will kill all the true disbelievers as explained in the verses 3: 112. See the explanation 3: 55, 119; 5: 64, 97— 98.

168. And We split them up in to nations on Earth; and among them are honorable and among them are not so; We tested them with good things and evil things so that they may return to the aim of life.

In Madeena there were three clans of Jews during Prophet's period, namely Banunadheer', 'Bnuquraidha', 'Banu—Quainuqaa as explained in the verses 2: 84—85. They were plotting against Messenger Muhammed and Islam as explained in the verse 3: 72. The hypocrites and the Jews were attending to hear the speech of the Lord through Messenger for their human devil leaders. It was not to testify or follow It, but was to misinterpret Lord's verses and to make confusion to others as explained in the verse 5: 41. They even tried to kill Messenger Muhammed as explained in the verse 5: 11. Due to their cheating and conspiracy with the hypocrites among the Muslims to defeat and falsify Islam, these three tribes were expelled from Madeena to Khyber.

Jews were disintegrated into different groups and were scattered in different nations all over the world. During this period they were doing mischievous deeds such as kidnapping, bomb blast, bloodshed and all terrorist activities. Thus, when their mischievous activities became uncontrollable, at last they were given the country 'Israel' by 1948. Gradually most of the Jews from different countries gathered to there which is their 'Promised Land'

Among the four Khaleefa in Islam after Messenger Muhammed, all except Aboobacker were assassinated by the hypocrites with the conspiracy between them and the Jews. Thus, by the assassination of Ali (The last Khaleefa) and his sons Hassan and Hussain, Qur'an reading Muslims became into three groups as explained in the verse 3: 7. Among them Fajir and hypocrites have not been learning, teaching or conveying Lord's Book Adhikr and even Its 40 Names. Actually, they are commanded to be a single party by hold fasting Lord's Book Adhikr— the Unbreakable rope— as explained in the verses 3: 103— 104, and 6: 153. But by rejecting all the verses of Lord's Book they have been disintegrated into so many groups more than even the Jews and Christians. Instead of becoming a Best Community commanding the good, forbidding the evil and inviting the mankind to the Lord as explained in the verses 3: 110—111, they became the worst, worthless and transgressing people commanding evils and forbidding the good— Lord's Book— as explained in the verses 2: 99 and 7: 102. These true disbelievers cannot be considered as even human beings as explained in the verses 7: 8—9. Not only the Jews but all communities will be also testified with evil and good in order that they may return to Lord's Book— the Straightpath— and to the Lord as explained in the verse 6: 34. Today, since all Muslims who are carrying Lord's Book as donkeys carrying burden became the wrong doers and the transgressors as explained in the verse 6: 47, they are not under gone for testing. Today there is no a group of believers anywhere in the world, instead all organizations of Muslims are the party of disbeliever Satan as told in the verse 58: 19. Even though Muslims are majority in number than the Jews, they are forbidden to the 'Masjidul Aqsa' at Jerusalem as explained in the verse 7: 127. If anyone

utilizes Lord's Book as the Balance and Criterion, he can see that today the Jews are more honest than the Muslim hypocrites and their blind followers. On the second coming of Jesus all the people belonging to Messenger Muhammed's community such as Hindus, Budhas, Jews, Christians, etc. will approve Islam, and then they will kill these worst creatures as explained in the verses 4: 155—159. See the explanation 7: 95 and 137.

169. Then after them succeeded generation inheriting the Book, they are choosing aimlessly this worldly life, and they are saying: It will be forgiven to us"; if they get similar gains, they would accept it. Had not an agreement taken upon them while inheriting the Book 'not to tell upon Allah except the Truth', and hadn't they studied what is in It? The home in the Hereafter is better for those who are heedful, then don't you think utilizing your intelligence?

This verse addresses the Jews during the period of Messenger Muhammed in Madeena. They were bearing only the body of Thourath without having the soul Adhikr. That is why through the verse 62: 5 they are compared to the donkey carrying the burden. They were believing and claiming that all their sins would be forgiven to them since they were the children of Messengers and Prophets as explained in the verse 2: 80. Today Muslims all over the world are having such a belief and claim. So they are involved in all mischievous deeds than any other people. Due to this they are facing disgrace in this world and will have heinous punishment in the Hereafter as explained in the verse 2: 85. After the codification of Lord's Book Adhikr It is the only Book for the entire mankind as explained in the verses 3: 108 and 7: 157—158. After the 30 years of Prophet's departure, the hypocrites and their blind followers who have been reading Lord's Book became wrong doers by giving preference to the worldly and bodily life than the soul and the Hereafter. Whenever they get any worldly gain they accept it without considering the consequence of it in the Hereafter. They are expecting that they will be forgiven since they are having the names of Messengers and Prophets. Day by day they are becoming strayed more and more due to their negligence towards Lord's Book Adhikr. Today, the Best Interpretation of Lord's Book as told in the verse 25: 33 is formed as a Splendid Book which testifies and Safeguards all the previous Books and their Upright Explanations as explained in the verse 5: 48. But these wrongdoers neither utilize It themselves nor give It to others for utilizing. Thus they are ruining themselves. They are purchasing pretty price for Lord's Book as explained in the verse 3: 187. Thus they became the true disbelievers as explained in the verses 3: 10 and 4: 150— 151. They have no confirmed belief with Lord Allah, Messengers, Angels, Paradise, Hell, etc. as explained in the verse 4: 161. Instead these Mujirims mentioned in 50 verses such as 7: 40, 32: 12, 34: 32, 36: 59 are serving the Satan, and are following 29 pseudo-prophets welcoming the Antichrist as explained in the verses 7: 146— 147. They will enjoy his paradise in this worldly life and will die witnessing against their own soul as 'indeed they were the disbelievers' as explained in the verse 7: 37; and on the Day of Judgment also

they will witness so as explained in the verse 6: 130. See the explanation 4: 43, 140; 6: 32 and 7: 28—30.

170. And those who holdfast the Book and keep up the prayer; indeed, We will never futile the reward of the reformers.

Without the Book Adhikr— the Permission of Impartial Lord to become believer— no one becomes a believer as explained in the verse 3: 49. Prayer is commanded only to the believers and it is in order to establish the Book ‘Dhikree’ as explained in the verse 2: 3. Without being a believer no deed will be accepted and no prayer will be responded as explained in the verses 2: 186 and 7: 8—9. Through the verses 29: 45 and 35: 29 preference is given for reciting and conveying the Message of Lord’s Book to the entire mankind. Then only prayer, charity and all such deeds are commanded. See the explanation 2: 11— 12; 7: 2.

171. And you Remember We raised up the mountain over them just like it as an umbrella and they thought it will fall down upon them: You hold firmly what We have given to you, and you remember what is in it, so that you may become heedful.

The people of Moosa told him that they would never believe with Moosa till they see Lord Allah manifestly as explained in the verses 2: 55— 56. Then Moosa went to the Thwoor Mountain with seventy people of him to meet with the Lord as explained in the verses 7: 155— 156. This verse reminds the Jews in Madeena during the period of Prophet Muhammed who were claiming that we are following our forefathers. Actually they were not following the way of any messenger or Prophet including Moosa, but were following the strayed ways of their forefathers and there by the Satan as told in the verses 2: 170 and 31: 21.

The Lord lifted the Thwoor Mountain upon them in order to make them holding fast His Book and to remember what is in It so that they may become the heedful. Today, among the whole mankind only Muslims are reading these verses. But they became heedless and aimless by hiding and rejecting Lord’s Book so that the read, touched and heard verses of Lord’s Book will argue and witness against them and push them into the hell as explained in the verse 7: 148.

172. And you remember when your Lord took from the nape of children of Adam their offspring and made them witnessing upon their soul: “Am I not your Lord?” They said: “Of course, we do witness!” not to say you on the Day of Judgment as, “We were heedless about this”.

The three time Knower Allah created everyone’s soul in the paradise from a single soul as explained in the verses 2: 28 and 4: 1. Then He took a covenant from every one of them asking, ‘am I not your Lord’ which means ‘am I not the Owner of you and all you have’. All of them said, ‘of course! We do witness that You are only our Owner Lord’.

The believer by praying ‘Sayyidul Isthigfar’ –the Most Exalted Prayer of forgiveness— at least two times every day in the morning and evening will remember the covenant he had made from the Paradise as explained in the verse 2: 27. All other Muslims 999 out

of each 1000— who read these verses but are not aware of this covenant are the transgressors as explained in the verse 7: 102.

173. Or not to say you: “Indeed, our forefathers associated others with Lord Allah previously; and indeed we were the offspring after them; then are You destroying us because of the deeds of the falsehood men?”

The aim of the covenant that the Impartial Lord Allah has made with each individual is not to have a chance for anyone to say on the Day of Judgment that ‘we were heedless about this, or our forefathers made shirk previously, and we were the offspring of them following their footstep; or we followed our falsehood leaders who strayed us from the Straightpath Adhikr’.

So the Muslims who have read these verses which remind about the covenant will not have any excuse on the Day of Judgment. The scene of arguing, quarreling, blaming, cursing and abusing on the Day of Judgment between the hypocritical leaders and their blind followers is explained in the verses 2: 166—167. The scene of arguing the parents and their children each other on the Day of Judgment and in the hell is explained in the verses 7: 38— 39. The scene of the Satan saying about the disbelievers as ‘I had no any authority upon the mankind except to call, and so you don’t blame me, but you blame yourselves’ is told in the verses 14: 21—22. See the explanation 2: 170— 171 and 5: 104.

174. And just like that We explain in detail Our verses so that they may return to the aim of life.

Adhikr is the Three time Knowledge from the Three time Knower Lord of the Universe. It contains the past, present and future. It explains each and everything in order to remind each and every one about the covenant he/she has made with the Lord from the Paradise for not to have any excuse to any one on the Day of Judgment. Among the Muslims the hypocrites and their blind followers who hide and reject Lord’s Book are aimless and heedless. They are not considering Lord Allah as the Impartial by rejecting the Wise Reminder, so that they are earning the hell here for the seventh phase as explained in the verse 2: 286. They will never return to the aim of life and thereby to the Paradise as explained in the verse 2: 18. Read together 32: 21. See the explanation 1: 7; 2: 62 and 7: 168.

175. And you explain upon them the news of the one whom We have given Our verses; then he slipped away from them, so Satan followed him, then he became among the aimless.

Here mentioned person is a human Satan hypocrite who knowingly hides Lord’s Book Adhikr and follows the footsteps of forefathers in order to please the majority of his people. Such hypocrites are aimless and are straying their blind followers to more astray. Thus they are dragging them into the Hell. These wrath and curse affected hypocrites and their strayed blind followers will quarrel, blame and accuse each other in the Hereafter as explained in the verse 7: 173. The Satan from both the mankind and the Jinn prevent the mankind only from the Straightpath which is the way to the Lord as

explained in the verse 1: 5. As warned through the verse 25: 29 these wrongdoers will wail on the Day of Judgment as, 'Woe to me! If I had not taken so and so as my intimate friend, he strayed me from Adhikr after it had come to me, Satan was a traitor to the mankind'. See the explanation 2: 140, 145; 6: 111— 112 and 7: 26— 27.

176. And If We had wished, We would have raised him with them, but he clung in to the Earth and followed his own whim; then his similitude is that of a dog, if you disturb it, it lolls out its tongue; or if you leave it free, it still lolls out its tongue, that is the similitude of the people who reject Our verses; then you tell them such parables one by one so that they may meditate and reflect It.

Adhikr is the unbreakable Rope extended from the Paradise to the earth. So whoever holdfasts It, he can return to the Paradise as explained in the verses 2: 255— 256. But the aimless hypocrites who have only life without the soul are giving preference to the bodily and worldly life. Their speech seems attractive to the common people. But they are like the logs leaned on the wall for using in the firewood and are the fuel of the hell as explained in the verses 2: 24 and 3: 21— 22.

Through this verse Lord of the Universe says that similitude of the hypocritical leaders of different Muslim Organizations and their strayed followers is that of a dog which will not change its attitude whether disturbed or not.

So the Prophet and the believers are commanded to say the mankind that the similitude of the hypocrites and their blind followers is that of a dog as mentioned in this verse, donkeys carrying burden as mentioned in the verse 62: 5 and they will be resurrected in the Hell as pigs, bandicoots, monkeys, etc. as explained in the verse 5: 60 so that those who hear this may think and reflect about the consequence of hiding and rejecting Lord's Book. For these true disbelievers explained in the verses 4: 150— 151, the Impartial Lord has kept prepared shackles, chain and blazing fire as told in the verse 76: 4. Today, the odd believer who is 1 in 1000 is commanded to do great jihad against these worthless people as explained in the verses 3: 13 and 196—197. See the explanation 3: 138; 4: 82, 167; 7: 146— 147.

177. How evil is the comparison of the people who reject Our verses; they were doing wrong against their own Soul.

The hypocrites and their blind followers as explained in the verse 1: 7 by hiding and rejecting Adhikr— the Balance and Trust to keep the Universe in its equilibrium— are hastening for the emerging of the 30th pseudo-prophet Anti Christ. By not utilizing Adhikr —the Food, Cloth and Sight of the human soul— themselves and not giving It to other mankind they are ruining their own soul, but they perceive it not as explained in the verse 6: 26. See the explanation 3: 41; 7: 8—9 and 40— 41.

178. Anyone Allah guides, then he is guided, while who strays himself, then such are the losers.

It is told in the verse 16: 37 that even if you are eager to guide them, then indeed Allah does not guide the one who strayed himself, and they will not have anyone from

the helpers. Through the verse 30: 29 Allah says: Who is there to guide the one whom Allah has strayed, and they will not have anyone from helpers. And through the verses 39: 36—37 Allah says: Anyone whom Allah lets go astray, then he has no one to guide, and the one whom Allah guides, then he has no one for straying.

The hypocrites always quote the verses 30: 29 and 39: 36—37 to argue that Allah is guiding and straying us and we have no role in it. But they do not consider the verses 7: 178 and 16: 37 which says that ‘anyone who strays himself, Allah will not guide such one’. Thus they are not considering Lord Allah as the Impartial. The concept of these hypocrites about Impartial Lord Allah is so evil that His curse and wrath are affected upon them as explained in the verse 7: 143. They have forgotten Lord Allah so that He has also forgotten them as explained in the verse 2: 152.

Today, Adhikr is formed as a codified Book and It explains each and everything. So whoever holdfasts It, he is guided into the Straightpath and no one can stray him as explained in the verse 3: 160. See the explanation 2: 121; 3: 101— 102; 4: 78— 79.

179. And verily, We will fill the Hell with most Jinns and human beings, for them have hearts with which they do not understand the aim of life, for them have eyes with which they do not see the Insight, for them have ears with which they do not hear It; such are just like livestock; nay, they are the most strayed, such are the heedless.

The aimless hypocrites and their blind followers are the inmates of the Hell. They do not utilize their intelligence to understand the aim of life. Even though they have faculties of sight, hearing and thought they do not read or hear or think about Lord’s Book Dhikree / Insight as explained in the verse 6: 104. About them it is told in this verse that they are strayed more than the cattle. These worthless people are even not considered as human being according to Lord’s Book. But they are considered as the worst creatures through the verses 8:22 and 98: 6 since they are deaf from hearing the Best Book ‘Husna’ and are dumb from talking about It to the mankind as explained in the verse 7: 27.

Since these aimless hypocrites are killed by the Lord as explained in the verse 4: 41, no one can remind them. Generally, heedless are the blind followers of the hypocrites. So they may be reminded with Adhikr. But the heedless mentioned in this verse are the aimless who do not change their attitude towards Lord’s Book even after reminding. The Impartial Lord does not guide or stray anyone. Lord’s Book Adhikr is must for purifying the soul. Whoever hides or rejects It after receiving, the verses he read, touched or heard will argue and witness against him and will push him into the Hell. See the explanation 2: 39; 4: 140; 6: 150.

180. And to Allah has the best names, so you appeal to Him with them, and you shun those who pervert His Names, they will be rewarded for whatever they have been doing.

The best names of the Lord are the names submitted by the Best Book Husna. The Lord has 101 best names. Among them 99 are mentioned in His Book and the 2 (*the Hannan and the Mannan*) are taught through Prophet being the explanation of Lord’s Book. Any

Muslim if is calling any name besides these 101 names, he is a pervert and he is calling the Satan as explained in the verse 4: 117. So the Prophet and the believers are commanded to shun such perverts. As explained in the verse 2: 286, 'Moulana –Our Master' is the Lord's name. So whoever ascribes this name to any of Lord's creature including Messenger Muhammed, he is also a pervert. See the explanation 3: 78; 6: 116; 7: 37.

181. And among the ones We created, a group is there who guided with the Truth, and are dealing justly with It.

Here it is told that among the mankind a group is there who is guided with the Truth Adhikr and they are doing Justice with It. If anyone utilizes Adhikr as the Insight and Balance, he can see that this character is seen more in the other people belonging to Messenger's community such as Hindus, Budhas, Jinas, Jews, etc. than these worthless people Muslims. Muslims (the hypocrites and their blind followers) are the true disbelievers, wrong doers and Mujirims as explained in the verses 2: 254 and 4: 150—151. See the explanation 3: 110—112; 7: 157 and 159.

182. And those who reject Our verses, We will bring them step by step close to destruction in the ways that they do not recognize.

183. And I grant them respite; indeed, My scheme is strong.

The hypocrites and their blind followers are the rejecters of Lord's verses. The Impartial Lord is giving opportunities for them to transgress in this world. But they are thinking that they are given this as they are in the Straightpath. All their deeds are in vain since they live here without testifying Lord's Book Adhikr which is the only Straightpath to Lord Allah as explained in the verse 6: 153. They are the inmates of the Hellfire from the mankind as explained in the verses 2: 24 and 3: 10. See the explanation 3: 177—178; 4: 56 and 7: 30.

184. Haven't they ever meditated that their companion is not affected with jinn; indeed, he is none except a manifest Warner.

Mecca pagans were propagating that Prophet Muhammed is affected madness because of the Jinn. It is told in the verse 15: 6 as Mecca pagans saying, 'Oh the one upon whom Adhikr is sent down, indeed you are a Jinn affected man'. Today, only the hypocrites and their blind followers are reading these verses. But these Mujirims mentioned in 50 verses in the Book are not following any Messenger or Prophet or not serving Lord Allah. Instead they are serving the Satan and are following 29 pseudo-prophets. These curse and wrath affected people will be killed by the other people of Messenger Muhammed's community on the second coming of Jesus as explained in the verses 4: 90—91. See the explanation 2: 119, 165; 3: 106—107.

185. Have not they observed in the sovereignty of the Heavens, the Earth and whatever thing Allah has created and that perhaps their dead line may be coming close? Then in what speech after This they will be believing?

Adhikr is the Speech of Three Time Knower Lord of the universe to the entire mankind. The mankind endowed with the intelligence are commanded to think with their soul about the aim of creation of the universe and all creatures in between the sky and the earth including the mankind. They also have to observe the fact that their deadline may be happening shortly. But the hypocrites and their blind followers who are reading these verses have become worthless by falsifying Lord's speech Adhikr as explained in the verse 3: 22. The odd believer who utilizes the intelligence bestowed by the Lord meditate the aim behind the creation of the Universe and he will find out the One and only Creator who created the universe and all the things in it. He will also glorify Him and pray to Him by his soul that 'Oh, Our Lord! You did not create anything in futile, so you shield us from the punishment of the fire with Adhikr— the Safeguard, Oh the Safeguard, Oh the One who sent down the safeguard, Oh the virtuous, the merciful' as explained in the verses 3: 191— 192.

The human devil hypocrites who pride undeservingly as the learned people, and their blind followers who reject Lord's verses are the Mujirims mentioned in 50 verses in Lord's Book. They are not following Adhikr which is the only Straightpath into the Lord as explained in the verses 7: 146—147. These wrongdoers who are not utilizing their intelligence are the worst creatures among 1000 communities of creatures near Lord Allah since they are not hearing Adhikr— the Best Interpretation of Lord's Book— and are not talking about It to the mankind as told in the verse 8: 22. It is told in the verse 45: 22 that Lord Allah has created the Heaven and the earth with aim, in order to reward each and every soul with what it had been earning and they will not be dealt unjust. See the explanation 2: 281; 4: 1— 2, 78 and 6: 75.

186. Anyone whom Allah lets go astray, they will have no one to guide, and He has left them wandering in their blindness.

The Impartial Lord Allah has given everyone the freedom either to be grateful or to be ungrateful as told in the verse 76: 3. Messenger, Prophet or anyone can't guide or stray others as explained in the verses 2: 119 and 6: 104. But the hypocrites upon whom the wrath and curse of the Lord are affected and their blind followers who have been strayed are following aimlessly and heedlessly the ways of Satan as explained in the verse 2: 257. Male or female whoever is not hold fasting Adhikr—The Straightpath— after receiving, he/she is the most strayed as explained in the verses 2: 15—18. See the explanation 2: 108; 6: 25— 26.

187. They are asking you about the Hour 'when will be It taking place'; you Say: Indeed the Knowledge about it is near my Lord, He doesn't disclose its time except He. It will be heavy in the Heavens and the Earth, it will not come to you except all of a sudden; they are asking you just like you are the solicitous about it. You say: Indeed its Knowledge rests only with Lord Allah, but most of the people are not having the Knowledge.

The aimless hypocrites and their heedless blind followers as explained in the verses 7: 175—179 are in doubt about everything warned through His Book including the last hour. Their life style are inducing them to ask the believers ‘when will the last Hour happen’. Adhikr is the Three time Knowledge from the Three time knower Lord of the Universe as explained in the verse 7: 52. It explains each and everything including the past, present and future as explained in the verses 6: 38 and 59. Last hour will be happening all of a sudden. But before happening it 10 crucial signs as explained in the verse 6: 158 will be happening. The believers from all mankind all over the world will be separated into ‘Hijaz’ before happening the crucial signs of Dooms day as explained in the verse 3: 89. It is told in this verse that Prophet or believer is not the solicitous or custodian of the last hour. See the explanation 3: 7, 64; 4: 158—159.

188. You say: I have no control for myself to acquire benefit or harm except Lord Allah wishes; if I had known the unseen, I would have increased from good, while no evil would affect me, indeed I am none except a Warner and a Herald for the believing people.

Each and every soul is taught Adhikr which is the food, cloth and sight of the human soul from the Paradise itself. And periodically the Messengers were deputed with the Message Adhikr. Everyone who received Lord’s Book— the three time Knowledge— should know the Messenger more than he/ she knows his/ her boy, but those who have made lost their soul will not be believing as explained in the verses 2: 146 and 6: 20. Today, the Wise Reminder Adhikr is formed as a Splendid Book as explained in the verse 2: 2. It is the blessed Book, Mercy, Bounty as well as prosperity as explained in the verses 6: 155—157. So whoever hold fasts It, he is holding fast the Impartial Lord so that he will be affected only good and no evil will affect him as explained in the verses 2: 152 and 4: 79 since It is the Safeguard and Shield against all calamities, disasters, accidents and Hellfire as explained in the verse 5: 48. As the Muslims all over the world are hiding and rejecting Adhikr, Impartial Lord Allah will entrust It to the other people belonging to Messenger Muhammed’s community who will not hide and reject It as explained in the verses 6: 89—90. Read together 10: 15—16; 17: 73— 75, 90— 93, 105. See the explanation 3: 139; 4: 27— 28 and 6: 35.

189. He is the One Who created you from a single Soul, and He made from it its mate so that he may dwell in to her; thus, when he covers her, she bears a light burden, then she walks with it; when she feels it heavy, both of them appeal to their Lord Allah as ‘if You are granting us an honorable child, certainly we would be among the grateful’.

Glory be to the Lord Allah who made two pairs in mankind male and female from the mingling of sperm from male and ovum from female. When the spouses intercourse and both their soul become in to single she bears embryo in her uterus and she walks with it. When the foetus attains the maturity and about to be delivered, they both appeal to their Lord Allah as ‘surely if You are giving for us an honorable child, certainly we will be

grateful to You'. The Impartial Lord is explaining all these for the mankind in order that they may form the actual concept about the Lord and the aim of life and thus become the believer as explained in the verses 4: 1—2. Read together 30: 21.

But today, Muslims who are reading these verses have become Mujirims, aimless and heedless without utilizing Lord's Book and not giving It to the other people for utilizing as explained in the verse 6: 26. So they will be dragged in to the Hell prone on their faces as deaf, dumb and blind bearing the burden of all creatures as explained in the verses 3: 107 and 7: 156— 157. See the explanation 3: 6; 6: 30, 165.

190. Then, when He gives to both of them an honorable child, they both ascribe intercessors to Him for what He has given to both, then Allah is the Highest against what they are associating with.

All spouses pray sincerely to the Lord for getting honorable child. But when the Lord gives it, they ascribe intercessors and associates for the child they got. They show gratitude to Lord's creatures forgetting Lord Allah and without considering Him alone as the Donor through the Lord's Book Truth submits. Today, among the mankind only Muslims are reading these verses. They by rejecting the Best Interpretation of Lord's Book 'Husna' became the worst and the most strayed. Actually they are commanded to guide the mankind in to Adhikr— the Straightpath— and thereby to the Lord. But they became aimless and heedless by following the footsteps of Satan as explained in the verses 2: 168—169. Among the Muslims whoever is not becoming believer with Adhikr— the Permission— they are the transgressors as explained in the verses 2: 99 and 6: 49. See the explanation 2: 113; 4: 48 and 6: 121.

191. Do they associate with the one that does not create anything, while they are created?

It is told in the verses 16: 20—22, 'and those whom they invoke without Lord Allah, they have not created anything, while they are created, the dead, without having the life, and they do not perceive when they will be resurrected. Your Deity is the single Deity; then whoever does not believe in the Hereafter, their hearts are in refusal and they are arrogant'. Today, the hypocrites are hiding the verses of Lord Allah knowingly and are encouraging their followers— the Mushriks— to ascribe intercessors and associates to the Lord of the Universe. The scene of arguing, blaming, accusing and quarreling between the hypocrites and their blind followers is explained in the verses 2: 165—167. See the explanation 6: 36, 130 and 7: 36—37.

192. And they can't help them, and they cannot help their own soul.

It is told in the verses 36: 74—75 that they selected deities except Allah so that they may be helped; they cannot help them and they will be an army against them when they are summoned. It is told in the verses 46: 5—6 that 'who is the most strayed than the one who invokes except Lord Allah who will not respond for him until the Day of Judgment and who are heedless about their invoking. When the mankind will be

summoned, they will be enemies for them and they will deny their serving (appealing) of them'. Read together 10: 34— 35. See the explanation 1: 4 and 6: 21—24.

193. If you invite them into the Guidance, they will not follow you; it is the same upon you whether you call them or you keep quiet.

Today, if the believer is calling the hypocrites and their blind followers into the Guidance, they will not accept it. So in their case it is the same whether call them to the Guidance or keep silent, they will not follow Adhikr. They are the Mujirims and wrong doers as explained in the verses 7: 40— 41. It is told in the verse 36: 11 that indeed you will only remind the one who follows Adhikr as explained in the verses 2: 6—7. See the explanation 1: 7; 2: 174; 4: 140.

194. Indeed those whom you are invoking without Lord Allah are the servants just like you; then you invoke, then let them respond to you if you are so truthful!

Today, among the mankind only Muslims are reading these verses. The human devil hypocrites among them are obstructing their followers from the Straightpath by preventing them from Adhikr—the Truth. The strayed followers are taking the saint men as intercessors and intermediates to Allah—the Lord of the Universe. But they are claiming falsely that they are in truth and in the Straightpath. Actually, these Mujirims are serving Satan instead of serving Lord Allah and are following 29 pseudo-prophets instead of following Messenger Muhammed. They are the True disbelievers and wrong doers as explained in the verses 2: 254 and 4: 150— 151. See the explanation 2: 23—24, 144; 6: 55.

195. Have they legs for walking with them, or have they hands for holding things with them, or have they eyes for seeing with them, or have they ears for hearing with them? You say: You invoke your associators; after that all of you plot against me, then no need to give me any respite.

The Lord of Universe asks to the associates that whom they are invoking besides Lord Allah have legs for coming near them, or do they have hands for holding them, or have they eyes for seeing them, or have they ears for hearing their invoking. Then the Lord commands to Prophet and today the believer to make challenge as 'you all and your associators do plot against me and no need to give me any respite'. Through the verse 32: 4 Muslims are commanded to introduce the Lord of the Universe to the all mankind as 'they have no patron or intercedes besides Lord Allah' as explained in the verse 6: 56. But the human devil hypocrites who are knowingly hiding Lord's Book Adhikr are encouraging or giving silent permission for invoking others than Lord Allah. Thus they are leading their followers into the Hell which is the House of worthless as explained in the verses 3: 21—22. According to the verse 15: 44 the Hell has seven doors, and for each door has fixed number among them as prescribed. Adhikr –the Best Interpretation of Lords' Book— is formed today. So the believer has to do great jihad to these worthless people with It and has to convey the Lord's Message throughout the world in

order to keep the Universe in its equilibrium as explained in the verse 6: 65. See the explanation 4: 140; 6: 81, 90— 91 and 7: 27.

196. Indeed, my patron is Lord Allah, the One Who sent down the Book, and He takes the honorable ones under His protection.

The Lord's Book containing 6236 verses are revealed in order to introduce the Lord as it should be introduced. Today, It is formed as a Splendid Book named Adhikr. So nobody becomes believer without It as explained in the verses 2: 256 and 3: 49. Believers by holding fast Adhikr are actually holding fast Lord Allah as explained in the verse 2: 153. The believers are glorifying Lord Allah and are praying to Him and seeking refuge in Him as explained in the verse 7: 206. See the explanation 2: 257; 4: 69— 70 and 7: 170.

197. And those whom you are invoking besides Him, they are not able for helping you, and they themselves are not helping.

Since today Adhikr –the Safeguard— is formed as a Book, Lord of the universe has become Impartial. So male/female by holding fast It can be helped by himself /herself. Today, the wrath and curse affected hypocrites by hiding these verses are commanding their gone astray followers for invoking associators besides Lord Allah. It is told in the verses 28: 62—64, “And on the Day, He will call out them and ask: ‘Where are my associators whom you had been claiming?’ Then those upon whom the charge is pronounced will say: ‘Our Lord, these are the ones whom we made aimless! We made them aimless just as we ourselves were aimless. We absolve ourselves into you, it was not us they had been serving’. It will be said to them: ‘You call your associators’, then they will call them; then they will not respond to them, and they will see the punishment; if they had been guided”. See the explanation 2: 165—167; 5: 36 and 6: 25—30.

198. If you are calling them into the Guidance, they will not hear, and you can see them staring into you, while they are not seeing the Insight.

When the Mecca pagans were called to the Messenger and to the Guidance, they were staring at Messenger with their eyes, but they were not utilizing their insight— the soul. Today, since Adhikr— the Guidance— is formed as a codified Book and so when the odd believer calls the Mushriks— the Muslims who deviated into different groups and became disbelievers as explained in the verses 4: 150— 151— to follow the Guidance, they do not consider it. They also stare at him since they ignored their soul and do not see the Insight as explained in the verse 6: 104. Both the hypocrites and their blind followers will witness against their soul at the time of their death as ‘indeed we were disbelievers’ as explained in the verse 7: 37. See the explanation 2: 18—19, 170; 7: 179.

199. You hold the means of pardon, you command with the Justice and you neglect the ignorant.

The believer who follows Messenger Muhammed should always remember that if Lord Allah had wished, He would have guided all His servants. But He gave freedom to the mankind either to be grateful or to be ungrateful as explained in the verse 2: 152. So the

believer would not compel anyone to become grateful and believer. It is told in the verse 10: 100 that no one can become believer without Adhikr— His Permission— as explained in the verse 2: 256. Through this verse the Lord orders the believer to deal with others in Justice. That means to follow the rules and regulations of Lord Allah which is beneficial for 1000 communities of Lord's creatures including mankind and to command others to do so. Since the hypocritical disbelievers are killed by Lord Allah as told in the verses 63: 4 and 80: 17 they will never become believers as told in the verse 10: 33. The common Muslims who are blindly following these human devil hypocrites will not be ready to hear the believers' calling. So it is commanded to neglect them also. Today, among the mankind both these wrongdoers who bear the Lord's Book as donkeys carrying burden are not following Adhikr and are not giving It to the other people for utilizing as explained in the verse 6: 26. So the odd believer should do great jihad to them with It and should convey It to other people belonging to Messenger's community such as Hindus, Budhhas, Jains etc. as explained in the verses 6: 89—90. See the explanation 3: 159; 4: 63— 64; 5: 50.

200. And any temptation from Satan if affects you, then you seek refuge with Allah, indeed He is the all Hearing all Knowing

It is told in the verse 41: 36 that if any temptation from the Satan affects you, then you seek refuge with Allah, indeed He is the only all Hearing, all knowing. It is told in the verse 25: 31 that the Lord has made the Mujirims—the hypocrites and their blind followers— as enemy to each and every Prophet, and your Lord is enough as Guide and Helper. Today, since Adhikr— the Safeguard— is formed as a Book, whoever holdfasts It, he holdfasts the Lord of the Universe so that he will not be affected with any evil from the Satan. The Mujirims and wrongdoers mentioned in the verses 7: 40— 41 who are following and serving the Satan as told in the verses 36: 59—62 will not utilize Adhikr in this world so that they will wail on the Day of Judgment as: "Woe to me! If I hadn't selected so and so as my intimate friend, he strayed me from It after It had come to me, and Satan is a traitor to the mankind" as explained in the verse 5: 91. See the explanation 3: 102; 6: 112 and 7: 175— 176.

201. Indeed those who are heedful, whenever an impulse from the Satan affects them, they remember and then they are becoming the Insightful.

Heedful are those who accept Adhikr as the Guidance as explained in the verse 2: 2. Such heedful, if are affected with any bad or evil thought from the Satan, will remember Lord Allah by his soul. Then through the Insight –criterion— he will distinguish the only way of the Lord as well as different ways of the Satan throughout his whole life as explained in the verse 2: 185. See the explanation 3: 190— 191 and 7: 30.

202. And their brothers, they will drag them into deeper aimlessness, then they will not relax their efforts.

Yes, the Satan from both the mankind—the hypocrites— and from the Jinn soul mate drag their followers into the Hell— the Satan's house—by obstructing from Adhikr

which is the Best Interpretation of Lord's Book as explained in the verse 6: 145. So the believer transforms their jinn Soul mates into a believer with Adhikr as explained in the verse 6: 107. When he recites the verse 1: 7, he will think in mind 'not to include in the wrath and curse affected hypocrites and their strayed followers'. Both of them are serving the Satan by following his footsteps as explained in the verses 2: 168—169. See the explanation 5: 96; 7: 146 and 147.

203. If you had not brought them any verse, they would ask: Why did not you get It together? You say: Indeed, I follow what has been inspired to me from my Lord; this is an Insight from your Lord, the Guidance and Mercy for the believing people.

The verses of Lord's Book were sent down step by step within 23 years. And it was not codified as a Book during the period of Messenger Muhammed. So the disbelievers were asking him, 'why these verses are not sent down to you at a time as a codified one'. Messenger is commanded to tell them, 'I am only following what have been inspired to me'.

But after the codification of the Lord's Book which contains 6236 verses, It is the Insight for the entire mankind as explained in the verses 3: 4 and 6: 104. It is the Guidance and Mercy for the believing people as explained in the verse 7: 52. It is the Splendid Book containing all 312 Books revealed before and their upright Explanation as explained in the verse 5: 48. But the Muslims are not utilizing It and are not giving It to the other people for utilizing so that they will be dragged into the hell prone on their faces, and they are in the worst place as well as the most strayed as explained in the verse 7: 154. See the explanation 3: 19—22 and 6: 155—157.

204. And when the Qur'an is read, then you listen to It and you keep quiet, so that you may receive the Mercy.

When this verse was revealed, Qur'an was not codified as a Book. The Lord taught through the Messenger, '*you read Qur'an when your heart is synchronized with the reading, and if the reading and your heart is differed, then you stand up and go from It*'. Messenger has also taught that *if the soul is not participating with the reading, the heard, read and touched verses of the Lord will argue and witness against them*. So whenever the verses are read or heard, he should respond for It appropriately by his soul. It is told in the verse 36: 69 that Lord's Book is nothing except a Reminder and a manifest reading. Adhikr is the Reminder which reminds each and everything in one's heart's language. See the explanation 2: 2; 6: 36 and 155— 157.

205. And you remember your Lord with your soul beseechingly and fearfully without loudly in word in the dawn and dusk, and you should not be among the heedless.

Through this verse the Prophet is commanded to Remember Lord Allah beseechingly and fearfully with the soul without raising the noise both in the morning and evening. Today, the one in 1000 believer who considers the Lord Allah as he should be considered should glorify the Lord with his soul without uttering. Before getting the inspiration even Prophet Muhammed was among the heedless as explained in the verse

6: 122. Through the verse 7: 205 the Lord is commanding the Prophet and there by the odd believer not to become the heedless. But today, the aimless hypocrites and their heedless followers are uttering the words even in their prostrations without the participation of the soul. These Mujirims are not believing in Lord Allah as the Knower of the treachery of eyes and what is hidden in their chests. They are also not considering Him as the acquainting and Observer of each and everything as explained in the verses 2: 115 and 255. Among the Muslims who do not become a believer with Adhikr— the Permission— he/she is a transgressor as explained in the verse 2: 99. The Muslims who do not judge with Adhikr—the Justice— in personal, family and social life are the transgressors as explained in the verses 5: 47 and 102. See the explanation 2: 152; 6: 93— 94 and 7: 179.

206. Indeed those who are with your Lord, they are not too proud for serving Him, they are glorifying Him and they are prostrating to Him.

Today, the odd believer who is the one in 1000 reads Adhikr in the morning and evening and does single prostration of recitation as explained in the verses 2: 43, 110 and 136. All other 999 out of 1000 Muslims by forgetting Adhikr became the worthless people. While they are standing for Swalath (prayer) they are seeing the sexual parts of opposite genders by their hearts as explained in the verses 2: 239 and 6: 28. They do not do the single prostration of recitation mentioned in 15 places which are 7: 206; 13: 15; 16: 50; 17: 109; 19: 58; 22: 18, 77; 25: 60; 32: 15; 38: 24; 41: 38; 53: 62; 84: 21 and 96: 19. Upon these Mujirims who do not do this prostration, the punishment is happened true by doing the prostration in the Swalath as told in the verse 22: 18. For these true disbelievers, the Lord has kept prepared heinous punishment as explained in the verses 4: 150—151. About them it is told in the verses 84: 20—21 that what happened to them, they are not becoming believers; when the Qur'an is recited upon them, they are not prostrating. These worthless who are serving the Satan instead of Lord Allah as told in the verses 36: 59—62 have the Hellfire as fine for living here heedlessly and aimlessly as explained in the verse 3: 20. And on the Day of Judgment when their sights will cast down and ignominy will cover them, they will be called for single prostration. But they will be unable to do it since they ignored when they were called to do the prostration while they were in peace and safe in this world as told in the verses 68: 42—43. When the Angels and the Satan were commanded to do prostration, the Satan did not do it. So he became the disbeliever and the outcast.

About the prostration of recitation the Three time Knower Lord Allah has taught through the Messenger Muhammed as 'during the last Period their single prostration will be enough for them than getting the Earth and all things on it'. The Lord also taught through Messenger Muhammed at "Hajjathul-Vida'a" as 'during the last period one should live by biting Adhikr with his molar teeth'. The believers in their prostration of recitation are glorifying Lord Allah, praying to Him and seeking refuge in Him as:

— Glory to You my Lord, the Highest One.
